INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Forge Industries, Inc. and Affiliated Companies
Savings and Profit-Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Forge Industries, Inc. and Affiliated Companies Savings and Profit-Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Forge Industries, Inc. and Affiliated Companies Savings and Profit-Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all

material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by and institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Forge Industries, Inc. and Affiliated Companies Savings and Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Forge Industries, Inc. and Affiliated Companies Savings and Profit-Sharing Plan's ability to continue as a going concern for one year after the issuance date of the Independent Auditor's Report.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to

issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Forge Industries, Inc. and Affiliated Companies Savings and Profit-Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Forge Industries, Inc. and Affiliated Companies Savings and Profit-Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at year end) as of December 31, 2022 is presented for purposes of additional analysis and is not required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**FORGE INDUSTRIES, INC. AND AFFILIATED COMPANIES
SAVINGS AND PROFIT-SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

A. DESCRIPTION OF THE PLAN

The following description of the Forge Industries, Inc. and Affiliated Companies Savings and Profit-Sharing Plan (the Plan) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan (Adopted January 1, 1968 and most recently amended August 1, 2019) is a defined contribution plan for eligible employees of Forge Industries, Inc. and Affiliated Companies (the Company and Plan Administrator). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

A participant in the Plan may elect to reduce their compensation up to the amount allowable by law and contribute such amount to the Plan on their behalf (participant elective deferral). Company contributions are based on a percentage of annual net earnings, as defined by the Plan, or such amounts as may be decided by the Board of Directors of the Company. Employees may elect to make pre-tax contributions up to 90% of total compensation to the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. Accounts are reduced for withdrawals and distributions.

Forfeitures of terminated employees' non-vested accounts are allocated to the remaining participant's accounts by the trustee or can be used to reduce the Company's contributions to the Plan. The Plan recognizes such forfeitures in the same year as the participant's severance date. In 2003, the Plan was amended to allow for immediate vesting of all employee and employer contributions. Therefore, there were no forfeitures in 2022 and 2021.

Vesting

Employee and employer contributions and earnings thereon vest immediately.

Payments of Benefits

A distribution of a participant's interest in his/her account can be made upon death, disability or termination of employment from the employer and are made in a lump-sum payment paid within 60 days after the end of the Plan year in which he/she attains the age of 65. Employee and employer contributions may also be withdrawn upon attainment of age 59 ½ or in the event of financial hardship, as defined by Internal Revenue Service rules.

SAVINGS AND PROFIT-SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

A. DESCRIPTION OF THE PLAN (CONTINUED)

Participant Loans

Participants may borrow from their fund accounts within the following limitations. No loan to any participant shall be made to the extent that such loan when added to the outstanding balance of all other loans to the participant would exceed the lesser of (i) \$50,000 reduced by the excess (if any) of the highest outstanding balance of Plan loans during the one year period ending on the day before the loan is made over the outstanding balance of Plan loans on the date the loan is made, or (ii) one-half (1/2) the present value of the participant's vested interest in their account. All loans bear a reasonable rate of interest as determined by the Administrator based on the prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances.

All loans by their terms require that repayment (principal and simple interest) is amortized in level payments, not less than quarterly, over a period not extending beyond five years from the date of the loan unless such loan is for the purchase of a participant's primary residence. Loans are secured by the participant's vested interest in their account not to exceed the lesser of 50% of such vested interest or \$50,000 in aggregate. Interest rates range from 4.25% to 8.00% for the years ended 2022 and 2021, which are commensurate of local prevailing rates.

Plan Termination

Although the Company has not expressed any intent to do so, it has the right to amend, modify, suspend or terminate the Plan subject to the provisions of ERISA at any time. Upon termination of the Plan, the rights to benefits accrued by participants or their beneficiaries, to the extent that such benefits are funded or credited to participants' accounts, shall not be non-forfeitable. No amendment, modification, suspension or termination of the Plan shall have the effect of providing that any amounts then held under the Plan may be used or diverted to any purpose other than for the exclusive benefit of the participants or their beneficiaries.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accompanying financial statements have been prepared on the accrual basis of accounting.

Investments

The Plan's investments are stated at fair value. The shares of registered investment companies are valued at quoted market prices, which represent the net asset values of shares held by the Plan at year-end. Investments in money market funds are stated at current value as determined by the trustee.

All investments of the Plan are fully participant-directed.

SAVINGS AND PROFIT-SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 2022 AND 2021

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities in the financial statements. Actual results could differ from those estimates.

Administrative Expenses

All expenses and costs incurred in administration of the Plan are paid by the Company except for certain trust administrative fees, which are paid from the Plan. Administrative costs borne by the Plan sponsor for 2022 and 2021 were \$11,046 and \$9,963, respectively.

Valuation of Investments and Income Recognition

The Plan's investments in mutual funds are stated at fair value based on the quoted market value on the last business day of the Plan year. Participant loans are stated at cost, which approximates fair value.

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Investments are re-valued once a year at the end of the plan year.

Reclassification

Certain amounts from prior periods may have been reclassified to conform to current period presentation.

SAVINGS AND PROFIT-SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 2022 AND 2021

C. FAIR VALUE MEASUREMENTS

The Plan uses fair value measurements to record fair value adjustments to certain assets and liabilities and to determine fair value disclosures. In accordance with ASC 820-10, the Plan has categorized its financial instruments, based on the priority of the inputs to the valuation technique, into a three-level fair value hierarchy:

Level 1 – Financial assets and liabilities whose values are based on unadjusted quoted prices for identical assets or liabilities in an active market that the Plan has the ability to access. These include investments that are recorded at fair value on a recurring basis and fair value measurement is based upon quoted prices, if available. Securities valued using Level 1 inputs include those traded on an active exchange and other exchange trade securities.

Level 2 – Financial assets and liabilities whose values are based on quoted prices in markets that are not active or model inputs that are observable either directly or indirectly for substantially the full term of the asset or liability.

Level 3 – Financial assets and liabilities whose values are based on prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement.

The following table presents the Plan's fair value hierarchy for those assets and liabilities measured at fair value on a recurring basis as of December 31, 2022 and 2021.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 2022 AND 2021

E. INCOME TAX STATUS

The plan obtained its latest determination letter dated March 31, 2014, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan has been amended since the effective date of the determination letter. However, the plan administrator and the plan's tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

F. RISKS AND UNCERTAINTIES

The Plan invests in various securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of assets available for benefits.

G. RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Fidelity. Fidelity is the trustee, as defined by the Plan, and, therefore, these transactions qualify as party-in-interest transactions. Net fees refunded by Fidelity to the Plan for the investment management services amounted to \$69,686 and \$24,347 for the years ended December 2022 and 2021, respectively.

H. SUBSEQUENT EVENTS

Subsequent events applicable to the year ended December 31, 2022 have been evaluated through October 11, 2023, the date the financial statements were available to be issued.
