Independent Auditors' Report

To the Plan Administrator
Quality Correctional Care, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Quality Correctional Care, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier regulated, supervised, and subject to periodic examination by a state or federal agency, provided the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe the audit evidence we obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining the Plan’s transactions are presented and disclosed in the financial statements in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report including our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule agreed to or derived from the certified investment information, presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

QUALITY CORRECTIONAL CARE, LLC 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
For the Year Ended December 31, 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of Quality Correctional Care, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan instrument for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering all employees of Quality Correctional Care, LLC (the "Company"). Employees are eligible to participate in the Plan after reaching age 21. Employees are also eligible for employer matching contributions once they have begun participating in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions – Participants may contribute up to 100% of pretax annual compensation, as defined in the plan instrument, not to exceed limits imposed by the law. The Company may also match a percentage of the participants' deferrals through a safe harbor contribution or nonelective contribution. For the year ended December 31, 2022, the Company elected a safe harbor match of 100% of each participant's deferral, not to exceed 4% of the participant's compensation. The Company did not make nonelective match contributions in 2022. Participants may also contribute amounts representing rollovers from previous employers' qualified plans which are not subject to match contributions.

Participant Accounts – Each participant's account is credited with the participant's contributions, employer safe harbor or matching contributions, and investment earnings thereon. Participant accounts are charged with an allocation of administrative expenses paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately vested in their deferral contributions, rollover contributions, and safe harbor contributions plus actual earnings thereon. Vesting in the Company's matching contribution portions of their accounts, plus actual earnings thereon, is based on years of continuous service. Each participant vests at a rate of 20% per year of credited service and is 100% vested after five years of credited service. A year of credited service is defined as at least 1,000 hours during the plan year.

Notes Receivable from Participants – Participant loans are not permitted within the Plan.

Investment Options – Participants are able to direct the balances of their accounts to any of a number of investment options comprised of a money market fund, mutual funds, and an investment contract with Nationwide Trust Company. Participants may change their investment options at any time, subject to limitations.

Payment of Benefits – Benefits are payable upon retirement at any time on or after the date upon which a participant reaches the age of 59½. Benefits are paid to participants or designated beneficiaries either as a lump sum distribution, required minimum distributions, or ad hoc distributions as selected by the participant. The Plan also allows for hardship distributions.

For the Year Ended December 31, 2022

NOTE 1 - DESCRIPTION OF THE PLAN, Continued

Forfeited Accounts – Benefit payments to terminated employees partially vested in the Plan include their vested portions of employer contributions. The nonvested portions of terminated participants' account balances are used to offset various administrative and professional expenses and reduce future employer contributions. The Plan held forfeited accounts of \$3,450 and \$4,671 as of December 31, 2022 and 2021, respectively. Forfeitures of \$1,188 were used to reduce contributions during the year ended December 31, 2022.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates – The financial statements of the Plan have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires the plan administrator to make estimates and assumptions affecting certain reported amounts and disclosures. Actual results could differ from those estimates.

Contributions Receivable – Contributions receivable represent amounts owed to the Plan at the end of the year for both the final payroll of the year as well as corrective contributions owed to the Plan and funded after year end.

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value except for the investment contract with insurance company, which is reported at contract value. Fair value is the price which would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Net depreciation in fair value of investments includes the Plans' gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits – Benefit payments to participants are recorded when paid.

Plan Administrative Expenses – The Plan pays custodial expenses of the Plan from its assets. Certain administrative expenses and fees, other than commissions paid to broker/dealers, were paid by the Company and are, therefore, not reflected in the Plan's financial statements.

Subsequent Events – Subsequent events have been evaluated by management through October 16, 2023, which is the date these financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy prioritizing the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described on the following page.

QUALITY CORRECTIONAL CARE, LLC 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
For the Year Ended December 31, 2022

NOTE 3 - FAIR VALUE MEASUREMENTS, Continued

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices observable for the asset or liability;
- Inputs derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair measurement level within the fair value hierarchy is based on the lowest level of any input significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022 and 2021.

Money market fund: Valued at the daily closing price as reported by the fund (Level 1 inputs).

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. The mutual funds held by the Plan are deemed to be actively traded (Level 1 inputs).

The following tables set forth by level within the fair value hierarchy the Plan's investments as of December 31:

2022	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 2,483,057	\$ -	\$ -	\$ 2,483,057
Money market fund	<u>3,450</u>	<u>-</u>	<u>-</u>	<u>3,450</u>
<i>Investments at fair value</i>	<u>\$ 2,486,507</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,486,507</u>

2021	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 2,324,017	\$ -	\$ -	\$ 2,324,017

QUALITY CORRECTIONAL CARE, LLC 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
For the Year Ended December 31, 2022

NOTE 4 - INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has a fixed annuity investment contract with Nationwide Retirement Plans Business Operations reported at contract value. The contract provides an annual interest guarantee based on the investment yield realized by Nationwide Life Insurance Company. The crediting interest rate is adjusted quarterly. For the year ended December 31, 2022, the interest rates were 0.73%, 0.73%, 0.81% and 1.07% for first, second, third, and fourth quarters, respectively.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the plan documents, including complete or partial plan termination or merger with another plan, (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Company or other Company events, such as divestitures or spin-offs of a subsidiary, (4) the failure of the trust to qualify for the exemption from federal income taxes or any required prohibited transaction exemption under ERISA, and (5) premature termination of the contract.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of a material obligation under the contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuer.

NOTE 5 - TAX STATUS

The Internal Revenue Service ("IRS") has provided an opinion on the Plan's prototype document stating it is designed in accordance with applicable sections of the Internal Revenue Code. Therefore, no request for a favorable determination was required for the Plan, as amended.

U.S. GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position more likely than not to be sustained upon examination by the IRS. The Plan is subject to routine audits by jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTES TO THE FINANCIAL STATEMENTS
For the Year Ended December 31, 2022

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE 7 - CERTIFIED INFORMATION

The Plan's investments were maintained by the custodian, Nationwide Trust Company, FSB. The custodian supplied a certification as to the completeness and accuracy of all information relating to investments as of December 31, 2022 and 2021, and income on such investments for the year ended December 31, 2022. The information certified includes total investments of \$2,487,598 and \$2,329,376 at December 31, 2022 and 2021, respectively, and net depreciation in fair value of investments of \$400,621 for the year ended December 31, 2022.

NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. The Plan holds certain investments provided by or managed by the Plan custodian. Such investments and the Plan's payment of fees to the custodian qualify as party-in-interest transactions. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Certain professional fees for the administration and audit of the Plan are paid directly by the Company.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to numerous risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 - SUBSEQUENT EVENT

Effective in 2023, Plan management switched various service providers. KTRADE is the new custodian and trustee, Latitude Retirement is the third-party administrator, and National Bank of Indianapolis is the recordkeeper.
