Retirement Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of I.A.T.S.E. Local 13 Retirement Plan & Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits - modified cash basis as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits - modified cash basis for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions, as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting; and
- The information in the accompanying financial statements related to assets held and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting as described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements; and
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

RETIREMENT PLAN & TRUST**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1. DESCRIPTION OF THE PLAN

I.A.T.S.E. Local 13 Retirement Plan & Trust (the Plan) was established January 1, 1993, as a result of collective bargaining agreements between the local union and various employers to provide benefits upon termination or retirement. The Plan is a multiemployer defined contribution retirement plan subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Benefits under the Plan are not insured by the Pension Benefit Guaranty Corporation. The Plan is administered by a joint board of trustees consisting of an equal number of union and employer representatives.

The Plan is comprised of two separate components, each designed to receive, hold and pay out different types of contributions on behalf of Plan participants. The Plan is comprised of a 401(a) “profit sharing” plan and a 401(k) “salary deferral” plan.

Individuals are eligible to participate in the Plan on the first day of employment for which employer contributions are required pursuant to a collective bargaining or other agreement with the related local union.

Employer contributions to the Plan are primarily made under various negotiated collective bargaining agreements. Contribution rates may vary by employer; however, the contribution rate for the majority of the employers during the years ended December 31, 2022 and 2021 ranged from 3% to 10% of gross wages.

Each year, eligible participants may contribute a percentage of pre-tax annual compensation, as defined by the Plan and subject to Internal Revenue Code limitations. Participants may also contribute amounts from other qualified plans (rollover), provided Plan requirements are satisfied.

Participants direct the investment of their account balances and future contributions into various investment options offered by the Plan. In the absence of participant direction, contributions are invested in a designated investment fund until changed by the participant. Participants must evaluate their own investment goals and objectives and choose the investments best suited to achieve those goals and objectives. Poor investment performance in the investments selected by the participant may cause vested balances to be lower than the amounts contributed to the Plan on their behalf.

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

An individual account is established for each participant. Participant accounts consist of an Employer Account and an Employee Account. Participants are fully vested in their individual accounts on the date a contribution is first received on their behalf. Participant and employer contributions are credited to the individual account made on the participant's behalf and are adjusted for Plan earnings or losses less administrative and related expenses. Allocations are based on participant earnings or losses or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Upon death, disability, retirement or separation from service, participants are entitled to receive the amount in their account, subject to the payment provision selected. Participants may withdraw up to half of their Employee Account only to the extent and in the amount necessary to either prevent loss of principal residence through foreclosure or eviction or to pay medical expenses and medical insurance premiums, provided that there is an immediate and heavy financial need. Under current provisions of the Plan, participant loans are not allowed.

Participants should refer to the summary plan description for more complete information.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accompanying financial statements have been prepared on the cash basis of accounting, modified to record assets or liabilities that arise from cash transactions and events which provide a benefit or result in an obligation that covers a period greater than the period in which the cash transactions or events occurred. Except for unrealized gains and losses on investments, all transactions are recognized as either revenue or expenses when received or paid in cash. The modified cash basis of accounting is a basis of accounting other than accounting principles generally accepted in the United States of America (GAAP).

Investments - Investments are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell that asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Purchases and sales of investments are reflected on a trade-date basis.

Dividend income is recorded on the ex-dividend date.

Expense Offsetting and Fees - Revenue sharing income represents the portion of investment management fees that the investment manager has agreed to reimburse to help offset the cost of administrative services provided. Revenue sharing income is used for the payment of administrative expenses. Additionally, each participant account was charged an annual fee equal to \$140 and \$125 for the years ended December 31, 2022 and 2021, respectively. Net assets available for benefits included unallocated amounts totaling \$163,055 and \$23,979 at December 31, 2022 and 2021, respectively.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition - Revenue derived from employer contributions is recognized in the period in which it is received. Under GAAP, contributions would be recognized when covered work is performed. Employer contributions are based on wages earned in covered employment and the contribution rates currently in effect, as set forth in the collective bargaining agreements. Employers are required to remit contributions monthly. Employer contributions for the month of December are generally received the following month. Employer contributions received during the months ended January 31, 2023 and 2022 totaled \$92,988 and \$44,870 respectively. The Plan carries out its purpose described in Note 1 within the theatrical stage industry in a jurisdiction located primarily in the metropolitan areas of Minneapolis and St. Paul, Minnesota.

Payment of Benefits - Benefits paid to participants are recorded upon distribution. There were no participants who elected to withdraw from the Plan but were not yet paid at either December 31, 2022 or 2021.

Expenses - Certain investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Estimates - The preparation of financial statements requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Subsequent Events - Subsequent events have been evaluated through October 3, 2023, which is the date the financial statements were available to be issued.

NOTE 3. PRIORITIES UPON TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect; however, the right to discontinue the Plan is reserved to the Trustees. In the event of termination, the Trustees shall first satisfy or make provisions to satisfy the obligations of the Plan. Termination shall not permit any part of the Plan to be used for or diverted to purposes other than the exclusive benefit of participants and their beneficiaries. Any remaining Plan assets will be distributed in such manner as will, in the opinion of the Trustees, bring about the purpose of the Plan.

NOTE 4. TAX STATUS

The Plan's determination letter is dated August 4, 2015, in which the Internal Revenue Service stated that the Plan and the related trust established under the Plan were designed in accordance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. The Plan's administrator and the Plan's legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. They therefore believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

NOTE 4. TAX STATUS (CONTINUED)

The Plan is required to evaluate its tax positions and disclose the amount of a tax liability if the Plan has taken uncertain tax positions that more likely than not would not be sustained upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in process.

NOTE 5. FAIR VALUE MEASUREMENTS

The Plan prepares its financial statements on the modified cash basis of accounting. Because one of the modifications to the cash basis that the Plan has made is to carry its investments at fair value, the *Fair Value Measurements and Disclosures* Topic of the Financial Accounting Standards Board Accounting Standards Codification, which established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value, has been implemented by the Plan. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Basis of Fair Value Measurement

Level 1	Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities
Level 2	Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly
Level 3	Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable

The following tables set forth, by level within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2022 and 2021. Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the following tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Level 1 Measurements

The fair values of the mutual funds are determined by reference to the funds' underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds are traded on national securities exchanges and are valued at the net asset value as of the last business day of each period presented.

Measurements Using Net Asset Value as a Practical Expedient

The common collective trust is valued at the net asset value per share, used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the fund less its liability. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value.

The common collective trust is a direct filing entity (DFE) and files a Form 5500 annual report with the U.S. Department of Labor (DOL). The Plan is not required to disclose the significant strategies of DFE investments. Redemptions are available at any time upon ten business days' notice, limited to the contract value and not the fair value of the investment fund.

NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)

Risks and Uncertainties

Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

At December 31, 2022 and 2021, the Plan held a significant portion of its assets in one mutual fund with a fair value of \$5,237,528 and \$6,101,850 respectively, which represented approximately 23% and 21%, respectively, of net assets available for benefits. It is reasonably possible that changes in the fair value of this fund could materially affect the participants' account balances and amounts reported in the statements of net assets available for benefits. The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across the participant directed fund elections. Investment decisions are made, and the resulting risks are borne, exclusively by the Plan participant who made such decisions.

NOTE 6. MAJOR EMPLOYERS

Contributions from three employers accounted for approximately 63%, and contributions from four employers accounted for approximately 67%, of total employer contributions for the years ended December 31, 2022 and 2021, respectively. In the event these employers were to suspend contributions, the Plan would retain the risk of meeting fixed administrative expenses until the appropriate adjustments were made.

NOTE 7. INFORMATION CERTIFIED BY CUSTODIAN

The following is a summary of information included in the Plan's financial statements that was obtained by management and agreed to or derived from information certified as complete and accurate by Empower and Reliance Trust Company, the current and former Custodians, respectively, as of December 31, 2022 and 2021, and for the years then ended:

	<u>2022</u>	<u>2021</u>
Investments		
Mutual funds	\$ 20,847,547	\$ 26,903,962
Common collective trust	\$ 2,138,738	\$ 1,608,042
Investment income		
Net appreciation (depreciation)		
in fair value of investments	\$ (6,617,114)	\$ 1,339,151
Interest and dividends	\$ 1,985,533	\$ 2,303,478

NOTE 8. PARTICIPANT CONTRIBUTIONS

Employers withhold participants' contributions from their payroll and remit them to the Plan. During the years ended December 31, 2022 and 2021, contributions totaling \$16,261 and \$0 respectively, were remitted to the Plan later than the 15th business day of the month following the month in which the amounts were otherwise payable to the participant. The late payments did not meet the timeliness requirements prescribed by DOL regulations and, therefore, constitute a prohibited transaction with a party-in-interest.

The Plan has a collection program, in which the Plan may collect contributions, liquidated damages, interest and attorney fees from delinquent employers.

NOTE 9. EXCESS PARTICIPANT CONTRIBUTIONS

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Code amounted to \$1,385. The Plan has not distributed the 2022 excess contributions as of the date the financial statements were available to be issued. The liability for excess contributions payable is not included in these modified cash basis financial statements.

NOTE 10. RELATED ORGANIZATION

The Plan is related to a tax-exempt local union.

NOTE 11. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are owned and managed by Empower Retirement. Therefore, transactions related to these investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA.

REPORT OF INDEPENDENT AUDITORS ON SUPPLEMENTAL SCHEDULES REQUIRED BY ERISA

To the Participants and Trustees of
I.A.T.S.E. Local 13
Retirement Plan & Trust

We have audited the financial statements of I.A.T.S.E Local 13 Retirement Plan & Trust (the Plan) as of and for the years ended December 31, 2022 and 2021, and our report thereon dated October 3, 2023, appears on pages 1 through 3. Our audits were conducted in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of accounting principles generally accepted in the United States of America (GAAP).

The supplemental schedules on pages 15 and 16 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with general accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA; and
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).
