Independent Auditors' Report

The Plan Administrator and Participants House Works LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of House Works LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PKF O'Connor Davies, LLP is a member firm of the PKF International Limited network of legally independent firms and does not accept any responsibility or liability for the actions or inactions on the part of any other individual member firm or firms.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

The Plan Administrator and Participants
House Works LLC 401(k) Plan
Page 3

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H Part IV, Line 4(a) – Schedule of Delinquent Participant Contributions and Schedule H, Part IV, Line 4(i) - Schedule of Assets (Held at End of Year), are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

House Works LLC 401(k) Plan

Notes to Financial Statements
December 31, 2022 and 2021

1. Description of the Plan

The following description of the House Works LLC 401(k) Plan (the “Plan”) is provided for general information purposes only. More complete information regarding the Plan’s provisions may be found in the plan document.

General

HouseWorks, LLC, established the Plan effective October 1, 1998. HouseWorks, LLC is wholly owned by HouseWorks Holdings, LLC, which owns six affiliated entities: Caring Friends Home Care (HW), LLC, Extended Family (HW), LLC, Connected Home Care, LLC, House Works Plus, LLC, Invention Associates LLC, and MasterPeace Home Care LLC (collectively with HouseWorks, LLC, the “Company” or the “Employer”). Each of the affiliated entities are participating employers in the Plan. The Plan is a defined contribution plan covering substantially all employees of the Employer, except for nonresident aliens, leased employees, and residents of Puerto Rico (the “Participants”). Employees may enter the Plan on the first day of employment. The Plan was amended and restated as of May 1, 2022.

Reliance Trust Company (the “Trustee”) serves as the trustee for the Plan, while recordkeeping and administrative services are provided by Automatic Data Processing Retirement Services (“ADP”). The Plan is subject to the provisions of the Internal Revenue Code (the “IRC”) and the Employee Retirement Income Security Act of 1974 (“ERISA”). All investments are participant-directed.

Plan Administration

The Employer is the plan sponsor and named plan administrator and has the authority to appoint person(s) or entities to carry out the operation of the Plan. Individual participant accounts may be charged with an allocation of administrative expenses, if not paid by the Employer.

Participant Contributions

Participants may elect to make pre-tax or Roth deferrals up to 90% of their eligible compensation subject to a dollar limit established by the Internal Revenue Code (IRC). Participants who have reached the age of 50 before the end of the Plan year are eligible to make catch-up contributions. In addition, Participants may also rollover amounts representing distributions from other qualified plans (“Participant Rollovers”).

Employer Contributions

The Plan does not allow for Employer contributions.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and an allocation of plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, or participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided by the Participant’s vested account.

Notes to Financial Statements
December 31, 2022 and 2021

1. Description of the Plan (*continued*)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Principal and interest is repaid through payroll deductions. Note terms are up to five years, except for notes to fund the purchase of a principal residence, for which the note may be repaid over a reasonable period that may not exceed 30 years. The notes are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the plan administrator. Interest rates for outstanding loans ranged from 5.25% to 7.50% at December 31, 2022 and 2021. Outstanding loans at December 31, 2022 mature at various dates through 2025.

Payment of Benefits

Upon termination of service due to death, disability, termination or retirement, a Participant may elect to receive either a lump-sum distribution in an amount equal to the value of the Participant's interest in his or her account or installment payments over a certain period, or a partial withdrawal of the participant's account. Upon termination, if a Participant's account balance is less than \$1,000, the plan administrator, after notification, may distribute to the Participant his or her entire account balance. If a balance is less than \$5,000 but greater than \$1,000, the plan administrator, after notification, may deposit the balance into an IRA.

In service withdrawals from a Participant's account balance are permitted upon reaching age 59 ½. In service withdrawals are also permitted due to financial hardship, as defined. Hardship withdrawals may be taken from the Participant's deferral contributions and earnings thereon.

Expense Account

The Company has a revenue sharing arrangement with ADP Retirement Services that provides for an expense reimbursement to the Plan. These reimbursements are held in an ERISA expense account and are utilized to pay for certain Plan administrative expenses. During the year ended December 31, 2022, the Plan received \$6,694 of expense reimbursements, and the Plan utilized \$6,694 to pay Plan administrative expenses. There were no unallocated amounts in the ERISA expense account at December 31, 2022 and 2021.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

House Works LLC 401(k) Plan

Notes to Financial Statements
December 31, 2022 and 2021

2. Summary of Significant Accounting Policies *(continued)*

Use of Estimates

The preparation of financial statements in conformity with GAAP requires Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on Fair Value Measurements which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Pursuant to U.S. GAAP guidance, alternative investments where fair value is measured using the Net Asset Value ("NAV") per share as a practical expedient is not categorized within the fair value hierarchy.

Investments, Investment Valuation, and Income Recognition

Investments in mutual funds and common collective trusts are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year. Interest income is reported on the accrual basis. Dividends are recorded on the ex-dividend date.

Unit Values

Individual Participant accounts for the common collective trusts are maintained on a unit value basis. Participants do not have beneficial ownership in the specific underlying securities or other assets in the funds but do have an interest therein represented by units which are valued daily. The funds earn dividends and interest which are automatically reinvested in additional units. Generally, contributions to and withdrawals from each fund are converted to units by dividing the amounts of such transactions by the unit values as last determined, and the Participants' accounts are charged or credited with the number of units properly attributable to each Participant.

House Works LLC 401(k) Plan

Notes to Financial Statements
December 31, 2022 and 2021

2. Summary of Significant Accounting Policies *(continued)*

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recognized on the accrual basis of accounting. Related fees are recorded as administrative fees and expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Benefits Paid

Benefit payments to Participants are recorded during the period in which they are paid.

Subsequent Events

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date the financial statements were available to be issued, which date is October 10, 2023.

3. Information Certified (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required Schedule H, Part IV, Line 4(i) – Schedule of Assets (Held at End of Year) including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in value of investments, interest and dividends on investments, and interest on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company, a qualified institution.

4. Investments and Fair Value Measurements

There have been no changes in the methodologies used at December 31, 2022 and 2021. The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trusts: Valued at the NAV of units in collective trust funds. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

House Works LLC 401(k) Plan

Notes to Financial Statements
December 31, 2022 and 2021

4. Investments and Fair Value Measurements (*continued*)

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

Investments at Fair Value as of December 31, 2022

House Works LLC 401(k) Plan

Notes to Financial Statements
December 31, 2022 and 2021

5. Risks and Uncertainties

The Plan invests in investment securities which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect Participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

The global and domestic economic uncertainty has resulted in significant volatility in financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2022 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted.

6. Tax Status

The Plan is a prototype 401(k) plan, qualified under Section 401(a) of the IRC. The Plan obtained its latest opinion letter on October 6, 2020, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the opinion letter; however, the plan administrator believes the Plan is currently designed in compliance with the applicable requirements of the IRC and the Plan is qualified and the related trust is tax-exempt as of the date of this report.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. It is the Plan's policy to account for any uncertainties as described under the income tax laws. Under the income tax laws, the tax-exempt status of an entity is considered a tax position. No such uncertain tax positions have been recognized by the Plan.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations prior to 2019.

7. Party-In-Interest Transactions

The Plan paid administrative expenses totaling \$9,699 to the Trustee and ADP for the year ended December 31, 2022, which qualifies as party in interest transactions. Notes receivable from participants qualify as exempt party-in-interest transactions as defined by ERISA.

8. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, any unallocated assets of the Plan shall be allocated to Participant accounts and distributed in such a manner as the Employer may determine.

House Works LLC 401(k) Plan

Notes to Financial Statements
December 31, 2022 and 2021

9. Delinquent Participant Contributions

During 2022, \$57,722 of Participant contributions and loan repayments were not remitted to the Plan by the Employer on a timely basis as required under DOL 2510.3-102. Under ERISA, such delinquent contributions are considered prohibited transactions and are reported on Schedule H, Part IV, Line 4(a) of Form 5500. The Company plans to fund the lost earnings on the delinquent contributions to the affected Participants' accounts in 2023.

During 2021, \$53,991 of Participant contributions and loan repayments were not remitted to the Plan by the Employer on a timely basis as required under DOL 2510.3-102. Under ERISA, such delinquent contributions are considered prohibited transactions and are reported on Schedule H, Part IV, Line 4(a) of Form 5500. These amounts were remitted to the Plan during 2021 and 2022 and the Employer calculated and funded lost earnings on these remittances during 2022.

10. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to net assets per the Form 5500 at December 31,:

	<u>2022</u>	<u>2021</u>
