INDEPENDENT AUDITORS' REPORT

To The Trustees
Samar Hospitality, LTD 401(k) Plan
Westbury, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Samar Hospitality, LTD 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all

DocuSign Envelope ID: D5AEC03D-8FD2-49F5-8E42-EFB870CCD3F0

material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Samar Hospitality, LTD 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Samar Hospitality, LTD 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error,

DocuSign Envelope ID: D5AEC03D-8FD2-49F5-8E42-EFB870CCD3F0

as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Samar Hospitality, LTD 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Samar Hospitality, LTD 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE A – DESCRIPTION OF PLAN

Samar Hospitality, Ltd. (the "Plan Sponsor") established the Samar Hospitality, Ltd. 401(k) Plan (the "Plan"), as a defined contribution plan for employees of Samar Hospitality, Ltd. And its participating employers (collectively, the "Company"). Participating employers include 333 South Service Road, LLC, Adria Operating Corp., Brush Hollow Inn, LLC, Samar 2020 Florida, LLC, and Sussex Great Neck LLC. The Plan was originally established effective January 1, 2014 and restated effective January 1, 2015.

General

The Plan is a 401(k) defined contribution plan covering substantially all employees of the Company who have completed one year of service with the Company and 1,000 credited service hours and are age 21 or older, except for 1) employees whose retirement benefits have been collectively bargained, 2) any leased employees, and 3) non-resident alien employees. An employee may enter the Plan on the first day of the pay period coinciding with or next pay period following the date on which the employee meets the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act ("ERISA").

Plan Amendments and Other Plan Changes

Effective January 1, 2021, the Plan was amended to incorporate the provisions of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act. The CARES Act allowed eligible individuals to receive COVID-19 relief in the form of coronavirus-related distributions and a delay in the due date for repayments for outstanding plan loans, for the period March 27, 2020 through December 31, 2020.

Contributions

Each year, participants may contribute from 1% up to 100% of pretax annual compensation, as defined in the Plan, as either tax-deferred contributions or as after-tax ROTH contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified benefit or defined contribution plans (rollover). Under the terms of the Plan, the Company has elected to make a safe-harbor matching contribution. For the year ended December 31, 2022, the Company made a safe-harbor matching contribution in an amount equal to 100% of a participant's contributions up to 3% of their compensation and 50% of a participant's contributions that exceed 3% of compensation but not to exceed 5% of their compensation. . The

NOTE A – DESCRIPTION OF PLAN – CONTINUED

Contributions (continued)

Company may make a discretionary profit-sharing contribution to the Plan on a participant's behalf if they have completed at least 1,000 hours of service during the plan year and are employed by the Company on the last day of the plan year. There was no discretionary profit-sharing contribution for the year ended December 31, 2022.

Investments of pre-tax, ROTH, rollover, and employer safe-harbor contributions are participant directed. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit-sharing contribution (if any) and Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their elective contributions, the rollover portion of their account balances, safe-harbor matching contributions, plus actual earnings thereon. Vesting in the Company's profit-sharing contribution portion of their accounts is based on years of continuous service. A participant is vested evenly at 20% increments over a five-year period.

One hundred percent of the amount credited to participants who are presently employed shall become fully vested in their account balance upon: (1) death; or (2) the effective date of termination of employment by reason of disability.

Notes Receivable from Participants

A participant may borrow from their Plan accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The maximum number of outstanding loans at any time is one per participant. The loans are secured by the balance in the participant's account and bear interest at prime plus one percent. Loans are generally repaid within five years of the date on which the loan's funds are disbursed. If the loan is for the purchase of a primary residence, the repayment can be longer than five years. Principal and interest is paid ratably through weekly payroll deductions. For the year ended December 31, 2022, loan interest rates ranged from 4.25% to 7.25%.

NOTE A – DESCRIPTION OF PLAN – CONTINUED

Payment of Benefits

Participants may elect to receive a distribution of their benefits upon retirement, death, disability in service distribution, in the event of an immediate and heavy financial hardship (as defined) or upon termination of employment. The normal retirement age under the Plan is 65. Participants receiving distributions for termination of employment may receive the value of their vested balance distributed to them as soon as administratively feasible following termination, in the form of a rollover to an IRA or other employer retirement plan, or a taxable distribution made directly to the participant.

Participants' benefits are included in deductions from net assets during the period when vested members reach the normal retirement date and are paid, unless the participants continue in service after reaching the normal retirement date and postpone payment of accrued benefits until the deferred retirement date or otherwise terminate employment. Benefit payments occur no later than 60 days following the Plan year in which the participants separate themselves from service. Following severance of employment, the Company may distribute participant balances less than $5,000 as soon as administratively feasible.

Hardship Withdrawals

Hardship withdrawals by Plan participants may be made upon written request to, and upon approval of, the Plan Trustees. If approved, the distribution can be made out of the elective deferral, Roth elective deferral and rollover contribution accounts of the participant and shall be limited to the amount of the contributions to such account. No amount of income on such contributions may be withdrawn. All requests must be made in writing.

Forfeited Accounts

The forfeiture account is comprised of amounts formerly allocated to individual accounts of participants upon the participant's separation of service. The forfeited amount is the nonvested portion of the employer discretionary contribution. These amounts are used to reduce contributions made by the Company. There were no forfeited nonvested amounts for both the years ended December 31, 2022 and 2021.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on an accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

DocuSign Envelope ID: D5AEC03D-8FD2-49F5-8E42-EFB870CCD3F0

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make significant estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expense

Certain expenses of maintaining the Plan are paid by the Plan, including administrative, professional, and advisory fees, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Subsequent Events

The Plan has evaluated all events that occurred after December 31, 2022 but before the financial statements were available to be issued, October 16, 2023, to determine if they must be reported. Management determined that there were no reportable subsequent events to be disclosed.

NOTE C – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under the Financial Accounting Standards Board's ("FASB") guidance for Fair Value Measurements ASC 820 are described as follows:

Level 1 - Inputs to valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022.

DocuSign Envelope ID: D5AEC03D-8FD2-49F5-8E42-EFB870CCD3F0

NOTE C – FAIR VALUE MEASUREMENTS – CONTINUED

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust – Valued at the NAV of the fund. The NAV, as provided by the Custodian, is used as a practical expedient to estimate fair value and is based on the fair value of the underlying investments held by the fund, less its liabilities.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2022 and 2021:

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total

Investments Measured at Net Asset Value				30,192
Total Investments Measured at Fair Value				$ 2,533,495

The Plan's policy is to recognize transfers into and out of any level as of the date of the event or change in circumstances that caused the transfer. There were no transfers into or out of any level for the years ended December 31, 2022 and 2021.

The following describes the investment strategy for the investment valued using NAV as the practical expedient held by the Plan for the years ended December 31, 2022 and 2021:

Reliance MetLife Stable Value Fund – The fund's objective is the safety and preservation of principal and accumulated interest for participant-initiated transactions. The interest credited to balances in the fund will reflect both current market conditions and performance of the underlying investments in the fund. The fund invests entirely in the MetLife Group Annuity Contract 25157 which consist of separately managed investment portfolios directed by Reliance Trust Company.

NOTE D – RELATED-PARTY AND PARTY-IN-INTERST TRANSACTIONS

Certain Plan investments are managed by Capital Bank & Trust Company. Capital Bank and Trust Company is the trustee and recordkeeper for the Plan and, therefore, these transactions qualify as party-in-interest transactions.

The Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as party-in-interest transactions.

The Company performs certain administrative functions on behalf of the Plan, for which no fees are charged.

DocuSign Envelope ID: D5AEC03D-8FD2-49F5-8E42-EFB870CCD3F0

NOTE E – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE F – INFORMATION CERTIFIED BY THE TRUSTEE

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Capital Bank and Trust Company, a qualified institution, has certified that the following investment included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments, at fair value and notes receivable from participants as reflected in the statements of net assets available for benefits as of December 31, 2022 and 2021.
- Net depreciation in fair value of investments, dividend income and interest income on notes receivable from participants as reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2022.
- Investments reflected in the Schedule H (Form 5500), Line 4i – Scheule of Assets (Held at End of Year) as December 31, 2022.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and Schedule H (Form 5500), Line 4i – Schedule of Assets (Held at End of Year).

NOTE G – TAX STATUS

The Plan operates under a non-standardized pre-approved plan document sponsored by CCH Incorporated DBA FTWilliam Com that has received an opinion letter dated June 30, 2020 from the Internal Revenue Service (IRS) as to the non-standardized pre-approved plan's qualified status. The non-standardized pre-approved plan opinion letter has been relied upon by this Plan. The Plan has been amended since receiving the opinion letter, however, the Plan Administrator believes the Plan is designed and is operated in compliance with the applicable requirements of the Code.

GAAP requires plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely that not would be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to tax examinations for years prior to 2019.

NOTE H – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
