INDEPENDENT AUDITOR'S REPORT

October 12, 2023

To the Plan Administrator of the
Kelberman Center, Inc. 403(b) Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Kelberman Center, Inc. 403(b) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Kelberman Center, Inc. 403(b) Retirement Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Kelberman Center, Inc. 403(b) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITOR'S REPORT

(Continued)

Supplemental Schedules Required by ERISA (Continued)

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

KELBERMAN CENTER, INC. 403(b) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN

The following brief description of the Kelberman Center, Inc. 403(b) Retirement Plan (the "Plan") is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution retirement plan under section 403(b) of the Internal Revenue Code (the Code) available to all employees of Kelberman Center, Inc. (the Organization), who meet certain eligibility requirements. The Plan commenced January 1, 2022. The Organization is the sponsor of the Plan. Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (Principal) is the custodian and recordkeeper of certain of the Plan's assets. Actuarial Pension Analysts, Inc. (APA) is the third-party administrator of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

All employees are eligible to begin salary deferrals on their first day of hire pursuant to a properly completed and valid salary reduction agreement entered into by the employee.

Contributions

Participants may make voluntary contributions subject to certain limitations under the terms of the Plan and the Code. Eligible participants, who attain the age of 50 before the end of the Plan year are eligible to make catch-up contributions, subject to certain limitations of the Code. The Organization makes discretionary matching contributions and non-elective contributions at the Organization's discretion.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Organization's contributions, an allocation of Plan earnings/losses on all contributions, and expenses. Allocations are based on participant earnings/losses or account balances, according to specific terms provided by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately fully vested in their voluntary contributions and actual earnings/losses thereon. Participants are vested in employer contributions according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1	0%
1 but less than 2	0%
2 but less than 3	25%
3 but less than 4	50%
4 but less than 5	100%
5 but less than 6	100%

1. DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

Participants may not borrow from their accounts under the Plan. Notes receivable represent legacy borrowing by participants from their previous plan. Legacy notes bear interest at rates of 4.25%.

Payment of Benefits

Upon termination of service due to death, retirement or other reasons, a participant or beneficiary receives an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount or in periodic payments if the vested balance exceeds \$5,000. Participants who have reached age 59½ may take in-service distributions.

Hardship Withdrawals

Hardship withdrawals from the Plan are permitted from a participant's elective deferral account. All hardship withdrawals must comply with the rules relating to hardships, which are uniformly applicable to all participants.

Forfeitures

Forfeitures of non-vested account balances of \$14,002 were used to reduce employer contributions for the plan year ended December 31, 2022. The total forfeited non-vested balance at December 31, 2022 was \$1,677 which will be used to reduce future employer contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared in accordance with the accrual basis of accounting which is accounting principles generally accepted in the United States of America (GAAP).

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Notes receivable represent legacy borrowing by participants from their previous plan. Delinquent participant loans are reclassified as distributions based upon terms of the plan document. No allowance for credit losses has been recorded as of December 31, 2022.

Investments

Investments, except for fully benefit responsive fixed annuity contracts, are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fully benefit responsive fixed annuity contracts are reported at contract value, which is the relevant measure for the portion of the net assets available for benefits attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Purchases and sales of securities are reflected on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investments (Continued)

Principal Life Insurance Company - Fixed Income Guaranteed Option (PFIGO) is a benefit-responsive group annuity contract issued by Principal. PFIGO contracts are reported at contract value. Contract value is the aggregation of contributions, plus interest, less withdrawals, if any. The crediting interest rate is based on a formula agreed upon with Principal. Under the terms of the existing contract, the crediting rate is currently reset on a semiannual basis. Changes in future interest crediting rates will not affect the amount reported on the statement of net assets available for benefits representing the adjustment for the portion of net assets attributable to fully benefit-responsive investment contracts from fair value to contract value, as fair value is considered book value less early withdrawal charge. PFIGO is a single group annuity contract with a fixed rate of interest. As a result, the average yield earned by the Plan is the yield earned (i.e., interest credited) on the group annuity contract.

By definition, PFIGO is an insurance contract. As a result, the Plan may transact according to the terms defined in the contract at any time. The contract will terminate on the date when no current deposit arrangements have been made and there are no guaranteed interest funds with a value greater than zero under the contract. Provisions relating to annuities in course of payment would continue to govern payment of such annuities until the final payment under each such annuity is made. Principal has the right to no longer receive deposits; however, they must still make payments as described above. PFIGO offers plan participants stability of principal and a declared interest rate. This contract guarantees principal and provides a stated rate of return backed by the General Account of Principal. Due to the nature of these contracts, they do not have specific underlying assets assigned. There are no redemption restrictions or unfunded commitments related to this investment.

Fair Value Measurement - Definition and Hierarchy

GAAP establishes a framework for measuring fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair market value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly, are considered level 2 measurements.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, political, currency and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying financial statements.

Payment of Benefits

Benefit payments to participants are recorded when paid.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Plan Administration Costs

Substantially all administrative expenses associated with the Plan are paid by participants. Management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of net appreciation in fair value of investments.

Estimates

The preparation of financial statements in accordance with GAAP requires the Plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. CERTIFIED INVESTMENT INFORMATION

Principal has certified to the completeness and accuracy of the information included in the financial statements and supplemental schedule as of and for the year ended December 31 as follows:

<u>Description</u>	<u>2022</u>
Investments	<u>\$ 4,153,123</u>
Notes receivable from participants	<u>\$ 23,980</u>
Net depreciation in fair value of investments	<u>\$ (596,517)</u>
Interest and dividend income	<u>\$ 67,149</u>
Interest income on notes receivable from participants	<u>\$ 1,591</u>
Schedule H, Line 4i - Schedule of Assets (Held at End of Year)	Schedule I

4. FAIR VALUE OF FINANCIAL INSTRUMENTS

The following sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	<u>\$ 4,153,123</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,153,123</u>

Following is a description of the valuation methodology used for assets measured at fair value.

Registered investment companies (including mutual funds): Registered investment companies include mutual funds, which are valued at the net asset value of shares held at year end based on quoted market prices in active markets.

4. FAIR VALUE OF FINANCIAL INSTRUMENTS (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of termination, partial termination, or complete discontinuance of contributions to the Plan, all amounts credited to the accounts of the participants would become fully vested and non-forfeitable. All distributions would be made in accordance with any applicable requirements of the ERISA and the Code.

6. TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (Code). The Plan administrator believes that terms of the Plan have been prepared to conform with the written plan requirements of Regulation 1.403(b)-3 of the Code. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b).

7. TRANSFER OF ASSETS

During 2022, certain employees of an unrelated organization were transferred to the Organization. In conjunction with the transfer of these employee's, the Plan accepted transfer from a plan sponsored by the unrelated organization of investments of \$4,417,179 and participant loans of \$65,351 for total balances of \$4,482,530.

8. PARTY-IN-INTEREST TRANSACTIONS

Principal is the custodian of the Plan, and the Organization is the sponsor. As such, transactions between Principal and the Organization and the Plan qualify as party-in-interest transactions. In addition, the Plan issues notes receivable to participants, which are secured by the balances in the participant's accounts. Therefore, these related transactions qualify as party-in-interest transactions.

9. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 12, 2023, which is the date the financial statements were available to be issued.
