INDEPENDENT AUDITOR'S REPORT

The Board of Directors
Allied Community Services, Inc. 403(b) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Allied Community Services, Inc. 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Allied Community Services, Inc. 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Allied Community Services, Inc. 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Allied Community Services, Inc. 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Allied Community Services, Inc. 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Allied Community Services, Inc. 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedules Required by ERISA

The supplemental schedule, Schedule H, line 4(i) - Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ALLIED COMMUNITY SERVICES, INC. 403(b) PLAN

Notes to Financial Statements

December 31, 2022 and 2021

NOTE 1 – DESCRIPTION OF PLAN

The following description of Allied Community Services, Inc. 403(b) Plan (Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering eligible employees of Allied Community Services, Inc. and the eligible employees of the participating employers within the controlled group of entities consisting of Allied Community Resources, Inc. and Allied Rehabilitation Centers, Inc. (collectively referred to as the Company). Nonresident aliens are not eligible to join the Plan. Employees who have completed one year of eligible service are eligible for a matching and nonelective contribution made by the employer. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Directors is responsible for oversight of the Plan. The investment committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Directors.

Contributions

Participants may contribute up to the maximum allowed under the Internal Revenue Code (IRC) of pre-tax annual compensation as defined in the Plan. The Plan also allows participants to make ROTH contributions. Participants are eligible to make pre-tax and/or ROTH contributions into the Plan on their first day of employment. The Plan allows for catch-up contributions as well. Participants may also contribute amounts representing distributions from certain other eligible retirement plans as defined in the Plan. Participants direct the investment of their contributions.

The Company may make matching and nonelective employer contributions to participant accounts at the Company's discretion. The Company has elected to make an employer match of 25% of employee contributions, up to the first \$5,000 of employee contributions. The Company has elected to not make a non-elective contribution for 2022. Non-elective contributions are allocated on a pro-rata basis. Contributions are limited under current Internal Revenue Code regulations.

Participant accounts

Each participant's account is credited with their own salary deferral contributions, their rollover contributions from other plans and the Company's matching and non-elective contributions as well as investment earnings (losses) within the participant's account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their salary deferral contributions and their rollover contributions plus actual earnings thereon. Vesting in the Company's contribution portion and net earnings is based on years of continuous service. Participant vesting is based on a three year cliff schedule. A participant is 100% vested after three years of credited service.

Participant loans

The Plan does not permit participant loans.

Hardship withdrawals

In the event of financial hardship, as defined under the Plan and under current Internal Revenue Service rules, participants are permitted to receive hardship withdrawals of their own elective deferrals (excluding earnings thereon).

ALLIED COMMUNITY SERVICES, INC. 403(b) PLAN

Notes to Financial Statements

December 31, 2022 and 2021

Payment of benefits

On separation of service due to death, disability, termination or retirement, a participant may receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. In the event of a participant's death or disability before termination of employment and before distribution of benefits has begun, a participant will become 100% vested and the amount of the participant's account balance will be payable in a single lump-sum to the participant's beneficiary(ies).

Participants may withdraw their vested account balances once they reach age 59½. Participants may also withdraw their rollover contributions in the Plan at any time and at any age.

Other distribution methods under the Plan are available to beneficiaries depending on vested account balances.

See Note 7 for Coronavirus-related distributions allowed under the CARES Act for Coronavirus impacted participants.

Forfeited accounts

In 2022, forfeitures were used to reduce employer contributions by \$12,790. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$0.

Investment options

Participants direct the investment of all contributions within their own accounts into various investment options consisting of various mutual funds offered by the Plan.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by investment advisers and the custodian. See Note 8 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits

Benefits are recorded when paid.

ALLIED COMMUNITY SERVICES, INC. 403(b) PLAN

Notes to Financial Statements

December 31, 2022 and 2021

Administrative expenses

Expenses incurred for the administration of the Plan are the responsibility of the Plan. Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. The remaining expenses are included in administrative expenses on the statement of changes in net assets available for benefits. Investment related expenses are included in change in fair value of investments.

Certain investment advisory fees are paid by the Plan.

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Matrix Trust Company, the custodian of the Plan (see Note 4).

	<u>2022</u>	<u>2021</u>
Investments, at fair value	<u>\$4,576,346</u>	<u>\$5,592,653</u>

The net investment (loss) of the Plan for the year ended December 31, 2022 is as follows:

	<u>2022</u>
Net (depreciation) in fair value of investments	\$(1,240,063)
Interest and dividend income	<u>139,357</u>
	<u>\$(1,100,706)</u>

NOTE 4 – RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Matrix Trust Company provides investment management and record keeping services for the Plan. CUNA Mutual Retirement Solutions provides contracted services to the plan sponsor for third party administration, census, compliance testing and annual report preparation for the Plan.

CUNA Mutual Retirement Solutions (CUNA), also known as Certera Advisors Network, LLC, is the third-party administrator for the Plan for compliance testing, recordkeeping and annual report preparation. As a provider of services to the Plan, CUNA also became a party-in-interest as defined under ERISA. CUNA receives fees for its services from the employer.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their total account balances.

NOTE 6 – TAX STATUS

The Plan received a favorable determination letter from the Internal Revenue Service dated March 31, 2017 indicating its qualified status under the Internal Revenue Code.

ALLIED COMMUNITY SERVICES, INC. 403(b) PLAN

Notes to Financial Statements

December 31, 2022 and 2021

Tax status, continued

The Plan has been amended and restated since the effective date of the determination letter to bring the Plan into compliance with the legislative and regulatory changes set forth in IRS Notice 2017-37. The plan administrator and the third-party administrator believe the Plan is currently designed and being operated with applicable requirements of the Internal Revenue Code and therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 – PLAN AMENDMENTS

The following Plan changes have been adopted by the Plan which the plan sponsors have or will execute amendments to the Plan on or before the required due dates for each respective amendment:

The Plan's administrators have adopted the provisions pertaining to Coronavirus-related distributions which were enacted into law under the Coronavirus Aid, Relief, and Economic Security Act, (CARES Act) in response to the outbreak of the novel Coronavirus pandemic. These Plan changes are permitted as operational relief items for impacted Plan participants, as defined by the Act. The changes to the Plan under the CARES Act include the following:

Coronavirus-related distributions

- Impacted individuals may receive up to \$100,000 of distributions through December 31, 2022 with no 10% penalty tax for early withdrawal imposed.
- The above participants' withdrawal(s) will be included in their taxable income over a three year period.
- Repayment of the withdrawal amount(s) will be permitted if repayment occurs within three years of the distribution.

Required minimum distributions

- Rules for required minimum distributions were waived for the calendar year 2020.

NOTE 8 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access;

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Notes to Financial Statements

December 31, 2022 and 2021

Fair value measurements, continued

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022 or 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021.

Assets at fair value as of December 31, 2022				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$4,576,346</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$4,576,346</u>

Assets at fair value as of December 31, 2021				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$5,592,653</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$5,592,653</u>

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as investment rate, market and credit risks. Due to the level of risk associated with certain securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' accounts and the amount reported in the statements of net assets available for benefits.

NOTE 10 - SUBSEQUENT EVENTS

Effective January 1, 2023, the Company has elected to lift the limitation matching contribution on the first \$5,000 of employee contributions.

Evaluation of subsequent events

Subsequent events have been evaluated through the audit report date, the date the financial statements were available to be issued.
