INDEPENDENT AUDITOR'S REPORT

To the Trustee, Participants, and Plan Administrator of
PKL Services, Inc. CFT 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of PKL Services, Inc. CFT 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021 and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of PKL Services, Inc. CFT 401(k) Plan, financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of PKL Services, Inc. CFT 401(k) Plan, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about PKL Services, Inc. CFT 401(k) Plan, ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of PKL Services, Inc. CFT 401(k) Plan, internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about PKL Services, Inc. CFT 401(k) Plan, ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PKL Services, Inc. CFT 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF PLAN

The following description of the PKL Services, Inc. CFT 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for more detailed information of the Plan's provisions.

General

The Plan was established effective January 1, 2018 and is a defined contribution profit sharing plan for the eligible employees of PKL Services, Inc. (the "Company"). The Plan has both pre-tax and post-tax salary reduction provisions as defined under Section 401 of the Internal Revenue Code ("IRC"). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Board of Trustees is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Trustees.

Eligibility

The Plan covers substantially all employees of the Company, without regard to age or years of service, who have been hired under certain collective bargaining arrangements. Employees who have satisfied the eligibility requirements can enter the Plan immediately as of their date of hire.

Contributions

Participants may contribute a percentage of their pre-tax or post-tax compensation up to 90% of eligible compensation, as defined in the Plan document. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of all contributions to their account into various investment options offered by the Plan. Based on the terms of the various collective bargaining arrangements covered under this Plan, the Company is required to contribute amounts ranging between 4% and 14% of a participant's eligible wages. Participants are eligible for such contributions on their date of entry into the Plan. During the year ended December 31, 2022, employer contributions to the plan totaled \$475,202.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's matching contributions, (b) the Company's profit sharing contributions, and (c) Plan earnings, and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings, participant contributions, account balances, or specific participant transactions, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow fund from their accounts a minimum of \$1,000 up to a maximum of 50% of their vested account balance or \$50,000. A note is collateralized by the balance in the participant's account and bears interest at a rate commensurate with market rates for similar notes. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement, or for other reasons, a participant may elect to receive a lump-sum or installments in an amount equal to the value of the participant's vested interest in his or her account. All account balances not exceeding \$1,000 may be immediately distributed in a lump-sum payment. All account balances exceeding \$1,000 but not exceeding \$5,000, may be rolled into an Individual Retirement Account.

PKL Services, Inc. CFT 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

Vesting

Participants are always fully vested in their own contributions and all employer contributions, plus actual earnings thereon.

Administrative Expenses

Administrative expenses may be paid from the assets of the Plan and allocated among all Plan participants. The Company, at its discretion, may pay any or all of such expenses. During the year ended December 31, 2022, administrative expenses paid from the assets of the Plan totaled \$45,108.

Corrective Distributions

Corrective distributions of \$30,893 were required for the year ended December 31, 2022, to return certain active participants' excess deferral contributions to satisfy the relevant nondiscrimination provisions of the Plan. The Plan distributed the 2022 excess contributions to the applicable participants subsequent to year end. Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on an accrual basis. Under this method of accounting, contributions and investment income are recorded when earned, and expenses are recorded when incurred.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options in mutual funds, which invest in investment securities. Investment securities are exposed to various risks such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risk in the near term would materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits and the Statement of Changes in Net Assets Available for Plan Benefits.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value accounting.

Purchases and sales are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Gains and losses on sale of investments are based on the average cost method. The net depreciation in fair value of investments in the accompanying statement of changes in net assets available for benefits includes the total change in unrealized gains (losses) of investments held at year-end plus realized gains (losses) on investments sold during the year.

Payment of Benefits

Benefits are recorded when paid.

PKL Services, Inc. CFT 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant loans are reclassified as benefit payments based on the terms of the Plan document.

Administrative Expenses

The expenses necessary to administer the Plan, including but not limited to, retaining necessary professional assistance from an attorney, accountant, actuary, or investment advisor are paid by the employer and are excluded from these financial statements. Participants are charged service fees for any loan and distribution transactions they request. Investment related expenses are included in net depreciation of fair value of investments.

3. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIANS (UNAUDITED)

No auditing procedures were performed by the independent auditor as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by Principal Trust Company as December 31, 2022 and 2021 and for the year ended December 31, 2022, except for comparing such information with the information reported in the financial statements. Based on information provided and certified by the custodians, there are no fixed income obligations, leases or debt instruments in default or deemed uncollectible, as defined by ERISA, as of December 31, 2022 and 2021. The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Trust Company, the custodian of the Plan, have certified to the completeness and accuracy of:

- Investments reflected on the accompanying Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021 and the supplemental schedule of held assets at December 31, 2022.
- Net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants reflected on the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022.

4. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. Such inputs include quoted prices in active markets for identical assets or liabilities.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant judgement or estimation.

PKL Services, Inc. CFT 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

The asset or liability fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for the periods presented in these financial statements.

Registered Investment Companies: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are required to publish their daily net asset value and to transact at that price. Mutual funds held by the Plan are deemed to be actively traded.

Following is a description of the valuation methodologies used for assets measured at Net Asset Value ("NAV") as the practical expedient to estimate fair value:

Pooled Separate Accounts: Pooled separate accounts ("PSA") are valued at NAV, which is based on the fair value of the underlying investments of the PSA, less any liabilities. The underlying investment of the PSA is a Real Estate Securities Fund. The investment seeks long-term growth of capital and invests in equity securities of companies that are in the real estate industry. The Plan had no unfunded commitments related to PSA. The redemption of PSA is subject to the preference of individual Plan participants and contains no restrictions on the timing of redemption.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	2022			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 10,275,071	-	\$ -	\$ 10,275,071
Total assets in the fair value hierarchy	10,275,071	-	-	10,275,071
Investments measured at net asset value (a)	-	-	-	22,715
Total assets at fair value	\$ 10,297,786	-	\$ -	\$ 10,297,786
	2021			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 10,788,613	-	\$ -	\$ 10,788,613
Total assets in the fair value hierarchy	10,788,613	-	-	10,788,613
Investments measured at net asset value (a)	-	-	-	28,054
Total assets at fair value	\$ 10,788,613	-	\$ -	\$ 10,816,667

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefit.

PKL Services, Inc. CFT 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to provisions of ERISA. In the event of a Plan termination, participants will become 100% vested in their accounts.

6. INCOME TAX STATUS

The Plan has adopted a Prototype Non-Standardized Profit Sharing Plan, which received a favorable opinion letter from the IRS dated June 30, 2020, which stated that the Plan document, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code IRC. The Plan has been amended since receiving the opinion letter. However, the Plan administrator and Plan tax counsel believe the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The Plan prepares the financial statements on the accrual basis of accounting which includes recording participant contributions receivable and excess contributions payable as of the end of the year. However, IRS Form 5500 does not require the use of the accrual basis of accounting and as such, the Plan sponsor prepares the IRS Form 5500 on the cash basis of accounting. Accordingly, the IRS Form 5500 does not include the excess contributions payable as of the end of the year.

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per financial statements	\$ 10,339,703	\$ 10,846,190
Add: corrective distribution payable	30,893	-
Net assets per Form 5500	<u>\$ 10,370,596</u>	<u>\$ 10,846,190</u>

The following is a reconciliation of the change in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2022:

Change in net assets available for benefits per the financial statements	\$ (506,487)
Less: prior year corrective distribution payable	(18,683)
Add: current year corrective distribution payable	30,893
Change in net assets available for benefits per Form 5500	<u>\$ (494,277)</u>

8. PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are managed by Principal Financial Group. Principal Financial Group is an affiliate of Principal Trust Company who is the custodian as defined by the Plan and, therefore, these transactions qualify as a party-in-interest transactions.

PKL Services, Inc. CFT 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

The plan pays administrative expenses to parties-in-interest who provide services to the Plan and for whom a statutory exemption exists. In addition, certain investment related expenses have been offset with net investment income and are not readily determinable.

9. SUBSEQUENT EVENTS

Subsequent events were evaluated through October 11, 2023, which is the date the financial statements were available to be issued. Based on that evaluation, the Plan's management has determined that no events have occurred which would require disclosure in the financial statements.
