INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of
Ted Britt Ford Sales, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of Ted Britt Ford Sales, Inc. 401(k) Profit Sharing Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statement of Net Assets Available for Benefits as of December 31, 2022, and the related Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit needs not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section,

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Plan Administrator and Participants of
Ted Britt Ford Sales, Inc. 401(k) Profit Sharing Plan

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

To the Plan Administrator and Participants of
Ted Britt Ford Sales, Inc. 401(k) Profit Sharing Plan

Auditor's Responsibilities for the Audit of the 2022 Financial Statements - continued

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Plan Administrator and Participants of
Ted Britt Ford Sales, Inc. 401(k) Profit Sharing Plan

2022 Supplemental Schedule Required by ERISA - continued

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

Predecessor auditors performed an audit of the 2021 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated September 30, 2022 indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with GAAP and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined met the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedule, other than the information in the 2021 supplemental schedule that agreed to or was derived from the certified investment information, was presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agreed to, or was derived from, in all material respects, the information prepared and certified by an institution that management determined met the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Plan provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General - The Plan, established on May 1, 1968, is a defined contribution plan covering substantially all employees of Ted Britt Ford Sales, Inc. and its subsidiaries (the Company), as well as affiliates of the Company and the Plan's participating employers: MGB Cycles, LLC and Orange Cycles LLC (collectively, the Companies). The Plan is subject to the provisions of ERISA.

Effective June 30, 2020, the prototype plan with CCH Incorporated, DBA ftwilliam.com was amended and restated in accordance with the Cycle 3 Restatement as required by the Internal Revenue Service (IRS). Accordingly, the plan administrator executed a new Adoption Agreement to be effective January 1, 2022. No significant changes to plan provisions resulted from this amendment and restatement other than noted below.

Eligibility - Employees are eligible to participate and subject to auto enrollment once they have completed 60 days of service (2 months of service prior to January 1, 2022) and are age twenty-one or older. Employees may enter the Plan on the first day of the calendar month coincident with or next following the date the eligibility requirements are met. Leased employees are excluded from participating in the Plan.

Contributions - Each year, participants may elect to make pre-tax or Roth after-tax deferral contributions up to the maximum allowable contribution amount under the Internal Revenue Code (IRC). Under the Plan's auto enrollment provision, a contribution of 6% of compensation will automatically be elected, unless otherwise directed by the employee. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Companies may make the following contributions on behalf of participants:

A discretionary matching contribution as determined by the Companies. For the year ended December 31, 2022, the Companies contributed a discretionary matching contribution equal to 25% of employee deferral contributions (including catch-up), up to 2% of eligible compensation (as defined). The discretionary matching contribution for 2022 totaled \$496,784.

A discretionary non-elective contribution as determined by the Companies. The contribution is allocated pro-rata in the ratio that each participant's plan compensation bears to the plan compensation of all eligible participants. To share in the allocation of the discretionary contribution, a participant must complete 1,000 hours of service. Participants not actively employed at the end of the plan year will not share in the discretionary contribution, regardless of service, unless due to death, disability, or attainment of early or normal retirement age (as defined). The discretionary non-elective contribution for 2022 totaled \$200,000, net of forfeitures. This amount was remitted to the Plan in 2023 and is recorded as a receivable on the Statement of Net Assets Available for Benefits as of December 31, 2022.

Qualified Nonelective Contributions (QNECs) and Qualified Matching Contributions (QMACs), as defined in the Plan. No QNECs or QMACs were made for 2022.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Participant Accounts - Each participant's account is credited with the participant's contributions and the Companies' contributions, as well as allocations of plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings/losses, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options - Participants may direct the investment of their contributions and the Companies' contributions into various registered investment companies (mutual funds) and a money market account offered by the Plan. For those participants who do not make an investment selection, their contributions and the related Companies' contributions are automatically invested in the Plan's qualified default investment account.

Vesting - Participants are immediately vested in their contributions and QNECs/QMACs plus earnings thereon. Vesting in the Companies' contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after six years of credited service. Regardless of the vesting schedule, participants will become fully vested upon death, total and permanent disability or upon attainment of early or normal retirement age while an employee.

Notes Receivable from Participants - Participants may borrow from their fund accounts. The minimum note amount is \$1,000; however, no note to any participant shall be made in an amount which exceeds 50% of their vested account balance. Additionally, the note cannot exceed \$50,000 minus the difference between the highest outstanding balance of notes in the past twelve months and the outstanding balance of notes from the Plan on the date the note is made. The notes are secured by the balance in the participant's account, bear interest at a rate of Prime + 2% and can only exceed a repayment period of five years for the purchase of a principal residence. Only two notes may be outstanding at a time. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits - Benefit payments may be in the form of lump sums only and are payable upon termination of employment, death, total and permanent disability or upon attainment of early or normal retirement age. The Plan shall make automatic distributions of vested account balances that are less than \$5,000 in accordance with plan provisions. Distributions from a participant's rollover account may be made at any time. Hardship withdrawals and in-service withdrawals at age 59 ½ are also permitted, subject to provisions defined in the plan document.

Forfeitures - Forfeitures of the Companies' contribution portion of participants' accounts (due to participants' termination prior to full vesting) are to be used to reduce the Companies' contributions or pay administrative expenses. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$74,116 and \$52,367, respectively. During 2022, forfeitures of \$52,367 and \$43,944 were used to reduce the Companies' 2021 discretionary non-elective contribution and pay administrative expenses, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amount of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Basis of Accounting - The Plan's financial statements are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the Plan's investment advisor and the trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant notes are reclassified as distributions based on the terms of the plan document.

Payment of Benefits - Benefits are recorded when paid.

Fee Revenue - A fee holding account is funded by monthly revenue sharing credits paid by mutual fund companies based upon the Plan's assets invested in those mutual fund companies. The fee revenue is to be used to offset administrative expenses. At December 31, 2022, the balance in the Plan's Fee Holding Account was \$61,037. During 2022, no administrative expenses were offset by this fee revenue.

Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment management fees of individual fund investments are charged to the respective investment and included in the net appreciation/depreciation of the investment, as they are paid through revenue sharing. Recordkeeping and audit fees, net of forfeitures, and fees related to the administration of notes receivable from participants and participant distributions are charged directly to the participant's account and are included in administrative expenses.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan can access.

TED BRITT FORD SALES, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 3 - FAIR VALUE MEASUREMENTS - CONTINUED

Level 2

Inputs to the valuation methodology include (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; and (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Registered Investment Companies: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market Fund: Valued at \$1 per share.

Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement. As of December 31, 2022 and 2021, the Plan's assets at fair value are invested in registered investment companies and a money market fund and are classified as Level 1 within the fair value hierarchy.

NOTE 4 - INFORMATION CERTIFIED BY A QUALIFIED INSTITUTION

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, certain information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2022 and 2021, and net depreciation in fair value of investments, dividend and interest income and fee revenue for the year ended December 31, 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Matrix Trust Company, a qualified institution.

NOTE 5 - TAX STATUS

The IRS has determined and informed CCH Incorporated, DBA ftwilliam.com, by a letter dated June 30, 2020, that the prototype plan adopted by the Plan effective January 1, 2022, is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

The IRS had determined and informed CDM Retirement Consultants Inc., by a letter dated March 31, 2014, that the prototype plan adopted by the Plan through December 31, 2021, was designed in accordance with applicable sections of the IRC. Although the Plan had been amended receiving the opinion letter, the plan administrator believed that the Plan was designed, and was being operated, in compliance with the applicable requirements of the IRC and, therefore, believed that the Plan was qualified, and the related trust was tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS

NWPS provides certain administrative services to the Plan pursuant to the Retirement Plan Services Agreement (the Agreement) between the Company and NWPS. The Agreement provides for an annual recordkeeping fee, which includes a base fee plus a per participant fee and a custodial/trading platform fee which is based on a percentage of plan assets. The Plan or Company may make payments to NWPS for administrative expenses not covered by these fees. NWPS also receives fees related to the administration of notes receivable from participants and participant distributions. Fees paid by the Plan to NWPS amounted to \$52,916 for 2022.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits. As of December 31, 2022 and 2021, 38% and 36%, respectively, of net assets available for benefits is invested in the American Funds Target Date Retirement Funds; however, by their nature, these funds are a diversified mix of equities and fixed income that rebalance over time.

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The net assets available for benefits per the financial statements as of December 31, 2021 did not include the Plan's cash account. As such, the amount has been included in the Statement of Net Assets Available for Benefits as of December 31, 2022 and an adjustment has been made to the Plan's net decrease per the financial statements.

NOTE 10 - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 13, 2023, the date the financial statements were available to be issued.
