Independent Auditor's Report

To the Plan Administrator of the
Quest Resource Management Group, LLC 401(k) Plan
The Colony, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Quest Resource Management Group, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions as of and for the year ended December 31, 2022, and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or are derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

QUEST RESOURCE MANAGEMENT GROUP, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 1
Description of the Plan

The following description of the Quest Resource Management Group, LLC 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan Agreement, as amended, for a more complete description of Plan provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Quest Resource Management Group, LLC and its subsidiaries, and is subject to provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). Quest Resource Management Group, LLC (the “Company”) is the Plan’s sponsor and serves as the plan administrator.

Eligibility

Employees of the Company are eligible to participate in the Plan upon reaching age 18 and after completing three months of service. An employee is credited for each month during which the employee performs one hour of service. Once eligible, participants are allowed to enter the Plan on the first day of the month following the month the employee completes the required three months of service.

Contributions

Each year, participants may elect to contribute their eligible pre-tax compensation to the Plan up to the amount allowable under the Plan document and current income tax regulations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants can also make contributions to the Plan under the provisions of a Roth feature, wherein the contributions are taxed to the employee. The subsequent disbursements under the Roth feature are non-taxable at the time of the distribution. The Company has elected Safe Harbor status and makes Safe Harbor matching contributions equal to 100% of the first 3% of eligible earnings that employees defer as an elective deferral and an additional 50% on the next 2% of eligible earnings that employees defer as an elective deferral. Contributions are subject to regulatory limitations.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and the Company’s Safe Harbor matching contributions as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. Participants direct the investment of their contributions into various investment options offered by the Plan.

Vesting

Participants are vested immediately in their contributions and employer contributions plus actual earnings thereon.

QUEST RESOURCE MANAGEMENT GROUP, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)

Note 1
Description of the Plan (Continued)

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. All loans must be repaid within a period of five years unless the loan is used to purchase a principal residence, in which case the loan must be repaid within a period of no more than 30 years. Under the terms of the Plan agreement, plan loans will bear a rate of interest of the prime rate plus 2%, as determined in the month the loan is effective. Principal and interest is paid ratably through bi-weekly payroll deductions.

Forfeitures

All contributions and earnings are immediately vested. Therefore, there are no forfeitures.

Payment of Benefits

Upon termination, the participants or beneficiaries may elect to leave their account balance in the Plan, or receive a lump sum amount equal to the value of the participant's interest in their account, as defined in the Plan. The participant may elect to have the distribution made to themselves or rolled over to another qualified retirement plan. The Plan also allows for the automatic lump sum distribution of participant account balances that do not exceed \$1,000.

Note 2
Summary of Significant Accounting Policies and Use of Estimates

Basis of Accounting

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America, using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the use of estimates and assumptions that may affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

QUEST RESOURCE MANAGEMENT GROUP, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)

Note 2

Summary of Significant Accounting Policies and Use of Estimates (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. As of December 31, 2022, the rate of interest on outstanding loans was between 5.25% - 9.00% with various maturities through April 2026. Delinquent notes receivable from participants are reclassified as distributions upon the occurrence of a distributable event, based on the terms of the Plan Agreement. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation/depreciation of fair value investments.

Note 3

Plan Termination

Although it has not expressed any intention of doing so, the Company has the right to terminate the Plan subject to the provisions of ERISA and discontinue its contributions at any time.

Note 4

Tax Status

The IRS has determined and informed the Company by a letter dated October 6, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS (Continued)

Note 5
Fair Value Measurements

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Registered investment companies (Mutual Funds): Shares of registered investment company funds (or mutual funds) are valued at the net asset value (NAV) of shares held by the Plan and are valued at the closing price reported on the active market on which the individual securities are traded.

Common/collective trusts: Units held in common/collective trusts are valued using the NAV practical expedient of the fund as determined by the fund managers. The NAV is based on the fair value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of units outstanding. The net asset value of a common/collective trust investment is calculated based on a compilation of primarily observable market information. These funds have no redemption restrictions or unfunded commitments.

NOTES TO FINANCIAL STATEMENTS (Continued)

Note 5
Fair Value Measurements (Continued)

The following table discloses by level, the fair value hierarchy of the Plan's assets at fair value as of December 31, 2022 and 2021:

<u>December 31, 2022</u>	Fair Value	Fair Value Measurements Using:		
		(Level 1)	(Level 2)	(Level 3)
Mutual Funds	\$ 4,210,617	\$ 4,210,617	\$ -	\$ -
	4,210,617	\$ 4,210,617	\$ -	\$ -
Common/collective trusts *	<u>849,561</u>			
Total Investments at Fair Value	<u>\$ 5,060,178</u>			

<u>December 31, 2021</u>	Fair Value	Fair Value Measurements Using:		
		(Level 1)	(Level 2)	(Level 3)
Mutual Funds	\$ 4,049,696	\$ 4,049,696	\$ -	\$ -
	4,049,696	\$ 4,049,696	\$ -	\$ -
Common/collective trusts *	<u>829,004</u>			
Total Investments at Fair Value	<u>\$ 4,878,700</u>			

* In accordance with FASB Accounting Standards Codification Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented on the statements of net assets available for benefits.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

QUEST RESOURCE MANAGEMENT GROUP, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)

Note 6
Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company (the trustee of the Plan).

Note 7
Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. It is reasonably possible, given the level of risk associated with investment securities, that changes in the values of the investments in the near term could materially affect a participant's account balance and the amounts reported in the financial statements.

Note 8
Party-In-Interest Transactions

Certain Plan investments are managed by Reliance Trust Company, the trustee, and ADP, the recordkeeper, and other companies that provide investment management services to the Plan. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA. The Plan also issues loans to participants that are secured by the vested balance in the participants' accounts. As such, these transactions qualify as party-in-interest transactions, which are exempt from the prohibited transactions rules.

Note 9
Untimely Contributions

During the year ended December 31, 2022, the Plan failed to remit certain participant contributions within the time period permitted by the Department of Labor. As a result of the untimely contributions, the Plan is responsible for contributing all lost earnings to the participants and filing Form 5330 with the Internal Revenue Service. As of the date of this report, the Plan has estimated the amount of lost earnings and interest due to the respective participants and is in the process of remitting the amounts to the Plan. Further, it is anticipated that the Plan will file the Form 5330. No accrual for lost earnings or penalties and interest was made at December 31, 2022 as the amounts were considered immaterial by Plan management.

Net assets available for benefits per Form 5500	<u>\$ 5,075,906</u>	<u>\$ 4,904,237</u>

The following is a reconciliation of the changes in net assets available for benefits as reported on the Form 5500 with the reported on the accompanying financial statements:

	<u>For the Year Ended December 31, 2022</u>
Net increase in net assets available for benefits per financial statement	\$ 182,881
Less: Participant contributions receivable as of December 31, 2022	(19,088)
Less: Employer contributions receivable as of December 31, 2022	(10,468)
Plus: Participant contributions receivable as of December 31, 2021	12,015
Plus: Employer contributions receivable as of December 31, 2021	6,329
Net increase in net assets available for benefits per Form 5500	<u>\$ 171,669</u>

Note 11
Subsequent Events

The Plan has evaluated subsequent events through October 11, 2023, which is the date the financial statements were available to be issued.

During January 2023, in conjunction with a recent acquisition by the Plan's Sponsor, the Recycling and Waste Solutions 401(k) Plan was merged into the Plan, resulting in a transfer of \$921,329 of assets into the Plan.
