Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of North State Grocery, Inc. 401(k) Plan (the "Plan") an employee benefit plan, subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution, as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedule of delinquent contributions and assets held at end of year as of and for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NORTH STATE GROCERY, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 1: DESCRIPTION OF PLAN

The following description of the North State Grocery, Inc. 401(k) Plan (the “Plan”) provides only summarized general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

General

The Plan became effective August 1, 1990, to provide benefits for the employees of North State Grocery, Inc. (the “Plan Sponsor”). The Plan is a defined contribution plan excluding leased, union, and non-resident alien employees. Employees of the Plan Sponsor are eligible to participate in the Plan upon attaining age twenty-one (21) and completing one (1) year of service with at least 1,000 hours. Eligible participants may enter the Plan on January 1 or July 1. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Empower Trust Company, LLC is the custodian of plan assets. An officer of the Plan Sponsor serves as the trustee.

Effective January 1, 2022, the Plan was amended and restated to incorporate previous amendments and reflect recent legislative and regulatory changes.

Plan Year

The Plan year begins January 1st and ends December 31st.

Contributions

The Plan allows for the following types of contributions:

- **Employee Salary Deferral 401(k) Contributions**

The Plan includes an elective salary deferral arrangement pursuant to Section 401(k) of the Internal Revenue Code (the “Code”). Employees may voluntarily contribute up to 100% of their eligible compensation subject to various nondiscrimination tests and limitations prescribed by the Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Roth contributions are not permitted. The Plan allows for auto-enrollment at a rate of 2% and auto-escalation of 1% each year up to 4% in an eligible participant’s second through third year of participation. Employees may elect to opt out of auto-enrollment or auto-escalation provisions.

- **Employer Profit Sharing Contributions**

The Plan Sponsor may elect to make discretionary profit-sharing contributions to the Plan in an amount determined by the Plan Sponsor. Participants must have 1,000 hours of service in the plan year to be eligible for an allocation of profit-sharing contributions. There were no profit sharing contributions for the years ending December 31, 2022 and 2021.

- **Employer Safe Harbor Matching Contributions**

The Plan Sponsor shall make safe harbor matching contributions equal to 100% of employee contributions up to 4% of the employee’s eligible compensation. The safe harbor match is deposited into North State Grocery, Inc. Employee Stock Ownership Plan accounts for the benefit of each participant at the end of the plan year. The Plan Sponsor made matching contributions of \$800,733 and \$748,957 for the years ending December 31, 2022 and 2021.

- **Employer Discretionary Matching Contributions**

The Plan Sponsor may elect to make discretionary matching contributions in addition to the safe harbor matching and profit sharing contributions. There were no discretionary matching contributions for the years ending December 31, 2022 and 2021.

- **Employee Rollover Contributions**

Participants may make rollover contributions from another qualified plan.

NOTE 1: DESCRIPTION OF PLAN (Continued)

Participant Accounts and Allocations

The Plan allows each participant the ability to self-direct their account between various investment options. Participants are allowed to invest their account in any one fund or combination of funds. Investment earnings and losses are allocated based on the actual earnings and losses in participants' self-directed accounts. Participant accounts may be charged with an allocation of administrative expenses that are paid by the Plan. The benefit to which a participant is entitled is limited to the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are 100% vested in their salary deferral contributions, rollover contributions, employer safe harbor matching contributions, and employer discretionary matching contributions plus actual earnings thereon. Vesting in the Plan Sponsor's profit-sharing contribution portion of their accounts is based on a graded 6-year schedule. A participant must work 1,000 hours in a plan year to receive 1 year of credited service. A participant is 20% vested after 2 years of service and vests an additional 20% each year thereafter until being 100% vested after six years of credited service.

Forfeitures

Forfeitures from employer contributions may be used to pay administrative expenses, reduce employer contributions, or be allocated to participants. There were no forfeited amounts available for use at December 31, 2022 and 2021. No forfeitures were used to pay administrative expenses or reduce employer contributions during the years ended December 31, 2022 and 2021.

Payment of Benefits

Payment of benefits may be made at the following times under the Plan: 1) normal retirement, 2) termination of employment of the participant, 3) disability of the participant, 4) termination of the Plan, or 5) death of the participant. Benefit payments are made in a single lump sum. For terminated participants with vested account balances less than \$5,000, the vested benefit will be automatically distributed at the time such participant becomes entitled to a distribution by the plan administrator unless a lump sum distribution is requested by the participant.

Retirement

Normal retirement is age 59½.

Administrative Expenses

Administrative expenses are paid by the Plan or the Plan Sponsor at the discretion of the Plan trustee. Expenses related to specific participant transactions are charged to the respective participant's account.

Participant Loans

The Plan does not allow participants to borrow from their accounts.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States (U.S. GAAP).

Investment Valuation and Income Recognition

Investments in securities are stated at fair market value using quoted market prices when available. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded when earned. Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in dividend income. Changes in the unit values of investments are reflected in each participant's self-directed account. Investments are valued daily.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits

Benefits to participants are recorded when paid.

Income Taxes

The Plan has adopted a Volume Submitter plan which obtained a favorable opinion letter on January 15, 2021, in which the Internal Revenue Service stated that the Plan is acceptable under Section 401 of the Code. Although the Plan has been amended since receiving the opinion letter, Plan management believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code and therefore believes that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Plan management has determined that as of December 31, 2022 there are no uncertain tax positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine examinations by taxing authorities; however, there are currently no examinations for any tax periods in progress.

Estimates and Assumptions

The preparation of these financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 3: INFORMATION CERTIFIED BY THE CUSTODIAN

The following amounts are included in these financial statements and were obtained from statements provided and certified as complete and accurate by the custodian, Empower Trust Company, LLC:

	2022	2021
Investments	\$ 13,725,711	\$ 16,098,655
Net appreciation (depreciation) in fair value of investments	\$ (3,165,051)	\$ 1,548,165
Interest and dividends	\$ 596,232	\$ 333,161

NOTE 4: PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE 5: RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

NOTE 6: PARTY-IN-INTEREST AND RELATED-PARTY TRANSACTIONS

Certain investments are managed by Empower Trust Company, LLC. Empower Trust Company, LLC is the custodian of the Plan, as defined by the Plan. Fees paid by the Plan for investment management services are recorded in net appreciation in fair value of investments. Fees for certain administrative expenses are paid to service providers which are considered parties-in-interest. These investments and transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA. Fees paid by the Plan to Empower Trust Company, LLC for administrative services were \$47,310 and \$46,619, for the years ended December 31, 2022 and 2021, respectively. Fees paid by the Plan to Kornerstone Inc. 401(k) Services for investment advisory fees were \$17,500 and \$32,917 for the years ended December 31, 2022 and 2021, respectively. Other administrative expenses were \$43,043 and \$24,349 for the years ended December 31, 2022 and 2021, respectively.

NOTE 7: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) ASC 820 provides a framework for measuring fair value. That framework provides a three-tier hierarchy that prioritizes the inputs to valuation techniques used for measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are as follows:

- Level 1 - Inputs are unadjusted quoted prices for identical assets or liabilities that the Plan has the ability to access.
- Level 2 - Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, model-based valuation techniques for which all significant assumptions are observable in the market, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3 - Inputs that are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trusts: Valued at the NAV of units of a bank collective trust. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The NAV, as provided by the trustee, is used as the practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust funds, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that security liquidations will be carried out in an orderly business manner.

Fixed Annuity: The reported values for fixed annuity options are reported daily based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider.

NOTE 7: FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

NOTE 8: PROHIBITED TRANSACTIONS

During the year ended December 31, 2022, the Plan Sponsor failed to remit \$11,559 of certain participant contributions to the Plan in a timely manner, as defined by ERISA.

NOTE 9: SUBSEQUENT EVENTS

Plan management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through October 13, 2023, the date the financial statements were available to be issued, and management has determined that no subsequent events have occurred that should be recognized or disclosed.
