INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Heuberger Motors, Inc. 401(k) Plan
Colorado Springs, Colorado 80905

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Heuberger Motors, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits – cash basis as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits - cash basis for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Heuberger Motors, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

INDEPENDENT AUDITORS' REPORT - CONTINUED

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Heuberger Motors, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to the summary of significant accounting policies, which describes the basis of accounting. The financial statements (and supplemental schedules) were prepared on a the cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Heuberger Motors, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material

INDEPENDENT AUDITORS' REPORT - CONTINUED

misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Heuberger Motors, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Heuberger Motors, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedules of assets (held at end of year) - cash basis as of December 31, 2022 and 2021 are presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records

used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HEUBERGER MOTORS, INC. 401(k) PLAN NOTES TO FINANCIAL STATEMENTS

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Description - The following description of the Heuberger Motors, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all employees of the Heuberger Motors, Inc. 401(k) Plan (Company) who have at least one year of service (minimum of 1,000 hours) and are of age 21. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Basis of Presentation - The accompanying financial statements have been prepared on the cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Under that basis, certain revenues and related assets are recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligation is incurred. Consequently, the Plan has not recognized contributions receivable from participants or the employer and their related effects on earnings in the accompanying financial statements.

Investment Valuation and Income Recognition - Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares at year-end. Collective Trust Funds are valued at Net Asset per Share Practical Expedient (NAVPE) method, which in accordance with accounting principles generally accepted in the United States of America (GAAP) are removed from the fair value leveling table and shown as a reconciling item. See NOTE 4 for fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Estimates - The preparation of financial statements in conformity with the cash basis of accounting requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Tax Status - The Plan does not have a determination letter from the Internal Revenue Service. The plan custodian has received a favorable opinion letter for its prototype non-standardized profit-sharing plan, on which it is based. The plan administrator and custodian believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Contributions - Each year, participants may contribute up to any percentage of pretax annual compensation so long as these contributions do not exceed the dollar limits as set by law. The limit was \$20,500 for 2022 and \$19,500 for 2021. Participants may also, on an after-tax basis, make Roth deferrals based on the same annual limits.

Participants who have attained the age of 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company will contribute a matching contribution to participant accounts in an amount equal to 50% of the matched employee contributions that are not in excess of 4% of compensation. In its sole discretion, the Company may make a nonelective contribution to the Plan, for participants who have completed at least one year and 1,000 hours of service during the plan year and are employed by the Company on the last day of the plan year. Eligibility for all such contributions is based on eligibility rules set forth by the plan administrator.

Participant Accounts - Each participant's account is credited with the participant's contribution to include rollovers if allowed, and allocations of (a) the Company's contribution and, (b) plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their elective deferrals including catch-up contributions, employee (after tax) contributions, rollover contributions, and nonelective contributions. Employees will always be 100% vested in their matching contributions if they were employed on or after normal retirement age, termination due to death, or disability. Vested percentages attributable to matching contributions are determined under the following schedule.

Vesting Schedule	
Matching Contributions	
Periods of Service	Percentage
Less than 1	0%
1	34%
2	67%
3 or more	100%

Notes Receivable from Participants - Participants may borrow from their fund accounts, a minimum of \$1,000, and a maximum of the lesser of 50% of their vested account balance or \$50,000. The loans are secured by the balance in the participants' account and have interest rates ranging from 4.25% to 8.0%.

Payment of Benefits - Participants who terminate employment with a vested benefit of less than \$5,000 will receive a lump-sum distribution within a reasonable time after employment is terminated. If the vested benefit is greater than \$5,000, the participant may elect to defer receipt of their benefit.

NOTES TO FINANCIAL STATEMENTS**

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Forfeited Accounts - Forfeitures may be used to pay plan expenses or used to reduce any matching contribution

Payments of Benefits - Benefits are recorded when paid.

Operating Expenses – Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments. Administrative expenses of the plan are allocated to participant accounts.

NOTE 1 – PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are invested in pooled, common, and collective funds managed by Great West Life & Annuity Insurance Company the custodian as defined by the Plan and, therefore, transactions during the year qualify as party-in-interest transactions.

Nonexempt Party-In-Interest Transactions – During 2021 certain participant contributions were not remitted to the Plan timely and were considered to be delinquent under DOL Regulation 2510.3-102. Subsequent to year end management has calculated and remitted to the Plan the amount representing participants' lost earnings. Plan management does to believe the late remittance had a material effect on the financial statements nor did it affect the qualified tax status of the Plan.

NOTE 2 – 2022 RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500:

Amounts allocated to withdrawing participants are recorded on the Schedule H of Form 5500 for benefit claims that have been processed and approved for payment prior to December 31, but not yet paid as of that date.

NOTE 4 – FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements: The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded. The fair values of common stocks are based on the closing price reported on the active market where the individual securities are traded. Stable value collective trust funds are composed primarily of fully benefit-responsive investment contracts that are valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value.

Level 2 Fair Value Measurements: The fair value of corporate bonds and U.S. government securities are valued using a market approach on yields currently available on comparable securities of issuers with similar credit ratings. Other than quoted market prices included in Level 1 that are observable for the asset or liability, either directly or indirectly (e.g., quoted market prices of similar assets or liabilities in an active market, or quoted market prices for identical or similar assets or liabilities in markets that are not active).

NOTES TO FINANCIAL STATEMENTS

NOTE 5 – FAIR VALUE MEASUREMENTS- Continued

Level 3 Fair Value Measurements: Unobservable (e.g., an organization's own data) and should be used to measure fair value to the extent that observable inputs are not available.

The following are the major categories of assets measured at fair value on a recurring basis during the year ended December 31, 2022:

<u>Description</u>	<u>Fair Value</u>	<u>Level 1</u> Quoted Prices in Active Markets	<u>Level 2</u> Significant Other Observable Inputs	<u>Level 3</u> Significant Unobservable Inputs

Investments measured at NAVPE method	5,212,512			
Total investments at fair value	<u>\$ 5,897,300</u>			

NOTE 6 – PLAN TERMINATION AND AMENDMENTS

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

In February 2021, the Plan adopted a new plan document to bring the plan into compliance with new requirements from IRS Notice 2017-37. Plan participants should refer to the new plan document provided by management and Plan Administrator of the Plan.

HEUBERGER MOTORS, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 7 – COMMON COLLECTIVE TRUSTS

The Plan has investments in fixed income funds offered exclusively to defined contribution retirement plans and government deferred compensation plans. These funds typically invest in a variety of investment contracts including traditional Guaranteed Investment contracts (GIC's), Security Backed Investment Contracts (also known as Synthetic GIC's) and separate account GIC's. Assets are held in common and collective trusts. The Net asset value (NAV) of the these funds at December 31, 2022, and 2021, was \$4,831,150, and \$5,212,512, respectively.

NOTE 8 – SUBSEQUENT EVENTS

Management has evaluated subsequent events through the date of the Independent Auditors' Report date, the date on which the financial statements were available to be issued.
