Independent Auditor's Report

Plan Administrator and Trustees
4 Bears Casino & Lodge 401k Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of 4 Bears Casino & Lodge 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021 and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of 4 Bears Casino & Lodge 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 4 Bears Casino & Lodge 401(K) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 4 Bears Casino & Lodge 401(K) Plan ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 4 Bears Casino & Lodge 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 4 Bears Casino & Lodge 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4(a) – Schedule of Delinquent Participant Contributions for the year ended December 31, 2022 and Schedule H, line 4(i) - Schedule of Assets (Held At End of Year) as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

1. Basis of Presentation

The accompanying financial statements of 4 Bears Casino & Lodge 401k Plan (the Plan) have been prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

2. Valuation of Investments

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants on the measurement date.

As described in the Accounting Standards Codification ("ASC"), 946, *Financial Services – Investment Companies*, investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales are recorded on the trade date. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan presents, in the statement of changes in net assets available for benefits, the net change in the fair value of its investments which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments.

3. Participant Direction of Investments

Subject to the provisions of the Plan, a participant has the right to direct the investments of the balance in their accounts in the specific investment funds made available by the Plan administrator. At December 31, 2022 and 2021, all investments are participant directed.

4 Bears Casino & Lodge 401k Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

4. Payment of Benefits

Benefits are recorded when paid.

5. Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by 4 Bears Casino & Lodge (the Employer) and are excluded from these financial statements. Investment advisory fees are paid by the Plan and expensed as incurred. Fees related to the administration of distributions are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) of fair value of investments.

6. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

NOTE B - DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution plan covering substantially all employees of 4 Bears Casino & Lodge (the Employer). Upon reaching age 18 and completing one year of service, an employee is eligible to participate in salary deferral contributions and Employer contributions. A year of service is a consecutive 12-month period in which an employee has 1,000 or more hours of service. To receive discretionary profit-sharing contributions, the participant must be employed as of the last day of the Plan year and be making salary deferral contributions. An eligible employee may become a participant on the next entrance date, which is the first day of January and the first day of July of the Plan year.

4 Bears Casino & Lodge 401k Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE B - DESCRIPTION OF THE PLAN - CONTINUED

1. General - Continued

The Employer is responsible for appointing an administrator and trustee for the Plan. The trustee has discretionary powers in executing investment transactions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and the Internal Revenue Code ("IRC").

2. Contributions

The Plan allows participants to contribute up to 100% of their eligible compensation, as defined in the Plan, subject to limits imposed by the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions as allowed by the IRC. Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or contribution plans.

The Employer makes a safe harbor matching contribution equal up to 4% of the participants' eligible compensation. Each payroll period, safe harbor matching contributions are made to all participants making salary deferral contributions. The safe harbor matching contribution is 100% of the participant's elective deferrals up to 3% of the participant's eligible compensation plus 50% of the elective deferrals from 3% to 5% of the participant's eligible compensation.

The Employer may also make discretionary profit sharing, discretionary matching, qualified non-elective, and/or qualified matching contributions. During 2022, the Employer did not make any such contributions.

3. Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Employer's safe harbor contributions, (b) safe harbor matching contribution, (c) the Employer's discretionary matching and profit-sharing contributions, (d) the Employer's qualified nonelective and matching contributions, and (e) investment income or loss less Plan administration fees. Allocations are based on participant contributions to the Plan in proportion to contributions to the Plan by all participants or account balances, as defined.

4 Bears Casino & Lodge 401k Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE B - DESCRIPTION OF THE PLAN - CONTINUED

3. Participant Accounts - Continued

Changes in a participant's deferral percentage for future contributions may be made at any time. Reallocation of participant investment accounts among the investment options may be made at any time during the Plan year.

4. Vesting

Participants immediately vest in their contributions and Employer safe harbor matching contributions. Participants vest in Employer profit sharing and discretionary contributions at a rate of 20% per year of service until the employee is 100% vested after five years of service as defined by the Plan. Upon reaching normal retirement age of 65, becoming disabled or upon a participant's death, the participant becomes 100% vested in their account.

5. Forfeited Accounts

Forfeited non-vested accounts are used to defray the cost of administrative expenses of the Plan or reduce future Employer contributions. The balance of unapplied non-vested forfeitures is approximately \$1,900 and \$1,800 as of December 31, 2022, respectively. There were no Employer contributions and administrative expenses paid from forfeitures for the year ending December 31, 2022.

6. Payment of Benefits

The benefit to which a participant is entitled is the vested balance in their accounts.

Participants with balances below \$1,000 who terminate employment for reasons other than retirement, death, or disability will be required to take a lump sum distribution upon termination. Participants with balances greater than \$1,000 must consent to the distribution before it may be made.

The payment of benefits shall be made according to the election of the participant in the form of a lump sum or installment payments as prescribed by the Plan.

Hardship distributions are permitted for participants with a qualifying purpose or need. In a hardship withdrawal under the Plan, participants may distribute funds attributable to participant elective deferrals and vested Employer contributions.

NOTE B - DESCRIPTION OF THE PLAN - CONTINUED

7. Risks and Uncertainties

The Plan is comprised of a combination of investments. Investments are exposed to various risks, such as interest, market, and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits.

NOTE C - INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIANS

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the Custodians as follows:

NOTE D - FAIR VALUE MEASUREMENTS

Accounting Standards Codifications (ASC) Topic 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

4 Bears Casino & Lodge 401k Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE D – FAIR VALUE MEASUREMENTS - CONTINUED

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation method used for assets measured at fair value. There have been no changes in the method used at December 31, 2022.

Pooled separate accounts: Valued at the net asset value (NAV) as a practical expedient to fair value of the units held by the Plan at year end.

Money market and mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE D – FAIR VALUE MEASUREMENTS - CONTINUED

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021.

Investments at Fair Value as of December 31, 2022

NOTE D – FAIR VALUE MEASUREMENTS – CONTINUED

The following table sets forth additional disclosures for the fair value measurement of investments in certain entities that calculate NAV per share as a practical expedient (or its equivalent) as of December 31, 2022 and 2021:

Fair Value Estimated Using NAV Per Share as a Practical Expedient					
Investment Type	Fair Value		Unfunded Commitments	Redemption Frequency	Redemption Notice Period

Pooled separate accounts	\$ <u>-</u>	\$ <u>4,486,733</u>	\$ -	Daily	None

NOTE E – GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The following was the total contract value of each type of fully benefit responsive investment contract (FBRIC) not listed within the fair value hierarchy, as of December 31:

	2022	2021
Group annuity contract	\$ <u>-</u>	\$ <u>815,697</u>

The Plan provided an investment option issued by Talcott Resolution Life Insurance Company (Talcott) that simulated the performance of a guaranteed investment contract. Talcott maintained the contributions in a general account, which was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer was contractually obligated to repay the principal and a specific interest rate that was guaranteed to the Plan.

The contract met the FBRIC criteria and, therefore, is reported at contract value. Contract value is the relevant measure for a FBRIC because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Talcott, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations, which may be affected by future economic and regulatory developments.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE E - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY - CONTINUED

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the Plan's ability to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

NOTE F - PARTY-IN-INTEREST TRANSACTIONS

Beginning July 8, 2022, Fidelity Personal Trust Company, FSB is the custodian of the Plan, holds the Plan's investments and executes the Plan's transactions. Avantax Retirement Plan Services is the recordkeeper and third-party administrator.

Prior to July 8, 2022, Empower Annuity Insurance Company of America (formerly known as Talcott Resolution Life Insurance Company) was the custodian of the Plan, held the Plan's investments, was the Plan's record-keeper, and executed the Plan's transactions. Retirement Plan Consultants was the third-party administrator. Raymond James Financial Services was the financial advisor.

NOTE G - FEDERAL INCOME TAXES

The Plan has adopted a Volume Submitter Plan sponsored by Avantax Planning Partners. The volume submitter sponsor obtained its latest advisory letter dated June 30, 2020, which stated that the Plan, as then designed, was in accordance with applicable section of the IRC. The Plan has been amended since receiving the advisory letter, however, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator and the Plan's tax counsel believe that the Plan was qualified and the related trust is tax-exempt as of the financial statement date. See note J for reconcilable differences between the financial statements and the Form 5500 as of December 31, 2022 and 2021 and for the year ended December 31, 2022.

4 Bears Casino & Lodge 401k Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE G - FEDERAL INCOME TAXES - CONTINUED

The Plan's policy is to evaluate the likelihood that any uncertain tax positions will prevail upon examination based on the extent to which those positions have substantial support within the Internal Revenue Code and Regulations, Revenue Rulings, court decisions, and other evidence. The federal income tax returns of the Plan are subject to examination by the Internal Revenue Service, generally for three years after they were filed.

NOTE H - PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to reduce, suspend, or discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE I - SCHEDULE OF DELINQUENT PARTICIPANT CONTRIBUTIONS

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the Employer's general assets. Delinquent participant contributions for 2021 totaled \$132,343 and have been corrected as of December 31, 2022.

NOTE J - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE J – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 - CONTINUED

The following is a reconciliation of net increase in assets available for benefits per the financial statement for the year ended December 31, 2022 to net income (loss) per Schedule H of Form 5500:

Net increase in net assets available for benefit per the financial statement	\$ 9,966
Current year contribution receivables	<u>37,008</u>
Net loss, per schedule H of Form 5500	\$ <u>(27,042)</u>

The classification of increases (decreases) of net assets available for benefits reported in the statement in changes of net assets available for benefits may differ from the classifications of income and expenses reported on schedule H of the Form 5500 due to different reporting requirements for the financial statement and the Form 5500.

NOTE K – SECURE ACT 2.0

On December 29, 2022, President Biden signed into law the Consolidated Appropriations Act of 2023, which includes the package of retirement provisions referred to as "SECURE Act 2.0". SECURE Act 2.0 contains over 90 new retirement provisions continuing the reforms that began with the 2019 SECURE Act. These provisions have varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2022 financial statements.

NOTE L – SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 10, 2023, the date which the financial statements were available to be issued.
