INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
LEFEBVRE COMPANIES, INC. EMPLOYEES' PROFIT SHARING PLAN AND TRUST

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of LEFEBVRE COMPANIES, INC. EMPLOYEES' PROFIT SHARING PLAN AND TRUST, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of LEFEBVRE COMPANIES, INC. EMPLOYEES' PROFIT SHARING PLAN AND TRUST's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of LEFEBVRE COMPANIES, INC. EMPLOYEES' PROFIT SHARING PLAN AND TRUST and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about LEFEBVRE COMPANIES, INC. EMPLOYEES' PROFIT SHARING PLAN AND TRUST's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of LEFEBVRE COMPANIES, INC. EMPLOYEES' PROFIT SHARING PLAN AND TRUST's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about LEFEBVRE COMPANIES, INC. EMPLOYEES' PROFIT SHARING PLAN AND TRUST's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

EMPLOYEES' PROFIT SHARING PLAN AND TRUST**

NOTES TO FINANCIAL STATEMENTS

NOTE A. DESCRIPTION OF THE PLAN

The following description of the LEFEBVRE COMPANIES, INC. EMPLOYEES' PROFIT SHARING PLAN AND TRUST (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution profit-sharing plan with 401(k) features. It is subject to the provisions of the Employee Retirement Income Security Act (ERISA).

Entities

The Plan consists of participants from LeFebvre Companies, Inc. and LeFebvre and Sons, Inc., employers under common control.

Eligibility

Eligible employees of the Plan Sponsor may participate after reaching the age of 18 and completing 60 days of employment. Employees will begin participation in the Plan on the first of the month following the date the eligibility requirements are met. The Company match does not begin until the first of the month after the employee completes a minimum of one year and 1,000 hours of service.

Contributions

Each year, participants may contribute pretax or after tax annual compensation, as defined in the Plan, subject to Internal Revenue Service (IRS) limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The employers may make matching contributions equal to a discretionary percentage to be determined by the employers. The employers made matching contributions of 20% of the participants' contribution to the Plan up to 6% for the years ended December 31, 2022 and 2021.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contributions, the employers' discretionary profit sharing contributions, and Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

EMPLOYEES' PROFIT SHARING PLAN AND TRUST**

NOTES TO FINANCIAL STATEMENTS

NOTE A. DESCRIPTION OF THE PLAN (Continued)

Investments

Participants direct the investment of their contributions and the employer's matching contributions into any of the 27 different investment funds.

Vesting

Participants are vested immediately in their voluntary 401(k) contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of vesting service. The Plan applies a four-year graduated vesting schedule for employer discretionary matching contributions. Participants will be 100% vested in their matching contributions after four years of vesting service or at the time of death, disability, or retirement, provided the person has reached normal retirement age.

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest based on inquiry with professional lenders in the same geographic area of the participant and Plan Sponsor to determine the prevailing interest rate for loans under like circumstances. Loans require repayment within five years from the loan date, unless the loan is for the purchase of the participant's primary residence, in which case the repayment may be for a reasonable period of time that may exceed five years.

Payment of Benefits

If employment terminates for reasons other than death, disability, or early or normal retirement, participants are entitled to receive only the vested percentage of their account balance. If the account balance does not exceed \$5,000, a distribution will be made regardless of whether the participant consents to receive it.

Forfeitures

Forfeited nonvested accounts are used to either reduce the Company's matching contributions or to pay Plan expenses in accordance with the provisions of the Plan. The balance of forfeited nonvested accounts as of December 31, 2022 and 2021 was \$4,038 and \$2,752, respectively. During the years ended December 31, 2022 and 2021, there were no forfeitures used to pay administrative expenses.

NOTES TO FINANCIAL STATEMENTS

NOTE A. DESCRIPTION OF THE PLAN (Continued)

Significant Costs

The employer absorbs significant costs for the Plan administration fees and audit fees.

NOTE B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements and supplemental schedules of the Plan were prepared in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect amounts reported on the financial statements and accompanying notes. Accordingly, actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risks associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value was determined using the net asset values of mutual funds, which was determined by the net asset value of the underlying shares. Notes receivable from participants are valued at their outstanding principal balances, which approximates fair value.

EMPLOYEES' PROFIT SHARING PLAN AND TRUST**

NOTES TO FINANCIAL STATEMENTS

NOTE B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded as received.

Payment of Benefits

Benefits are recorded when paid.

Tax Positions Interest and Penalty

Interest recognized on underpayment of income taxes is recorded to interest expense. Penalties recognized on tax positions are recorded to income tax expense. During the years ended December 31, 2022 and 2021 there were no underpayment interest or penalties to recognize.

Secure Act 2.0

On December 28, 2022, the Consolidated Appropriations Act of 2023 was signed into law, which includes the package of retirement provisions referred to as "SECURE ACT 2.0". These provisions continue to the themes and reforms that began with the 2019 SECURE ACT, focusing on getting more participants into the retirement system and finding ways for them to accumulate more assets. These changes have various effective dates starting in 2023 and forward. Since the provisions include both required and optional elements, the Plan administrator will determine the optional provisions to elect.

NOTE C. INCOME TAX STATUS

The IRS has determined and informed the Plan sponsor by a letter dated March 31, 2014, that the Plan Prototype and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC).

Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

EMPLOYEES' PROFIT SHARING PLAN AND TRUST**

NOTES TO FINANCIAL STATEMENTS

NOTE D. CERTIFICATION BY THE TRUSTEE

The Trustee has provided the plan administrator with certifications as to the completeness and accuracy of investment assets and notes receivable from participants aggregating \$5,212,253 and \$6,422,111 as of December 31, 2022 and 2021, respectively, and the related net investment income, including the net appreciation (depreciation) in fair value of such assets, of \$(1,085,472) and \$887,058 for the years ended December 31, 2022 and 2021, respectively. Such amounts and all related financial data are included in the accompanying financial statements and supplemental schedules of the Plan based on such certifications from the Trustee as being complete and accurate.

NOTE E. FAIR VALUE MEASUREMENTS

FASB ASC 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of fair value hierarchy under FASB ASC 820 are described below:

Basis of Fair Value Measurement

- | | |
|---------|--|
| Level 1 | Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities; |
| Level 2 | Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly; |
| Level 3 | Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable. |

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following tables present by level, within the fair value hierarchy, the Plan investment assets at fair value, as of December 31, 2022 and 2021. As required by FASB ASC 820, investment assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.

NOTES TO FINANCIAL STATEMENTS

NOTE F. PARTY-IN-INTEREST TRANSACTIONS

Transactions resulting in Plan assets being transferred to or used by a related party are prohibited under ERISA unless a specific exemption applies. However, such transactions are exempt under Section 408(b)(8) and are not prohibited by ERISA.

NOTE G. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in the Company's contributions.
