## Independent Auditors' Report

### **The Plan Administrator and Participants** **Office Resources Incorporated 401(k) Profit Sharing Plan & Trust**

#### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audits***

We have performed audits of the financial statements of the Office Resources Incorporated 401(k) Profit Sharing Plan & Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of February 1, 2023, December 31, 2022, and 2021 and the related statements of changes in net assets available for benefits for the period January 1, 2023 through February 1, 2023 and for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Office Resources Incorporated 401(k) Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of February 1, 2023, December 31, 2022 and December 31, 2021 and for the period January 1, 2023 through February 1, 2023 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financials statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

***Auditors' Responsibilities for the Audit of the Financial Statements (continued)***

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***2022 Supplemental Schedule Required by ERISA***

The supplemental Schedule H, Part IV, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements  
February 1, 2023, December 31, 2022 and December 31, 2021

**1. Description of the Plan**

The following description of the Office Resources Incorporated 401(k) Profit Sharing Plan & Trust (the "Plan") is provided for general information purposes only. More complete information regarding the Plan's provisions may be found in the plan document.

The Board of Directors of Office Resources Incorporated voted to merge the Plan into the Creative Office Pavilion 401(k) Plan & Trust effective January 1, 2023. Participants of this Plan became Participants of Creative Office Pavilion 401(k) Plan & Trust. There were no contributions into the Plan for the period January 1, 2023 through February 1, 2023. All assets were transferred into the Creative Office Pavilion 401(k) Plan & Trust by February 1, 2023.

***General***

The Plan is a defined contribution plan covering all employees of Office Resources Incorporated (the "Employer") who is at least 21 years of age, except non-resident aliens who received no earned income from the Employer that constitutes United States sourced income, those employees included in a unit of employees covered by a collective bargaining agreement, leased employees and interns, ("Participants").

Ascensus Trust Company ("Ascensus") held the Plan's investments in mutual funds and provided trustee services for the Plan. The Plan's trust statements are certified by Ascensus' parent company, Ascensus, LLC as an agent for Ascensus (collectively "Ascensus") (See Note 3). The plan sponsor contracted Vanguard Group, Inc. ("Vanguard") to provide certain recordkeeping and administrative services pursuant to a Retirement Plan Recordkeeping Service Agreement ("RSA"). Vanguard retained Ascensus, LLC as a subcontractor to provide the services under the RSA on behalf of Vanguard. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). All investments were participant-directed.

On November 15, 2021, the Employer acquired substantially all of the assets of Arenson Office Furnishings, Inc. ("Arenson"). Employees of Arenson became employees of Office Resources Incorporated and therefore could participate in the Plan once eligibility requirements were met. An aggregate of \$10,412,275, including \$87,177 of notes receivables from participants, were rolled into the Plan during the year ended December 31, 2022, and are included in rollover contributions on the statement of changes in net assets available for benefits.

***Plan Administration***

The Employer is the plan administrator and has the authority to appoint person(s) or entities to carry out the operation of the Plan. Individual Participant accounts may be charged with an allocation of administrative expenses, if not paid by the Employer. Individual Participant accounts are charged directly for loan recordkeeping, if applicable.

***Subsequent Events***

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which is October 12, 2023.

***Participant Contributions***

Participants may defer a dollar amount or percentage of their eligible compensation, as defined by the Plan, not to exceed the limits established by the Internal Revenue Code ("IRC"). Participants may make pre-tax or Roth contributions to their accounts. Participants who have reached the age of 50 before the end of the plan year are eligible to make catch-up contributions. In addition, Participants may also contribute amounts representing pre-tax or Roth distributions from other qualified defined benefit or contribution plans and individual retirement accounts ("Rollover Contributions").

***Employer Contributions***

Employer Matching Contribution

The Employer, at its discretion, may elect to make a matching contribution as determined by the Board of Directors. To be eligible for the Employer matching contribution, Participants must be contributing to the Plan, employed by the Employer on the last day of the Plan year, and have completed at least 500 hours of service during the Plan year. For the period January 1, 2023 through February 1, 2023 and for the year ended December 31, 2022, the Employer elected not to make a matching contribution.

Employer Profit Sharing Contribution

The Employer, at its discretion, may have made an employer profit sharing contribution to the Plan as determined by its Board of Directors. Any discretionary profit sharing contribution is allocated to each Participant in the ratio that each eligible Participant's compensation for the Plan year bears to the total of all eligible Participant's compensation for the Plan year. To be eligible for the Employer profit sharing contribution, Participants must be employed by the Employer on the last day of the Plan year and have completed at least 500 hours of service during the Plan year. For the period January 1, 2023 through February 1, 2023 and for the year ended December 31, 2022, the Employer elected not to make a profit sharing contribution.

***Participant Accounts***

Each Participant's account is credited with the Participant's deferral contributions, the respective employer contributions, an allocation of the Plan's investment earnings or losses and is charged with certain expenses, if applicable. Allocations are based on Participant compensation or account balance, as defined. The benefit to which a Participant is entitled is the benefit that can be provided from the Participant's vested account.

***Vesting***

Participants were immediately vested in their respective elective deferral contributions, rollover contributions, plus actual earnings thereon. Participants fully vested in the employer contributions, if any, plus earnings thereon after three years of continuous service. A Participant became fully vested upon death, disability, or retirement while employed by the Employer.

***Payment of Benefits***

Upon severance from employment of service due to death, disability, termination, or retirement, a Participant or beneficiary may elect to receive a lump-sum distribution in an amount equal to the value of the Participant's vested interest in his or her account or a non-recurring partial payment from the vested portion of their account. The payment can either be a cash distribution to the Participant, subject to income tax withholdings, or a cash or in-kind tax free rollover to an individual retirement account or another qualified plan as defined. If a Participant's vested account is more than \$1,000 but less than \$5,000, the plan administrator, after notification, may distribute the benefit into an individual retirement account. If the vested account balance is less than \$1,000, the plan administrator, after notification, may distribute the account balance to the Participant.

In-service withdrawals from a Participant's account are permitted upon reaching age 65. In-service withdrawals are available from all Participant's vested accounts. In-service withdrawals are also allowed from a Participant's rollover account at any time. Hardship withdrawals are not permitted by the Plan.

***Notes Receivable from Participants***

Subject to approval by the plan administrator, Participants may borrow from their vested accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range up to five years (or longer for the purchase of a primary residence). Loans are secured by the vested balance in the Participant's account and bear a reasonable interest rate, as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions. If a Participant ceased to make loan repayments and the plan administrator deemed the loan to be in default, the Participant's loan balance is reduced and a benefit payment is made in accordance with the plan document. Loans to Participants are reported as notes receivable from participants on the accompanying statement of net assets available for benefits at the unpaid principal balance plus any accrued but unpaid interest.

Interest rates for outstanding loans range from 4.25% to 8.00% at December 31, 2022 and 4.25% to 6.50% at December 31, 2021 and mature at various dates July 2026.

**2. Summary of Significant Accounting Policies**

***Forfeitures***

A Participant who leaves the employment of the Employer forfeits any non-vested balance. At the Employer's discretion, forfeited balances may be used to pay administrative expenses or reduce the Employer's contributions. At February 1, 2023, the unused forfeiture balance of \$2,087 is included as part of the transfer to the Creative Office Pavilion 401(k) Plan & Trust. At December 31, 2022 and 2021, the unused forfeiture balance amounted to \$2,087 and \$2,696.

***Basis of Accounting***

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

***Use of Estimates***

The preparation of financial statements in conformity with U.S. GAAP requires plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could vary from the estimates that were used.

***Investments, Investment Valuation and Income Recognition***

Mutual funds are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

***Fair Value Measurements***

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan as of December 31, 2022 and 2021 are deemed to be actively traded and are classified as Level 1 investments.

Notes to Financial Statements  
February 1, 2023, December 31, 2022 and December 31, 2021

**2. Summary of Significant Accounting Policies (*continued*)**

***Fair Value Measurements (continued)***

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

***Notes Receivable from Participants***

Interest income on notes receivable from Participants is recognized on the accrual basis of accounting. Related fees are recorded as administrative fees and expenses when incurred. No allowance for credit losses has been recorded as of February 1, 2023 and December 31, 2022 and December 31, 2021.

***Excess Contributions Payable***

Amounts payable to Participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 excess contributions to applicable participants during 2022.

***Payments of Benefits***

Benefits are recorded during the period in which the Participant is paid.

**3. Information Prepared and Certified by Ascensus**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required Schedule H, Part IV, Line 4(i), Schedule of Assets (Held at End of Year) including investments and notes receivable from participants held at February 1, 2023, December 31, 2022 and December 31, 2021, and net appreciation (depreciation) in fair value of investments, dividend and interest income, and interest income on notes receivable from participants for the period from January 1, 2023 through February 1, 2023 and for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Ascensus as an agent for Ascensus Trust Company, a qualified institution.

**4. Risks and Uncertainties**

The Plan invests in investment securities which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the Participants' account balances and the amounts reported in the statements of net assets available for benefits.

Profit Sharing Plan & Trust**

Notes to Financial Statements  
February 1, 2023, December 31, 2022 and December 31, 2021

**5. Party-In-Interest Transactions**

Plan investments include funds during the year that have been managed by Ascensus, LLC, an affiliate of Ascensus. Accordingly, these transactions qualify as exempt party-in-interest transactions. The Plan paid administrative expenses of \$59,861 to Ascensus, LLC during the year ended December 31, 2022. Notes receivable from Participants qualify as exempt party-in-interest transactions as defined by ERISA.

**6. Plan Termination**

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, any unallocated assets of the Plan will be allocated to Participant accounts and distributed in such a manner as the Employer may determine. Effective February 1, 2023, the Plan has merged with Creative Office Pavilion 401(k) Plan & Trust (see Note 1).

**7. Tax Status**

The underlying prototype non-standardized profit sharing plan with a cash or deferred arrangement ("CODA") has received an opinion letter from the Internal Revenue Service ("IRS"), dated June 30, 2020, stating that the form of the plan is qualified under Section 401(a) of the IRC, is exempt from federal income taxes under Section 501(a) of the IRC and that the plan, as then designed, was in compliance with the applicable requirements of the IRC. Any employer adopting this form of the plan will be considered to have a plan qualified under Section 401(a) of the IRC. The Plan has been amended since receiving the opinion letter; however, the plan administrator believes that the Plan is currently designed in compliance with the applicable requirements of the IRC and that the Plan is qualified and is tax-exempt as of the financial statement date.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. It is the Plan's policy to account for any uncertainties as described under the income tax laws. Under the income tax laws, the tax-exempt status of an entity is considered a tax position. No such uncertain tax positions have been recognized by the Plan.

The Plan is subject to routine audits by taxing jurisdictions; however there are currently no audits for any tax periods in progress.
