Independent Auditor's Report

Board of Trustees and Participants
LevelUp HCS, LLC 401(k) Profit Sharing Plan
Albany, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Financial Statements

We have performed audits of the financial statements of LevelUp HCS, LLC 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with Those Charged with Governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4i - Schedule of Assets Held at End of Year, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LevelUp HCS, LLC 401(k) Profit Sharing Plan

Notes to Financial Statements

Year Ended December 31, 2022 and 2021

Note 1 - Description of Plan

The following description of LevelUp HCS, LLC 401(k) Profit Sharing Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan Agreement for a more comprehensive description of the Plan's provisions.

a. General

The Plan is a 401(k)-profit sharing plan covering all eligible employees of LevelUp HCS LLC ("LevelUp"). LevelUp participants were part of a related party 401(k)-profit sharing, Phyton Talent Advisors, LLC 401(k) Profit Sharing Plan ("Phyton Plan"). Effective January 1, 2020, LevelUp created its own 401(k) plan, but LevelUp participants continued to contribute to the Phyton Plan through July 31, 2020 at which time the assets and contribution to date were transferred to the Plan. Effective April 1, 2021, all eligible employees of LPX GROUP LLC ("LPX"), a partially owned joint venture of LevelUp and Phyton, began to participate in the Plan. LevelUp and LPX will be referred to collectively as the "Company" or "Plan Sponsor". The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Transfers of assets into and out of the Plan are the result of participants changing employment positions between the Plan Sponsor and one of the Plan Sponsor's affiliated entities. These affiliated entities of the Plan Sponsor manage separate defined contribution plans.

Any employee who has attained the age of 21 is eligible to participate in the Plan. Effective September 1, 2022, the Plan's trustees changed the eligibility requirements and restated the plan for anyone hired after the amendment date. Non-contingent employees do not have a service or age requirement. All eligible employees who satisfy eligibility requirements are able to elect to participate on the first day of each month of the Plan year.

b. Contributions

Each eligible participant may contribute an amount up to 90% of their pre-tax compensation, as a salary reduction contribution up to the annual maximum allowed by the Internal Revenue Code (\$20,500 and \$19,500 for the years ended December 31, 2022 and 2021). Individuals aged 50 or older are eligible to make additional annual catch-up contributions to a maximum of \$6,500 for the years ended 2022 and 2021, respectively. Roth and rollover contributions are also permitted.

As of January 1, 2022, the Company contributes matching contributions to the Plan in an amount equal to 50% of the first 6% of the participants' eligible compensation contributed to the Plan. Employer match contributions totaling \$447,578 and \$0 were made for the years ended December 31, 2022 and 2021, respectively. The Company is permitted to make additional contributions, but none were made for the years ended December 31, 2022 and 2021.

c. Vesting

Participants are immediately vested in their elective contributions plus actual earnings thereon. Vesting in the Sponsor Companies' matching and discretionary contribution portion of participant accounts plus actual earnings thereon is based on years of continuous service.

LevelUp HCS, LLC 401(k) Profit Sharing Plan

Notes to Financial Statements

Year Ended December 31, 2022 and 2021

Note 1 - Description of Plan - Continued

c. Vesting - Continued

Vesting in Sponsor Companies contributions, if any, is based upon years of service as follows:

0-1 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

d. Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000. The largest amount that may be borrowed is 50% of the participant's vested account balance to a maximum of \$50,000. However, the \$50,000 maximum will be reduced by the highest outstanding loan balance the participant had during the previous 12-month period. Loan terms range up to five years or longer if used for the purchase of a principal residence. Loan repayments are made in equal installments through payroll deductions. At December 31, 2022, the interest rate on outstanding loans ranged from 4.25% to 7.50%.

e. Forfeitures

The portion of a participant's account balance that is non-vested upon termination of employment is forfeited and remains in the Plan. These accounts may be used to reduce employer contributions or may be used to offset administrative expenses of the Plan. Forfeitures totaling \$0 and \$60 were used to reduce administrative expenses during the Plan years ended December 31, 2022 and 2021, respectively. Net assets available for benefits include \$7 and \$0 of forfeitures at December 31, 2022 and 2021, respectively.

f. Payment of Benefits

On termination of service due to death, disability or retirement, participants with vested balances over \$5,000 may elect to leave their balances in the Plan or receive (a) the vested value of their account in a lump-sum payment, (b) a partial distribution of his/her vested account, or (c) the value of his/her vested account in installments over a period not exceeding the life expectancy of the participant and their designated beneficiary. For vested balances of \$1,000 to \$5,000, if no other form of payment is elected, the vested balance is automatically rolled into an individual retirement account ("IRA"). For vested balances under \$1,000, if no other form of payment is elected, the vested balance is automatically paid as a lump sum. In addition, the Plan provides for participant withdrawals in the event of serious financial hardship, limited to the dollar amount of participant elective deferrals.

g. Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of; (a) the Sponsor Companies' contribution, if any, and (b) investment earnings, and charged with allocations of; (a) investment losses, and (b) expenses. Allocations are based on participant compensation, account balances, or account activity, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

LevelUp HCS, LLC 401(k) Profit Sharing Plan

Notes to Financial Statements

Year Ended December 31, 2022 and 2021

Note 1 - Description of Plan - Continued

h. Administrative Costs

Most costs incurred to administer the Plan are paid by the Company; however, certain administrative fees for contract administration and investment advisory services were paid by the Plan, net of forfeitures.

Note 2 - Summary of Significant Accounting Policies

a. Basis of Accounting and Financial Statement Presentation

The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

b. Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator and management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

c. Investment Valuation and Income Recognition

Investments are stated at fair value. Investments in pooled separate accounts and common/collective trusts are valued at the net asset value (the "NAV") per unit, as determined by the custodian at year end. The NAV is used as the practical expedient to estimate fair value and is based on the fair value of the underlying assets held by the fund, less its liabilities, and then divided by the number of shares outstanding. The investments in fully benefit responsive investment contracts are reported at contract value (see Note 5).

Purchases and sales of securities are reflected on a trade-date basis. Interest income is recorded on an accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments (net investment gain or loss) includes the Plan's gains and losses on investments bought and sold as well as held during the year. Operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, operating expenses are reflected in the net appreciation or depreciation in the fair market value of such investments.

d. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan agreement.

e. Payment of Benefits

Benefits are recorded when paid.

LevelUp HCS, LLC 401(k) Profit Sharing Plan

Notes to Financial Statements

Year Ended December 31, 2022 and 2021

Note 2 - Summary of Significant Accounting Policies - Continued

f. Administrative Expenses

Certain administrative expenses of the Plan are paid directly by the Company and are excluded from these financial statements. Certain fees and the cost of administration of notes receivable from participants that are charged directly to the participant's account, are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

g. Subsequent Events

Subsequent events have been evaluated through October 13, 2023, the date the financial statements were approved and authorized for issue by the Plan administrator.

Note 3 - Information Certified and Provided by Plan Trustees (Unaudited)

The following is a summary of the Plan's asset information as of December 31, 2022 and 2021, and for the years then ended, obtained by management and agreed to or derived from information certified by the Principal Life Insurance Company (January 1, 2021 - August 31, 2022) and Reliance Trust Company (September 1, 2022 - December 31, 2022), the trustees and custodians of the Plan. The Plan administrator has obtained certifications from the trustees that the information is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedules related to the following investments and income, gains, and losses:

Note 4 - Investments and Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used on December 31, 2022:

Registered investment companies (mutual funds) are valued at the daily closing quoted market prices as reported by the fund. Mutual funds held by the Plan that are open-end mutual funds are registered with the Securities and Exchange Commission and are deemed to be actively traded on open exchanges.

Common/collective trust funds are valued based on the NAV of units of the common collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based upon the fair value of the underlying investments comprising the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Pooled separate accounts are valued based on the NAV of the underlying units of the separate account. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based upon the fair value of the underlying investments comprising the units of the separate account held trust less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

LevelUp HCS, LLC 401(k) Profit Sharing Plan

Notes to Financial Statements

Year Ended December 31, 2022 and 2021

Note 5 - Group Annuity and Investment Contract

The Plan entered into a benefit-responsive investment contract with the Principal Life Insurance Company ("Principal") through August 31, 2023 and offered participants an option to invest in the Principal Fixed Guaranteed Option Account, a guaranteed investment contract ("GIC"). The contracts underlying this investment option were considered to be fully benefit-responsive. Generally, contract value is equal to participant deposits minus participant withdrawals plus credited interest. Contract value may be subject to adjustments in connection with contract holder-directed withdrawals that are subject to a market value adjustment. Under limited circumstances, contract value may be adjusted as a result of a market value adjustment.

Because the GIC was fully benefit responsive, contract value was the relevant measurement attribute for that portion of the net assets available for benefits attributable to the GIC. Contract value, as reported to the Plan by the custodian, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The average yield based on actual earnings of the contract for the years ended December 31, 2022 and 2021, for the Principal Fixed Guaranteed Option Account ranged between 1.60% and 1.75% and 1.55% and 1.60%, respectively. The crediting interest rate to participants for the contract as of December 31, 2022 and 2021 was 1.75% and 1.55%, respectively.

The custodian makes these guarantees, and although the custodian may credit a higher interest rate, the credited rate will never fall below the lifetime guaranteed minimum of 1.00%. Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Sponsor Companies or other events of the Sponsor Companies (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring. The GIC does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Note 6 - Related Party and Party-in-Interest Transactions

For the years ended December 31, 2022 and 2021, there were transactions involving certain participants who borrowed from the Plan. As of December 31, 2022 and 2021, the outstanding notes from participants were \$11,125 and \$21,457, respectively, with varying interest rates and maturity dates. Participants are a party-in-interest to the Plan and these notes were exempt party-in-interest transactions pursuant to Section 408(b)(1) of ERISA.

The Plan paid \$54,624 and \$42,734 in administrative expenses during the years ended, respectively, to the record keepers. These transactions qualify as party-in-interest transactions. Transaction fees incurred by the trustees and registered investment companies are reflected, net, in investment income.

LevelUp HCS, LLC 401(k) Profit Sharing Plan

Notes to Financial Statements

Year Ended December 31, 2022 and 2021

Note 7 - Plan Termination

Although they have not expressed any intent to do so, the Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event that the Plan terminates, participants will become 100% vested in their accounts.

Note 8 - Tax Status

The Plan has not obtained its own determination letter from the Internal Revenue Service ("IRS") but adopted a prototype plan document. On March 31, 2014, the IRS issued a favorable determination letter stating that the prototype plan adopted, as then designed, qualified under Section 401(a) of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan, as designed, is qualified and the related trust is tax-exempt as of the financial statement date.

U. S. GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that is more likely than not to be realized. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

Note 9 - Risks and Uncertainties

The Plan's investment options allow participants to select, in any combination, from a portfolio of registered investment companies, pooled separate accounts, guaranteed investment contract and common/collective trust funds with varying investment strategies and philosophies. Such investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

Note 10 - Prohibited Transactions

During the year ended December 31, 2021, due to an administrative error, the Plan administrator failed to remit \$96 of participant contributions to the Plan within the time period prescribed by Department of Labor regulations. The failure to remit participant contributions to the Plan on a timely basis represents a prohibited transaction under ERISA. All delinquent contributions and lost earnings thereon have been paid into the Plan.
