RESOLVE MARINE GROUP 401(k) PLAN

FINANCIAL STATEMENTS

Years Ended December 31, 2022 and 2021

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants
Resolve Marine Group 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of the Resolve Marine Group 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, and delinquent participant contributions for the year then ended are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information

included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or are derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

RESOLVE MARINE GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(1) Description of plan

The following description of the Resolve Marine Group 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan document or summary plan description for a more complete description of the Plan's provisions, which are available from the plan administrator.

General - The Plan is a defined contribution plan sponsored by Resolve Towing & Salvage, Inc. (the "Company") for the benefit of its employees and the employees of Resolve Fire & Hazard Response, Inc. and Resolve Salvage, Inc. dba Resolve Operations Services who have completed at least 90 days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The plan administrator and plan trustee have the overall responsibility for the operation and management of the Plan. The plan administrator and plan trustee determine the appropriateness of the Plan's investment offerings and monitor investment performance.

Employees who have satisfied the eligibility requirements may begin participating in the Plan. The Plan entry dates are January 1 and July 1.

Plan amendments - Effective February 15, 2021, the Plan was amended to allow participants to establish individual brokerage accounts.

Effective January 2022, the Plan was amended and restated to exclude differential military pay as defined in the Internal Revenue Code ("IRC") section 3401(h)(2) as Plan compensation. Additionally, Roth elective deferrals were elected to be permitted effective July 1, 2022.

Contributions - Participants may contribute up to the maximum permissible amount established by law, as defined in the plan document. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Additionally, participants age 50 or older who are making contributions to the Plan are allowed to make catch-up contributions as defined in the plan document.

The Plan is a safe harbor plan and the Company matches 100% of the first 3% of compensation that a participant contributes to the Plan, plus 50% of the amount between 3% to 5% of compensation that a participant contributes to the Plan. For the years ended December 31, 2022 and 2021, the Company made safe harbor matching contributions totaling approximately \$342,000 and \$351,000, respectively. Approximately \$82,000 and \$92,000 of the safe harbor matching contributions were included in employer contributions receivable at December 31, 2022 and 2021, respectively. In addition to the safe harbor matching contributions, the Company may make discretionary profit sharing contributions. In order to be eligible for a profit sharing contribution the participant must be employed on the last day of the plan year and have completed at least 500 hours of service. For the years ended December 31, 2022 and 2021, the Company did not make any discretionary profit sharing contributions. Contributions are subject to certain IRC limitations.

RESOLVE MARINE GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(1) Description of plan (continued)

Participant investment account options - Participants direct the investment of all contributions into various investment options offered by the Plan. The Plan currently offers various pooled separate accounts and a self-directed brokerage account as investment options. Participants may purchase shares of money market funds, mutual funds, exchange traded funds, and common stocks not offered by the Plan through the brokerage account.

Participant accounts - Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants' contributions and employer safe harbor contributions, plus actual earnings thereon, are 100% vested immediately.

All other employer contributions are subject to the following vesting schedule:

<u>Years of Service</u>	<u>Vested %</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notwithstanding the above, a participant shall become fully vested upon his or her date of death or upon the date of his or her total or permanent disability.

Notes receivable from participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants may have no more than one note outstanding at any one time. Note terms are limited to five years from the date of the note. However, if the note is for the purchase of the participant's principal residence, the Plan permits a longer repayment term not to exceed fifteen years. The notes are secured by the balance in the participant's account. Notes receivable bear interest at prime rate plus one percentage point. Principal and interest are paid ratably through payroll deductions.

Payment of benefits - On termination of service due to death, disability, retirement, other reasons, or qualifying under certain "hardship" rules as prescribed by the Internal Revenue Service ("IRS"), a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. Active participants may also receive distributions upon the attainment of age 59 ½.

RESOLVE MARINE GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(1) Description of plan (continued)

Forfeited accounts - Forfeitures of non-vested accounts are retained in the Plan and may be used to pay the Plan's administrative expenses or reduce employer contributions. During the years ended December 31, 2022 and 2021, the Plan used approximately \$43,000 and \$0, respectively, to reduce the employer contributions.

At December 31, 2022 and 2021, forfeited non-vested accounts were approximately \$0 and \$1,000, respectively.

(2) Summary of significant accounting policies

Basis of accounting - The financial statements of the Plan are prepared under the accrual method of accounting.

Use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policy utilizing information provided by the investment custodians. See Note 4 for discussions of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Payment of benefits - Benefits are recorded when paid.

Administrative expenses - Certain expenses of the Plan are paid by the Company and are not included in the statements of changes in net assets available for benefits. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net (depreciation) appreciation in fair value of investments.

RESOLVE MARINE GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(3) **Information prepared and certified by the custodians**

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, US Bank National Association ("US Bank"), who certifies the self-directed brokerage account, and John Hancock Life Insurance Company (U.S.A.) ("John Hancock") (collectively, the "Custodians") have certified that the following data included in the financial statements and supplemental schedule are complete and accurate with respect to the investments:

- Investments at fair value
- Notes receivable from participants
- Net (depreciation) appreciation in fair value of investments
- Interest income
- Interest income on notes receivable from participants
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in financial statements and supplemental schedule.

(4) **Fair value measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described below:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

RESOLVE MARINE GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(4) Fair value measurements (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled separate accounts: Valued at the Net Asset Value ("NAV") of units of the separate account. The NAV, as provided by the Custodians, is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the separate account, the investment advisor reserves the right to temporarily delay withdrawal from the account in order to ensure that securities liquidations will be carried out in an orderly business manner.

Mutual funds and money market funds (included within the self-directed brokerage account): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Exchange traded funds ("ETF") (included within the self-directed brokerage account): Valued at the NAV as reported by the fund and are available for intra-day trading at the NAV at the time of the trade and are considered actively traded.

Common stocks (included within the self-directed brokerage account): Valued at the closing price reported on the active market on which the individual securities are traded.

The preceding methods described may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

RESOLVE MARINE GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(4) Fair value measurements (continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

Investments at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3
Self-directed brokerage account	\$ 333,401	\$ -	\$ -
Investments measured at NAV practical expedient ^(a)			
			10,591,114
Total investments at fair value			\$ 10,924,515

Investments at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3
Self-directed brokerage account	\$ 431,898	\$ -	\$ -
Investments measured at NAV practical expedient ^(a)			
			12,056,469
Total investments at fair value			\$ 12,488,367

(a) In accordance with Subtopic 820-10, certain investments that were measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Investments measured using the NAV per share practical expedient

The following table summarizes investments for which fair value is based on the NAV per share practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for these investments.

Investments	Fair Value 12/31/2022	Fair Value 12/31/2021	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled separate accounts	\$ 10,591,114	\$ 12,056,469	\$ -	Daily	None

(5) Related party transactions and party-in-interest transactions

The Plan's investments are in units in pooled separate accounts and an individual brokerage account managed by John Hancock and US Bank, respectively. John Hancock and US Bank are the Plan's custodians as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net (depreciation) appreciation in fair value of the investments, as they are paid through revenue sharing, rather than a direct payment.

RESOLVE MARINE GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(5) Related party transactions and party-in-interest transactions (continued)

Additionally, certain recordkeeping, custodial and other services to the Plan were provided by John Hancock and US Bank, and fees paid by the Plan to John Hancock and US Bank for these services amounted to approximately \$82,000 and \$91,000 for the years ended December 31, 2022 and 2021, respectively. These fees were not covered by revenue sharing. The Company pays directly any other fees related to the Plan's operations.

(6) Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants would become 100% vested in their employer contributions.

(7) Tax status

The IRS has determined that the prototype 401(k) plan is designed in accordance with applicable sections of the IRC and informed the third-party administrator of such in a letter dated March 31, 2014. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan and related trust are currently designed and being operated in compliance with the applicable requirements of the IRC.

Effective January 2022, the Plan was amended and restated to conform to the latest laws and regulations applicable to the Plan. Refer to Note 1 for changes to participant benefits under the Plan as a result of this amendment and restatement. The IRS has determined and informed the third-party administrator by a letter dated June 30, 2020, that the Non-Standardized Pre-Approved Profit Sharing Plan sponsored by the third-party administrator, and adopted by the Plan in January 2022, is designed in accordance with applicable sections of the IRC.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

RESOLVE MARINE GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(8) **Risks, uncertainties and concentrations**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

At December 31, 2022 and 2021, approximately 38% and 42%, respectively, of the Plan's investments were invested in two funds.

(9) **Reconciliation of financial statements to Schedule H of Form 5500**

Certain investment and investment income line items reported on Schedule H of Form 5500 as of December 31, 2022 and 2021 and for the years then ended, have been reclassified on the accompanying statements of net assets available for benefits and statements of changes in net assets available for benefits. These reclassifications have no impact on net assets available for benefits at December 31, 2022 and 2021 or changes in net assets available for benefits for the years then ended.

(10) **Delinquent participant contributions and subsequent event**

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. Employee contributions in the amount of \$600 were not remitted within the required time period for the year ended December 31, 2022. In July 2023, the Company remitted delinquent employee contributions, including lost earnings as a result.

(11) **Subsequent events**

The Plan has evaluated subsequent events through October 13, 2023, which is the date the financial statements were available to be issued. Other than as disclosed in Note 10, no significant matters were identified for disclosure during this evaluation.
