Plan Trustee
Thrive Behavioral Health Center 401(k) Profit Sharing Plan and Trust
Solon, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Thrive Behavioral Health Center 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Thrive Behavioral Health Center 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or Federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Thrive Behavioral Health Center 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Thrive Behavioral Health Center 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Thrive Behavioral Health Center 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Thrive Behavioral Health Center 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule on page 12 as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2022 AND 2021

1. Description of the Plan:

General:

The following brief description of the Thrive Behavioral Health Center 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Employees must be 21 years of age and have completed two months of service to be eligible to participate in the Plan. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan is a defined contribution 401(k) plan covering substantially all employees of Thrive Behavioral Health Center, Inc. (the "Plan Sponsor", "Plan Trustee"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Trustee is responsible for the oversight of the Plan and determines the appropriateness of the Plan's investment offerings, including monitoring investment performance.

Contributions:

Participants may elect to contribute up to 92% of their annual compensation on a pre-tax or post-tax (Roth) basis up to the maximum amount allowed by the Internal Revenue Service (IRS). Participants who have attained the age of 50 before the end of the plan year are eligible to make a catch-up contribution. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers).

The Plan Sponsor may make discretionary employer matching contributions to participants' accounts as determined by the Plan Sponsor. Employees are eligible to receive discretionary employer matching contributions if they have completed three consecutive months of service. The Plan Sponsor made discretionary employer matching contributions of 50% of participants' contributions, limited to the first 6% of the participant's compensation, contributions totaling \$82,194 in 2022 and \$57,942 in 2021.

The Plan Sponsor may also make discretionary nonelective contributions to the Plan determined annual by the ownership/management of the Plan Sponsor. Employees are eligible to receive discretionary nonelective contributions if they have completed three consecutive months of service. No discretionary nonelective contributions were made during 2022 and 2021.

Participant accounts:

Each participant's account is credited with the participant's contributions, discretionary employer matching and discretionary nonelective contributions, if any, and Plan earnings or losses. Each participant's account is charged with an allocation of Plan gains/losses and administrative expenses. Allocations are based on participant compensation, earnings or losses and account balances, as defined.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2022 AND 2021

1. Description of the Plan (continued):

Vesting:

Participants are immediately vested in their rollover and participant contributions and related earnings thereon. Participants will be fully vested in discretionary match and discretionary nonelective contributions after three years of service or upon death or disability. In accordance with the plan document, participants vest in discretionary employer match and discretionary nonelective contributions in accordance with the following vesting schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 3	0%
3 and thereafter	100%

Forfeitures of nonvested accounts can be used to reduce discretionary employer matching and nonelective contributions, can be reallocated as additional discretionary employer match or employer nonelective contributions, or can be used to offset administrative expenses. During 2022, forfeitures of \$2,436 were used to reduce discretionary employer matching contributions. During 2021, forfeitures of \$2,205 were used to reduce discretionary employer matching contributions and \$3,977 were used to pay for administrative expenses. Unallocated forfeited amounts totaled \$1,045 at December 31, 2022. There were no unallocated forfeited amounts at December 31, 2021.

Payment of benefits:

Once participants attain age 59 ½, they may elect to withdraw from their account any amount not to exceed their vested portion. All accounts are subject to distribution upon the participant's termination, retirement, or death. A participant may not receive an in-service distribution unless the participant is 100% vested in their account. In the case of severe hardship, the plan administrator, at its sole discretion, may direct distribution of the pre-tax deferral and Roth portions of a participant's vested account balance, subject to certain restrictions.

On termination of service, participants may elect to receive a lump sum amount equal to the vested value of their account balance.

Investment options:

Upon enrollment in the Plan, a participant may direct participant contributions, including employer's portion into a number of investment options. Participants may change their investment elections daily.

2. Summary of significant accounting policies:

Basis of accounting:

The financial statements of the Plan are prepared using the accrual method.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2022 AND 2021

2. Summary of significant accounting policies (continued):

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates and assumptions.

Investment valuation and income (loss) recognition:

The Plan's mutual fund investments are stated at fair value based on unit prices at December 31, 2022 and 2021. These amounts were provided by American Trust Company at December 31, 2022, the sub-custodian of the Plan, and Peoples Bank at December 31, 2021, the trustee and custodian of the Plan. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Trustee determines the Plan's valuation policies utilizing information provided by the investment adviser and trustee.

Assets held in mutual fund accounts reflect unrealized appreciation or depreciation based on the change of the unit value, as provided by American Trust Company and Peoples Bank.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net decrease in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits:

Benefits are recorded when paid.

Administrative expenses:

Administrative expenses and certain expenses of maintaining the Plan are paid by the Plan Sponsor, and are excluded from these financial statements. Certain administrative functions are performed by employees of the employer. No such employee, nor the employer, receives compensation from the Plan for these functions. Investment related expenses are included in net decrease in fair value of investments in the statements of changes in net assets available for benefits.

Reclassifications:

Certain amounts in the 2021 financial statements were reclassified to conform to the 2022 presentation.

YEARS ENDED DECEMBER 31, 2022 AND 2021

3. Investments:

The following table presents the value of investments at December 31, 2022 and 2021. All investments are participant directed:

	<u>2022</u>	<u>2021</u>
Investments:		
Mutual funds (at fair value)	<u>\$ 553,285</u>	<u>\$ 296,198</u>

4. Fair value measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means;

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	<u>2022</u> <u>(Level 1)</u>	<u>2021</u> <u>(Level 1)</u>
Mutual funds	<u>\$ 553,285</u>	<u>\$ 296,198</u>

YEARS ENDED DECEMBER 31, 2022 AND 2021

5. Information certified by sub-custodian and trustees:

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2022, net decrease in fair value of investments and interest and dividends for the year ended December 31, 2022, was obtained and derived from information supplied to the plan administrator and certified as complete and accurate by American Trust Company, the sub-custodian of the Plan, in accordance with Section 2520-103-5 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA.

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2021, net decrease in fair value of investments and interest and dividends for the period October 22, 2021 through December 31, 2021, was obtained and derived from information supplied to the plan administrator and certified as complete and accurate by Peoples Bank, the trustee of the Plan, in accordance with Section 2520-103-5 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including net decrease in value of investments and interest and dividends for the period January 1, 2021 through October 21, 2021, was obtained and derived from information supplied to the plan administrator and certified as complete and accurate by Mid Atlantic Trust Company, the trustee of the Plan, in accordance with Section 2520-103-5 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA.

6. Income tax status:

The Plan, a volume submitter plan, obtained its latest determination letter dated June 30, 2020, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since the adoption of the prototype plan, however, management believes the Plan is still in compliance with the applicable requirements. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Party-in-interest transactions:

Certain administrative fees related to the administration of the plan were paid by the Plan Sponsor. These transactions qualify as party-in-interest.

8. Plan termination:

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become fully vested in their account balances.

9. Risks and uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. Excess participant contributions payable:

The plan failed the discrimination test for the year ended December 31, 2021. Excess contributions received of \$1,157 are recorded as a liability in the accompanying statement of net assets available for benefits and as a reduction of participant-directed contributions for 2021. The excess participant contributions were refunded back to affected participants in March 2022.

11. Reconciliation of financial statements to Form 5500:

The following is a reconciliation of net assets available for benefits, per the financial statements to Form 5500 at December 31, 2022:
