INDEPENDENT AUDITORS' REPORT

To the Trustees of the
Fabric Development, Inc., Textile Products, Inc. 401(k) Plan
Quakertown, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements Fabric Development, Inc., Textile Products, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits – modified cash basis as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits – modified cash basis for the years ended December 31, 2022 and 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Fabric Development, Inc., Textile Products, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

To the Trustees of the
Fabric Development, Inc., Textile Products, Inc. 401(k) Plan

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Fabric Development, Inc., Textile Products, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Fabric Development, Inc., Textile Products, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally

To the Trustees of the
Fabric Development, Inc., Textile Products, Inc. 401(k) Plan

accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Fabric Development, Inc., Textile Products, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Fabric Development, Inc., Textile Products, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

To the Trustees of the
Fabric Development, Inc., Textile Products, Inc. 401(k) Plan

Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at December 31, 2022 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FABRIC DEVELOPMENT, INC., TEXTILE PRODUCTS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE A – DESCRIPTION OF PLAN

The following description of the Fabric Development, Inc., Textile Products, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution plan covering all employees of Fabric Development, Inc., Textile Products, Inc. ("the Plan") who are age 21 or older with at least 90 days of service. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA), as amended. The Plan Trustees oversee governance of the Plan and management determines the appropriateness of the Plan's investment offerings and monitors investment performance with the assistance of Merrill Lynch and reports to the Plan's Trustees. The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

2. Contributions

The Plan is established under provisions of Section 401(k) of the Internal Revenue Code. The Plan permits participants to defer compensation by means of a salary reduction arrangement subject to stated Internal Revenue Service ("IRS") limitations. Such deferred amounts are not subject to federal income tax until they are distributed from the Plan. The participants can increase or decrease their deferral percentage four times in each Plan year. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Rollover contributions are permitted.

Participants direct the investment of their contribution and the employer's contributions as well. Various investment options are offered by the Plan, including mutual funds and fixed annuities.

The organization may match a uniform percentage of salary deferrals and may make profit sharing contributions to the Plan. Such contributions are determined annually by the organization. For the plan years ended December 31, 2022 and 2021, the organization matched 50% of employee deferral amounts up to 6% of base compensation.

3. Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the organization's contributions as described above, (b) the Plan's earnings, (c) forfeitures of

NOTE A – DESCRIPTION OF PLAN (CONTINUED)

3. Participant Accounts – Continued

terminated participants' nonvested accounts, and (d) administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

4. Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the organization's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after 6 years of service.

5. Payment of Benefits

On termination of service, participants with a balance less than \$5,000 receive a lump sum payment equal to the value of their account as reduced by any forfeiture of non-vested employer contributions. Participants with a vested balance in excess of \$5,000 may elect to receive a distribution of their balance as soon as administratively feasible or may postpone their distribution until normal retirement age. Hardship withdrawals may be taken subject to approval by the plan administrator. Benefits are recorded when paid.

6. Forfeitures

Employees who are terminated or leave the organization are entitled to 100% of their vested balances and any earnings thereon and forfeit their unvested balances. The unvested portion may be used to reduce Company's contributions to the Plan. At December 31, 2022 and 2021 there were forfeiture balances of \$54,769 and \$48,100, respectively.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

The Plan's financial statements are prepared using the modified cash basis of accounting. Benefits are recorded when payments are made.

2. Use of Estimates

The preparation of financial statements in conformity with another comprehensive basis of accounting requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (CONTINUED)

3. Investment Valuation and Income Recognition

Investments are reported at fair value except for fully benefit responsive investment contracts which are reported at contract value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date.

Management determines the Plan's valuation policies with the assistance of Merrill Lynch. See Note E for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

4. Administrative Expenses

The Plan pays for third party administration of the plan document, compliance testing, and consultation under a contract with Empower, the custodian of the Plan. Empower invests funds received from contributions and investment sales and makes distribution payments to participants. Certain expenses of administering the Plan are paid by the organization and excluded from these financial statements, such as staff plan administration and audit fees.

5. Tax Status

The Company adopted a 401(k) plan which the Internal Revenue Service ("IRS") reviewed under its volume submitter program. The IRS has determined and informed the volume submitter plan author by letter dated March 31, 2014 that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving that letter, the Plan administrator believes that the Plan is currently designed, and is currently being operated, in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Under ASC 740, Accounting for Uncertainty in Income Taxes, management has reviewed its current and past federal and state income tax positions, and has determined that the tax positions taken are certain and there is no likelihood that a material tax assessment would be made if the respective government agencies examined tax returns subject to audit. Accordingly, no provision for the effects of uncertain tax positions has been recorded, nor have any related interest and penalties been accrued.

Currently, the 2019, 2020 and 2021 tax years are open and subject to examination by the Internal Revenue Service. However, the Plan is not currently under audit and has not been contacted by any tax jurisdictions.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

6. Subsequent Events

In March 2020 the Director General of the World Health Organization declared COVID-19 a pandemic. We are still assessing the impact COVID-19 may have on our business, but there can be no assurance that this analysis will enable us to avoid part or all of any impact from the spread of COVID-19 or its consequences, including downturns in business sentiment generally. The extent to which the COVID-19 pandemic and global efforts to contain its spread will impact our operations will depend on future developments, which are highly uncertain and cannot be predicted at this time, and include the duration, severity and scope of the pandemic and the actions taken to contain or treat the COVID-19 pandemic.

The plan has evaluated subsequent events through October 13, 2023, which is the date the financial statements were available to be issued.

NOTE C – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE D – CERTIFIED INFORMATION SUPPLIED BY TRUSTEES OF PLAN ASSETS

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Under that section, no auditing procedures are required to be performed with respect to the information certified by the Trustee of the Plan, Empower, other than comparing such information to that contained in the financial statements and supplementary information. Accordingly, the amounts included in the financial statements and supplementary information as of December 31, 2022 and 2021 and for the years then ended have been prepared from statements certified as complete and accurate by the Trustees in accordance with Department of Labor regulations 29 CFR 2520.103-8.

NOTE E – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits – modified cash basis. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE E – FAIR VALUE MEASUREMENTS (CONTINUED)

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets. These inputs generally provide the most reliable evidence of fair value and are used when available. Level 2 inputs consist of observable inputs other than those available under Level 1 that are observable directly or indirectly. These inputs include quoted market price for similar assets in active or inactive markets, inputs other than quoted prices that are observable, or inputs that are derived from or corroborated by observable market data. Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available. There were no plan assets requiring the use of Level 3 inputs for the period presented.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in these techniques in 2022 and no transfers between levels.

Level 1 Fair Value Measurements

Inputs are unadjusted, quoted prices in active markets for identical assets or liabilities at the measurement date.

Level 2 Fair Value Measurements

Inputs other than quoted prices included in Level 1 that are either directly or indirectly observable for the asset or liability through correlation with market data at the measurement date and for the duration of the instrument's anticipated life.

Level 3 Fair Value Measurements

Inputs reflect management's best estimate of what market participants would use in pricing the asset or liability at the measurement date. Assumptions include those of risk, both the risk inherent in the valuation technique and the risk inherent in the input. Fair values for investments are determined by reference to quoted market prices and other relevant information generated by market transactions.

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2022 and 2021, are reported in net appreciation (depreciation) in fair value of investments.

NOTE E – FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth the Plan's assets at December 31, 2022 and 2021 by fair value within the fair value hierarchy:

NOTE F – PLAN AMENDMENT AND TERMINATION

The organization may amend the plan at any time, provided that no amendment will direct any part of the plan's assets to any purpose other than for the exclusive benefits of the participants or cause any reduction in the amount credited to the participant's accounts.

Although the organization has not expressed any intent to do so, it has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their account balances.

NOTE G – RELATED PARTY TRANSACTIONS

Empower holds and manages contributions and makes participant distributions. Cash received and investment income are invested by Empower, who also manages plan investments. Transactions related to these investments qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

Administrative functions of the Plan are performed by officers or employees of the organization, none of whom receive compensation from the Plan.
