Independent Auditors' Report

Plan Administrator
403(b) Thrift Plan of Resources for Seniors

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of 403(b) Thrift Plan of Resources for Seniors, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of 403(b) Thrift Plan of Resources for Seniors' financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 403(b) Thrift Plan of Resources for Seniors and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Resources for Seniors' ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 403(b) Thrift Plan of Resources for Seniors' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Resources for Seniors' ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information,

including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

403(b) Thrift Plan of Resources for Seniors
Notes to Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF PLAN

The following description of 403(b) Thrift Plan of Resources for Seniors (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

- a. General – The Plan is a defined contribution plan, established on July 1, 1991 to provide retirement benefits for employees of Resources for Seniors, Inc. (the "Plan Sponsor" and "Employer") and their beneficiaries. The Plan is designed to conform to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). All employees of the Plan Sponsor are eligible to participate in the Plan upon their hire, except for employees who are non-resident aliens with no U.S. source income or employees who are eligible to make contributions to another qualified Plan of the employer. Participation in the Plan is voluntary.
- b. Contributions – Each year, participants may contribute between 1% and 100% of pre-tax or after-tax annual compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans as defined under Section 402 of the Internal Revenue Code. The Plan document provides for a discretionary base contribution by the Employer. The Employer elected to contribute 2% of compensation for all eligible employees for the year ended December 31, 2022. Annual contributions to the Plan may not exceed the amounts permitted under Section 415 of the Internal Revenue Code. Participants direct the investment of contributions into various investments offered by the Plan.
- c. Participant Accounts - Each participant's account is credited with (1) participant's contributions, (2) employer contributions and (3) allocations of Plan earnings and administrative expenses. Allocations are based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- d. Vesting - Participants are vested immediately in their contributions plus actual earnings thereon. Employer contributions vest according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	25%
3	50%
4 or more	100%

Participants will automatically become 100% vested upon attainment of normal retirement age (65) or retirement due to disability or death.

Notes to Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF PLAN (Continued)

- e. Payment of benefits - Upon termination of employment, retirement, death, or disability, a participant or beneficiary may elect to receive a single lump-sum payment of their account balance. If a terminated participant is 55 years of age or older, payment of their account balance can also be requested in either installment payments over a period that does not exceed life expectancy, or payment in the form of an annuity. At any time, a participant may make a one-time election to withdraw pre-1988 deferrals, excluding earnings on such contributions credited after December 31, 1988. In addition, during active service, a participant can take hardship distributions if certain conditions are satisfied. Effective January 1, 2019, upon taking a hardship distribution, the participant is no longer suspended from the Plan for six months.
- f. Forfeited accounts - Forfeitures of terminated participants' non-vested accounts are used to reduce future employer contributions or pay Plan administrative expenses. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$2,752 and \$483, respectively. In 2022 and 2021, \$0 and \$904 of forfeited non-vested accounts were used to pay plan expenses, respectively.
- g. Plan loans – Participants may borrow against their investment accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. All Plan loans are issued directly by funds owned by Mutual of America Life Insurance Company (Mutual of America) and are secured by the value held in the participant's investment account within the Plan (i.e., loan proceeds are not removed from a participant's account balance). At any time, the participant's account value in the Plan must be equal to 120% of the Plan loan in order to ensure adequate collateralization. Plan loans bear interest at a variable rate as determined by Mutual of America equal to the interest crediting rate of the Interest Accumulation Account plus 3%. Interest rates are adjusted by Mutual of America no less than once a year. Plan loans must be repaid within 5 years. If the loan is used for the purchase of a principal residence, the loan term can be extended to a period of no more than 10 years. Principal and interest is paid through semi-monthly installments deducted through payroll. As of December 31, 2022 and 2021, there were Plan loans due to Mutual of America secured by Plan assets of \$29,937 and \$35,909, respectively. As of December 31, 2022 and 2021, there were no defaulted Plan loans due to Mutual of America.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accounting records of the Plan are maintained by the insurance company on the cash basis. Memo journal entries are recorded to convert the insurance company balances to the accrual basis of accounting at year-end. The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

403(b) Thrift Plan of Resources for Seniors
Notes to Financial Statements
December 31, 2022 and 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by Mutual of America. See Note 5 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

3. PLAN ADMINISTRATOR AND TRUSTEE INFORMATION

The plan administrator and trustee is the Plan Sponsor, Resources for Seniors, Inc. The plan administrator has designated Mutual of America Life Insurance Company, the insurance company, to hold the Plan's invested assets and to execute investment transactions.

4. GROUP ANNUITY CONTRACT

The plan administrator has designated Mutual of America Life Insurance Company, the insurance company, to administer plan investments under a group annuity contract. In addition to executing investment transactions, the group annuity contract provides for benefit payments to be made from the Plan upon the direction and request of the plan administrators.

5. FAIR VALUE MEASUREMENTS

The Plan follows FASB ASC 820, *Fair Value Measurements*, which defines fair value as the price that would be received from selling an asset in an orderly transaction between market participants at the measurement date. When determining the fair value measurements for assets required to be recorded at fair value, the Plan considers the principal or most advantageous market in which it would transact and considers assumptions that market participants would use when pricing the asset or liability, such as inherent risk, transfer restrictions, and risk of nonperformance.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

403(b) Thrift Plan of Resources for Seniors
Notes to Financial Statements
December 31, 2022 and 2021

5. FAIR VALUE MEASUREMENTS (Continued)

Pooled Separate Accounts

Pooled separate accounts are valued at the net asset value ("NAV") of units of a fund. The NAV, as provided by Mutual of America, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying mutual funds registered with the Securities and Exchange Commission held by the fund, as determined by quoted prices of identical assets in an active market, less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the pooled separate account, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

In accordance with ASC 820-10, certain investments measured at fair value using the net asset value per share (or its equivalent) practical expedient are not classified in the fair value hierarchy.

Fair Value of Investment in Entities that use Net Asset Value

The Following table summarizes additional disclosures of the Plan's separate account investments, classified by major category, whose fair value is based on net asset value (NAV) per share as of December 31, 2022 and 2021, respectively.

<u>December 31, 2022</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Pooled separate accounts	\$ 2,035,785	\$ -	Daily	None
<u>December 31, 2021</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Pooled separate accounts	\$ 2,530,619	\$ -	Daily	None

6. INFORMATION CERTIFIED BY THE PLAN'S INSURANCE COMPANY

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Mutual of America Life Insurance Company, a qualified institution, except for comparing such information certified by the insurance company to information included in the Plan's financial statements and supplemental schedule:

	<u>2022</u>	<u>2021</u>
Guaranteed investment contract	\$ 881,464	\$ 888,985
Pooled separate accounts	2,035,785	2,530,619
Net investment income	(513,285)	N/A

403(b) Thrift Plan of Resources for Seniors
Notes to Financial Statements
December 31, 2022 and 2021

7. GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has a fully benefit-responsive guaranteed investment contract with Mutual of America totaling \$881,464 at December 31, 2022 and \$888,985 at December 31, 2021. Mutual of America maintains the contributions in their general account and is contractually obligated to repay the principal and a specified rate of interest. A guaranteed minimum interest rate is determined by Mutual of America annually. Each contract is fully and unconditionally guaranteed by Mutual of America.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported by Mutual of America, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer. Interest is credited to the contract at interest rates that reflect the performance of the underlying portfolio. Such interest rates are reviewed no less than once a year for resetting, at which time a guaranteed rate is elected for the year. For 2022, the guaranteed interest rate was 1.00%. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value. Participants will receive the principal and earnings credited to their accounts on withdrawal for allowed events. These events include transfer to other Plan investment options, and payments because of retirement, termination of employment, disability, death and in-service withdrawals as permitted by the Plan.

The average yield and crediting interest rate to the Mutual of America Interest Accumulation Account for the years ending December 31, 2022 and 2021 was approximately 0.24% and 0.99%, respectively.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events could include, but are not limited to the following (a) the Plan Sponsor fails to meet the requirements of the contract or to abide by the terms of the contract (b) a modification in the contract is necessary in order to comply with federal or state requirements, including ERISA, and the Plan Sponsor refuses to accept a substantially similar contract offered by the contract issuer. The Plan's administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

403(b) Thrift Plan of Resources for Seniors
Notes to Financial Statements
December 31, 2022 and 2021

9. TAX STATUS

The Plan has not been submitted to the Internal Revenue Service for tax exempt determination. However, the plan administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code.

10. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in certain funds managed by Mutual of America. Mutual of America is the custodian of the Plan's assets and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the plan for investment management services are included in net appreciation in fair value of pooled separate accounts. For the years ending December 31, 2022 and 2021, net administration fees of \$833 and \$1,110, respectively, were paid to Mutual of America.

Mutual of America issues Plan loans to participants of the Plan in exchange for a guaranteed interest in the participant's account equal to 120% of the value of the Plan loan, see Note 1. As of December 31, 2022 and 2021, there were Plan loans due to Mutual of America secured by Plan assets of \$29,937 and \$35,909, respectively.

11. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

12. CONCENTRATIONS

At December 31, 2022, 30%, of investments were held in the Mutual of America Interest Accumulation Fund. At December 31, 2021, 26% and 10%, of investments were held in the Mutual of America Interest Accumulation Fund and DWS VSI Capital Growth VIP Fund, respectively.

13. CARES ACT

During 2020, Plan operations were changed without formal amendment for provisions permitted by the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) including the following:

- Participants may take a coronavirus-related distribution of up to \$100,000 (not to exceed the participant's vested account balance) without a 10% early withdrawal penalty. Eligible distributions can be taken up to December 31, 2020. Coronavirus-related distributions may be repaid within three years. The plan administrator may rely on an employee's certification that the employee satisfies the conditions for a coronavirus-related distribution.
- Participants may borrow up to \$100,000 (not to exceed the participant's vested account balance) for loans made from March 27, 2020 through September 22, 2020, and repayment can be delayed.
- Participants with loans are allowed to suspend loan payments due March 27, 2020 through December 31, 2020 for up to one year.
- Required minimum distributions were suspended for 2020.

14. SUBSEQUENT EVENTS

The Plan has evaluated events and transactions that occurred between December 31, 2022 and October 16, 2023 which is the date the financial statements were available to be issued, for possible recognition or disclosure in the financial statements..
