INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of
Panel Specialists, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Panel Specialists, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Panel Specialists, Inc. 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Panel Specialists, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Panel Specialists, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Panel Specialists, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Panel Specialists, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF THE PLAN

General – The Panel Specialists, Inc. 401(k) Plan is a defined contribution retirement plan covering substantially all employees of Panel Specialists, Inc. The Plan provides for retirement, disability, death, and employment termination benefits. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The plan is a defined contribution plan within the meaning of Section 401(a) and Section 401(m) of the Internal Revenue Code.

Contributions – Participant contributions are made via payroll deductions. Each participant may elect to have compensation deferred up to the maximum percentage or stated amount allowable, not to exceed the limits of code section 3401(a). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. As of January 1, 2010, participants are permitted to make Roth 401(k) deferrals and the deferrals are eligible for matching contributions under the plan. The Plan requires the company to make matching contributions to the account of each eligible participant in an amount equal to the sum of 100% of the amount of the participant's elective deferrals; however, it is limited to 4% of the participant's compensation, as defined in the plan document.

Participant Accounts – Each participant's account is credited with the participant's contribution and an allocation of the Company's contribution, and plan earnings. Participants are responsible for certain plan fees and charges. The employer is responsible for other administrative fees such as audit fees and third-party administrator fees. Investments are participant directed through Reliance Trust Company.

Vesting – Participants are immediately vested in their voluntary contributions plus actual earnings on these amounts. Vesting in the Company's contribution portion of their accounts plus earnings is based on years of continuous service. A participant is 100 percent vested after six years of credited service. Effective January 1, 2004, Panels Specialists, Inc. modified the Plan to allow the 401(k) Safe Harbor Provision. All contributions are 100% immediately vested, participant deferrals and employer contributions.

Participant Loans – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The participant may only have one loan outstanding at any time, unless the second loan is for a principal residence. Loan terms range up to five years, except in the case of a loan used for purchasing a principal residence for the participant, in which case the loan term shall not exceed ten years. The vested balance in the participant's account secures the loan. Prevailing interest rates are used. Interest rates range from 3.25% to 6.50%. Principal and interest is paid ratably through payroll deductions. These loans are regarded as a party-in-interest because of the relationship between the Plan and its participants.

Payment of Benefits – Upon termination of service due to retirement, disability, or death, the participant will receive the value of the vested interest in his or her account in the form of one lump-sum payment or partial withdrawals provided that the minimum withdrawal is \$1,000. Hardship distributions are permitted up to the lesser of 100% of the participant's vested interest or the amount necessary to satisfy the participant's heavy financial need. In-service distributions are permitted for participants who have reached either age 59½ or normal retirement age.

Forfeited Amounts – For the years ended December 31, 2022 and 2021, \$-0- was forfeited.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared under the accrual method of accounting.

Nature of Investments – Investments consist of assets held in mutual funds and the fixed account of Reliance Trust Company. Reliance Trust Company has been appointed to provide all administrative service necessary to support the insurance contracts issued. Reliance Trust Company is the Plan's trustee.

Use of Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Quoted market prices are used to value investments. Income from investments is recognized in the period in which it is earned.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold during the year and on investments held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits – Benefits are recorded when paid.

Operating Expenses – All expenses of maintaining the Plan are paid by the Plan.

NOTE 3 – INVESTMENTS AT FAIR VALUE

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows.

Notes to the Financial Statements
For the Years Ended December 31, 2022 and 2021

NOTE 3 – INVESTMENTS AT FAIR VALUE (CONTINUED)

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. Gains and losses (realized and unrealized) included in changes in net assets available for benefits are reported in net appreciation/depreciation in fair value of investments.

There have been no changes in the methodologies used at December 31, 2022 and 2021. Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Loan issues		(510)
Benefits paid to participants		(14,409)
Transfers		(2,167)
Fees		(1,568)
		<u>\$ (128)</u>

NOTE 5 - INVESTMENT AT CONTRACT VALUE

The Plan's group annuity contract with Standard Insurance Company is a fully benefit-responsive contract. Under the terms of the contract, participant-initiated transactions for the purpose of receiving benefits allowed under the plan, such as retirement, death, hardship, loan, required minimum distribution, and allowable in-service withdrawal, are completed at contract value without conditions, limits, or restrictions. Contract value represents contributions made, less withdrawals and administrative expenses, plus interest credited. Daily liquidity at contract value is available for participant withdrawals. A realized gain of \$1,391 and an unrealized gain of \$3,874 was recognized for the year ended December 31, 2022. A realized gain of \$3,520 and an unrealized gain of \$2,392 was recognized for the year ended December 31, 2021. The investment level is considered to be Level 2.

The contract value of the investment contract at December 31, 2022 and 2021, was \$392,983 and \$245,694, respectively. The interest rate was 1.3% and 1.3% for the years ended December 31, 2022 and 2021, respectively.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of any full or partial termination, participants will become 100 percent vested in their accounts and shall not thereafter be subject to forfeiture, and all unallocated amounts, including forfeitures, shall be allocated to the accounts of all participants.

NOTE 7 – TAX STATUS

No provision has been made for federal income tax. A prototype plan is used by Panel Specialists, Inc. 401(k) Plan. In a letter dated March 31, 2014, the Internal Revenue Service states that an employer using the prototype plan may rely on the letter with respect to the qualification of its plan under Code Section 401(a). The Plan has been amended; however, the Plan administrator and the sponsor believe that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan had taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The plan is subject to routine audits by the Internal Revenue Service; however, there are currently no audits for any tax periods in progress. The Plan's annual returns for 2021, 2020, and 2019 are subject to examination by the IRS, generally for three years after they were filed.

NOTE 8 - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information was obtained from data that has been prepared and certified as complete and accurate by the trustee.

	<u>2022</u>	<u>2021</u>
Investments, at fair value	\$ 4,882,676	\$ 5,951,887
Investments, at contract value	392,983	245,694
Investment Income:		
Dividend income	170,421	237,419
Investment gain (loss)	(1,134,833)	513,041
Deductions:		
Administrative fees	49,338	47,344

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities which are inherently exposed to various risks such as interest rate fluctuations, and market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 10 - PARTIES IN INTEREST

Certain plan investments are managed by Reliance Trust Company. Reliance Trust Company is the trustee. Paycom Software, Inc. handles payroll processing services.

Panel Specialists, Inc. is a corporation and wholly owned subsidiary of Markel Ventures, Inc.

Elliot Germany is the President and Chief Executive Officer of Panel Specialists, Inc. Gary Kosel is the Chief Financial Officer and Amanda Kilgore is the Human Resources Director of Panel Specialists, Inc. In addition, Gary Kosel is a plan trustee and Amanda Kilgore is the plan administrator. Ludwick, Montgomery & Stapp, P.C. is the auditor.
