REPORT OF INDEPENDENT AUDITORS

To the Participants and Trustees of
Parkway Bancorp, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Parkway Bancorp, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution, as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America; and
- The information in the accompanying 2022 financial statements related to assets held by and certified to by the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Other Matter – 2021 Financial Statements

Predecessor auditors performed an audit of the 2021 financial statements of Parkway Bancorp, Inc. 401(k) Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated October 12, 2022, indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedule, other than the information in the 2021 supplemental schedule that agreed or is derived from the certified investment information, were presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and the information's in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of an ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements; and
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

PARKWAY BANCORP, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1. DESCRIPTION OF THE PLAN

Parkway Bancorp, Inc. 401(k) Plan (the Plan) is a defined contribution retirement plan covering all full-time and part-time regular employees of Parkway Bancorp, Inc. and Parkway Bank & Trust Company (collectively, the Company) who have completed one year of employment with at least 1,000 hours of service.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Benefits under the Plan are not insured by the Pension Benefit Guaranty Corporation.

Participants may elect to defer all or a portion of their compensation and have that amount contributed to the Plan on a pre-tax basis or on an after-tax basis as a Roth deferral, as defined by the Plan, subject to limitations set forth by the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions (rollover contributions) from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a money market fund as investment options for participants. In addition, participants may invest in shares of the common stock of the Company. In previous years, the Plan offered investments in the Company's common stock. During 2022, the Plan suspended future investment in the Company's common stock. Currently participants have the option to continue to maintain their investment in the common stock. Employee salary 401(k) deferral contributions are automatically deducted at the rate of 2% of eligible compensation unless the employee elects a different deferral rate or affirmatively elects not to participate in the automatic enrollment feature of the Plan. Contributions are automatically invested in a designated default fund until changed by the participant. Participants must evaluate their own investment goals and objectives and choose investments best suited to achieve those goals and objectives. Poor investment performance by the investment funds selected by the participants may cause their vested balances to be lower than the amounts contributed to the Plan on their behalf. Participants may change their investment options daily.

The Company may make a discretionary non-elective employer contribution to the Plan as approved by the Company's management. The Company made a non-elective (safe harbor) employer contributions of \$491,259 and \$459,827 for the years ended December 31, 2022 and 2021, respectively. A participant must be employed on the last day of the Plan year to be eligible to receive an employer contribution.

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Each participant's account is credited with the participant's contribution as well as allocations of the Company's contributions, earnings and forfeitures of terminated participants' non-vested accounts, and is charged with an allocation of Plan administrative and recordkeeping fees, and certain transactional fees. The allocation of recordkeeping fees is based on participants' account balances and deducted from participants' accounts on a quarterly basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants are immediately vested in elective salary deferrals and rollover contributions and any earnings or losses thereon, except for the fixed non-elective employer contribution. Vesting in the fixed non-elective contribution, plus actual earnings thereon, is based on years of service. Under current Plan provisions, a year of service, for vesting purposes, is defined as occurring within a year ending on the participant's annual employment anniversary date, and not within a calendar year. A participant becomes 100% vested after completing three years of service with the Company. Vesting also occurs at age 65, or upon death or disability.

If a participant is not fully vested at the time benefits are withdrawn or after a five-year consecutive break in service, the non-vested portion of the account is forfeited. Forfeitures may be used to reduce the fixed non-elective employer contribution or to pay administrative expenses of the Plan, and any remaining amounts may be allocated to the participants' accounts. Allocations of forfeitures are considered additional employer contributions and are subject to the vesting provisions of employer fixed non-elective contributions. For the years ended December 31, 2022 and 2021, forfeitures totaled \$5,851 and \$955 respectively. For the year ended December 31, 2022, the Plan did not utilize non-vested accounts to pay administrative expenses. For the year ended December 31, 2021, the Plan utilized \$33,159 of forfeited non-vested accounts to pay administrative expenses of the Plan.

Distributions are payable upon the retirement, death, disability or termination of employment. The Plan also allows in-service distributions. Participants who are age 59½ or older and who are still employed may elect to receive distributions while continuing to work. Additionally, the Plan has established a hardship withdrawal option in which participants may be eligible for a partial withdrawal of their balance if certain hardship events have occurred. Payment of benefits may be in the form of an annuity, installment or lump-sum amount equal to the vested balance of a participant's account.

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested balances. Loans are charged an interest rate equal to the prime lending rate plus 2%. The loans are collateralized by the balance in the participant's account and bear interest rates that range between 5.25% and 8.75%, which are commensurate with that charged for similar loans by lending institutions. Loan repayment terms can range from one to five years for general purpose loans and up to thirty years for primary residence loans. Principal and interest are generally repaid ratably through payroll deductions.

Participants should refer to the plan document for more complete information.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The accompanying financial statements have been prepared using the accrual basis of accounting.

Investments - Investments are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell that asset (or paid to transfer a liability) in an orderly transaction between market participants at the measurement date (the exit price). Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Purchases and sales of the investments are reflected on a trade-date basis.

Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

Payment of Benefits - Benefit payments to participants are recorded upon distribution. There were no participants who elected to withdraw from the Plan but were not yet paid at December 31, 2022 and 2021.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses when incurred. No allowance for credit losses has been recorded as of either December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the loan balance is recorded as a deemed distribution.

Expenses - Certain administrative services incurred by the Plan are absorbed by the Plan sponsor, Parkway Bank & Trust Company (the Company). Fees related to the administration of certain transactions and recordkeeping fees are charged directly to the participant's account and are included in administrative expenses. Certain investment related and administrative expenses are included in net appreciation (depreciation) in fair value of investments.

Reclassifications - Certain reclassifications have been made to prior year amounts to conform to the current year presentation.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Subsequent Events - Subsequent events have been evaluated through October 13, 2023, which is the date the financial statements were available to be issued.

NOTE 3. PRIORITIES UPON TERMINATION

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the plan agreement and ERISA. Upon termination of the Plan, participants become 100% vested in their account balances.

NOTE 4. TAX STATUS

The Plan has received a determination letter from the Internal Revenue Service (IRS) dated November 30, 2020, stating that the Plan is qualified under Internal Revenue Code (IRC) Section 401(a), and therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

Accounting principles generally accepted in the United States of American require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

NOTE 5. FAIR VALUE MEASUREMENTS

The *Fair Value Measurements and Disclosures* Topic of the Financial Accounting Standards Board Accounting Standards Codification established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Basis of Fair Value Measurement

Level 1	Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities
Level 2	Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly
Level 3	Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable

The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth, by level within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2022 and 2021. As required, assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

Level 1 Measurements

The fair values of the mutual funds are determined by reference to the funds' underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds are traded on national securities exchanges and are valued at the net asset value on the last business day of each period presented. Self-directed brokerage accounts are investment accounts primarily comprised of equities traded in active markets on national securities exchanges and are valued at closing prices on the measurement date. The money market fund represents shared held in a mutual fund

Level 2 Measurements

The money market fund included in the self-directed brokerage account is valued at cost, which approximates its fair value.

NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3 Measurements

The Parkway Bancorp, Inc.'s common stock is not actively traded and significant observable inputs are not available. The fair value of the stock is determined by an independent appraisal. An independent appraiser selected by the Trustees performed the appraisal. The appraisal is based on a combination of factors including the nature and history of the Company, the competitive and economic outlook of the Company's trade areas and the banking industry in general, the book value and financial condition of the Company, its future earnings and dividend paying capacity, previous sales of the common stock of the Company, the prevailing market prices of selected publicly traded banking organizations located in the upper Midwest United States (Indiana, Illinois, Iowa, Minnesota and Wisconsin), and certain other information deemed pertinent to the evaluation. The valuation uses a hybrid of income and market approach methodologies to estimate fair value and also includes a marketability adjustment of 15%. The Plan Administrator determines the fair value measurement policies and procedures. Those policies and procedures are reassessed at least annually to determine if the current valuation techniques are still appropriate. At that time, the unobservable inputs used in the fair value measurements are evaluated and adjusted, as necessary, based on current market conditions and other third party information.

The following table reconciles the beginning and ending balances of fair value measurements using significant unobservable inputs (Level 3) for the years ended December 31, 2022 and 2021.

	Parkway Bancorp, Inc. <u>Common Stock</u>
December 31, 2022	
Beginning balance at December 31, 2021	\$ 9,044,000
Appreciation in fair value	882,000

Appreciation in fair value	1,547,000
Purchases, sales and settlements	<u>-</u>
Ending balance at December 31, 2021	<u>\$ 9,044,000</u>

The Plan's policy is to recognize transfers into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2022, there were no significant transfers into or out of Level 3.

In September 2022, to provide Plan participants greater liquidity, the Company agreed to purchase seven shares of common stock for \$2,261,000 from current and former participants. Current participants have the option to continue to maintain their investment in the stock.

NOTE 6. INFORMATION CERTIFIED BY TRUSTEE

The Plan Administrator has obtained a certification from Newport Trust Company (Newport), a qualified institution, that the following information as of and for the years ended December 31, 2022 and 2021 is complete and accurate:

	<u>2022</u>	<u>2021</u>

NOTE 7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and amounts reported in the statements of net assets available for benefits.

As of December 31, 2022 and 2021 the Plan has investments of \$7,665,000 and \$9,044,000, that were concentrated in Parkway Bancorp, Inc. stock, respectively. The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across the participant directed fund elections. Additionally, the investments within each participant directed fund election are further diversified into varied financial instruments. Investment decisions are made, and the resulting risks are borne, exclusively by the Plan participant who made such decisions.

NOTE 8. PARTY-IN-INTEREST TRANSACTIONS

Newport is the Trustee of the Plan. As such, transactions between the Plan and the Trustee are considered party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA, upon meeting specified conditions. Newport provides certain administrative services to the Plan pursuant to a service agreement. Administrative services are primarily paid through a quarterly administrative fee charged to participants' accounts. These fees totaled \$64,942 and \$64,178 for the years ended December 31, 2022 and 2021, respectively.

Certain administrative fees are paid by the Company and are not material to the financial statements.

NOTE 8. PARTY-IN-INTEREST TRANSACTIONS (CONTINUED)

As of December 31, 2022 and 2021, the Plan held 21 and 28 shares, respectively, of Parkway Bancorp, Inc. common stock, which represents 2.64% and 3.26%, respectively, of Parkway Bancorp, Inc.'s total outstanding common stock. Sales proceeds of \$2,261,000 were recorded for Parkway Bancorp, Inc.'s stock during 2022. Distributions in-kind of Company stock is permitted under the Plan. There were no sales of Company stock during the year ended December 31, 2021.

NOTE 9. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

SUPPLEMENTAL SCHEDULE

REPORT OF INDEPENDENT AUDITORS ON SUPPLEMENTAL SCHEDULES REQUIRED BY ERISA

To the Board of Trustees of
Parkway Bancorp, Inc. 401(k) Plan

We have audited the financial statements of Parkway Bancorp, Inc. 401(k) Plan (the Plan) as of and for the year ended December 31, 2022, and our report thereon dated October 13, 2023, appears on pages 1 through 3. Our audit was conducted in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosures under the Employee Retirement Income Security Act of 1974 (ERISA). Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosures under ERISA (qualified institution). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures related to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of accounting principles generally accepted in the United States of America (GAAP).

The supplemental schedule is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in audit of the financial statements or to the financial statements themselves, and other additional procedures in accordance with general accepted auditing standards. For information included in the supplemental schedules that agree to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA; and
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

REPORT OF INDEPENDENT AUDITORS

To the Participants and Trustees of
Parkway Bancorp, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Parkway Bancorp, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution, as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America; and
- The information in the accompanying 2022 financial statements related to assets held by and certified to by the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Other Matter – 2021 Financial Statements

Predecessor auditors performed an audit of the 2021 financial statements of Parkway Bancorp, Inc. 401(k) Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated October 12, 2022, indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedule, other than the information in the 2021 supplemental schedule that agreed or is derived from the certified investment information, were presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and the information's in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of an ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements; and
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1. DESCRIPTION OF THE PLAN

Parkway Bancorp, Inc. 401(k) Plan (the Plan) is a defined contribution retirement plan covering all full-time and part-time regular employees of Parkway Bancorp, Inc. and Parkway Bank & Trust Company (collectively, the Company) who have completed one year of employment with at least 1,000 hours of service.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Benefits under the Plan are not insured by the Pension Benefit Guaranty Corporation.

Participants may elect to defer all or a portion of their compensation and have that amount contributed to the Plan on a pre-tax basis or on an after-tax basis as a Roth deferral, as defined by the Plan, subject to limitations set forth by the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions (rollover contributions) from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a money market fund as investment options for participants. In addition, participants may invest in shares of the common stock of the Company. In previous years, the Plan offered investments in the Company's common stock. During 2022, the Plan suspended future investment in the Company's common stock. Currently participants have the option to continue to maintain their investment in the common stock. Employee salary 401(k) deferral contributions are automatically deducted at the rate of 2% of eligible compensation unless the employee elects a different deferral rate or affirmatively elects not to participate in the automatic enrollment feature of the Plan. Contributions are automatically invested in a designated default fund until changed by the participant. Participants must evaluate their own investment goals and objectives and choose investments best suited to achieve those goals and objectives. Poor investment performance by the investment funds selected by the participants may cause their vested balances to be lower than the amounts contributed to the Plan on their behalf. Participants may change their investment options daily.

The Company may make a discretionary non-elective employer contribution to the Plan as approved by the Company's management. The Company made a non-elective (safe harbor) employer contributions of \$491,259 and \$459,827 for the years ended December 31, 2022 and 2021, respectively. A participant must be employed on the last day of the Plan year to be eligible to receive an employer contribution.

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Each participant's account is credited with the participant's contribution as well as allocations of the Company's contributions, earnings and forfeitures of terminated participants' non-vested accounts, and is charged with an allocation of Plan administrative and recordkeeping fees, and certain transactional fees. The allocation of recordkeeping fees is based on participants' account balances and deducted from participants' accounts on a quarterly basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants are immediately vested in elective salary deferrals and rollover contributions and any earnings or losses thereon, except for the fixed non-elective employer contribution. Vesting in the fixed non-elective contribution, plus actual earnings thereon, is based on years of service. Under current Plan provisions, a year of service, for vesting purposes, is defined as occurring within a year ending on the participant's annual employment anniversary date, and not within a calendar year. A participant becomes 100% vested after completing three years of service with the Company. Vesting also occurs at age 65, or upon death or disability.

If a participant is not fully vested at the time benefits are withdrawn or after a five-year consecutive break in service, the non-vested portion of the account is forfeited. Forfeitures may be used to reduce the fixed non-elective employer contribution or to pay administrative expenses of the Plan, and any remaining amounts may be allocated to the participants' accounts. Allocations of forfeitures are considered additional employer contributions and are subject to the vesting provisions of employer fixed non-elective contributions. For the years ended December 31, 2022 and 2021, forfeitures totaled \$5,851 and \$955 respectively. For the year ended December 31, 2022, the Plan did not utilize non-vested accounts to pay administrative expenses. For the year ended December 31, 2021, the Plan utilized \$33,159 of forfeited non-vested accounts to pay administrative expenses of the Plan.

Distributions are payable upon the retirement, death, disability or termination of employment. The Plan also allows in-service distributions. Participants who are age 59½ or older and who are still employed may elect to receive distributions while continuing to work. Additionally, the Plan has established a hardship withdrawal option in which participants may be eligible for a partial withdrawal of their balance if certain hardship events have occurred. Payment of benefits may be in the form of an annuity, installment or lump-sum amount equal to the vested balance of a participant's account.

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested balances. Loans are charged an interest rate equal to the prime lending rate plus 2%. The loans are collateralized by the balance in the participant's account and bear interest rates that range between 5.25% and 8.75%, which are commensurate with that charged for similar loans by lending institutions. Loan repayment terms can range from one to five years for general purpose loans and up to thirty years for primary residence loans. Principal and interest are generally repaid ratably through payroll deductions.

Participants should refer to the plan document for more complete information.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The accompanying financial statements have been prepared using the accrual basis of accounting.

Investments - Investments are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell that asset (or paid to transfer a liability) in an orderly transaction between market participants at the measurement date (the exit price). Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Purchases and sales of the investments are reflected on a trade-date basis.

Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

Payment of Benefits - Benefit payments to participants are recorded upon distribution. There were no participants who elected to withdraw from the Plan but were not yet paid at December 31, 2022 and 2021.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses when incurred. No allowance for credit losses has been recorded as of either December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the loan balance is recorded as a deemed distribution.

Expenses - Certain administrative services incurred by the Plan are absorbed by the Plan sponsor, Parkway Bank & Trust Company (the Company). Fees related to the administration of certain transactions and recordkeeping fees are charged directly to the participant's account and are included in administrative expenses. Certain investment related and administrative expenses are included in net appreciation (depreciation) in fair value of investments.

Reclassifications - Certain reclassifications have been made to prior year amounts to conform to the current year presentation.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Subsequent Events - Subsequent events have been evaluated through October 13, 2023, which is the date the financial statements were available to be issued.

NOTE 3. PRIORITIES UPON TERMINATION

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the plan agreement and ERISA. Upon termination of the Plan, participants become 100% vested in their account balances.

NOTE 4. TAX STATUS

The Plan has received a determination letter from the Internal Revenue Service (IRS) dated November 30, 2020, stating that the Plan is qualified under Internal Revenue Code (IRC) Section 401(a), and therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

Accounting principles generally accepted in the United States of American require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

NOTE 5. FAIR VALUE MEASUREMENTS

The *Fair Value Measurements and Disclosures* Topic of the Financial Accounting Standards Board Accounting Standards Codification established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Basis of Fair Value Measurement

Level 1	Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities
Level 2	Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly
Level 3	Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable

The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth, by level within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2022 and 2021. As required, assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

Level 1 Measurements

The fair values of the mutual funds are determined by reference to the funds' underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds are traded on national securities exchanges and are valued at the net asset value on the last business day of each period presented. Self-directed brokerage accounts are investment accounts primarily comprised of equities traded in active markets on national securities exchanges and are valued at closing prices on the measurement date. The money market fund represents shared held in a mutual fund

Level 2 Measurements

The money market fund included in the self-directed brokerage account is valued at cost, which approximates its fair value.

NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3 Measurements

The Parkway Bancorp, Inc.'s common stock is not actively traded and significant observable inputs are not available. The fair value of the stock is determined by an independent appraisal. An independent appraiser selected by the Trustees performed the appraisal. The appraisal is based on a combination of factors including the nature and history of the Company, the competitive and economic outlook of the Company's trade areas and the banking industry in general, the book value and financial condition of the Company, its future earnings and dividend paying capacity, previous sales of the common stock of the Company, the prevailing market prices of selected publicly traded banking organizations located in the upper Midwest United States (Indiana, Illinois, Iowa, Minnesota and Wisconsin), and certain other information deemed pertinent to the evaluation. The valuation uses a hybrid of income and market approach methodologies to estimate fair value and also includes a marketability adjustment of 15%. The Plan Administrator determines the fair value measurement policies and procedures. Those policies and procedures are reassessed at least annually to determine if the current valuation techniques are still appropriate. At that time, the unobservable inputs used in the fair value measurements are evaluated and adjusted, as necessary, based on current market conditions and other third party information.

The following table reconciles the beginning and ending balances of fair value measurements using significant unobservable inputs (Level 3) for the years ended December 31, 2022 and 2021.

	Parkway Bancorp, Inc. <u>Common Stock</u>
December 31, 2022	
Beginning balance at December 31, 2021	\$ 9,044,000
Appreciation in fair value	882,000
Purchases, sales and settlements	<u>(2,261,000)</u>
Ending balance at December 31, 2022	<u>\$ 7,665,000</u>
December 31, 2021	
Beginning balance at December 31, 2020	\$ 7,497,000
Appreciation in fair value	1,547,000
Purchases, sales and settlements	<u>-</u>
Ending balance at December 31, 2021	<u>\$ 9,044,000</u>

The Plan's policy is to recognize transfers into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2022, there were no significant transfers into or out of Level 3.

In September 2022, to provide Plan participants greater liquidity, the Company agreed to purchase seven shares of common stock for \$2,261,000 from current and former participants. Current participants have the option to continue to maintain their investment in the stock.

NOTE 6. INFORMATION CERTIFIED BY TRUSTEE

The Plan Administrator has obtained a certification from Newport Trust Company (Newport), a qualified institution, that the following information as of and for the years ended December 31, 2022 and 2021 is complete and accurate:

	<u>2022</u>	<u>2021</u>

Interest on notes receivable from participants	\$ 27,566	\$ 29,074

NOTE 7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and amounts reported in the statements of net assets available for benefits.

As of December 31, 2022 and 2021 the Plan has investments of \$7,665,000 and \$9,044,000, that were concentrated in Parkway Bancorp, Inc. stock, respectively. The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across the participant directed fund elections. Additionally, the investments within each participant directed fund election are further diversified into varied financial instruments. Investment decisions are made, and the resulting risks are borne, exclusively by the Plan participant who made such decisions.

NOTE 8. PARTY-IN-INTEREST TRANSACTIONS

Newport is the Trustee of the Plan. As such, transactions between the Plan and the Trustee are considered party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA, upon meeting specified conditions. Newport provides certain administrative services to the Plan pursuant to a service agreement. Administrative services are primarily paid through a quarterly administrative fee charged to participants' accounts. These fees totaled \$64,942 and \$64,178 for the years ended December 31, 2022 and 2021, respectively.

Certain administrative fees are paid by the Company and are not material to the financial statements.

NOTE 8. PARTY-IN-INTEREST TRANSACTIONS (CONTINUED)

As of December 31, 2022 and 2021, the Plan held 21 and 28 shares, respectively, of Parkway Bancorp, Inc. common stock, which represents 2.64% and 3.26%, respectively, of Parkway Bancorp, Inc.'s total outstanding common stock. Sales proceeds of \$2,261,000 were recorded for Parkway Bancorp, Inc.'s stock during 2022. Distributions in-kind of Company stock is permitted under the Plan. There were no sales of Company stock during the year ended December 31, 2021.

NOTE 9. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500:

	<u>2022</u>	<u>2021</u>

Net assets available for benefits per Schedule H of the Form 5500	<u><u>\$ 25,676,006</u></u>	<u><u>\$ 29,188,812</u></u>

The following is a reconciliation of employer contributions per the financial statements to Schedule H of Form 5500 for the year ended December 31, 2022:

Employer contributions per the financial statements	\$ 491,259
Add: Employer contributions receivable at 12/31/2021	459,827
Less: Employer contributions receivable at 12/31/2022	<u>(491,259)</u>
Employer contributions per Schedule H of the Form 5500	<u><u>\$ 459,827</u></u>

SUPPLEMENTAL SCHEDULE

REPORT OF INDEPENDENT AUDITORS ON SUPPLEMENTAL SCHEDULES REQUIRED BY ERISA

To the Board of Trustees of
Parkway Bancorp, Inc. 401(k) Plan

We have audited the financial statements of Parkway Bancorp, Inc. 401(k) Plan (the Plan) as of and for the year ended December 31, 2022, and our report thereon dated October 13, 2023, appears on pages 1 through 3. Our audit was conducted in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosures under the Employee Retirement Income Security Act of 1974 (ERISA). Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosures under ERISA (qualified institution). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures related to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of accounting principles generally accepted in the United States of America (GAAP).

The supplemental schedule is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in audit of the financial statements or to the financial statements themselves, and other additional procedures in accordance with general accepted auditing standards. For information included in the supplemental schedules that agree to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA; and
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).
