INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Physicians & Surgeons Clinic OB/GYN, PLLC Profit Sharing Plan
Ridgeland, Mississippi

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Physicians & Surgeons Clinic OB/GYN, PLLC Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Physicians & Surgeons Clinic OB/GYN, PLLC Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Physicians & Surgeons Clinic OB/GYN, PLLC Profit Sharing Plan, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Physicians & Surgeons Clinic OB/GYN, PLLC Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Physicians & Surgeons Clinic OB/GYN, PLLC Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Physicians & Surgeons Clinic OB/GYN, PLLC Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

Note 1: Description of Plan

The following description of the Physicians & Surgeons Clinic OB/GYN, PLLC Profit Sharing Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

a. General

The Plan is a defined contribution plan covering all employees of the Physicians & Surgeons Clinic OB/GYN, PLLC (“Company”) who have completed one year of service and are age 21 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

b. Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company will make Safe Harbor contributions to the Plan in an amount not less than 3% of the participants’ plan compensation. The Company may, in its sole discretion, make employer matching contributions up to 4% of plan compensation each year. The Company may, in its sole discretion, make non-elective contributions on behalf of eligible participants to be allocated in an amount determined by the Company. Contributions are subject to certain statutory limitations.

c. Participant Accounts

Each participant’s account is credited with the participant’s contributions and allocations of (a) the Company’s matching contribution and, (b) Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

d. Vesting

Participants are immediately vested in their voluntary contributions, rollover contributions, qualified non-elective contributions, and safe harbor contributions plus actual earnings thereon. Vesting in the Company’s employer matching contributions and non-elective contributions portion of their accounts plus actual earnings thereon is based on years of continuous service on a 2 – 6 year graded vesting schedule. Upon death, total disability, or attainment of normal retirement age, a participant while employed will become fully vested.

e. Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to 50% of their vested account balance. The loans are secured by the balance in the participant’s account. The loan interest rate is set at 2% above the prime rate, as defined. Principal and interest is paid ratably through monthly payroll deductions.

Note 1: Description of Plan (continued)

f. Payment of Benefits

Upon termination of employment, if a participant's vested interest in their account exceeds \$5,000, no distribution will be made to the participant before they reach the age of normal retirement or receipt of consent to pay out by the participant and their spouse, if applicable. If a participant's vested account is less than \$5,000, the vested account balance is paid out in the form of a lump sum distribution or may be rolled over to an individual retirement arrangement designated by the Plan Administrator.

g. Forfeited Accounts

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$65,639 and \$53,199, respectively. These accounts will first be used to pay any administrative expenses of the Plan, as directed by the employer and then may be used to reduce future employer contributions.

Note 2: Summary of Significant Accounting Policies

a. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

b. Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

c. Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (except for the fully benefit-responsive investment contract which is reported at contract value). Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Mutual funds are valued at quoted market prices, which represent the fair value of shares held by the Plan at year end.

Purchases and sales-of-securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change includes the Plan's gains and losses on investments bought and sold as well as held during the year.

d. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred.

e. Payment of Benefits

Benefits are recorded when paid.

Note 2: Summary of Significant Accounting Policies (continued)

f. Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in administrative expenses.

Note 3: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 4: Information Certified by the Plan Trustee

The December 31, 2022 Statement of Net Assets Available for Benefits, the investment activities included on the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the trustee in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes total investments of \$9,547,129 at December 31, 2022, and related net depreciation of \$(2,091,515) and interest and dividends of \$482,157 for the year ended December 31, 2022.

Note 5: Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. Investments with readily available active quoted prices or for which fair value can be measured from actively quoted prices will have a higher degree of market observability and a lesser degree of judgment used in measuring fair value. Investments carried at fair value will be classified and disclosed in one of the following three categories:

Level 1 – consist of unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access,

Level 2 – consist of observable market-based inputs or unobservable inputs corroborated by market data,

Level 3 – consist of unobservable inputs and are not corroborated by market data.

Following is a description of the valuation methodology used for assets measured at fair value. There has been no change in the methodology used at December 31, 2022 and 2021.

Mutual funds are valued at the daily closing price. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The valuation methodology has been consistently applied during 2022 and 2021.

PHYSICIANS & SURGEONS CLINIC OB/GYN, PLLC
PROFIT SHARING PLAN
Notes to Financial Statements

Note 5: Fair Value Measurements (continued):

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>December 31, 2022</u>				
Mutual funds	\$ <u>9,352,686</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>9,352,686</u>
<u>December 31, 2021</u>				
Mutual funds	\$ <u>10,165,503</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>10,165,503</u>

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2022, are reported in net depreciation in fair value of investments.

For the year ended December 31, 2022, there were no transfers between Levels 1 and 2 and no transfers in or out of Level 3.

Note 6: Group Annuity Contract

As of December 31, 2022 and 2021, the Plan has a fully benefit-responsive group annuity contract with an insurance company, which is called the Key Guaranteed Portfolio Fund. The insurance company maintains the contributions in a general account, which is credited with earnings and charged for participant withdrawals and administrative expenses.

Since the group annuity contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract. The group annuity contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the Plan's ability to transact at contract value with the insurance company, such as premature termination of the contracts by the Plan and plan termination. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable. The insurance company may not terminate the contract at any amount less than the contract value.

The insurance company is contractually obligated to pay the principal and specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the insurance company. Such interest rates are reviewed on a quarterly basis for resetting. The crediting rate of the product will be established based on the earnings of the underlying assets in the entire medium-long term portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The actual average yield earned by the Plan for the group annuity contract is derived by averaging the plan's quarterly interest rates. The average for 2022 and 2021 was 0.93% and 0.90%, respectively.

Notes to Financial Statements

Note 7: Party-in-Interest Transactions

Certain Plan investments are held in funds managed by Empower Trust Company, LLC, the trustee, as defined by the Plan, and therefore, qualify as party-in-interest transactions. The Plan's party-in-interest transactions include administrative fees paid to Empower Trust Company, LLC for the years ended December 31, 2022 and 2021.

Note 8: Tax Status

The Internal Revenue Service has determined and informed the Company by letter dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving this determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

Note 9: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Company may determine.

Note 10: Subsequent Events

Events that occur after the Statement of Net Assets Available for Benefits date but before the financial statements are available to be issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed at the Statement of Net Assets Available for Benefits date are recognized in the accompanying financial statements. Subsequent events which provide evidence about conditions that existed after the Statement of Net Assets Available for Benefits date require disclosure in the accompanying notes. The Company has evaluated subsequent events through October 11, 2023, the date which the financial statements were available to be issued, and determined the following event disclosure:

On August 23, 2023, the Plan was amended, effective January 1, 2024, to permit Roth elective deferrals and to include Roth elective deferrals in the definition of a matched employee contribution.
