INDEPENDENT AUDITORS' REPORT

Opinion

We have audited the financial statements of MMG Consolidated 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of MMG Consolidated 401(k) Plan as of December 31, 2022 and 2021, and the changes in its net assets available for benefit for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of MMG Consolidated 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about MMG Consolidation 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of MMG Consolidated 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about MMG Consolidated 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of assets held at the end of the year, referred to as "supplemental information," are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Board of Trustees
MMG Consolidated 401(k) Plan
October 11, 2023

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

MMG CONSOLIDATED 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 1. DESCRIPTION OF PLAN

The following description of the MMG Consolidated, Inc. (the Company) 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan's legal document for a more complete description of the Plan's provisions.

General

The Plan was established January 1, 1997 and is a defined contribution plan covering substantially all employees of Jaspers Food Management, Inc., and those of the following adopting employers: MIR LLC, Monarch Management Group, and Elmer's Restaurants, Inc. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Amendments and Restatements

On January 1, 2022, the plan adopted the June 30, 2020 version of the volume submitter plan provided by the plan's third party administrator, Pension Plan Specialists, PC.

Contributions

Participants may contribute up to 100 percent of their annual compensation to the Plan but not to exceed \$20,500 and \$19,500, for the years ended December 31, 2022 and 2021. Participants age 50 and over may also contribute an additional \$6,500 of catch-up contributions, per year, for years ended for 2022 and 2021. The Plan also permits rollover contributions from other qualified plans, Sec. 403(b) and Sec. 457 plans, and certain IRA accounts. The Company may contribute a discretionary matching contribution to be determined by the Board of Directors each year. The employer matching contributions were \$88,382 and \$87,352, for the years ended December 31, 2022 and 2021, respectively.

Participants' Accounts

Each participant's account is credited with the participant's contribution, allocation of the employer's contribution and plan earnings, and is charged with an allocation of the plan's administrator expenses. Allocations are based on participant's earnings or account balances, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. Participants may direct the investment of their account balances into various investment options offered by the plan.

Eligibility

When an employee has reached age 18 and has completed one year of service (1,000 hours) as defined in the Plan, they are eligible to make deferral contributions. Entry is on the first day of the plan year quarter coinciding with or next quarter following the eligibility requirements have been met. Once initial eligibility is met, a participant is eligible to share in the Company contributions.

MMG CONSOLIDATED 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1. DESCRIPTION OF PLAN (Continued)

Vesting

Participants are immediately vested in their voluntary contributions plus earnings thereon, including rollover contributions. Vesting of employer contributions is based on service as follows:

<u>Years of Service</u>	<u>Percent Vested</u>
1	20%
2	40%
3	60%
4	80%
5 or more	100%

A year of service is earned by the employee working at least 1,000 hours in that year.

Payment of Benefits

On termination of employment or termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account either in annuity payments, a lump-sum amount, or in equal installments over a fixed time period. If the participant's vested account balance is less than \$5,000, the Plan must distribute the entire account balance. If the participant does not make timely distribution election then the plan will distribute the entire vested account balance in either a lump sum for balances of \$1,000 or less or an automatic distribution to an Individual Retirement Account (IRA) for balances less than \$5,000 but more than \$1,000.

Participants may elect to take a partial or total distribution when they reach age 59 ½ or at any time thereafter, even if they have not terminated employment with the Company.

In-Service Withdrawals

Hardship distributions are permitted from participants' vested accounts based on certain specific financial needs.

Notes Receivable from Participants

Participants may borrow from their accounts for hardship reasons a minimum of \$1,000 up to a maximum of \$50,000. Only one loan outstanding at a time and may not exceed 50 percent of the participant's vested account balance. The loans are secured by the vested balance in the participant's account and bear interest at a rate equal to the prime rate. Principal and interest is paid ratably through payroll deductions. Loan terms may not exceed five years for loan proceeds used to purchase a primary residence. As of December 31, 2022, rates of interest on outstanding loans range from 6.25% to 6.50% with various maturities through December 2027.

Loans to participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. All loans are current and no valuation allowance is required for the years ended December 31, 2022 and 2021. Loans are fully secured by participant account balances and are treated as taxable distributions from the participant's account in the event of default, typically following termination of employment.

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1. DESCRIPTION OF PLAN (Continued)

Forfeitures

Forfeitures of unvested benefits are available to offset future employer contributions to the Plan. For the years ended December 31, 2022 and 2021, \$0 and \$1,294 were used to offset employer contribution, respectively. The amounts of non-vested forfeitures held by the Plan were \$5,434 and \$4,585 as of December 31, 2022 and 2021, respectively.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting with accounting principals generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts, and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are participant-directed investments. Investments in mutual funds are valued at fair value.

The change in value of assets is recorded by the Plan as appreciation or depreciation in fair value of investments. Unrealized appreciation or depreciation of the investments is included in current operations and in net assets available for benefits. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Administrative Expenses

As provided in the Plan agreement, administrative expenses of the Plan may be paid either by the Plan or the Company. Certain expenses of plan administration, including computer services, office supplies and payroll expenses of administration and clerical personnel are provided by the Company without charge to the Plan. Loan administration fee(s) to the Plan's third party administrator for notes receivable from participants are withheld from the participants' loan proceeds. In addition, certain investment related expenses are included in net appreciation (depreciation) of fair value of investments.

MMG CONSOLIDATED 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Payment of Benefits

Benefits are recorded when paid. Corrective distributions are accrued in the testing period to which they relate.

Subsequent Events

The Plan has evaluated all subsequent events through October 11, 2023, the date the financial were available to be issued.

On September 8, 2022, the Company made the decision to transfer Plan investments and administration services to The Standard. Plan Participants were notified of the transfer and of a “blackout period” from February 20, 2023, through March 20, 2023, on February 8, 2023. All assets were transferred from American Funds to The Standard on February 28, 2023.

NOTE 3. FAIR VALUE MEASUREMENTS

The Plan uses fair value measurements to record certain assets and liabilities at fair value on a recurring basis, such as investments. The Plan uses the fair value hierarchy established in accounting literature that consists of three levels. These levels are based on the markets in which assets and liabilities are traded and the reliability of the assumptions used to determine fair value. These levels are:

Level 1: Prices determined using unadjusted, quoted prices in active markets for identical assets or liabilities.

Level 2: Prices determined using significant other observable inputs. The observable inputs valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Prices determined using significant unobservable inputs. In situations where quoted prices or observable inputs are unavailable (for example, when there is little or no market activity), unobservable inputs may be used. Unobservable inputs reflect the Plan’s own assumptions about the factors that market participants would use in pricing the asset or liability, and are based on the best information available in the circumstances.

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 3. FAIR VALUE MEASUREMENTS (continued)

Level 1 Investments at Fair Value

Mutual Funds: The fair value of mutual funds is based on quoted net asset values of shares as reported by the fund. The mutual funds held by the Plan are open-ended mutual funds registered with the U.S. Securities and Exchange Commission (SEC). The funds must publish their daily net asset value and transact at the prices. The mutual funds held by the Plan are considered to be actively traded.

Level 2 Investments at Fair Value

There are no plan assets requiring the use of Level 2 inputs for the periods presented.

Level 3 Investments at Fair Value

There are no plan assets requiring the use of Level 3 inputs for the periods presented.

The following are the major categories of assets and liabilities measured at fair value on a recurring basis as of December 31, 2022 and 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
