INDEPENDENT AUDITOR'S REPORT

Plan Administrator and Plan Participants
Ambassador Home Improvements, Inc. 401(k) Profit-Sharing Plan
Mechanicsburg, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Ambassador Home Improvements, Inc. 401(k) Profit-Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Item 4i - Schedule of Assets Held for Investment Purposes as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Supplemental Schedule Required by ERISA (Continued)

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AMBASSADOR HOME IMPROVEMENTS, INC. 401(k) PROFIT-SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of the Plan

The following description of Ambassador Home Improvements, Inc. 401(k) Profit-Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution 401(k) Profit-Sharing Plan which was established by Ambassador Home Improvements, Inc. (the Company), on April 1, 1980. Employees become eligible to participate in the Plan upon attainment of age 18 and completion of one month of service (defined as 30 days). Eligible employees may enter the plan upon the first quarter following the date that the eligibility requirements are satisfied. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: Participants may contribute pre-tax elective deferrals as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified plans (rollovers) with the exception of after-tax contributions.

Employer contributions include safe harbor/additional matching and may include other discretionary non-elective contributions. Contributions are subject to certain annual limitations. The Company makes a safe harbor contribution equal to 100% of the first 3% of gross compensation that a participant contributes on a pre-tax basis, plus 50% of the next 2% but not in excess of 5% of compensation that each participant contributes on a pre-tax basis. The Company may make a discretionary nonelective contribution allocated to participants employed on the last day of the Plan year, who have completed 1,000 hours of service during the year, in the same ratio as each participant's eligible compensation for the Plan year compared to the total eligible compensation for participants of the Plan.

Participant Accounts: Each participant's account is credited with the participant's contributions and allocations of (a) the employer's matching contributions, (b) any employer discretionary contributions, (c) safe harbor contributions, and (d) an allocation of Plan earnings or losses, net of administrative expenses. The Plan's earnings or losses are allocated according to the participant's relative account balance in the various investment options. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Participants' Investment Options: Participants direct the investment of their contributions into various investment options offered by the Plan. If a participant does not direct the investments, then investments will be selected in accordance with the default investment alternatives established under the Plan. Participants may change their investment allocation any time.

Vesting: Participants are always fully vested in their elective deferrals, rollover contributions and employer safe harbor contributions, plus actual earnings thereon. Participants become fully vested in the remainder of their accounts based on years of continuous service. After two years of service, participants become vested at twenty percent (20%), and vests an additional 20% per year thereafter until the participant is fully vested after six years of service. The Participant must complete 1,000 hours of service in the given year to receive credit for the year of service regarding vesting. Participants become fully vested in the event of death, disability or the attainment of age 55 after five years of service.

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of the Plan (Continued)

Participant Loans: Participants have the option to borrow from their accounts. Participants may have up to a maximum of two (2) loans outstanding. Employees may borrow the amount of \$1,000 up to the lesser of \$50,000 or 50% of their eligible total vested balance. For general purpose loans, loan terms range from 12 to 60 months. For principal residence loans, loan terms range from 61 to 180 months. Loan rates are set at the Prime rate published in the Wall Street Journal.

Payment of Benefits: A participant shall be entitled to receive all or a portion of the balance held in his or her account upon reaching normal retirement at age 55, death, disability or termination of employment. Participant benefits will be made in a lump sum, in installments or as an annuity, if qualified. Distributions may be deferred until the participant reaches the age of 72 if the value of the distribution is not less than \$5,000; however, the Plan document stipulates that distributions must commence no later than April 1 of the year following the year in which the participant reaches age 72. A mandatory distribution occurring prior to attaining the age of 62 or normal retirement age is subject to an automatic rollover if the balance exceeds \$1,000. In certain situations, participants who can demonstrate that they have suffered a financial hardship may request a distribution of their accounts equal to the immediate need but limited to the portion of their accounts attributable only to their contributions.

Forfeited Accounts: A participant's accrued vested benefit is determined on the date employment is terminated. The non-vested portion is forfeited upon total distribution of an individual's account. Forfeitures of participants' non-vested accounts are used to offset employer contributions. At December 31, 2022 and 2021, forfeited non-vested accounts amounted to \$19,907 and \$18,713, respectively.

Administrative Expenses: The administrative expenses of the Plan are paid by the Plan unless paid by the Company. Accordingly, those expenses paid by the Company are not reflected in the accompanying financial statements.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting: The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

AMBASSADOR HOME IMPROVEMENTS, INC. 401(k) PROFIT-SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Note 2. Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition: The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance, plus any accrued interest. Delinquent loans are treated as distributions based upon the terms of the plan document surrounding defaulted loans.

Payment of Benefits: Benefits are recorded when paid.

Subsequent Events: In preparing these financial statements, the Plan Administrator has evaluated events and transactions for potential recognition or disclosure through October 11, 2023, the date the financial statements were available to be issued. See Note 10.

Note 3. Information Certified by the Trustee

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, net appreciation in fair value of investments, dividends and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to information certified as complete and accurate by Empower Trust Company, LLC, formerly Great-West Trust Company, LLC (trustee of the plan).

The insurance company general account as of and for the year ended December 31, 2022, was certified as complete and accurate by Empower Annuity Insurance Company of America, formerly Great-West Trust Company, LLC.

AMBASSADOR HOME IMPROVEMENTS, INC. 401(k) PROFIT-SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Note 4. Investments and Fair Value Measurements

The Plan measures on a recurring basis its investments at fair value in accordance with Financial Accounting Standards Board (FASB) codification *Fair Value Measurement*, which provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy are as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that are accessible to the Plan. These generally provide the most reliable evidence and are used to measure fair value whenever available.
- Level 2 Inputs to the valuation methodology include significant inputs, other than Level 1 inputs, that are observable either directly or indirectly for substantially the full term of the asset through corroboration with observable market data. Level 2 inputs include quoted prices for similar assets in active markets, quoted market prices in markets that are not active for identical or similar assets, and other observable inputs.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The inputs or methodology used for valuing investments are not an indication of the risk associated in investing in those securities.

The following are descriptions of valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Money market fund and registered investment companies: Shares of registered investment companies (mutual funds and money market funds) are valued at the daily closing prices as reported by the funds. The funds held by the Plan are open-end mutual funds registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. Mutual funds held by the Plan are deemed to be actively traded.

Collective investment trusts: The Plan invests in various collective investment trusts offered separately by the Wilmington Trust Collective Investment Trust, AllianceBernstein (AB) Funds (W Series). The collective investment trusts are valued based upon the net asset value (NAV) per unit times the number of units held by the Plan at year-end. Net asset value is used as a practical expedient to estimate fair value because it is unlikely that the trust would sell the investment for an amount different than the reported net asset value. The units of each share class of the collective trusts are valued daily based on closing market prices of the underlying investments. The NAV per unit is computed by dividing the total assets of the trust, less its liabilities, by the total number of units outstanding as of the valuation date. Investment income earned is reinvested in the trust and included in the determination of unit values.

AMBASSADOR HOME IMPROVEMENTS, INC. 401(k) PROFIT-SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Note 4. Investments and Fair Value Measurements (Continued)

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain investments or financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Investments at Fair Value as of December 31, 2022

	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 2,802,920	\$ -	\$ -	\$ 2,802,920

*In accordance with FASB Accounting Standards Codification (ASC) Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statement of Net Assets available for Plan Benefits.

Note 4. Investments and Fair Value Measurements (Continued)

- (3) The objective of this fund is long-term growth of capital and to outperform the Russell 2500 Growth Index by investing in lenders listed or traded on the U.S. exchanges of small and mid-cap U.S. Companies.
- (4) The objective of this fund is to seek strong total return over time, consistent with its asset mix achieved via target-date vintages that become more conservative closer to and through retirement.
- (5) The objective of this fund is to seek long-term growth of capital. The Trust is a concentrated "deep value" service that makes significant commitments to companies and industries with the highest risk-adjusted expected returns. The Trust invests in companies determined to be undervalued, using the fundamental approach of the Investment Adviser's Bernstein Value Equities unit.

Note 5. Investment Contracts with Insurance Company

The Plan is invested in a fully benefit-responsive group annuity contract with Empower Annuity Insurance Company of America (EAICA), formerly Great-West Life & Annuity Insurance Company. Participants may direct their contributions into a fixed account. The EI Fixed Account is a general account product in which participant principal and interest is backed by the entire general account assets of EAICA.

The fixed account meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for the fully benefit-responsive investment contract because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent upon the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. There are no reserves against the contract value for credit risk of the contract issuer or otherwise.

Certain events might limit the ability of the Plan to transact at contract value with the contract issue, such as partial or complete termination of the contract, plan termination or merger, changes to the Plan's prohibition on competing investment options, bankruptcy of the Plan sponsor or other plan sponsor events. No events are probably of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with participants.

NOTES TO FINANCIAL STATEMENTS

Note 5. Investment Contracts with Insurance Company (Continued)

Based on EAICA's excessive trading policy, participant transfers may be restricted for up to 30 days in the event of excessive participant trading. If the Plan Sponsor chooses a book value for payout for termination, participant transfer restrictions may apply until the funds are paid to the next provider. GWI fixed account transactions are processed after the resolution of closed or disrupted financial exchanges or markets.

The EI Fixed Account credits interest daily to the group contract holder on a portfolio basis. The credited rate may change or stay the same each quarter. The quarterly credited rate applies to all money deposited in the group contract holder's account regardless of when it was deposited.

Note 6. Plan Termination

Although the employer has not expressed any intent to do so, the employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants will become 100% vested in their accounts.

Note 7. Tax Status

The Plan adopted a pre-approved profit-sharing plan sponsored by Great-West Trust Company, LLC, renamed Empower Trust Company LLC in 2022. The pre-approved plan has received an opinion letter from the Internal Revenue Service dated June 30, 2020, as to the Plan's qualified status. Although the Plan has since been amended, the Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service (IRS). The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS

Note 8. Related Party and Party-in-Interest Transactions

Certain Plan investments are managed by Empower Trust Company, LLC. Empower Trust Company, LLC is the current Trustee of the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Fees paid by the plan during the year for administrative services, investment management services and custodial services are rendered by parties-in-interest based on customary, reasonable rates for such services.

Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks could occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits.

Note 10. Subsequent Events

In December 2022, Securing a Strong Retirement Act (SECURE 2.0) was passed into law. The provisions of SECURE 2.0 continue the themes and reforms that began with the 2019 SECURE Act passing. Most of the provisions will become effective in 2024 and forward, therefore, there is no current impact to the Plan. Since the provisions include both required and optional elements, management is evaluating the optional provisions to elect.

Effective January 1, 2023, the Plan was amended and restated with the following changes to plan provisions:

- Roth deferrals were added as allowable contributions to the Plan.
- In plan roth rollover contributions were added as allowable rollovers to the Plan.
- Forfeitures can now be used to reduce nonelective contributions and employer match. Previously, forfeitures were only applied to non-elective contributions.
