## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Plan Trustees  
The Reserves Network, Inc. Employees 401(k) Profit Sharing Plan  
Cleveland, Ohio

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed an audit of the financial statements of The Reserves Network, Inc. Employees 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions, Principal Trust Company as of December 31, 2022 and for the period from December 15, 2022 to December 31, 2022, and both Empower Trust Company and Empower Annuity Insurance Company of America as of December 15, 2022 and for the period from January 1, 2022 to December 15, 2022 and as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### *Basis for Opinion*

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be

independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter — Supplemental Schedules Required by ERISA***

The supplemental Schedule of Assets Held for Investment Purposes at End of Year as of December 31, 2022 and the Schedule of Delinquent Contributions for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### **1 Description of Plan**

The following description of The Reserves Network, Inc. Employees 401(k) Plan (“Plan”) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

##### ***General:***

The Plan, which began January 1, 1992, is a defined contribution plan covering all employees of The Reserves Network, Inc. (the “Company”) who meet the hour and age requirements. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective December 15, 2022, the Plan changed custodians and recordkeepers from Empower and related affiliates to Principal and related affiliates. As a result of this change, the Plan adopted a new prototype plan document from Principal Life Insurance Company and the Plan name was changed from The Reserves Network, Inc. Employees 401(k) Profit Sharing plan.

In October 2021, the Company acquired the staffing firm Resource Staffing. Acquired employees who elected to participate in the Plan, entered the Plan as of November 5, 2021.

The Plan was restated effective January 1, 2021 (under a previous prototype plan) to bring the Plan into compliance with the legislative and regulatory changes set forth in Internal Revenue Service (“IRS”) Notice 2017-37.

##### ***Eligibility:***

All employees of the Company who are employed for one year, with at least 1,000 hours of service during that period, are eligible to participate in the Plan. The Plan also recognizes any previous eligibility service earned from any entity acquired by the Company.

##### ***Contributions:***

**Employee Deferrals** – Participants may elect up to 100% of their compensation to be contributed to the Plan by the Company. Catch up contributions are allowed for eligible employees.

**Employer Contributions** – Prior to January 1, 2022, the Company matched 100% of salary deferrals up to 4% of compensation. Effective January 1, 2022, the Plan was amended to increase the employer match to 100% of salary deferrals up to 5% of compensation.

The Company may also make additional discretionary contributions. Such additional contributions, if any, shall be allocated to each participant in proportion to his or her account for the calendar year. There were no such contributions in 2022 or 2021.

Rollover contributions from other Plans are also accepted, providing certain specified conditions are met.

Contributions are subject to limitations on annual additions and other limitations imposed by the Internal Revenue Code as defined in the Plan agreement.

## NOTES TO FINANCIAL STATEMENTS

### The Reserves Network, Inc. Employees 401(k) Plan

## 2 Summary of Significant Accounting Policies, Continued

### *Valuation of Investments:*

Investments held in the Plan are stated at fair value. Marketable securities are reported at fair market value as of the balance sheet date. Fair market values represent quoted market prices or, if quoted market prices are not available, estimated fair values as determined by the Plan's investment broker. The fair value of the guaranteed option contract is calculated based on discontinuation value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as held during the year.

### *Use of Estimates:*

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

### *Administrative Fees:*

Substantially all administrative fees are paid by the Company.

### *Plan Termination:*

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

### *Risks and Uncertainties:*

The Plan's investments include investments in mutual funds and a guaranteed option contract holding investment contracts with varying degrees of risk, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the Statement of Net Assets available for Plan Benefits.

### *Subsequent Events:*

Management evaluates events occurring subsequent to the date of the financial statements in determining and the accounting for and disclosure of transactions and events that affect the financial statements.

Subsequent events have been evaluated through October 14, 2023, which is the date the financial statements were available to be issued.

#### 3 Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

- \* Level 1: Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.
- \* Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:
  - \* Quoted prices for similar assets or liabilities in active markets;
  - \* Quoted prices for identical or similar assets or liabilities in inactive markets;
  - \* Inputs other than quoted prices that are observable for the asset or liability;
  - \* Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- \* Level 3: Inputs that are unobservable inputs for the asset or liability.

The following is a description of the valuation methodologies used for instruments measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

#### ***Mutual Funds:***

The fair value of the mutual funds held within the account are based on quoted market prices and are classified as a Level 1.

#### ***Guaranteed Option Contract:***

The fair value of the guaranteed option contract is based on the principal and guaranteed interest credited to participants' accounts. This principal and the related interest credits are fully backed by the general account assets of Principal Life Insurance Company. This guaranteed option contract is classified in the Level 3 category of the valuation hierarchy. Participant transactions may occur daily.

## NOTES TO FINANCIAL STATEMENTS

### The Reserves Network, Inc. Employees 401(k) Plan

#### 4 Tax Status

As mentioned in Footnote 1 above, the Plan adopted a prototype plan document from Principal Life Insurance Company. On June 30, 2020, the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since that date, however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Accordingly, the Plan is qualified and the related trust is tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken uncertain tax positions that more-likely-than-not would not be sustained upon examination by applicable taxing authorities. The Plan Administrator has analyzed tax positions taken by the Plan and has concluded that, as of December 31, 2022, there are no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability or that would require disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. However, currently no audits for any tax periods are in progress.

#### 5 Information Prepared and Certified by Custodians

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified as complete and accurate by the Custodians:

|                                                     | <u>2022</u>    | <u>2021</u>   |
|-----------------------------------------------------|----------------|---------------|
| Investments, at fair value                          | \$ 9,901,551   | \$ 11,921,977 |
| Notes receivable from participants                  | \$ 169,317     | \$ 178,389    |
| Interest and dividend income                        | \$ 246,589     | \$ 1,000,703  |
| Net unrealized/realized appreciation (depreciation) | \$ (2,247,598) | \$ 355,948    |

#### 6 Party-in-Interest Transactions

Certain Plan investments are managed by Principal Trust Company, the Custodian as defined by the Plan for the period from December 15, 2022 to December 31, 2022 and by Empower Annuity Insurance Company of America and Empower Trust Company, LLC, the Custodian as defined by the Plan for the period from January 1, 2021 through December 15, 2022, and therefore, these transactions qualify as party-in-interest. Usual and customary fees were paid by the investments for the investment management services. In addition, the Plan has arrangements with various service providers and these arrangements qualify as party in interest transactions.

#### 7 Prohibited Transactions

Contribution remittances for multiple pay periods in 2021 were not remitted in accordance with the time frame established by the DOL. These transactions are considered prohibited transactions. Management has corrected these remittances under the appropriate guidelines.
