Management, having determined it is permissible in the circumstances, has elected to have the audits of InFaith 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of InFaith 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**To the Board of Managers of the
InFaith 401(k) Plan
Exton, Pennsylvania**

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about InFaith 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of InFaith 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about InFaith 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

**To the Board of Managers of the
InFaith 401(k) Plan
Exton, Pennsylvania**

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) and Line 4a – Schedule of Delinquent Participant Contributions as of or for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

InFaith 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 And 2021

(1) DESCRIPTION OF PLAN

The following description of the InFaith 401(k) Plan (**“Plan”**) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

A. General

The Plan is a defined contribution plan covering substantially all employees of InFaith (formerly “American Missionary Fellowship”). The Plan was adopted October 30, 1998, with plan provisions effective January 1, 1999. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (**ERISA**). Employees who have completed one month or more of service and are not covered by a collective bargaining agreement are eligible to participate.

B. Contributions

There is no age requirement for employees to begin making pre-tax contributions to the Plan. The Plan allows for Roth 401(k) deferrals. For plan year ended December 31, 2022 the maximum allowable elective deferral was \$20,500. Participants who have attained age 50 before the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

InFaith matches 100% of employee contributions up to a maximum of 3% of compensation per employee per year. InFaith may make additional contributions to the Plan, at its discretion. There were no discretionary contributions made in 2022.

C. Participants Accounts

Each participant’s account is credited with the participant’s contribution, InFaith’s match, and allocation of (a) InFaith discretionary contributions and (b) Plan earnings.

D. Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the employer matching and discretionary contribution account is 100% after three years of service. On termination of service, if the participant’s vested benefit is not more than \$5,000, payment will be in a lump sum.

Forfeitures of participant non-vested balances of employer discretionary contributions or employer matching contributions reduce those contributions respectively, for the plan year in which those forfeitures arise. There were no forfeited non-vested accounts at December 31, 2021 and 2020, respectively.

E. Notes Receivable from Participants

The Plan permits participants to borrow from their vested account balances subject to certain provisions as set forth in the Plan. In general, the maximum amount that can be borrowed is the lesser of 50% of a participant’s vested interest or \$50,000, at a reasonable rate of interest. Loans are generally repaid within five years. The balance of outstanding participant loans was \$12,262 and \$14,032 as of December 31, 2022 and 2021, respectively.

InFaith 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS – (Continued)

December 31, 2022 And 2021

F. Investment Options

Upon enrollment in the Plan, a participant may direct all future employee and employer contributions into any of the investment options available under the Plan.

G. Payment of Benefits

A participant's vested benefits will normally be distributed to the participant or the participant's beneficiary upon retirement, disability or death of the participant.

H. Administration

InFaith is the administrator of the Plan. Fidelity Management Trust Company is trustee, custodian, and record-keeper for the Plan.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared under the accrual basis of accounting.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at fair value. Shares of registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end. Insurance contracts are valued at contract value, which approximates fair value. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

InFaith 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS – (Continued)

December 31, 2022 And 2021

(3) INVESTMENTS

Generally accepted accounting principles established a hierarchy that prioritizes inputs to valuation methods. This standard clarifies the definition of fair value and requires additional disclosures about the use of fair value measurements. The three levels of inputs are described below:

Level 1 – Unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

Level 2 – Observable inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. These inputs may include quoted prices for the identical instrument on an inactive market, prices for similar instruments, interest rates, prepayment speeds, credit risk, yield curves, default rates and similar data.

Level 3 – Unobservable inputs for the asset or liability, to the extent relevant observable inputs are not available, representing the Plan's own assumptions about the assumptions a market participant would use in valuing the asset or liability, and would be based on the best information available.

The inputs methodology used for valuing securities are not necessarily an indication of the risk associated with investing in those securities.

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustees.

2022				
		Level 1 Quoted Prices	Level 2 Other Significant Observable Inputs	Level 3 Significant Unobservable Inputs
Investments	Total			
Mutual Funds	\$ 6,136,147	\$ 6,136,147	\$ -	\$ -
Insurance Contract	<u>391,432</u>	<u>-</u>	<u>391,432</u>	<u>-</u>
	<u>\$ 6,527,579</u>	<u>\$ 6,136,147</u>	<u>\$ 391,432</u>	<u>\$ -</u>
2021				
		Level 1 Quoted Prices	Level 2 Other Significant Observable Inputs	Level 3 Significant Unobservable Inputs
Investments	Total			
Mutual Funds	\$ 7,771,964	\$ 7,771,964	\$ -	\$ -
Insurance Contract	<u>209,494</u>	<u>-</u>	<u>209,494</u>	<u>-</u>
	<u>\$ 7,981,458</u>	<u>\$ 7,771,964</u>	<u>\$ 209,494</u>	<u>\$ -</u>

There were no transfers between Level 1 and Level 2 during the year ended December 31, 2022. During 2022, the Plan's investments depreciated in value by \$1,784,649.

InFaith 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS – (Continued)

December 31, 2022 And 2021

(4) PLAN TERMINATION

Although it has not expressed any intent to do so, InFaith has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

(5) TAX STATUS

The trust, established under a prototype plan to hold the Plan's assets, is qualified pursuant to the appropriate section of the Internal Revenue Code, and, accordingly, the trust's net investment income is exempt from income taxes. The prototype plan, effective with the change to Fidelity Management Trust Company, has obtained a favorable tax determination letter, dated March 31, 2014, from the Internal Revenue Service. Previously, the prototype plan, restated January 1, 2011, had obtained a favorable tax determination letter, dated March 31, 2008, from the Internal Revenue Service. Although the Plan had been amended, the Plan sponsor believed that the Plan continued to qualify and to operate as designed.

(6) RISKS AND UNCERTAINTIES

The Plan invests in shares of registered investment companies which employ various investment strategies. The investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

(7) SECURE ACT 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2022 financial statements.

(8) PARTY-IN-INTEREST TRANSACTIONS

Certain administrative costs of the Plan are paid by the employer/sponsor.

(9) SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 16, 2023 the date that the financial statements were available to be issued.
