Independent Auditor's Report

To the Trustees and the Participants of
The Yale Club of New York City
401(k) Plan for Non-Union Employees

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit on the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of The Yale Club of New York City 401(k) Plan for Non-Union Employees (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2022 and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Report on Compiled 2021 Financial Statements

Plan management is responsible for the accompanying financial statement of The Yale Club of New York City 401(k) Plan for Non-Union Employees, which comprises the statement of net assets available for benefits as of December 31, 2021. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the financial statements of The Yale Club of New York City 401(k) Plan for Non-Union Employees, as of and for the year ended December 31, 2021.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule – Schedule H – Part IV – Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3(C).

THE YALE CLUB OF NEW YORK CITY
401(k) PLAN FOR NON-UNION EMPLOYEES

Notes to Financial Statements
December 31, 2022

Note 1 – Description of Plan

General

The following description of The Yale Club of New York City 401(k) Plan For Non-Union Employees (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan is a defined contribution pension plan established on July 1, 1999, and subsequently amended and restated. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). All non-union employees of The Yale Club of New York City (the "Club") who have been employed for one year and reached the age of 21 are eligible to participate in the Plan.

SECURE Act 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the Plan Administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2022 financial statements.

Contributions

Upon eligibility, participants may contribute pretax compensation to the Plan. After-tax Roth contributions may be made to the Plan. The Club provides a safe-harbor contribution for all employees equal to 3% of compensation for all eligible employees regardless of whether they participate in the Plan. In addition, the Club may also make discretionary profit-sharing contributions for non-highly compensated employees. During 2022, the Club elected to match 50% of employee deferrals up to 2% of employee compensation. Contributions are subject to certain limitations set under the Internal Revenue Code.

Participants may also contribute rollover amounts representing distributions from another eligible retirement plan.

Participant accounts

Individual accounts are maintained for each participant. Each participant's account is credited with the (a) participant's contribution and allocations of (b) the Club's contributions and (c) investment earnings net of an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment options

Each participant may direct the investment of his/her account. The assets of the Plan, both employee and employer, are allocated in the various funds at the direction of the participant.

401(k) PLAN FOR NON-UNION EMPLOYEES

Notes to Financial Statements (continued)
December 31, 2022

Note 1 – Description of Plan (continued)

Vesting

Participants are immediately vested in their contributions and any actual earnings thereon. The Club's matching contributions and their earnings are 100% vested after one years of service.

Forfeitures

Benefit payments to terminated employees partially vested in the Plan include their vested portion of employer contributions. Forfeitures may be applied to reduce employer contributions.

Payment of benefits

On termination of service due to death, disability or retirement, a participant or beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or periodic payments as further outlined in the Plan document. For termination of services due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. In addition, participants may receive in-service distributions and hardship withdrawals under the provisions of the Plan document and the Internal Revenue Code.

Notes receivable from participants

Under the terms of the Plan, participants may borrow from their fund accounts a minimum of $1,000 up to an allowable amount as disclosed in the Plan documents. Notes bear interest at a rate equal to 2% above the prime rate. Participants are permitted one outstanding note. Principal and interest are paid through payroll deductions based on a certain number of years as disclosed in the Plan documents.

Plan termination

Although it has not expressed any intent to do so, the Club has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 2 – Summary of significant accounting policies

Basis of accounting

The Plan's financial statements are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("US GAAP"). These principles require the cash basis reporting of benefit payments.

Investment valuation and income recognition

The Plan's investments are stated at fair value.

THE YALE CLUB OF NEW YORK CITY
401(k) PLAN FOR NON-UNION EMPLOYEES

Notes to Financial Statements (continued)
December 31, 2022

Note 2 – Summary of significant accounting policies (continued)

Investment valuation and income recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividends are recorded when earned. Realized gains and losses on the sale of securities are computed on each individual security.

The aggregate of (a) the net unrealized appreciation (depreciation) in the fair value of investments for the year, and (b) the net gains or losses on disposition of investments during the year is reflected as net (depreciation) of investments for the year.

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Fair value measurements

For assets measured at fair value on a recurring basis, *Accounting Standards Codified* Topic Fair Value Measurements requires quantitative disclosures about the fair value measurement separately for each major class of assets. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and the lowest priority to unobservable inputs. The three levels of the fair value hierarchy are as follows:

Level 1 – Unadjusted quoted prices in active markets for identical assets.

Level 2 – Quoted prices for identical assets in markets that are not active, quoted prices for similar assets in active markets, inputs other than quoted market prices, and inputs derived principally from observable market data.

Level 3 – Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The following table presents the Club's financial assets that are measured at fair value on a recurring basis at December 31, 2022:

	2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 4,249,827	$ -	$ -	$ 4,249,827

The following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2022:

Mutual funds (Registered investment companies): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Note 2 – Summary of significant accounting policies (continued)

Contributions

Contributions from employees are recorded as they are withheld from the participants' wages. Contributions from the Club are recorded when earned.

Payment of benefits

Benefit payments to participants or their beneficiaries are recorded when paid.

Administrative expenses

The Plan's expenses are paid by either the Plan or by the Club, as provided in the Plan document. Expenses that are paid directly by the Club are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment-related expenses are included in net (depreciation) or investments presented in the accompanying statement of changes in net assets available for benefits.

Certain administrative functions are performed by officers or employees of the Club. No such officer or employee receives compensation from the Plan.

Risks and uncertainties

The Plan's investments are exposed to various risks such as interest rate, market, credit and liquidity risks. Due to the level of risk associated with these investments, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits at December 31, 2022. The Plan's investments are not insured or protected by the Pension Benefit Guaranty Corporation, or any other governmental agency, accordingly, the Plan is subject to the normal investment risks associated with investment securities. Any default on participant loans is treated as a taxable distribution to the participant.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements. Actual results could differ from these estimates.

Subsequent events

The Plan has evaluated events and transactions for potential recognition or disclosure through October 12, 2023, which is the date the financial statements were available to be issued.

Note 3 – Information certified by the Plan's Custodian

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Newport Trust Company, LLC, the Custodian of the Plan, has certified to the completeness and accuracy of all investments reflected on the accompanying statement of net assets available for benefits as of December 31, 2022, and the Supplemental Schedule H – Part IV – Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2022 and the related investment activity reflected in the statement of changes in net assets available for benefits for the year the ended.

Note 4 – Party-in-interest transactions

Certain Plan investments are shares of investments managed by Newport Trust Company, LLC. Newport Trust Company, LLC, is the Custodian as defined by the Plan, and therefore transactions pertaining to these investments qualify as a parties-in-interest.

Certain administrative fees related to the administration of the Plan were paid by the Plan or by the Club. These transactions qualify as party-in-interest transactions.

Note 5 – Tax status

The Plan utilizes a prototype plan document which the Internal Revenue Service (the "IRS") has opined and informed the prototype plan sponsor that the prototype document is in compliance with Section 401 of the Internal Revenue Code (the "Code"). The prototype plan has obtained its latest determination letter dated June 30, 2020, in which the Internal Revenue Service stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC.
