Independent Auditor's Report

Plan Administrator and Plan Management
D&H United Fueling Solutions, Inc. 401(k) Retirement Savings Plan
San Antonio, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of D&H United Fueling Solutions, Inc. 401(k) Retirement Savings Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of D&H United Fueling Solutions, Inc. 401(k) Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of D&H United Fueling Solutions, Inc. 401(k) Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about D&H United Fueling Solutions, Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of D&H United Fueling Solutions, Inc. 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about D&H United Fueling Solutions, Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(k) Retirement Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

Note 1: Description of the Plan

The following description of D&H United Fueling Solutions, Inc. 401(k) Retirement Savings Plan (Plan) provides only general information. Participants should refer to the Plan Document and *Summary Plan Description* for a more complete description of the Plan's provisions, which are available from the Plan Administrator.

General

The Plan is a defined-contribution plan adopted by D&H United Fueling Solutions, Inc. (Company) for the benefit of its employees. Effective February 1, 2022, participants are immediately eligible upon hire if age 21 or older. Prior to February 1, 2022, employees had to have six months of service and be age 21 or older to be eligible. Employees become participants in the Plan immediately upon hire effective, February 1, 2022, and on the first day of the month coinciding with or next following the date they satisfy the eligibility requirements prior to February 1, 2022. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). Matrix Trust Company serves as Plan trustee, CMFG Life Insurance Company (CMFG) serves as the custodian of guaranteed investment contract and CUNA Mutual Retirement Solutions (CUNA) serves as the Plan recordkeeper.

During July 2021 and November 2021, the Company acquired Petroleum Marketers Equipment Company (PME) and Valley Tank Testing (VTT), respectively. PME employees became participants of the Plan effective December 1, 2022 and VTT employees became participants of the Plan effective February 1, 2022. The PME 401(k) Plan (PM Group LLC 401(k) Profit Sharing Plan) was merged into the Plan in December 2022. The VTT 401(k) Plan will be terminated and distributed.

During February 2022, the Company acquired Kubat Equipment (Kubat). Kubat employees will become participants of the Plan during 2023. It is anticipated that the Kubat 401(k) Plan will merge into the Plan during 2023.

During April 2022, the Company acquired Cochise Contractor Services (CCS). CCS employees will become participants of the Plan effective January 1, 2024. Only rollover contributions are expected from the CCS 401(k) Plan.

During December 2022, the Company acquired Double Check Company (DCC) and Petroleum Services & Calibration, Inc. (PCS). DCC and PCS employees will become participants of the Plan effective January 1, 2024. It is anticipated the DCC 401(k) Plan will merge into the Plan during 2023. PCS did not sponsor a 401(k) Plan.

Contributions

The Plan permits eligible employees through a salary deferral election to make annual contributions of up to the maximum allowed by law. Employee rollover and Roth contributions are permitted by the Plan. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants are permitted to revoke their salary deferral election at any time during the Plan year and may make any other modification on the first day of each Plan year quarter.

The Company may make a discretionary matching contribution equal to a uniform percentage of each participant's salary deferrals, as well as a discretionary profit-sharing contribution to the Plan, for eligible employees who satisfy certain conditions. For the Plan year ended December 31, 2022, the Company elected to make a matching contribution of 50% of the participant's deferral on the first 5% of participant's eligible compensation. For the Plan year ended December 31, 2021, the Company elected to make no discretionary contributions to the Plan. Contributions are subject to certain limitations.

Participant Investment Account Options

Participants are able to direct the investment of their entire interest in the Plan. The Plan currently offers various mutual funds and a guaranteed investment account as investment options for participants. Participants may change their investment selections, transfer existing account balances, and obtain information regarding their investments each business day.

Participant Accounts

Each participant's account is credited with the participant's contributions and any Company contributions, and Plan earnings, thereon. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or losses, account balances or specific participant transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants immediately vested in their voluntary salary deferrals including Roth 401(k) deferrals, catch-up contributions, and rollover contributions, plus actual earnings thereon. Company matching and profit-sharing contributions are subject to a five-year vesting schedule based on years of credited services. Participants will earn 20% vesting after one year of credited service and are fully vested in Company contributions after five years of credited service.

401(k) Retirement Savings Plan

Notes to Financial Statements

December 31, 2022 and 2021

Forfeited Account

At December 31, 2022 and 2021, the forfeited nonvested account totaled \$0. This account will be used to reduce future employer contributions or to pay Plan expenses. There were no forfeitures used during 2022 and 2021.

Payment of Benefits

Upon termination of employment for reasons other than death, disability or normal retirement, participants will be entitled to receive only the vested percentage of their account balance. If a participant's vested account balance exceeds \$5,000, they may elect to receive a distribution of their vested account balance in a single lump-sum payment, partial withdrawals, or installments. If a participant's vested account balance does not exceed \$5,000, then their vested account balance may only be distributed to them in a single lump-sum payment. If a participant's vested account balance exceeds \$1,000, they must consent to any distribution before it may be made.

Participants who have attained age 59½ may request an in-service distribution from the Plan from fully vested accounts prior to termination of employment. A participant may also request a hardship withdrawal to satisfy certain immediate and heavy financial needs.

Notes Receivable From Participants

The Plan Document includes provisions authorizing loans from the Plan to active eligible participants. Loans are made to any eligible participant. The minimum amount of a loan shall be \$1,000. The maximum amount of a participant's loans is determined by the available loan balance restricted to the lesser of \$50,000 or 50% of the participant's vested account balance. A maximum of one loan can be outstanding. All loans are covered by demand notes and are repayable over a period not to exceed five years (except for loans for the purchase of a principal residence). Loan repayments can be made through payroll deductions. Interest on the loans is based on prime plus 1%.

Notes receivable from participants are reported at amortized principal balance plus accrued but unpaid interest. Delinquent participant loans are reclassified as benefit payments based upon the terms of the Plan Document.

Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 2: Summary of Significant Accounting Policies

Method of Accounting

The accompanying financial statements are prepared on the accrual method of accounting.

Investments held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year end. Fully benefit-responsive investment contracts are valued at contract value. Contract value represents contributions made under the contract, plus interest at the contract rate, less participant withdrawals and administration expenses.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Plan Tax Status

The Plan operates under a nonstandardized adoption agreement in connection with a prototype retirement plan and trust/custodial document sponsored by CMFG Life Insurance Company. This prototype plan document has been filed with the appropriate agency. The Plan has not obtained or requested an individual determination letter. Although the Plan has been amended since the prototype received this opinion letter, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Notes to Financial Statements December 31, 2022 and 2021

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2022 excess contributions to the applicable participants in July 2023. The Plan distributed the 2021 excess contributions to the applicable participants in June 2022.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses may be paid by the Company or the Plan, at the Company's discretion.

Note 3: Certification of Plan Trustee and Custodian

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Matrix Trust Company and CMFG, both qualified institutions, have certified the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments as shown in the statements of net assets available for benefits and related disclosures as of December 31, 2022 and 2021
- Noninterest-bearing cash at December 31, 2022
- Investment (loss) income as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021
- Investment information included in the accompanying schedule of assets (held at year end) as of December 31, 2022

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Note 4: Disclosures About Fair Value of Plan Assets

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets or liabilities

Recurring Measurements

The following tables present the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2022 and 2021:

2022				
Fair Value Measurements Using				
Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	
Mutual funds	\$ 8,520,638	\$ 8,520,638	\$ -	\$ -

2021				
Fair Value Measurements Using				
Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	
Mutual funds	\$ 4,460,214	\$ 4,460,214	\$ -	\$ -

401(k) Retirement Savings Plan

Notes to Financial Statements

December 31, 2022 and 2021

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the year ended December 31, 2022. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis. For assets classified within Level 3 of the fair value hierarchy, the process used to develop the reported fair value is described below.

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. Level 1 securities include mutual funds and certificates of deposit. If quoted market prices are not available, then fair values are estimated by using quoted prices of securities with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, prepayments, defaults, cumulative loss projections and cash flows. Such securities are classified in Level 2 of the valuation hierarchy. There are no Level 2 or Level 3 securities in the Plan. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy and include the stable value fund.

Note 5: Investment Contract With Insurance Company

The Plan has a traditional fully benefit-responsive Deposit Administration Group Annuity (DAGA) contract with CMFG. CMFG maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The DAGA issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

Note 6: Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association, or relatives of such persons.

The Plan invests in certain funds of the Plan custodian. In 2022 and 2021, the Plan paid \$13,938 and \$13,292, respectively, of recordkeeping fees to CUNA. In 2022 and 2021, the Plan paid \$25,916 and \$21,813, respectively, of investment consulting and advisory fees to LPL Financial. The Company provides certain administrative services at no cost to the Plan.

Note 7: Reconciliation of Financial Statements to Form 5500

The difference between the Annual Return/Report of Employee Benefit Plan (Form 5500) filed with the Internal Revenue Service and the accompanying financial statements including reporting contributions receivable and excess contributions refundable and the related contributions in the accompanying statements of net assets available for benefits and the statements of changes in net assets available for benefits. These contributions are recorded on an accrual basis on the financial statements while the Form 5500 records contributions on a cash basis.

Notes to Financial Statements
December 31, 2022 and 2021

Note 8: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9: Subsequent Events

Effective January 1, 2023, the Company elected to make an employer matching contribution of 50% of the participant's deferral on the first 6% of eligible compensation calculated each payroll period.

During June 2023, the Company acquired Tanknology, Inc. The employees of this company will become participants of the Plan during 2023. It is anticipated the Tanknology 401(k) Plan will merge into the Plan in 2023.

Effective November 1, 2023, the Kubat Equipment & Service Company 401(k) & Profit Sharing Trust will be merging into the Plan. Will be approximately 100 participants and approximately \$5,000,000 in assets merged into the Plan.

Subsequent events have been evaluated through October 9, 2023, which is the date the financial statements were available to be issued.
