INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
First Quality Maintenance II, LLC 401(k) Plan

Scope and Nature of ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of First Quality Maintenance II, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

The two firms operate as separate legal entities in an alternative practice structure. Citrin Cooperman is an independent member of Moore North America, which is itself a regional member of Moore Global Network Limited (MGNL).

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Information Required by ERISA

The supplemental schedule H, line 4a - delinquent participant contributions and schedule H, line 4i - assets (held at end of year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

The two firms operate as separate legal entities in an alternative practice structure. Citrin Cooperman is an independent member of Moore North America, which is itself a regional member of Moore Global Network Limited (MGNL).

Supplemental Information Required by ERISA (Continued)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF PLAN

The following description of the First Quality Maintenance II, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined-contribution plan established on October 10, 1997, that covers eligible employees of First Quality Maintenance II, LLC and other entities related to First Quality Maintenance II, LLC by common ownership (collectively, the "Company" or "Sponsor"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan has implemented certain requirements of the Coronavirus Aid, Relief, and Economic Security Act of 2020 (the "CARES Act") and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the "SECURE Act"). These laws permit the Plan to (a) allow certain eligible individuals to receive coronavirus-related relief for loan repayment, (b) suspend required minimum distributions for 2020, and (c) delay the commencement date for required minimum distributions from age 70-1/2 to age 72 beginning January 1, 2020.

Eligibility

All employees who are at least 21 years of age, are not subject to a collective bargaining agreement, and are not nonresident aliens who received no earned income within the United States, are eligible to participate in the Plan. Employees must complete three months of service to be eligible for the Plan. Any new employees meeting the eligibility requirements will be automatically enrolled into the Plan at a deferral of 3% of their compensation.

Participant Contributions

Participants may contribute an amount equal to a percentage of their compensation from 1% to 100% in increments of 1% limited to the maximum amounts established under IRS regulations. Contributions in any calendar year may not exceed the limits under Internal Revenue Code ("IRC") Sections 401(k), 404 and 415. Participants who have attained age 50 or older may elect to make a "catch up" contribution, not to exceed IRS limits. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

Employer Contributions

The Company can make a discretionary match, which is a percentage of an employee's deferral that the Company determines from year to year. Employees can only receive the discretionary contribution if they are employed on the last day of the Plan year. Any discretionary matching contribution will be allocated in a non-discriminatory manner. For the year ended December 31, 2022, there was no Company match contributed to the Plan.

1. DESCRIPTION OF PLAN (CONTINUED)

Employer Contributions (Continued)

In addition, the Plan Sponsor, at its sole discretion, can elect to make a profit sharing contribution to the Plan. In order for a participant to be eligible for the profit sharing contribution, the participant must be employed by the Plan Sponsor on the last day of the Plan year. Eligible employees who terminate employment due to death, disability or the attainment of normal retirement age will still be eligible to receive a profit sharing contribution. For the year ended December 31, 2022, no discretionary profit sharing contribution was made.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's matching contribution, if any, Plan earnings less distributions paid, and may be charged with an allocation of administrative expenses that are paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and rollover contributions plus actual earnings thereon. Participants will have a nonforfeitable right to a percentage of the Company's matching contributions, profit sharing contributions and non-elective contributions based upon the following schedule:

Years of Vesting Service	Nonforfeitable Percentage
1 or less	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Forfeitures

Forfeitures of contributions are first used to reduce employer contributions under the Plan. Any remaining forfeitures will be used to offset Plan administrative expenses. As of December 31, 2022 and 2021, the amount of the forfeited nonvested account balance was $4,687 and $15,331, respectively. For the year ended December 31, 2022, no forfeitures were used to reduce employer contributions or administrative expenses.

Investment Options

Upon enrollment in the Plan, participants may direct their contributions into various investment options including a money market fund, as well as mutual funds.

1. DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

Upon termination of service, a participant may elect to receive the vested value of their account in a lump sum, partial payments, periodic installments, or annuity contracts as described in the Plan document. In addition, the Plan provides for participant withdrawals in the event of disability, death, and hardship, as defined in the Plan document.

Notes Receivable from Participants

A participant with a vested account balance may borrow an amount not less than $1,000 and not greater than the lesser of (i) 50% of his/her vested account balance or (ii) $50,000. Loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions.

If a participant fails to make a loan payment when due under the terms of the loan, that participant will be in default. In the event of default, the loan shall become due and payable immediately, and interest will continue to accrue until the entire loan balance is repaid. The Plan will take all reasonable actions to collect the balance owed on the loan. Under certain circumstances, the loan in default could be considered a distribution from the Plan and could be considered income to the participant. In any event, failure to repay a loan will reduce the benefit a participant would otherwise be entitled to from the Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for a discussion of fair value measurements.

Purchases and sales of securities are reflected on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected in the net appreciation (depreciation) in the fair market value of such investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Under this standard, fair value is defined as the exit price, or the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date.

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and, inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant loans are reclassified as deemed distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid to Plan participants.

Other

Certain administrative expenses are paid by the Sponsor and are not charged to the Plan.

Subsequent Events

In accordance with FASB ASC 855, *Subsequent Events*, the Plan has evaluated subsequent events through October 6, 2023, the date on which these financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.

3. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

4. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company reserves the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, participants are entitled to the entire vested amount of their accounts.

5. TAX STATUS

The Plan uses a prototype plan document sponsored by Merrill Lynch Pierce Fenner & Smith Inc. Merrill Lynch Pierce Fenner & Smith Inc. received an opinion letter from the IRS, dated June 30, 2020, which states that the prototype document satisfied the applicable provisions of the IRC. Although the Plan has been amended since the prototype plan document used by the Plan received its opinion letter from the IRS, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Certain administrative expenses are paid directly by the Company.

7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to Form 5500 as of December 31, 2022:

	2022	2021
Net assets available for benefits per the financial statements	$ 8,208,790	$ 9,699,235
Adjustment for excess contributions payable	1,417	5,508
Net assets available for benefits per Form 5500	$ 8,210,207	$ 9,704,743

7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (CONTINUED)

The following is a reconciliation of net assets per the financial statements to Form 5500 for the year ended December 31, 2022:

Decrease in net assets per the financial statements	$ (1,490,445)
Reversal of prior year excess contributions payable to participants	(5,508)
Adjustment for current year excess contributions payable	1,417
Decrease in net assets per the Form 5500	$ (1,494,536)

8. FAIR VALUE MEASUREMENTS

Assets and liabilities measured at fair value are based on one or more of three valuation techniques identified in the tables below. The valuation techniques are as follows:

(a) *Market approach*. Prices and other relevant information generated by market transactions involving identical or comparable assets or liabilities;

(b) *Cost approach*. Amount that would be required to replace the service capacity of an asset (replacement cost); and

(c) *Income approach*. Techniques to convert future amounts to a single present amount based on market expectations (including present value techniques, option-pricing and excess earnings models).

The following tables summarize the Plan's assets measured at fair value on a recurring basis, categorized by U.S. GAAP's valuation hierarchy as of December 31, 2022 and 2021:

	Fair Value Measurement at December 31, 2022				
Description	Level 1	Level 2	Level 3	Total	Valuation Technique
Mutual funds	$ 7,912,666	$ -	$ -	$ 7,912,666	(a)

Total assets in fair value hierarchy	$ 9,515,310	$ 18,955	$ -	$ 9,534,265	

*Level 1 investments in cash and common stock and level 2 in corporate bonds.

8. FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: are valued at quoted market prices, which represent the net asset value of the investment securities held in such funds.

Money market fund: the carrying value approximates fair value because the instrument is liquid in nature.

Self-directed Brokerage Account: is carrying value that approximates fair value because the instruments are liquid in nature. Funds may be invested in separate investment accounts, such as mutual funds and money market funds. Unit valuation is based on underlying net asset values of the investments and prices are updated daily.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

9. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The following tables summarize investment and other asset information regarding the Plan as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included in the Plan's financial statements and supplemental schedules, that was prepared by or derived from information prepared by Bank of America, N.A. ("the Trustee") and furnished to the Plan administrator. The Plan administrator has obtained certifications from the Trustee for the periods indicated above that such information is complete and accurate.

	2022	2021
Mutual funds	$ 7,912,666	$ 9,341,133
Self-directed brokerage account	37,974	115,062
Money market fund	37,564	78,070
Total investments	7,988,204	9,534,265
Notes receivable from participants	198,260	145,861
Total certified assets	$ 8,186,464	$ 9,680,126

Net depreciation in fair value of investments	$ (2,070,337)
Dividend and interest income	$ 406,051
Interest income on notes receivable from participants	$ 7,842

10. CARES ACT PROVISIONS

On March 27, 2020, the CARES Act was signed into law. The CARES Act contains several provisions affecting retirement plans in the area of distributions and loans due to the impact of COVID-19. The Plan adopted the provision to allow for coronavirus-related distributions, taken prior to December 31, 2020, of up to $100,000 for participants impacted by COVID-19.

The Plan also adopted the provision to allow for coronavirus-related loans, taken from March 27, 2020 through September 22, 2020, of up to $100,000 for participants impacted by COVID-19.

The adopted provisions are required to be executed in a Plan amendment. The Plan has not been amended, but it has until December 31, 2025 to fully execute the amendment, according to the CARES Act.

11. DELINQUENT PARTICIPANT CONTRIBUTIONS

During the Plan year ended December 31, 2022, the Sponsor failed to remit certain participant contributions aggregating $22,881 to the Plan on a timely basis as prescribed in the applicable Department of Labor regulations. Defined contribution plans must remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. Failure to meet all of ERISA's requirements can result in the imposition of substantial fines, excise taxes, or other penalties. The Plan intends to take remedial actions under the Voluntary Compliance Program of the U.S. Department of Labor and make the necessary remittance to the Plan. Plan management believes that this matter will not have a material effect on the Plan's financial statements.
