INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Bloem 401(k) Retirement Savings Plan
Hudsonville, Michigan

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Bloem 401(k) Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (an *ERISA Section 103(a)(3)(C) audit*). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Bloem 401(k) Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for the year ended December 31, 2022 and 2021. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Bloem 401(k) Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bloem 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bloem 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bloem 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental *Schedule of Assets Held at End of Year* as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Bloem 401(k) Retirement Savings Plan

Notes to Financial Statements December 31, 2022 and December 31, 2021

Note 1 - Plan Description

The following description of the Bloem 401(k) Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

- a) General - The Plan is a defined contribution plan covering all employees of Bloem 401(k) Retirement Savings Plan ("Sponsor") who are the age of eighteen or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
- b) Contributions - Employee contributions are made by payroll deductions and are limited to the amounts prescribed by the Internal Revenue Service guidelines. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute rollover amounts, representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Sponsor is required to make contributions under the safe harbor provisions in an amount equal to 100% of participant contributions but not over 3% of compensation, plus 50% of participant contributions between 3% and 6% of compensation. A discretionary profit-sharing contribution may also be made at the discretion of the Plan Sponsor.
- c) Participant Accounts - Each participant's account is credited with the participant's contribution and the Sponsor's matching contribution as well as allocations of the Sponsor's discretionary profit-sharing contribution and Plan earnings. Participant's accounts are charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- d) Vesting - Participants are vested immediately in participant and Sponsor matching contributions plus actual earnings thereon. Vesting of discretionary sponsor contributions and actual earnings thereon is based on years of continuous service. A participant is fully vested in sponsor contributions after six years of credited service.
- e) Payment of Benefits - The normal form of benefit payable under this plan is a lump sum.
- f) Forfeitures - If an employee terminates service prior to being fully vested in the employer matching account; the unvested portion becomes a forfeiture which can be used to reduce any future employer contributions or administrative expenses.
- g) Notes Receivable from Participants - Participants may borrow from their fund accounts subject to a minimum amount of \$1,000 as prescribed in the Plan and in the Internal Revenue Code. The maximum amount that can be borrowed is the lesser of:
 - 50% of the vested balance of their account or
 - \$50,000 (reduced by the highest prior 12-month outstanding loan balance)

The loans are secured by the balance in the participant's account. The loan interest rate is fixed for the duration of the loan and set by the Plan administrator by reviewing the interest rates charged for similar types of loans by other lenders. Principal and interest is paid ratably through monthly payroll deductions.

Bloem 401(k) Retirement Savings Plan

Notes to Financial Statements December 31, 2022 and December 31, 2021

Note 2 - Summary of Significant Policies

- a) Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.
- b) Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.
- c) Investment Valuation and Income Recognition - The Plan's investments are stated at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

- d) Participant Notes Receivable - Participant notes receivable are recorded at their unpaid principal balances plus any accrued interest. Participant notes receivable are written off when deemed uncollectible. If a participant leaves the Plan, any loan balance will be deducted from the distribution and considered a deemed distribution.
- e) Payment of Benefits - Benefits are recorded when paid.
- f) Administrative Expenses - Certain administrative expenses of the Plan have been paid by the Plan Sponsor during the year ended December 31, 2022 and are excluded from these financial statements. Fees related to the administration of participant notes receivable are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net appreciation (depreciation) of investments.

Note 3 - Financial Information Certified by the Plan's Trustee and Custodian

Empower Annuity Insurance Company, LLC, as insurance product provider, and Empower Trust Company, LLC, as custodian, have supplied the Plan administrator with certifications as to the completeness and accuracy of all the investments reflected in the accompanying *Statements of Net Assets Available for Benefits* at December 31, 2022 and 2021 *, the information in the December 31, 2022 *Schedule of Assets (Held at End of Year)*, and the related investment activity and interest income from participant notes receivable reflected in the *Statement of Changes in Net Assets Available for Benefits* for the years ended December 2022.

*Certified by predecessor company Great West Trust Company, LLC in 2021

Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows.

Level 1 Fair Value Measurements

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Bloem 401(k) Retirement Savings Plan

Notes to Financial Statements December 31, 2022 and December 31, 2021

Note 4 - Fair Value Measurements (continued)

Level 2 Fair Value Measurements

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in active markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Fair Value Measurements

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There has been no change in the methodology used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trusts: Valued at the NAV of units of collective trusts. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily. Were the Plan to initial a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

	December 31, 2022				December 31, 2021			
	Fair Value	Fair Value Measurements Using: (LEVEL 1)	(LEVEL 2)	(LEVEL 3)	Fair Value	Fair Value Measurements Using: (LEVEL 1)	(LEVEL2)	(LEVEL3)
Mutual Funds	\$1,274,008	\$1,274,008	\$ -	\$ -	\$2,694,623	\$2,694,623	\$ -	\$ -
Collective Trust								
At NAV								
(not leveled within hierarchy)	1,698,407	-	-	-	2,412,468	-	-	-
Fixed Annuity – at Contract value	67,538	-	-	-	64,139	-	-	-
TOTAL	\$3,039,953	\$1,274,008	\$ -	\$ -	\$5,171,230	\$2,694,623	\$ -	\$ -

The collective trust investments reflected at NAV and the fixed annuity at contract value have been removed from the fair value leveling.

Bloem 401(k) Retirement Savings Plan

Notes to Financial Statements December 31, 2022 and December 31, 2021

Note 5 - Guaranteed Investment Contract with Insurance Company

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Empower Annuity Insurance Company, LLC. Empower Annuity Insurance Company, LLC maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value.

Contract value, as reported to the Plan by Empower Annuity Insurance Company, LLC, represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the Plan's ability to transact at contract value with the issuer. Such events include the following: (a) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (b) changes to Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured violation of the Plan's investment guidelines, (b) a breach of material obligation under the contract, (c) a material amendment to the agreement without the consent of the issuer, or (d) a material misrepresentation.

Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 7 - Tax Status

The Plan is a Volume Submitter Plan from which the Plan was originally drafted having received a favorable advisory letter from the IRS. The Plan has been amended since October 2001 to conform to changes required by the Internal Revenue Code. Plan management believes that the Plan is designed to operate in accordance with all applicable provisions of the Internal Revenue Code. Therefore, management believes that the Plan is qualified and that the related trust is exempt from taxation under the Internal Revenue Code.

Bloem 401(k) Retirement Savings Plan

Notes to Financial Statements December 31, 2022 and December 31, 2021

Note 8 - Related Party Transactions and Party-In-Interest

The Plan holds a guaranteed investment contract with Empower Annuity Insurance Company, LLC. Empower Annuity Insurance Company, LLC is affiliated with Empower Trust Company, LLC, LLC, the custodian of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than direct payment. Certain administrative expenses of the Plan are paid directly by the plan sponsor and are not charged to the Plan.

Note 9 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 10 – Subsequent Events

The financial statements and related disclosures include evaluation of events up through October 11, 2023, the date of the auditor's report, which is the date the financial statements were available to be issued.
