INDEPENDENT AUDITORS' REPORT

To the Trustees and Administrators of the Vine Hospitality 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Vine Hospitality 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the period from January 1, 2022 (Inception) to December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Vine Hospitality 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and for the period from Inception to December 31, 2022 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are

required to be independent of Vine Hospitality 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Vine Hospitality 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing

an opinion on the effectiveness of Vine Hospitality 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Vine Hospitality 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule as of December 31, 2022, as listed in the accompany tables of contents, are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agrees to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment

information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Sincerely,

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of Vine Hospitality 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General – Vine Dining Enterprises, Inc. DBA Vine Hospitality (the Company or Sponsor) established the Plan effective January 1, 2022, with Safe harbor provisions effective September 1, 2022. The Plan is a defined contribution plan covering substantially all full-time employees of the Company and any affiliates who have adopted the Plan. Eligible employees must be age 21 or older and have completed one year of eligible service. Employees who are not eligible to participate in the Plan are those who are either a) covered by a collective bargaining agreement; b) a leased employee, or c) a nonresident alien. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions – The Plan documents allow that each year, participants may contribute up to 100% of their eligible annual compensation as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. These contributions are subject to annual contribution limitations as determined by the Internal Revenue Code (IRC). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan also has an auto enrollment feature that upon becoming eligible, notice will be given, and the employee automatically enrolled at 5% of your Plan compensation.

The Company will make safe harbor matching contributions equal to 100% of the participant's deferred contribution up to the first 3% and 50% of the next 2% contributed. The Company may also make discretionary contributions on behalf of eligible participants. During 2022, the Company did not make any discretionary contributions to the Plan.

Participants' Accounts – Each participant's account is credited with the participant's contribution and Plan earnings. The accounts are set up in participant-directed, individual accounts administered by the plan trustee. Contributions and earnings or losses are credited to the accounts as the amounts are received by the trustee. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting – A participant is 100% vested in their contributions, safe harbor matching and actual earnings thereon at all times. Vesting in the Company's discretionary contributions is based on years of continuous service with the Company. Participants vest at a rate of 20% starting with two years of service and are 100% vested after completion of 6 years of service.

Investment Options – Participants direct the investment of their contributions into selected investment products offered by the Plan trustee. The investment options include fixed income accounts and various income, growth, value, blend, and international mutual fund accounts. Participants may change their investment options daily.

December 31, 2022

Payment of Benefits – Benefits are payable to participants or designated beneficiaries upon retirement, death, disability, or termination of employment, and are entitled to receive a lump-sum amount equal to the value of the participant’s vested interest in their account. Benefits may also be distributed in the event of a participant’s immediate and heavy financial need. Such distributions, which are considered hardship withdrawals, cannot exceed the amount required to relieve the financial need.

Forfeitures – If a participant terminates employment and is less than 100% vested in their Employer matching contributions, the participant will forfeit the non-vested portion of their account. These forfeited amounts may be used to reduce future Employer contributions or pay Plan administrative expenses. During 2022, \$0 was forfeited by participants and the forfeiture account balance as of December 31, 2022 was \$0.

Plan Termination – Although it has not expressed any intent to do so, the Sponsor has the right, under terms of the Plan, to terminate the Plan subject to the provisions of ERISA.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements are prepared on the accrual basis of accounting and in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Plan follows accounting principles set forth in FASB Accounting Standards Codification (ASC) 962, *Plan Accounting – Defined Contribution Pension Plans*.

Receivables/Allowance for Doubtful Accounts – The Plan estimates its allowance for doubtful accounts based on historical experience with doubtful receivables. The Plan has not experienced bad debts since inception, and accordingly has not estimated an allowance for doubtful accounts.

Use of Estimates in the Preparation of Financial Statements – The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition – In accordance with FASB ASC 962, the Plan’s investments are stated at fair value. Mutual funds held by the Plan are valued at fair value based on the daily closing price as reported by the funds. Mutual funds are open-ended and are registered with the Securities and Exchange Commission. These mutual funds are required to publish their daily net asset value (NAV) and to transact at that price. The common/collective trusts are valued at the NAV of units held by the Plan. The NAV, as provided by the trustees, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net

See Independent Auditors’ Report

Vine Hospitality 401(k) Plan
Notes to Financial Statements

December 31, 2022

appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

During the period from inception to December 31, 2022, the Plan's investments, including net gains and losses on investments sold during the year, increased in fair value by \$179. All investments are participant directed.

Plan Administration Costs – Administrative expenses of maintaining the Plan may be paid by the Company or the Plan, at the Sponsor's discretion. Expenses that are paid directly by the Sponsor are excluded from these financial statements. Certain administration fees are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) of fair value of investments.

Payment of benefits – Benefits are recorded when paid.

Subsequent Events – Management has evaluated, for potential recognition or disclosure in the financial statements, subsequent events that have occurred through October 13, 2023, which is the date that the financial statements were available to be issued.

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY THE PLAN TRUSTEE

The Plan Administrator has elected the method of compliance permitted by the Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, as permitted under such election, no independent auditing procedures were performed with respect to the information certified as complete and accurate by the Plan's Trustee, American Trust Company (American trust). American Trust has certified the Plan's statement of accounts as of December 31, 2022 and for the period from inception to December 31, 2022. The statement of accounts includes beginning and ending balances of investments held, notes receivable from participants, and detail of transactions during the period, including investment earnings and interest income on notes receivable from participants.

NOTE 4 – INCOME TAX STATUS

The Plan has adopted a prototype format and is relying on the prototype sponsor's IRS determination letter for qualification. In the prototype sponsor's tax determination letter dated June 30, 2020, the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there

See Independent Auditors' Report

December 31, 2022

are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are no audits for any tax periods in progress.

NOTE 5 – FAIR VALUE MEASUREMENTS

Fair value accounting guidance establishes a framework for measuring fair value, which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plans have the ability to access.

Level 2 Inputs to the valuation methodology other than quoted prices included in Level 1 are observable for the asset or liability, each directly or indirectly, and include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

The methods described above could produce a fair value calculation that is not indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan administrator believes these valuation methods are appropriate, the use of different

Vine Hospitality 401(k) Plan
Notes to Financial Statements

December 31, 2022

methodologies or assumptions could result in different fair value measurements at the reporting date. There have been no changes in the methodologies used at December 31, 2022.

Below is a description of the valuation methodologies used for assets measured at fair value.

Registered investment company funds - Valued at the daily closing price as reported by the fund. Registered investment company funds held by the Plan are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The registered investment company funds held by the Plan are deemed to be actively traded.

Common collective trusts (CCTs) - Investments in CCTs are valued at the net asset value (NAV) of units of a bank collective trust. NAV is a readily determinable fair value and is the basis for current transactions. The unit value of each of these funds is determined on a daily basis. Units are issued and redeemed at their unit value. Net investment income and realized and unrealized gains and losses on investments are not distributed to participants but are reflected in the unit value. Were the Plan to initiate a full redemption of a CCT, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The fair value measurements for the Plan's investments at December 31, 2022 are as follows:

<u>December 31, 2022</u>	<u>Fair Value</u>	<u>Type of Fair-Value Measurement</u>		
		<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Registered investment company funds	\$ 98,655	\$ 98,655	\$ -	\$ -
Common collective trust funds	205	-	205	-
Investments at fair value	\$ 98,860	\$ 98,655	\$ 205	\$ -

NOTE 6 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds by the plan trustee as defined by the Plan. As described in Note 2, the Plan paid certain expenses related to Plan operations and

investment activity to various service providers. These transactions are exempt party-in-interest transactions under ERISA.

NOTE 8 – NON-EXEMPT TRANSACTION

In 2022, the Company failed to timely remit certain employee 401(k) deferral contributions to the appropriate participant accounts. This is deemed a prohibited transaction in accordance with ERISA and the Internal Revenue Code. The Plan Sponsor is in the process of remediating this issue.
