INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Janitronics/The Maids 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Janitronics/The Maids 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

JANITRONICS/THE MAIDS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1 — DESCRIPTION OF THE PLAN

General: Janitronics/The Maids 401(k) Plan (the "Plan"), which was adopted July 1, 1995, is a defined contribution plan which includes a qualified cash or deferred arrangement under Section 401(k) of the Internal Revenue Code. The Plan covers substantially all full-time employees of Janitronics/The Maids (the "Company") who have met certain age and length of service requirements. The Plan is subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The following description of the Janitronics/The Maids 401(k) Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

Eligibility: Employees are eligible to participate in the plan once they complete one year with 1,000 hours of service and are 21 years of age.

Contributions: The Plan allows participants to contribute up to 100% of compensation up to the annual limits established by the federal government. At the discretion of the employer, the employer may match contributions made by eligible participants for the year. For the 2022 and 2021 Plan years, the approved employer match was 20% of the employees' contribution. The Plan permits rollover contributions from any employee, even if the employee is not otherwise eligible to participate in the Plan.

Participant accounts: Participant accounts are credited with individual contributions, employer contributions, and allocated plan earnings (or losses). Plan earnings (or losses) are allocated to participant accounts in proportion to the balance in each participant's account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment options: A participant may direct employee contributions into various investment options offered by the Plan. Participants may change their investment options once each month.

Vesting: Participants are fully and immediately vested in their own contributions plus earnings thereon. Vesting in the Company funded portion of their accounts is based on a 6-year vesting schedule, under which a participant has no vesting in the first year, with 20% vesting each year thereafter, with 100% vesting occurring with the completion of 6 years of service. Upon retirement, permanent disability, or death before retirement, the participant will be fully vested, regardless of the years of service.

Forfeitures: Forfeitures of any nonvested portions of accumulated balances for terminated employees are recognized in the year the participant withdraws their vested accumulated balance or after five one-year breaks in service. Forfeitures are used to offset future employer contributions. At December 31, 2022 and 2021 forfeited non-vested accounts totaled \$11,212 and \$3,188.

Benefits: Upon termination of service or retirement, a participant is entitled to receive a lump-sum distribution of his or her vested account balance.

NOTE 2 — SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting: The financial statements of the Plan are prepared on the accrual basis of accounting. Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would normally receive if they were to initiate permitted transactions under the terms of the Plan.

JANITRONICS/THE MAIDS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 2 — SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Investments valuation and income recognition: Investments are reported at fair value except for benefit-responsive investment contracts, which are valued at contract value (Note 5). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits: Benefits are recorded when paid.

Administrative expenses: Substantially all of the expenses of the Plan are paid by the Plan Sponsor.

Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Subsequent events: In preparing these financial statements, management has evaluated events and transactions for potential recognition or disclosure through October 13, 2023, the date the financial statements were available for issuance.

NOTE 3 — PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, all participants become 100% vested in their accounts.

NOTE 4 — INFORMATION CERTIFIED BY THE CUSTODIAN AND TRUSTEE

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Talcott Resolution Life Insurance Company (the custodian) held the Plan's investment assets and executed investment transactions for the year ended December 31, 2021. Empower (the custodian and trustee) held the Plan's investment assets and executed investment transactions for the period from January 1, 2022 through July 18, 2022. Fidelity Management Trust Company (the custodian and trustee) held the Plan's investment assets and executed investment transactions for the period from July 18, 2022 through December 31, 2022. Accordingly, Talcott Resolution Life Insurance Company, Empower and Fidelity Management Trust Company have furnished certain financial information included in the financial statements to the plan administrator and certified as to its completeness and accuracy. This information includes investments and investment income. Investments are comprised of the following funds at December 31:

	<u>2022</u>	<u>2021</u>
Mutual Funds	\$5,597,433	\$ -
Pooled Separate Accounts	-	7,307,197
Fixed Investment Contracts (Note 5)	<u>702,166</u>	<u>603,900</u>
	<u>\$6,299,599</u>	<u>\$7,911,097</u>

JANITRONICS/THE MAIDS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 5 — FIXED INVESTMENT CONTRACTS

The Plan maintains benefit responsive fixed investment contracts with insurance companies (the "investment contract issuers") which approximated \$702,200 and \$603,900 at December 31, 2022 and 2021, respectively. The investment contract issuers maintain the contributions in a general asset account which is guaranteed by the investment contract issuers' claims paying ability. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contracts are included in the financial statements at contract value, as reported to the Plan by the investment contract issuers. Contract value represents contributions made under the contracts, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The investment contract issuers are contractually obligated to repay the principal and specified interest rate that is guaranteed to the Plan.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. For the year ended December 31, 2021 and for the period from January 1, 2022 through July 18, 2022, the crediting interest rate is based on a formula agreed upon with the investment contract issuers, but it may not be less than 3%. For the period from July 18, 2022 to December 31, 2022, the crediting interest rate is based on a formula agreed upon with the investment contract issuers, and the guaranteed minimum rate is 1%. Such interest rates are reviewed on a quarterly basis for resetting. The average yield based on actual earnings for the contracts for the years ended December 31, 2022 and 2021, was approximately 3% in both years.

Certain events limit the ability of the Plan to transact at contract value with the investment contract issuers. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other plan events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

The fixed investment contracts do not permit the investment contract issuers to terminate the agreement prior to the scheduled maturity date.

NOTE 6 — FAIR VALUE MEASUREMENTS

The Plan follows the accounting for fair value measurements and disclosures, which defines fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under this accounting are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

JANITRONICS/THE MAIDS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 6 — FAIR VALUE MEASUREMENTS (Continued)

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.

Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Inputs that are unobservable inputs for the asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

- Pooled separate accounts and mutual funds: Unit value calculated based on observable net asset value ("NAV") of the underlying investments. These investments publish their NAV daily and transact at that price.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 5,597,433	\$ -	\$ -	\$ 5,597,433
Total assets at fair value	<u>\$ 5,597,433</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,597,433</u>
Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Pooled Separate Accounts	\$ 7,307,197	\$ -	\$ -	\$ 7,307,197
Total assets at fair value	<u>\$ 7,307,197</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 7,307,197</u>

NOTE 7 — INCOME TAX STATUS

The Plan Sponsor has adopted a standardized Mass-Submitter Prototype Plan which complies with the requirements of the Internal Revenue Code ("IRC"). However, the Plan does have its own separate IRS determination letter dated June 30, 2020 indicating that the Plan is qualified under IRC § 401(a) and is exempt from tax under IRC § 501(c).

JANITRONICS/THE MAIDS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 7 — INCOME TAX STATUS (Continued)

The IRS has determined that the Plan is qualified under applicable sections of the IRC and, accordingly, the associated trust is tax-exempt under these sections of the IRC. The Plan is required to operate in conformity with the IRC to maintain its qualification.

The plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 — PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are managed by Empower and Fidelity Management Trust Company. Empower and Fidelity Management Trust Company hold the Plan investments and, therefore, these transactions qualify as party-in-interest transactions, which are exempt from prohibited transaction rules. Fees incurred and paid directly by the Plan for investment management services were \$10,545 and \$3,960 for the years ended December 31, 2022 and 2021, respectively.

NOTE 9 — RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 — RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statement to the Form 5500 as follows:

	December 31,	
	2022	2021
Net assets available for benefits per the financial statements	\$ 6,365,654	\$ 7,927,766
