INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of
Hana Group US LLC 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Hana Group US LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021 and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Hana Group US LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hana Group US LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hana Group US LLC 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hana Group US LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hana Group US LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements
December 31, 2022 and 2021

1. PLAN DESCRIPTION

The following brief description of the Hana Group US LLC 401(k) Plan (the “Plan”) is provided for information purposes only. Participants should refer to the summary Plan description for a more complete description of the Plan’s provisions.

General

The Plan was established effective July 30, 2014. The Plan is a defined contribution plan covering substantially all eligible employees of Hana Group US, LLC (the “Plan Sponsor”) and its related companies (as defined in the Plan) (together, the “Employer”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). A committee composed of management of the Employer serves as trustee of the Plan.

Eligibility Requirements

The Plan covers substantially all employees of the Employer who have attained age 18 and completed one year of service. This requirement is not satisfied until the last day of the 12-month period. Employees may enter the Plan on the first day of the first month after satisfaction of the eligibility requirements, but in no event later than the first day of the next Plan year.

Contributions

The Plan permits employees to make either pre-tax or Roth contributions to the Plan. Each year, participants may contribute pretax annual compensation up to the Section 402(g) limit, as defined in the Plan. The Plan permits participants to make catch-up contributions, as defined in the Plan. Participants may also roll over amounts representing distributions from other qualified contribution plans into various investment options offered by the Plan. The Plan currently offers a variety of pooled separate accounts and a common/collective trust as investment options for the Plan.

The Employer can make a discretionary matching contribution as determined annually by the Employer. For the year ended December 31, 2022, the matching contribution was 25% of employee deferrals up to 4% of compensation. The Employer can give qualified non-elective contributions in order to pass certain nondiscrimination tests which participants are automatically 100% vested in. There were no qualified non-elective contributions for 2022.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and allocations of the Plan Sponsor’s contributions, Plan earnings and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

All employee contributions and earnings thereon are 100% vested immediately. Employer contributions, if any, and earnings thereon, vest pro rata based on the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2 years	0%
2 years	33%
3 years	66%
4 years	100%

Hana Group US LLC 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. However, the \$50,000 amount is reduced by the highest outstanding loan balance the participant had under the Plan during the previous 12-month period. Loans must be fully repaid through payroll deductions within five years. Any loan not repaid at the end of five years is treated as a distribution. The interest rate on the loans is based on the prime rate of interest published by *The Wall Street Journal* on the date the loan is processed plus 1%. The interest rate on the outstanding loans as of December 31, 2022 ranged from 4.25% to 8.00%. The outstanding notes receivable from participants as of December 31, 2022 and 2021 amounted to \$57,609 and \$48,220, respectively, and mature at various dates through 2028.

Payment of Benefits

Participants may make complete or partial withdrawals at any time after reaching age 59½, termination of employment or financial hardship, subject to certain limitations. In the event of termination of employment, retirement, death, or total and permanent disability, all of the participant's vested contributions and earnings thereon will be paid at the participant's option in a lump-sum distribution.

Forfeitures

Forfeitures are maintained in the Plan and may be used to pay Plan expenses, reduce Employer contributions, or allocated to other participants. The order of application is at the discretion of the Plan Sponsor. As of December 31, 2022 and 2021, the Plan had non-vested forfeiture accounts in the amount of \$3,942 and \$5,233, respectively. During the year ended December 31, 2022, \$3,786 of forfeitures were used to reduce Employer contributions and no forfeitures were used to reduce administrative expenses.

Administrative Expenses

Administrative expenses incurred by the Plan are substantially absorbed by the Plan Sponsor. However, participants are charged for loan and investment fees. Administrative expenses amounted to \$1,819 for the year ended December 31, 2022.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America ("GAAP"). Under this method of accounting, contributions and investment income are recorded when earned, benefit payments are recorded when paid, and expenses are recorded when incurred. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date.

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value and are held by John Hancock Life Insurance Company (U.S.A.) (the "Custodian"). Shares of investments in pooled separate accounts are valued at the net asset value ("NAV") of shares held by the Plan at year-end. Common/collective trust fund fair values are determined by the respective fund manager using NAV as a practical expedient. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. See Note 4 for further discussion of fair value measurements.

Hana Group US LLC 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

Investment transactions are recorded on a trade-date basis. Gains and losses on sale of investments are based on the average cost method. The net depreciation in fair value of investments in the accompanying statement of changes in net assets available for benefits includes the total change in unrealized gains (losses) of investments held at year-end plus realized gains (losses) on investments sold during the period. Certain investment-related expenses are included in net depreciation in fair value of investments and are not readily determinable. Dividends are recorded on the ex-dividend date. Interest income is recorded when earned.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

The notes receivable from participants are valued at cost plus accrued interest which approximates fair value. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent notes receivable from participants are recorded as distributions on the basis of the terms in the Plan document.

3. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN (UNAUDITED)

No auditing procedures were performed by the independent auditor as permitted by ERISA Section 103(a)(3)(C) with respect to information certified as complete and accurate by the Custodian, except for comparing such information with the information reported in the financial statements. Based on information provided and certified by the Custodian, there are no fixed income obligations, leases, or debt instruments in default or deemed uncollectible, as defined by ERISA, as of December 31, 2022 and 2021. Accordingly, the Custodian of the Plan assets has certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021 as well as the schedule of assets (held at end of year) as of December 31, 2022.
- Net depreciation in fair value of investments, interest income and interest income on notes receivable from participants reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2022.

4. FAIR VALUE ACCOUNTING

Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. Such inputs include quoted prices in active markets for identical assets or liabilities.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Hana Group US LLC 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for the periods presented in these financial statements.

Pooled Separate Accounts: Investments in pooled separate accounts are valued at the NAV of units of a group annuity contract. The NAV, as provided by the Custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used if it is determined to be probable that the group annuity contract will be sold for an amount different from the reported NAV.

Common/Collective Trust: Investments in wrapper contracts are measured at fair value using a discounted cash flow model, which considers recent fee bids as determined by recognized dealers, discount rate, and the duration of the underlying portfolio securities. The investment is valued at the NAV of units of a bank collective trust. The NAV, as provided by the Custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

In accordance with Accounting Standards Update 2015-07, investments where NAV is used as a practical expedient to estimate fair value are not required to be categorized within the fair value hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following is a summary of the Plan's investments for which fair value is estimated using the net asset value per share:

	Fair Value at December 31,		Unfunded	Redemption	Notice
	2022	2021	Commitment	Frequency	Period
Pooled separate accounts	\$ 2,950,160	\$ 3,119,559	\$ -	Daily*	Daily
Common/collective trust	\$ 54,230	\$ 36,245	\$ -	Daily	Daily

*A maximum of two exchanges between funds per participant account is permitted per calendar month.

Hana Group US LLC 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

5. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of pooled separate accounts and a common/collective trust managed by the Custodian. These transactions and notes receivable from participants qualify as party-in-interest transactions. Administrative expenses amounted to \$1,819 for the year ended December 31, 2022. Investment-related fees are included in net depreciation in fair value of investments and are not readily determinable.

6. INCOME TAX STATUS

The Plan adopted a prototype volume submitter profit sharing 401(k) Plan. By letter dated June 30, 2020, the Internal Revenue Service ("IRS") has determined that the prototype plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC").

The Plan itself has not received an opinion letter from the IRS. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by applicable taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. In addition, there has been no income tax related interest or penalties for the periods presented in these financial statements.

7. RISKS AND UNCERTAINTIES

The Plan provides for investments in various securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statements of net assets available for benefits.

8. PLAN TERMINATION

Although the Plan Sponsor has not expressed any intent to do so, it has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

9. SUBSEQUENT EVENTS

Subsequent events were evaluated through October 13, 2023, the date the financial statements were available to be issued. Based on that evaluation, the Plan's management has determined that no subsequent events have occurred that require disclosure in or adjustment to the financial statements.
