INDEPENDENT AUDITOR'S REPORT

October 12, 2023

To the Participants and Administrator of
LIFEPlan CCO 401(k) Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of LIFEPlan CCO 401(k) Retirement Plan, (the Plan) an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Hand Benefits & Trust Company, a qualified institution, as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LIFEPLAN CCO 401(K) RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN

The following description of LIFEPlan CCO 401(k) Retirement Plan (the "Plan") sponsored by LIFEPlan CCO NY, LLC (the "Company") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Company established the Plan to provide employees with a systematic means of saving and investing for the future. All permissible employees of the Company, as defined in accordance with the Plan document, are eligible to make employee elective deferral contributions on the first day of the calendar month, coincident with or next following the date of completion of one month of service, measured from the date of hire, provided that they are an eligible employee at the end of that period. Employees are eligible for employer safe harbor matching contributions, non-safe harbor matching contributions, and profit-sharing contributions on the first day of the Plan quarter coincident with or next following the date age 21 is attained and the completion of one year of eligibility service with 1,000 hours completed, provided that they are an eligible employee on that date.

The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year, participants may contribute up to 100% of pretax eligible pay through direct payroll withholding subject to maximum allowable contributions under the Internal Revenue Code as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Plan also allows for elective deferral contributions to be made as Roth contributions. Roth contributions are made to the Plan on an after-tax basis. The sum of the participants Roth contributions and regular elective deferral contributions may not exceed the annual limit noted above.

The Company contributed a safe-harbor matching contribution equal to: (i) 100% of the matched employee contributions that are not in excess of 3% of the participant's compensation, plus (ii) 50% of the amount of the matched participant contributions that exceed 3% of compensation but that do not exceed 5% of the participant's compensation for the years ended December 31, 2022 and 2021.

The Company, in its sole discretion, may make a profit-sharing contribution to the Plan on the participants behalf. Participants are eligible to receive an allocation if employed by the Company on the last day of the Plan year. There were no profit-sharing contributions for the years ended December 31, 2022 and 2021.

The Company, in its sole discretion, may make non-safe harbor matching contributions to the Plan on the participants behalf. There were no non-safe harbor matching contributions for the years ended December 31, 2022 and 2021.

1. DESCRIPTION OF PLAN (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the Company's contributions and Plan earnings (losses) and charged with an allocation of expenses. Allocations are based on participant earnings (losses) or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Investment Allocation

The Plan allows participants to select from a variety of investment options. Participant contributions may be directed to any of these options, in multiples of 1%. Participants can change the future direction of contributions or move existing account balances between various investment options on a daily basis. All investment choices are directed by the participant and each participant bears the respective investment risk of their election. All investments are considered mutual funds and collective investment trusts. All employees eligible to participate in the Plan who do not make an investment election for their participant-directed contributions have all contributions invested in the qualified default investment alternative, which was the T. Rowe Price Retirement Target Date Fund based on the employee's date of birth.

Vesting

Employees who sever employment before becoming 100% vested in their account balance will forfeit the portion of their account that is not vested. Participants are immediately vested in their elective and rollover contributions and employer safe-harbor matching contributions. Employer non-safe harbor matching and profit-sharing contributions vest according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1 year	0 %
1 but less than 2	30 %
2 but less than 3	60 %
3 or more years	100 %

Forfeitures

Forfeitures are the amount the Company contributed to a participant's account that was not vested upon termination. Forfeitures are applied toward the payment of employer contributions or administrative expenses based on the Plan sponsor's election. There were no forfeitures applied toward employer contributions or administrative expenses in 2022 and 2021. The balance of forfeited non-vested accounts was zero as of December 31, 2022 and 2021.

Payment of Benefits

Distributions are made in the form of a lump sum distribution or installments over a period of time. Upon termination of employment, if the account balance is less than \$1,000, the participant will receive a single lump sum amount equal to the value of his or her account. If the account balance is greater than \$1,000 but less than or equal to \$5,000 and the participant has not elected to receive the benefit pursuant to the lump sum form of benefit payment, the account balance will be automatically rolled into an automatic rollover IRA. Distributions, without penalty, may be made upon attainment of age 59½. Distributions of Roth contributions may be taxable (and subject to penalties for early withdrawal) if the withdrawal is not a "qualified distribution".

1. DESCRIPTION OF PLAN (Continued)

Hardship Withdrawals

Hardship withdrawals are permitted in the event of immediate and heavy financial need. Participants may elect to receive a hardship withdrawal in an amount equal to the value of their elective deferral contributions. All hardship withdrawals must comply with the rules relating to hardships, which are uniformly applicable to all participants.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 less the highest outstanding loan balance during the one-year period prior to the new loan or 50% of their vested account balance. The loans are secured by the balance in the participant's account. Participants are allowed to have one loan outstanding at any one time. Interest shall be charged at the Prime rate as of the date of loan origination. The maximum repayment term is five years. Upon termination from the Company, the loan may be repaid in full or through the continuation of scheduled loan repayments by the participant.

Plan Expenses

All costs and expenses with regard to the purchase or sale of investments are paid by the Plan and are netted with investment income. Certain administrative expenses of the Plan, such as distribution fees, are paid by Plan participants. Personnel and facilities of the Company have been used by the Plan for its accounting and other activities at no charge to the Plan.

Participant Investment Rollovers

Participants are allowed to transfer or rollover funds into the Plan from other qualified plans.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Payment of Benefits

Benefits are recorded when paid.

Investment Valuation and Income Recognition

The Plan's investments are stated in the accompanying financial statements at fair value. For mutual funds, the fair value is equal to quoted market value on a national exchange. The investment in the MetLife Stable Value Fund is a collective investment trust and is stated at fair value based on net asset value (NAV) that is published. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The Plan presents in the statements of changes in net assets available for benefits the net appreciation (depreciation) in fair value of investments, which consists of the net realized gains (losses) on investment transactions throughout the period and net unrealized gains (losses) on investments at the end of the period.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make significant estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Accordingly, actual results may differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

3. CERTIFIED FINANCIAL INFORMATION

In accordance with Department of Labor Regulation 29 CFR 2520.103-5, certain information was furnished and certified as complete and accurate by Hand Benefits & Trust Company, the trustee, as of and for the years ended December 31, 2022 and 2021, and is included in the financial statements and accompanying supplemental schedule:

	<u>2022</u>	<u>2021</u>
Investments, at fair value	<u>\$ 9,726,195</u>	<u>\$ 8,870,094</u>
Notes receivable from participants	<u>\$ 148,018</u>	<u>\$ 136,714</u>
Dividend and interest income	<u>\$ 422,073</u>	<u>\$ 360,780</u>
Net appreciation in fair value of investments	<u>\$ (1,961,874)</u>	<u>\$ 641,914</u>
Interest income on notes receivable from participants	<u>\$ 1,842</u>	<u>\$ 2,169</u>

4. FAIR VALUE MEASUREMENTS

U.S. GAAP provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the standards are described below:

Level 1: Quoted prices in active markets that are accessible at the measurement date for identical assets and liabilities.

Level 2: Inputs, other than quoted prices in active markets, that are observable either directly or indirectly and fair value is determined through the use of models or other valuation methodologies.

Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the asset or liabilities. Level 3 assets and liabilities include financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: valued at the closing price on the active market which the funds are traded.

Collective investment trust: valued at fair value based on the published net asset value on a daily basis.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth the Plan's investments that were accounted for at fair value at December 31, 2022 and 2021. Investments are classified in their entirety based on the lowest level of input that is significant to the fair value measurements:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
December 31, 2022				
Mutual funds	\$ 8,798,796	\$ -	\$ -	\$ 8,798,796

Mutual funds	\$ 8,134,546	\$ -	\$ -	\$ 8,134,546
Collective investment trust	<u>-</u>	<u>735,548</u>	<u>-</u>	<u>735,548</u>
	<u>\$ 8,134,546</u>	<u>\$ 735,548</u>	<u>\$ -</u>	<u>\$ 8,870,094</u>

5. TAX STATUS

The Plan is exempt from federal taxes under Section 401(k) of the Internal Revenue Code. The Plan is required to operate in conformity with the Internal Revenue Code to maintain its tax exemption. The prototype plan has obtained its latest determination letter on March 31, 2008, in which the Internal Revenue Service stated that the Plan as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter; however, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contribution at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants are 100% vested in their accounts.

7. PARTY-IN-INTEREST TRANSACTIONS

Hand Benefits & Trust Company is the trustee of the Plan's assets. As such, transactions between the trustee and the Plan qualify as party-in-interest transactions. In addition, the Plan issues notes receivable to participants, which are secured by the balances in the participant's accounts. Therefore, these related transactions qualify as party-in-interest transactions.

8. RECONCILIATION TO FORM 5500

Certain items have been classified differently between the financial statements and Form 5500. Net assets available for benefits and changes in net assets available for benefits per the financial statements

9. SUBSEQUENT EVENTS

Subsequent events were evaluated through October 12, 2023, which is the date the financial statements were available to be issued.
