Independent Auditor's Report

To the Benefits Advisory Committee of the
American Greetings Retirement Savings Plan
Cleveland, OH

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of American Greetings Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report.

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying

accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report

To the Benefits Advisory Committee of the
American Greetings Retirement Savings Plan
Cleveland, OH

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of American Greetings Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report.

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying

accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

American Greetings Retirement Savings Plan

Notes to Financial Statements

1. Description of the Plan

The following description of the American Greetings Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan sponsored by American Greetings Corporation (the “Corporation” and “Plan Sponsor”) and its domestic subsidiaries, covering substantially all United States employees. Employees classified as Territory Leads, Merchandisers, independent contractors or leased employees and certain union employees are not eligible to participate in the Plan. A non-resident alien who receives no income from sources within the United States and employees principally employed in Puerto Rico are also ineligible to participate in the Plan. Employees are immediately eligible to participate upon their date of hire, as defined in the Plan.

The Plan has been designed to meet the requirements of a “safe harbor” 401(k) plan in compliance with sections 401(k)(12) and 401(m)(11) of the Internal Revenue Code of 1986 (“IRC”). In addition, the Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Participants may contribute between 1% and 50% of eligible annual compensation to the Plan in the form of either pre-tax contributions, (“401(k) contributions”) or after-tax contributions (“Roth contributions”) or any combination thereof, as defined in the Plan. Participants that are age 50 or older may make additional contributions up to \$6,500 through qualifying catch-up contributions. In addition, the Plan enables participants to roll over all or a portion of distributions from an eligible retirement plan of a prior employer. The Plan may restrict individual contributions in order to meet certain limitations imposed by the IRC. The Plan includes an automatic enrollment feature whereby all newly eligible employees who do not elect to participate in the Plan within 30 days of eligibility are automatically enrolled in the Plan unless they affirmatively opt out. The initial deferral rate for automatically enrolled participants is 6% and will increase by 1% in June of each subsequent year until the automatic deferral rate cap of 10% is attained.

Under the Plan, the Corporation makes matching contributions each pay period equal to 100% of each participant’s elective contributions made during that pay period up to 6% of the participant’s eligible compensation. In addition, as necessary, the Corporation makes a “true-up” matching contribution each pay period to provide the difference between the amount of matching contributions participants actually received and the maximum matching contribution participants could have received based on year to date participant contributions and eligible compensation.

Participant Accounts and Vesting

Each participant’s account is credited with the participant’s 401(k) contributions, rollover contributions, Roth contributions, employer matching contributions and Plan earnings. A fixed administrative fee is charged quarterly to each participant’s account. Individuals who have retired or terminated employment with the Corporation do not participate in the Corporation’s future contributions to the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account. Participants are immediately vested in both their and the Corporation’s contributions, plus actual earnings thereon.

Participants direct the investment of their accounts to any of the investment options offered by the Plan.

American Greetings Retirement Savings Plan

Notes to Financial Statements

Forfeitures

The Plan allows forfeited nonvested amounts to be used to pay administrative expenses of the Plan, with any remaining forfeitures being used to reduce any Corporation contributions into the Plan. Forfeiture amounts of \$20,035 were used to reduce administrative expenses of the Plan during the year ended December 31, 2022.

Notes Receivable from Participants

The Plan allows participants to have one general purpose loan and one principal residence loan outstanding at any time. Participants must be actively employed by the Corporation at the time of requesting a loan and may borrow against their elected deferred 401(k) contribution, employer matching contribution made after January 1, 2016, Roth contribution or rollover contribution accounts in a minimum amount of \$1,000 up to a maximum equal to the lesser of \$50,000 minus the highest outstanding loan balance in the previous 12 months or 50% of the participant's total account balance. Maximum loan terms range from up to 4-1/2 years for general purpose loans and up to 20 years for principal residence loans. The loans are secured by the balance in the participant's account. The interest rate on a participant loan is set at the prime rate plus 1% on the first business day of the calendar quarter in which the loan originates and remains fixed for the duration of the loan. Interest rates ranged from 4.25% to 7.25% on loans outstanding at December 31, 2022 and 2021. Loan repayments, including interest, are generally made by automatic payroll deductions throughout the year. Outstanding loan balances are due in full upon termination of employment.

Payment of Benefits

At the time of a participant's retirement or termination of service, a participant with an account balance of greater than \$5,000, (excluding amounts in a participant's rollover account, if any), may elect to receive an immediate lump sum distribution, installment payments to be paid monthly, quarterly or annually, or may rollover their distribution to an individual retirement account or other eligible plan. At the time of a participant's retirement or termination of service, a mandatory distribution of participant account balances of \$5,000 or less will be made pursuant to the Plan document.

The Plan also provides for in-service withdrawals upon reaching age 59-1/2 and for qualified hardship withdrawals, as defined in the IRC.

Plan Termination

Although it has not expressed any intent to do so, the Corporation has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, the assets of the Plan will be distributed to the participants on the basis of individual account balances at the date of Plan termination.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Investment Valuation and Income Recognition

The Plan's investments, which are comprised of investments in mutual funds, money market funds and common/collective trusts, are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

The shares of mutual funds are valued at quoted market prices, which represent the net asset values ("NAV") of shares held by the Plan at year end. The shares of money market funds are valued at amortized cost. The units of common/collective trusts are valued at NAV at year end.

The net appreciation/depreciation in the fair value of investments includes realized gains and losses resulting from the sale of investments during the year and the unrealized appreciation and depreciation in the Plan's investments held at year end. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in dividend income.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Subsequent Events

The Plan's management has evaluated subsequent events through October 12, 2023, which is the date the financial statements were available to be issued. There were no subsequent events impacting the Plan which require recognition or disclosure in the financial statements.

Notes to Financial Statements

3. Certified Investment Information

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Vanguard has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2022 and 2021.
- Net appreciation / (depreciation), interest and dividend income, and interest income on participant loans are shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022.
- Investment information included in the schedule of assets (held at end of year) as of December 31, 2022, as shown on the ERISA-required supplemental schedule.

The plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to this certified information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

4. Fair Value Measurements

Assets and liabilities measured at fair value are classified using the fair value hierarchy based upon the transparency of inputs as of the measurement date. The classification of fair value measurements within the hierarchy is based upon the lowest level of input that is significant to the measurement. The three levels are defined as follows:

- Level 1 - Valuation is based upon quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 - Valuation is based upon quoted prices for similar assets and liabilities in active markets, or other inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.
- Level 3 - Valuation is based upon unobservable inputs that are significant to the fair value measurement.

The remainder of this page intentionally left blank.

American Greetings Retirement Savings Plan

Notes to Financial Statements

The following tables summarize the assets measured at fair value on a recurring basis as of December 31, 2022 and 2021, respectively:

<i>December 31, 2022</i>	Total	Level 1	Level 2
Investments in mutual funds	\$ 566,171,173	\$566,171,173	
Investments in money market funds	281,406		\$ 281,406
Investments at NAV (common/collective trusts)*	361,900,856		
Investments at fair value	\$ 928,353,435	\$566,171,176	\$ 281,406
<i>December 31, 2021</i>	Total	Level 1	Level 2
Investments in mutual funds	\$ 715,779,292	\$715,779,292	
Investments in money market funds	225,187		\$ 225,187
Investments at NAV (common/collective trusts)*	426,196,628		
Investments at fair value	\$ 1,142,201,107	\$715,779,292	\$ 225,187

*In accordance with Accounting Standards Codification Subtopic 820-10, investments that are measured at NAV have not been classified in the fair value hierarchy. The fair value amounts presented in the tables above for the investments in common/collective trusts are to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The Plan's valuation methodology used to measure the fair values of the mutual funds included in Level 1 were derived from quoted market prices, as substantially all of these instruments have active markets. The money market fund has been classified as Level 2, as substantially all of the fund's investments were determined using amortized cost.

The fair values of the investments in common/collective trusts were derived from the net asset value of units held by the Plan. The NAV, as provided by the trustee of each common collective trust fund, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by each fund less its liabilities. This practical expedient would not be used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. However, in certain circumstances, each fund limits a participant's purchases and exchanges into a fund account for 30 days after the participant has redeemed or exchanged out of that fund account. If the Plan were to initiate a full redemption of any common/collective trust, the investment advisor reserves the right to temporarily delay withdrawal to ensure that securities liquidation will be carried out in an orderly manner. There is currently no full redemption notice period requirement.

American Greetings Retirement Savings Plan

Notes to Financial Statements

5. Income Tax Status

The Plan has received a determination letter from the Internal Revenue Service (“IRS”) dated October 11, 2017, stating that the Plan is qualified under Section 401(a) of the IRC and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. Although the Plan has been amended since receiving the determination letter, the plan administrator continues to believe that the Plan is designed, and is currently being operated, in all material respects, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress or planned audits for any tax periods.

6. Transactions with Parties in Interest and Plan Expenses

The Plan invests in shares of mutual funds and common/collective trusts managed by an affiliate of the Trustee. Participant loan and distribution processing fees are paid to Vanguard by participants. Investment fees for portfolio management of such funds are generally assessed as a percentage of assets invested and are paid from individual fund earnings. Certain accounting, legal and other administrative fees are paid by the Corporation. All other expenses of the Plan are paid by the Plan. Participants’ accounts are assessed a fixed quarterly administrative fee which reflects the cost associated with recordkeeping, customer service, communications and other plan administrative activities.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

8. Reconciliation of Financial Statements to Forms 5500

Upon an event of default on a participant loan, to the extent a distribution to the participant is not permissible under the Plan, the amount due to the Plan on account of the defaulted loan will be treated as a deemed distribution. A loan that is a deemed distribution is treated as a distribution on the Form 5500 and removed from Plan assets on the Form 5500.

American Greetings Retirement Savings Plan

Notes to Financial Statements

The following is a reconciliation of participant loans and net assets available for benefits between the Plan's financial statements at December 31, 2022 and 2021 and the Forms 5500:

<i>December 31,</i>	2022	2021
