INDEPENDENT AUDITORS' REPORT

To the Plan Administrative Committee of
Boulder Medical Center, P.C. Savings and Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of ***Boulder Medical Center, P.C. Savings and Profit Sharing Plan*** (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of ***Boulder Medical Center, P.C. Savings and Profit Sharing Plan's*** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 1 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ***Boulder Medical Center, P.C. Savings and Profit Sharing Plan*** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ***Boulder Medical Center, P.C. Savings and Profit Sharing Plan's*** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ***Boulder Medical Center, P.C. Savings and Profit Sharing Plan's*** internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ***Boulder Medical Center, P.C. Savings and Profit Sharing Plan's*** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Auditors' Responsibilities for the Audit of the Financial Statements – Continued

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following description of the ***Boulder Medical Center, P.C. (the Company) Savings and Profit Sharing Plan*** (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution profit sharing plan with a 401(k) feature that covers all employees who have completed one year of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan administrator and the Plan trustee are responsible for oversight of the Plan and they determine the appropriateness of the Plan's investment offerings and monitor the investment performance.

In 2021, the Plan formally adopted several provisions to comply with the CARES Act and adopted an amended and restated Plan document which became effective on January 1, 2022.

Basis of Accounting – The financial statements of the Plan are prepared on the accrual basis of accounting.

Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Participant Accounts – Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and Plan earnings and charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum of $50,000 or fifty percent of their vested account balance, whichever is less. The maximum loan term is five years, unless the loan is for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear a reasonable rate of interest. Principal and interest are paid ratably through payroll deductions.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Investment Valuation and Income Recognition – A majority of the Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the Plan's investment advisers and custodians. See Note 2 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions – Each year, participants may make pretax deferrals up to the maximum amount as defined in the Plan. Participants who have reached age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans and individual retirement accounts (rollovers). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their pre-tax deferral rate set at 3% of eligible compensation.

The Company contributes a Safe Harbor Non-Elective contribution in an amount equal to at least 3% of annual gross wages. The Company may also elect to make additional Non-Safe Harbor Non-Elective contributions. One of the Non-Safe Harbor Non-Elective contributions is allocated on the basis of the participant's gross wages that exceed the Social Security wage base ($147,000 and $142,800 for 2022 and 2021, respectively) and the participant's age. This contribution requires a participant to be employed on the last day of the Plan year to receive the contribution.

Investment Options – Participants may direct the investment of their contributions and the Company contributions into a number of investment fund options offered by the Plan or they may invest the contributions under the full self-directed option. Participants may change their investment choices at any time.

Vesting – Participants are immediately vested in their contributions, rollover contributions, and Safe Harbor Non-Elective contributions plus actual earnings thereon. Vesting in the Non-Safe Harbor Non-Elective contributions portion of a participant's account is based on years of service. A participant is fully vested after six years of credited service.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Forfeited Accounts – Forfeitures of non-vested accounts can be used to pay Plan administrative expenses, restore forfeited accounts as permitted, reduce other employer contributions, add to other employer contributions, or reallocate to participants. At December 31, 2022 and 2021, forfeited non-vested accounts totaled $39,749 and $22,080, respectively. In 2022 and 2021, Plan administrative expense and employer contributions were reduced by $21,925 and $32,687, respectively, from forfeited non-vested accounts.

Payment of Benefits – Upon termination of service for any reason, a participant with a vested balance of $5,000 or less will receive a lump-sum distribution or, upon election, the balance can be rolled over to another qualified retirement plan or an individual retirement account (IRA). However, participants with a vested balance that is greater than $1,000 but less than or equal to $5,000, and who do not indicate their distribution preference, will have their vested balance rolled over to an IRA established by the custodian and invested in a type of investment designed to preserve principal and provide a reasonable rate of return and liquidity.

Upon termination for any reason, a participant with a vested balance of more than $5,000 may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or have the vested account balance be annuitized. The lump-sum distribution can be paid either to the participant, rolled over to another qualified plan, or to an IRA. The Plan also allows participants to elect partial payments as requested from time to time by the participant.

As allowed under the CARES Act during 2020, participants affected by the coronavirus could withdraw up to $100,000 from their vested account balance. The coronavirus-related distribution will be exempt from the 10% penalty tax if the distribution is taken before the age of 59½, exempt from income tax withholdings, and could be taxed as income to the participant spread evenly over three years (2020, 2021, and 2022). If the participant pays back the distribution amounts within three years, the participant can claim a refund for the taxes they paid. This CARES Act related amendment was formally adopted by the Plan in 2021.

Benefits are recorded when paid.

Expenses – Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. For the years ended December 31, 2022 and 2021, investment related expenses in the amount of $40,581 and $42,027, respectively, are included in net appreciation (depreciation) in fair value of investments in the accompanying statements of changes in net assets available for benefits and are reported as expenses on the forms 5500 filed by the Plan.

NOTE 1 – INFORMATION PREPARED AND CERTIFIED BY THE QUALIFIED INSTITUTION OF THE PLAN

The following information included in the financial statements and the supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the qualified institution of the Plan:

	2022	2021
Investments		
Shares of Common/Collective Trusts	$ 23,522,574	$ 27,002,359
Mutual Funds	23,170,539	32,671,713
Self-Directed Brokerage Accounts	8,958,924	12,762,099
Dividends and Interest	857,785	2,326,606
Net (Depreciation) Appreciation in Fair Value of Investments	(12,540,268)	6,819,943

NOTE 2 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 2 – FAIR VALUE MEASUREMENTS – Continued

Following is a description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-Directed Brokerage Accounts consist of the following:

Common and Preferred Stock: Valued at the closing price reported on the active market on which the individual securities are traded.

Mutual Funds: Valued the same as mutual funds above.

Unit Investment Trusts (UITs): Valued at the NAV of the Plan's ownership units held by the Plan at year end. The NAV, as provided by trustees of the UITs, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the trust. Participants may sell their units at any time.

Shares of Common/Collective Trusts: Valued at the NAV of the units held by the Plan at year end. The NAV, as provided by the trustees of the common/collective trusts, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the common/collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	Level 1	Total
December 31, 2022		
Mutual Funds	$ 23,170,539	$ 23,170,539
Self-Directed Brokerage Accounts - Common and Preferred Stock	4,030,742	4,030,742
Self-Directed Brokerage Accounts - Mutual Funds	781,280	781,280
Total Assets in the Fair Value Hierarchy	$ 27,982,561	27,982,561
Investments Using Net Asset Value per Share as a Practical Expedient		24,825,835
Total Investments at Fair Value		$ 52,808,396

NOTE 2 – FAIR VALUE MEASUREMENTS – Continued

December 31, 2021

Mutual Funds	$ 32,671,713	$ 32,671,713
Self-Directed Brokerage Accounts - Common and Preferred Stock	5,623,251	5,623,251
Self-Directed Brokerage Accounts - Mutual Funds	894,495	894,495
Total Assets in the Fair Value Hierarchy	$ 39,189,459	39,189,459
Investments Using Net Asset Value per Share as a Practical Expedient		29,514,763
Total Investments at Fair Value		$ 68,704,222

Certain investments that are measured at fair value using the NAV per share practical expedient have not been categorized in the fair value hierarchy. These fair value amounts presented in the previous table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022 and 2021:

December 31, 2022

Shares of Common/Collective Trust - Morley Stable Value Fund	$ 4,324,207
Shares of Common/Collective Trust - Schwab Managed Retirement Trust Funds	19,198,367
Self-Directed Brokerage Accounts - Unit Investment Trusts	1,303,261
	$ 24,825,835

December 31, 2021

Shares of Common/Collective Trust - Morley Stable Value Fund	$ 5,231,920
Shares of Common/Collective Trust - Schwab Managed Retirement Trust Funds	21,770,439
Self-Directed Brokerage Accounts - Unit Investment Trusts	2,512,404
	$ 29,514,763

NOTE 2 – FAIR VALUE MEASUREMENTS – Continued

Shares of Common/Collective Trust – Morley Stable Value Fund: The objective of this fund is to provide preservation of capital and relatively stable returns. The fund primarily consists of a diversified portfolio of stable value investment contracts issued by life insurance companies, banks, and other financial institutions.

Shares of Common/Collective Trust – Schwab Managed Retirement Trust Funds: The funds seek to provide total return for investors at or near particular target dates. Each fund is structured as a collective trust fund to keep costs low for plan sponsors and participants. The funds may diversify holdings by investing in a variety of asset classes, including, but not limited to, domestic and international equity, emerging markets equity, global real estate, intermediate-term bonds, world bonds, inflation-protected bonds, short-term bonds, and cash equivalents.

Unit Investment Trusts: A unit investment trust is a registered investment company that buys and holds a generally fixed portfolio of stocks, bonds, or other securities. "Units" in the trust are sold to investors (unitholders) who receive a share of principal and dividends (or interest). A UIT will have a termination date that is established when the UIT is created. At the end of a UIT's life, investors can receive cash equal to the net asset value of the units. UITs receive a daily NAV, allowing investors to buy and sell daily at that value, plus any applicable sales charges.

There were no unfunded commitments for any of the UITs at December 31, 2022 and 2021.

NOTE 3 – PARTY-IN-INTEREST TRANSACTIONS

The Plan made direct payments to Charles Schwab & Co., Inc. and its affiliates (Schwab companies) for administrative and other services related to the Plan's operations. The Schwab companies are affiliated with Charles Schwab Trust Bank who is the custodian of the Plan for the years ended December 31, 2022 and 2021, respectively, therefore, transactions between these companies and the Plan qualify as party-in-interest transactions, which are exempt from prohibited transaction rules. Additionally, certain fees incurred by the Plan for the investment management services provided by Schwab companies, Charles Schwab Trust Bank are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment.

NOTE 4 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts.

NOTE 5 – TAX STATUS

The Plan has adopted the Schwab Retirement Plan Services, Inc. Pre-Approved Defined Contribution Plan Basic Plan #13. This prototype plan obtained its advisory opinion letter dated September 21, 2020, in which the Internal Revenue Service (IRS) stated that the prototype plan and related trust, as then designed, were in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the advisory opinion letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

NOTE 6 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 – SUBSEQUENT EVENTS

The Plan administrator has evaluated subsequent events through the date of the attached independent auditors' report, the date which the financial statements were available to be issued.
