## REPORT OF INDEPENDENT AUDITORS

Board of Directors  
Fairfield Medical Center 401(k) Retirement Savings Plan  
Lancaster, Ohio

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Fairfield Medical Center 401(k) Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

## **REPORT OF INDEPENDENT AUDITORS (Continued)**

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

## **REPORT OF INDEPENDENT AUDITORS (Continued)**

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial

statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is/are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# FAIRFIELD MEDICAL CENTER 401(K) RETIREMENT SAVINGS PLAN

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

---

### 1. DESCRIPTION OF PLAN

The following description of the Fairfield Medical Center 401(k) Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

#### General

The Plan is a defined contribution plan covering employees of Fairfield Medical Center (the Center) who have completed three consecutive months of service and are age 21 or older. The Plan is subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA).

#### Contributions

The Plan provides for employee salary deferral contributions up to maximum tax-deferred limitations established by the Internal Revenue Code (IRC). Participants may also make contributions to the Plan in the form of a rollover of funds from another qualified plan. Any eligible employee is automatically enrolled in the Plan by contributing 3% of eligible compensation, unless the employee opts out. The deferral rate will automatically increase 1% on the first day of the plan year, until the employee has a deferral rate of 6% of eligible compensation.

Effective January 1, 2019, the Plan was amended to provide safe harbor matching contributions of 3 percent of employees' eligible compensation. The Plan was amended to provide employer discretionary matching contributions of 50 percent of employee deferrals up to 6 percent of employee deferred compensation for 2022 and 2021. The Plan also allows for a discretionary profit-sharing employer contribution if the participant has have completed 1,000 hours of service during the plan year and is an employee of the employer on the last day of the plan year. There were no discretionary profit-sharing contributions for the year ending December 31, 2022 and 2021.

#### Participant Accounts

Prior to January 1, 2019, participant balances were directed by the trustee in accordance with the investment policy defined by the Plan. Effective January 1, 2019, the Plan was restated, and participant balances are fully participant directed into investment options offered by the Plan. Certain non-participant directed investments are in the process of being liquidated at December 31, 2022, and each participant's account will be credited with the balance after the sale based on the participants' compensation or account balances, as defined. Each participant's account is credited with the participant's contribution, allocations of the Center's contributions, and plan earnings and charged with an allocation of administrative expenses. Allocations are based on participants' compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

---

### Participant Notes Receivable

Participants may borrow from their accounts up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. Participant notes receivable are secured by the balance in the participant's account. The loan interest rate is determined by the plan administrator by reviewing interest rates charged for similar types of loans by other lenders. Principal and interest are paid ratable through bi-weekly payroll deductions.

### Payment of Benefits

Distributions are payable upon retirement, death, disability, or termination of employment in the form of a lump-sum amount equal to the vested balance of a participant's account, a single or joint survivorship annuity, or annual installments over a period no longer than 10 years. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution, less applicable taxes, or may roll over the vested interest to a qualified plan.

### Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Center's contribution portion of their accounts, plus actual earnings thereon, is based on years of continuous service. 1,000 hours of service will be required to constitute a year of vesting service. Employer contributions are fully vested at the end of two years as follows:

| <u>Years of Service</u> | <u>Percentage Vested</u> |
|-------------------------|--------------------------|
| Less than 2             | 0%                       |
| 2 or more               | 100%                     |

### Forfeited Accounts

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$510,234 and \$125,297, respectively. These accounts are used to reduce future employer contributions or to pay administrative expenses of the Plan. Forfeited amounts of \$30,751 were used to reduce employer contributions for the year ending December 31, 2022.

## **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

### Basis of Accounting

The accompanying financial statements and supplemental schedules were prepared on the accrual basis of accounting in accordance with the accounting principles generally accepted in the United States of America.

# FAIRFIELD MEDICAL CENTER 401(K) RETIREMENT SAVINGS PLAN

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

---

### Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in those assets and liabilities, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### Investment Valuation and Income Recognition

Investments are stated at fair value and consist of mutual funds with readily determinable fair values. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The value of alternative investments has been reported based on information provided by fund managers. The Center's determines the Plan's valuation policies utilizing information provided by investment advisors. See Note 4 for discussion of fair value measurements.

Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in the fair value of investments includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

### Payment of Benefits

Benefits are recorded when paid.

### Participant Notes Receivable

Participant notes receivable are recorded at their unpaid principal balances plus any accrued interest. Participant notes receivable are written off when deemed uncollectible. Interest income is recorded when payments are received. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

### Administrative Expenses

Certain expenses were paid by the Center. Other expenses, including the trustee fees, were paid by the Plan.

### Subsequent Events

The Plan has evaluated subsequent events through October 13, 2023, the date the financial statements were available to be issued.

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

---

### 3. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Park National Bank, the trustee of the Plan, has certified to the completeness and accuracy of all investments reflected on the accompanying statement of net assets available for benefits as of December 31, 2022 and 2021, and investment related activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2022.

### 4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

# FAIRFIELD MEDICAL CENTER 401(K) RETIREMENT SAVINGS PLAN

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

- Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- Pooled separate account – This fund is a pooled separate account provided under a group annuity contract issued by New York Life (NYL). The fair value equals the fair value of the Plan's share of assets invested in the underlying portfolio of assets. The fund is valued at a daily NAV based upon a crediting rate provided by NYL (Level 2).
- Alternative investments – Valued at the NAV of units of the fund. The NAV, as provided by the investment manager, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. Due to the nature of the investments held by the fund, changes in market conditions and the economic environment may significantly impact the NAV of the fund and, consequently, the fair value of the Plan's interests in the funds. Although a secondary market exists for these investments, it is not active and individual transactions are typically not observable. When transactions do occur in this limited secondary market, they may occur at discounts to the reported NAV. It is therefore reasonably possible that if the Plan were to sell these investments in the secondary market, a buyer may require a discount to the reported NAV, and the discount could be significant.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

| December 31, 2022           | Level 1               | Level 2             | Level 3     | Total                 |

## **NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021**

---

### **5. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Park National Bank is the trustee as defined by the Plan. Fees incurred are paid directly by the Plan for the investment management services.

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Center and certain others. Investment management fees were paid to Park National Bank, the trustee. Park National Bank is also the Plan's third party administrator. Blue & Co., LLC is the independent auditor for the Plan. The aforementioned parties generally receive payment from the Company.

### **6. PLAN TERMINATION**

Although it has not expressed any intent to do so, the Center has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

### **7. TAX STATUS**

The Internal Revenue Service issued an opinion letter dated June 30, 2020 indicating that the Non-Standardized Pre-Approved Profit Sharing Plan adopted by the Plan, as then designed, was in compliance with application requirements of the IRC. The plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and that the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by various federal and state taxing authorities. Management has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the accompanying financial statements.

The Plan is subject to routine audits by taxing jurisdictions. However, as of the date the financial statements were available to be issued, there were no audits for any tax periods in progress.

### **8. RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
