To the Trustees of
Saunders Hotel Group LLC 401(k) Retirement Plan
Boston, MA 02116

We have audited the financial statements of Saunders Hotel Group LLC 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2022, and we will issue our report thereon dated September 29, 2023. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Reliance Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated May 15, 2023. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Saunders Hotel Group LLC 401(k) Retirement Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2022. We noted no transactions entered into by the plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the financial statements were the fair value determinations of certain investments held by the plan, which were provided and certified to by the plan's custodian in accordance with DOL Regulation 2520.103-5.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements were the disclosures relating to the plan's investment holdings. The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated September 29, 2023.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

This information is intended solely for the use of the Trustees of the Plan and management of Saunders Hotel Group LLC 401(k) Retirement Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Independent Auditor's Report

To the Trustees of
Saunders Hotel Group LLC 401(k) Retirement Plan
Boston, MA

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Saunders Hotel Group LLC 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Saunders Hotel Group LLC 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Saunders Hotel Group LLC 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Saunders Hotel Group LLC 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Saunders Hotel Group LLC 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Saunders Hotel Group LLC 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedules of Assets (held at year end) are presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Respectfully submitted,

SAUNDERS HOTEL GROUP LLC 401(K) RETIREMENT PLAN

Notes to Financial Statements
December 31, 2022 and 2021

Note 1 - DESCRIPTION OF PLAN:

The following description of Saunders Hotel Group LLC 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan with a cash deferral arrangement covering all non-union employees of the Saunders Hotel Group and its related companies (the "Sponsors"). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan became effective on January 1, 1981 and the plan year is January 1 through December 31.

Custodian - The Sponsors established a trust with Reliance Trust Company (the "Custodian"), which consists of such sums of money and other property acceptable to the Custodian that, from time to time, will be paid or delivered to the Custodian, including investments and proceeds thereof and earnings thereon, less the payments made by the Custodian, as authorized. The Custodian has agreed to invest and reinvest the funds as directed by the plan administrator in accordance with the trust agreement.

Participant Contributions - Each eligible employee may elect to become a participant in the Plan by allowing the Sponsors to reduce his or her pretax annual compensation by an amount that does not exceed applicable Internal Revenue Service (IRS) regulatory limitations. Participants may also contribute amounts representing distributions from other qualified plans.

Employer Contributions - The Sponsors may make discretionary matching contributions to the Plan. The Sponsors made matching contributions of \$142,201 and \$81,679 for the years ended December 31, 2022 and 2021. The contributions were based on a percentage of current compensation subject to certain limitations.

Participant Accounts - Each participant account is credited with the participant's contributions and allocations of employer contributions, if any, and plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit provided from the participant's vested account.

Vesting - Participants are immediately vested in their voluntary contributions and actual earnings thereon. Vesting in the Sponsors' matching contributions plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.

Forfeitures - Participants who terminate their employment prior to becoming fully vested in their share of employer contributions forfeit the unvested employer contributions. Such forfeited amounts may be applied to reduce future employer contributions or administrative fees. As of December 31, 2022 and 2021, forfeited nonvested accounts totaled \$14,181 and \$21,837, respectively.

SAUNDERS HOTEL GROUP LLC 401(K) RETIREMENT PLAN

Notes to Financial Statements
December 31, 2022 and 2021

Note 1 - DESCRIPTION OF PLAN - Continued:

Investment Options - The Plan offers participants a choice of investing in eighteen different mutual funds, five different common/collective trusts offered by the Custodian, each with a specific investment objective, as well as a self-directed brokerage account. Participants may change investment option specifications daily with respect to contributions to be made in the future and with respect to his or her individual account.

Notes Receivable from Participants - Participants may borrow from their accounts up to a maximum equal to the lesser of one-half their vested account balance or \$50,000. Principal and interest are paid ratably through regular payroll deductions.

Loan defaults deemed to be uncollectible by the Plan during a plan year are to be recorded as taxable distributions to the defaulting plan participants. For the plan years ended December 31, 2022 **and 2021**, no total loans in default were recorded as distributions.

Excess Contributions Payable - Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

Payment of Benefits - Upon termination of service, a participant may elect to receive a lump-sum distribution equal to the vested value of his or her account. The Plan also allows for hardship withdrawals from participants' elective accounts only. Participants must have first obtained all loans currently available through the Plan before being eligible for a hardship withdrawal. All deferral contributions to the participant's account will be suspended for a period of six months after the receipt of a hardship withdrawal.

Administrative Expenses - Plan administration expenses are paid directly by the Sponsors, whereas participant account administrative expenses are paid by the participants and deducted from their accounts annually.

Plan Administration - The Sponsors serve as the plan administrator.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting - The financial statements and supplemental schedule of the Plan are prepared using the accrual method of accounting, consistent with accounting principles generally accepted in the United States of America.

Use of Estimates - The preparation of the financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from these estimates.

SAUNDERS HOTEL GROUP LLC 401(K) RETIREMENT PLAN

Notes to Financial Statements
December 31, 2022 and 2021

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued:

Payment of Benefits - The Plan records benefit payments to withdrawing participants when paid.

Investment Valuation and Income Recognition - The investments are stated at fair value. Shares of registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end.

The Plan presents, in the statement of changes in net assets available for benefits, the net appreciation in the fair value of its investments which consists of the realized gains or losses during the year and the unrealized appreciation of investments at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on the investments bought and sold as well as held during the year.

Notes receivable from participants are valued at their outstanding amortized balances, which approximate fair value. The portion of interest included in each loan payment made by a participant is recognized as interest income in the participant's individual account. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the plan document.

Subsequent Events - Subsequent events are events or transactions that occur after the balance sheet date but that could affect the amounts or disclosures in the financial statements. Management has evaluated subsequent events through the date that the financial statements are available to be issued, which is the date noted at the bottom of the auditor's report.

Note 3 - RELATED PARTY TRANSACTIONS:

The Plan's investments are managed by the custodian, Reliance Trust Company, as defined by the Plan. Plan investments include self-directed brokerage accounts administrated by TD Ameritrade. Both parties qualify as parties-in-interest.

Note 4 - INVESTMENTS:

The Plan's investments were held in trust and administered by the trustees for the years ended December 31, 2022 and 2021. All investment information disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the trustee.

Participants are allowed the option of moving 30% of their vested balance into a brokerage account. These accounts are used to give the participants the ability to self-direct their investments. Securities

Notes to Financial Statements
December 31, 2022 and 2021

available for investment through the self-directed brokerage accounts include publicly traded securities, corporate and government bonds and mutual funds.

Note 5 - PLAN TERMINATION:

Although they have not expressed any intent to do so, the Sponsors have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Note 6 - RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 7 - CERTIFICATION OF CUSTODIAN:

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the auditors not to perform any auditing procedures with respect to the information certified by the Custodian, except for comparing such information to the related information included in the accompanying financial statements and supplemental schedule. The plan administrator has obtained certification from the Custodian stating that all 2022 and 2021 information provided to the plan administrator by the Custodian is complete and accurate. Such information includes investments, investment income, realized gains and losses on sales of investments and unrealized appreciation or depreciation in market value of investments.

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the trustee:

Note 8 - TAX STATUS:

The Plan is a Prototype Non-Standardized Profit Sharing 401(k) Plan. ADP Inc. has obtained an Internal Revenue Service determination letter dated October 6, 2020 stating that the Plan, as designed, complies with the requirements under Section 401(a) of the Internal Revenue Code (the "Code"). The Plan has been amended since the date of this determination letter. However, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code.

The Plan evaluates all significant tax positions and believes that it has not taken any tax positions that require the recording of any additional tax liability nor does it believe that there are any unrealized tax benefits that would increase or decrease within the next year. The Plan's income tax returns are subject to examination by applicable tax authorities generally for three years after filing.

Note 9 - FAIR VALUE MEASUREMENTS:

The Plan follows generally accepted accounting principles, which establish a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term thereof.

Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Notes to Financial Statements
December 31, 2022 and 2021

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Note 9 - FAIR VALUE MEASUREMENTS - Continued:

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used as of December 31, 2022 **and 2021**.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trusts: Common collective trusts are measured using the NAV per share as practical expedient. The NAV, as provided by the trustee of the common collective trust, is based on the fair value of the underlying investments held by the fund less its liabilities. Within the common/collective trusts is a stable value fund which is backed by the general account of The National Life Insurance Company. The issuer declares rates and backs the principal and interest of the stable value fund, any guarantees are subject to the claims paying ability of the insurance company. The stable value fund is valued at fair value by the insurance company by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer.

Self-Directed Brokerage Account: Valued at the approximate current value of the investments at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:
