INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee
dnata US Inflight Catering 401(k) Profit Sharing Plan and Trust

Scope and Nature of ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of dnata US Inflight Catering 401(k) Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Opinion (Continued)

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Information Required by ERISA

The supplemental schedule H, line 4i - assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and

Supplemental Information Required by ERISA (Continued)

reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1. DESCRIPTION OF PLAN

The following description of the dnata US Inflight Catering 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) plan covering all employees who meet the eligibility requirements of dnata US Inflight Catering and its affiliated entities: 121 at Oxford LLC, Lastrada Restaurant LLC, and 121 at BNA LLC (collectively, the "Companies" or "Plan Sponsors"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was amended and restated effective July 1, 2022, to include new provisions and changes to the Internal Revenue Code ("IRC"). There were no significant changes to the provisions of the Plan as a result of this restatement. The Plan administrator is responsible for oversight of the Plan. The assets of the Plan are maintained, and the transactions therein are executed, by Reliance Trust Company (the "Trustee").

Eligibility

The Plan is offered to all employees of the Companies who have attained the age of 21 and who have completed six months of service, as stipulated in the Plan document. Eligible employees may enter the Plan once eligibility requirements are satisfied.

Participants are required to complete one year of service, as defined in the Plan document, and attain the age of 21 in order to be eligible for employer safe harbor matching contributions and profit-sharing contributions, if any.

Contributions

The Plan includes an auto enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they (a) affirmatively elect not to participate in the Plan or (b) complete a salary deferral agreement to elect an alternative deferral amount. Automatically enrolled participants have their pre-tax deferral rate set at 1% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

Each year, participants may contribute an amount up to 90% of their annual eligible compensation as pre-tax and Roth (post-tax) deferral, up to the maximum allowed by the IRC, as defined in the Plan document. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions, not to exceed IRC limits. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers).

The Companies match 100% of the first 3% and 50% of the next 2% of the participants' elective deferrals as a safe-harbor matching contribution. Safe-harbor matching contributions during the year ended December 31, 2022, totaled \$546,283. Although not required, the Companies have the option of making discretionary profit-sharing contributions; no such contributions were made during the year ended December 31, 2022. Contributions are subject to certain IRS limitations.

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Participants direct the investment of their contributions into various investment options offered by the Plan. Each participant's account is credited with the participant's contribution, the Company's contribution, an allocation of investment earnings or losses, and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The maximum term of a note for general purpose may not exceed five years; however, if the loan is used for the purchase of a primary residence, the Plan administrator may permit a longer repayment term. Participants are allowed to have one outstanding note at any given time. Principal and interest are paid ratably through weekly payroll deductions. The notes are secured by the balance in the participant's account and bear interest at the prime rate plus 1% (ranging from 4.25% to 8.50%), which is commensurate with local prevailing rates as determined by the Plan administrator.

Vesting

Participants are immediately vested in their elective contributions, rollover contributions, and employer safe-harbor matching contributions. Vesting in the Plan Sponsors' discretionary profit-sharing contributions is based on the following schedule:

<u>Years of Vesting Service</u>	<u>Vesting Percentage</u>
Less than 3	0%
3 or more	100%

A participant is also fully vested upon reaching normal retirement age, upon death, or upon becoming totally and permanently disabled. Upon termination of employment, non-vested balances are accumulated in the Plan's forfeiture account.

Payment of Benefits

Participants may receive all or a portion of their account balance if they terminate employment, become disabled, or reach the age of 59-1/2, or on account of financial hardship, as defined in the IRC. Benefits of \$5,000 or less are subject to involuntary cash-out as soon as administratively practicable after termination of employment.

Forfeitures

Forfeited balances of terminated participants' non-vested accounts, if any, are used to reduce future Plan Sponsors' contributions or are applied to pay administration fees. At December 31, 2022 and 2021, forfeited accounts totaled \$771 and \$1,314, respectively.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements were prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and changes in net assets available for benefits during the year. Accordingly, actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year such adjustments are determined.

Investment Valuation and Income Recognition

The Plan's investments in mutual funds are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The investment in a common collective trust fund is valued at the net asset value (the "NAV") per unit, as determined by the Trustee at year end. The NAV is used as the practical expedient to estimate fair value and is based on the fair value of the underlying assets held by the trust less its liabilities, and then divided by the number of units outstanding. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Purchases and sales of securities are reflected on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net depreciation in fair value of investments include the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, these fees and operating expenses are reflected in the net depreciation in fair value of investments.

Fair Value Measurements

U.S. GAAP defines fair value and establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy are described as follows:

- | | |
|---------|--|
| Level 1 | Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date. |
|---------|--|

DNATA US INFLIGHT CATERING 401(k) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements (Continued)

- | | |
|---------|---|
| Level 2 | <p>Inputs to the valuation methodology include:</p> <ul style="list-style-type: none"> • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; and • inputs that are derived principally from or corroborated by observable market data by correlation or other means. |
|---------|---|

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- | | |
|---------|---|
| Level 3 | Unobservable inputs based on the Plan's assessment of the assumptions that market participants would use in pricing the asset or liability. |
|---------|---|

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Mutual funds are valued at the daily closing prices as reported by the funds. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust: Common collective trust funds are valued at the NAV of units of a bank collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying assets held by the fund less its liabilities, and then divided by the number of units outstanding. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

DNATA US INFLIGHT CATERING 401(k) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements (Continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Companies and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participants' account and are included in administrative expenses. Investment-related expenses are included in "Net depreciation in fair value of investments" in the accompanying statement of changes in net assets available for benefits.

Subsequent Events

In accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 855, *Subsequent Events*, the Plan has evaluated subsequent events through October 13, 2023, the date on which these financial statements were available to be issued. Other than the event described in Note 10, the Plan has determined that there were no material subsequent events that required recognition or additional disclosure in the financial statements.

NOTE 3. FAIR VALUE MEASUREMENTS

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line item presented in the statements of net assets available for benefits.

During the years ended December 31, 2022 and 2021, there were no transfers between levels of the fair value hierarchy.

NOTE 6. RISKS AND UNCERTAINTIES

The Plan provides for various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7. PLAN TERMINATION

Although they have not expressed any intent to do so, the Plan Sponsors have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 8. TAX STATUS

The Plan uses a prototype plan document sponsored by Automatic Data Processing Retirement Services, Inc. ("ADP"). ADP received an opinion letter from the IRS, dated October 6, 2020, which states that the prototype document satisfied the applicable provisions of the IRC. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualified status. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 8. TAX STATUS (CONTINUED)

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

NOTE 9. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Reliance Trust Company, the Trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants are also party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments, as they are paid through revenue-sharing, rather than a direct payment. Any additional expenses of the Plan are paid by the Plan Sponsor. Certain administrative functions are performed by officers or employees of the Plan Sponsors. No such officer or employee receives compensation from the Plan.

NOTE 10. OPERATIONAL ERRORS

During the 2022 audit, it was discovered that the Plan's written provisions were not all consistent with its operation or management's expressed intentions. To correct the operational errors, the Plan entered the IRS' Employees Plan Compliance Resolution System ("EPCRS"). Plan management believes that under the EPCRS the identified errors will be corrected.

NOTE 11. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
