Independent Auditor's Report

Board of Trustees
Saber Healthcare 401(k) Profit Sharing Plan
Beachwood, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Saber Healthcare 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Saber Healthcare 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or Federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Saber Healthcare 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Saber Healthcare 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Saber Healthcare 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Saber Healthcare 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule on page 13 as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SABER HEALTHCARE 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2022 AND 2021

1. Description of the Plan:

The following description of the Saber Healthcare 401(k) Profit Sharing Plan provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General:

The Saber Healthcare 401(k) Profit Sharing Plan (the "Plan") is a defined contribution profit sharing plan covering all eligible employees of Saber Healthcare Holdings, LLC and affiliated entities (the "Company"). The Company leases and operates skilled nursing and assisted living facilities. The Plan is subject to the provisions of the Employee Retirement Security Act of 1974 ("ERISA"). All employees, age 18 and older and who had six months of service were eligible to participate in the Plan, except for University Manor employees subject to its collective bargaining agreement. Effective October 1, 2021, the Plan was amended to remove the service requirement related to eligibility. Therefore, as of October 1, 2021, all employees who are age 18 and older are eligible to participate in the Plan.

The Plan is administered by the Board of Trustees who are appointed by the Company. The Board of Trustees are responsible for the oversight of the Plan, determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

There were law and operational changes impacting plans due to the passing of the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act"). The Plan adopted the distribution provision of the CARES Act that allowed participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. This optional feature from the recent law changes that was adopted by the Plan will require written amendments before December 31, 2025 in accordance with applicable law and Internal Revenue Service ("IRS") guidance.

Contributions:

Participants may elect to contribute a portion of their compensation (as defined) up to the maximum amount allowed by the IRS a pre-tax or post-tax (Roth) basis. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

Employees of certain facilities, Ambler Healthcare Group, LLC, Bryn Mawr Healthcare Group, LLC, Dunmore Healthcare Group, Inc. and Julia Ribaud Healthcare Group, LLC, are eligible to receive an employer contribution for each straight time hour worked due to collective bargaining agreements entered into by those facilities. The Company made contributions of \$3,317 in 2022 and \$4,268 in 2021 to participants at these eligible facilities.

Contributions from participants for 2022 and 2021 are net of a payment of \$246,891 and \$272,852 made in February 2023 and 2022, respectively, to active participants to return excess deferral contributions as required to satisfy the relevant nondiscrimination provisions of the Plan. These amounts are included in the Plan's statements of net assets available for benefits as excess contributions payable, participants at December 31, 2022 and 2021.

SABER HEALTHCARE 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2022 AND 2021

1. Description of the Plan (continued):

Contributions (continued):

The Company may make additional discretionary matching contributions and nonelective profit sharing contributions to the Plan. The amount of any discretionary contribution is determined annually by the Company. No discretionary matching and nonelective profit sharing contributions were made for 2022 or 2021.

Participants are 100% vested immediately with respect to their compensation deferrals. Participants vest in employer contributions in accordance with the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1 year	0%
1 year	20%
2 years	50%
3 years or more	100%

Forfeitures of nonvested accounts may be used to pay administrative expenses of the Plan and/or reduce employer matching and discretionary matching and nonelective profit sharing contributions. Forfeitures of \$5,384 in 2022 and \$12,635 in 2021 were used to pay administrative expenses. Unused forfeitures totaled \$29,238 at December 31, 2022 and \$34,143 at December 31, 2021.

Participant accounts:

Participants may direct their contributions, including the employer portion into any combination of a number of investment options available under the Plan.

Income/loss is allocated to participant accounts based on earnings/loss in the respective investment funds.

Payment of benefits:

Participants who suffer serious financial hardship, as defined by the Plan, may withdraw a portion of their vested account in order to meet their financial needs. Once participants attain age 59-1/2, they may also elect to withdraw from their account, any amount not to exceed their vested portion. All accounts are subject to distribution upon the participant's termination, retirement or death, and are distributed in a single lump sum or direct rollover to another qualified plan.

Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2022 AND 2021

1. Description of the Plan (continued):

Notes receivable, participants:

Active employees who have at least \$2,000 in their fund accounts can borrow up to 50% of their vested balance. The maximum borrowing is limited to \$50,000. Repayment of the note is required to be made over a period not to exceed five years. The notes are secured by the balance in the participant's account and bear interest at the rate of 1% plus prime at the time the note was requested. Interest rates on the notes were between 4.25% to 8.00% at December 31, 2022 and 4.25% to 6.50% at December 31, 2021. Principal and interest are paid ratably through payroll deductions.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

2. Summary of significant accounting policies:

Basis of accounting:

The financial statements for the Plan are prepared using the accrual method of accounting.

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from these estimates.

Investment valuation:

The Plan's investments are stated at fair value at December 31, 2022 and 2021, as provided by Fidelity Management Trust Company ("Fidelity"), the trustee of the Plan. The Plan's investments are held by Fidelity at December 31, 2022 and 2021.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. These amounts were provided by Fidelity.

Reclassifications:

Certain amounts in the 2021 financial statements were reclassified to conform to the current year's presentation.

SABER HEALTHCARE 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2022 AND 2021

3. Fair value:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted market prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the methodology include:

- Quoted market prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies utilized at December 31, 2022 and 2021.

- The fair value of mutual funds is valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- The fair value of the stable value collective trust fund is valued at the NAV of units of the bank collective trust. The stable value fund is comprised primarily of fully benefit responsive investment contracts and the NAV is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investments for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement of the reporting date.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

YEARS ENDED DECEMBER 31, 2022 AND 2021

3. Fair value (continued):

Assets measured at fair value on a recurring basis at December 31, 2022 and 2021, were as follows:

Description	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 45,407,719	\$	\$	\$ 45,407,719
Investments measured at net asset value (a)				1,129,002
Total investments				\$ 46,536,721

Description	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 52,413,167	\$	\$	\$ 52,413,167
Investments measured at net asset value (a)				952,569
Total investments				\$ 53,365,736

(a) In accordance with U.S. GAAP certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table presents the fair value, unfunded commitments, redemption frequency, and redemption notice period for plan investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021:

Investment*	Fair Value		Redemption Frequency	Redemption Notice Period
	2022	2021		
Stable Value Collective trust fund:				
Invesco Stable Value II Fund	\$ 1,129,002	\$ 952,569	Daily	None

* For the years presented, the Plan did not have unfunded commitments with any of its investments.

4. Party-in-interest transactions:

Certain Plan investments are managed by affiliates of Fidelity. Fidelity is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest. Certain fees related to the administration of the Plan were paid by the Plan or the Company, which qualify as party-in-interest transactions. The Plan issues notes to participants, which are secured by the vested balance in the participant's account and certain fees related to the administration of the Plan were paid by the Plan or the Company, which also qualify as party-in-interest.

YEARS ENDED DECEMBER 31, 2022 AND 2021

5. Income tax status:

The IRS has determined that the Fidelity's non-standard deferred contribution pre-approved plan under which the Plan is organized, is designed in accordance with applicable sections of the Internal Revenue Code (Code). Fidelity's plan received a determination letter from the IRS dated June 30, 2020. The Plan is required to operate in conformity with the Code to maintain its qualification. The plan administrator believes the Plan is being operated in compliance with applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is exempt from taxation.

U.S. GAAP require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Administrative expenses:

Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net change in fair value of investments.

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Certain administrative functions are performed by employees of the Company. No such employee or the Company receives compensation from the Plan.

In addition, the Plan received revenue sharing amounts from certain mutual funds. These amounts are included in administrative expenses with the unused portion of the funds being included in certain funds. The following table sets forth the summary of changes in the revenue sharing account for the years ended December 31, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Balance, beginning of year	\$ 90,582	\$ 86,262
Investment income (loss)	(1,524)	4,320
Revenue sharing amounts received	32,417	43,737
Amounts used to pay certain Plan expenses	<u>(32,417)</u>	<u>(43,737)</u>
Balance, end of year	<u>\$ 89,058</u>	<u>\$ 90,582</u>

7. Information certified by trustee:

Certain information related to investments and participant notes disclosed in the accompanying financial statements and supplemental schedule, including investments and participants notes held at December 31, 2022 and 2021, and net increase (decrease) in fair value of investments and interest and dividends for the years ended December 31, 2022 and 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2022 AND 2021

8. Risks and uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. Plan termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

10. Subsequent events:

In preparing these financial statements, the Plan's management has evaluated events and transactions for potential recognition or disclosure through October 12, 2023, the date the Plan's financial statements were available to be issued.
