INDEPENDENT AUDITOR'S REPORT

The Plan Administrator
Anderton Group II, Ltd. 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Anderton Group II, Ltd. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America; and

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the “Auditor's Responsibilities for the Audit of the Financial Statements” section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the “Scope and Nature of the ERISA Section 103(a)(3)(C) Audit” section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from

error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management

and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Anderton Group II, Ltd. 401(k) Plan

Notes to Financial Statements

December 31, 2022 and 2021

(1) Description of Plan

The following description of the Anderton Group II, Ltd. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

(a) General

The Plan is a 401(k) salary reduction profit sharing plan covering substantially all employees of Anderton Group II, Ltd. (the “Company”) who have completed six months of service and have reached 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan administrator is responsible for oversight of the Plan, including determining the appropriateness of the Plan’s investment offerings and monitoring investment performance.

(b) Contributions

Contributions to the Plan may consist of funds contributed by the Company, employees, and rollover contributions. Participants may contribute up to the maximum statutory amount of pretax annual compensation as defined in the Plan. Participants who have attained age fifty before the end of the Plan year are also eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly hired eligible employees are automatically enrolled in the Plan unless they affirmatively elect to not participate in the Plan. Automatically enrolled participants have their deferral rate set at 2% of eligible compensation and their contributions invested in a designated fund until changed by the participant. The Company may make matching contributions, up to 50% of the first 6% of the participant’s compensation, but the match is discretionary and determined by the Company. The Company may also make a discretionary profit-sharing contribution. No profit-sharing contribution was made during 2022 and 2021. Contributions are subject to certain limitations.

(c) Participant Accounts

Each participant's account is credited with the participant's contribution, Company matching contributions, and an allocation of the Company’s profit-sharing contribution and Plan earnings. Participant accounts are also charged with an allocation of

Anderton Group II, Ltd. 401(k) PlanNotes to Financial Statements
(Continued)(1) Description of Plan (continued)(c) Participant Accounts (continued)

administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(d) Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Company contributions are 20% vested to the participant for each year of service and 100% vested after 5 years. Participants become 100% vested in all accounts upon reaching normal retirement age of 59½, death, or disability while employed with the Company.

(e) Notes Receivable from Participants

Participants may borrow from the vested portion of their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the vested balance in the participant's account and bear interest at rates from 4.25% to 6.50%, which is commensurate with the local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably by payroll deductions.

(f) Payment of Benefits

Upon termination of service, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or may elect to take partial distributions or periodic installments at the discretion of the Plan administrator.

(g) Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. Investment-related expenses are included in net appreciation (depreciation) of fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

Anderton Group II, Ltd. 401(k) PlanNotes to Financial Statements
(Continued)(1) Description of Plan (continued)(h) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(i) Forfeited Accounts

Net assets available for benefits at December 31, 2022 and 2021, include certain forfeited nonvested accounts. As of December 31, 2022 and 2021, the amounts in the forfeited nonvested accounts totaled \$1,937 and \$1,645, respectively. These accounts will be used to pay Plan expenses or reduce future employer contributions. There were no forfeitures utilized to pay Plan expenses or reduce employer contributions during 2022. Forfeitures of \$6,274 were used to reduce employer contributions in 2021.

(2) Summary of Significant Accounting Policies(a) Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

(b) Investments

The Plan provides for self-directed investment programs for individual participants. Investments held by a defined contribution plan are required to be reported at fair value, except for fully-benefit responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to direct investments in fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Anderton Group II, Ltd. 401(k) PlanNotes to Financial Statements
(Continued)(2) Summary of Significant Accounting Policies (continued)(b) Investments (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(c) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are paid. Delinquent participant loans are recorded as distributions based on the terms of the plan document.

(d) Payment of Benefits

Benefits are recorded when paid.

(e) Income Taxes

The Plan recognizes the effect of income tax positions only if those positions are more likely than not of being sustained. Recognized income tax positions are measured at the largest amount that is greater than 50% likely of being realized. Changes in recognition or measurement are reflected in the period in which the change in judgment occurs.

(f) Use of Estimates

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

(Continued)**(3) Investments**

The pooled separate accounts invest exclusively in underlying mutual funds traded on an established market. The pooled separate accounts are valued daily at the net asset value (“NAV”) of units in the account. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investment held by the account. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. The ability to exchange units of a pooled separate account may be restricted in the event that the Plan or participant engages in trading patterns which are detrimental to the account or the underlying investments. Trading restrictions apply to transfers into an investment fund; transfers out of a pooled separate account are allowed at any time.

The unallocated contract is a cash account with John Hancock Life Insurance Company. This cash account is not, by definition, an investment contract, but rather is utilized by the custodian for forfeited nonvested accounts. See Note 1(i) for information on forfeited accounts.

(4) Information Certified by the Custodian

The financial information included in the financial statements, except for employer’s and participants’ contributions receivable, contributions, benefits paid to participants, and administrative expenses, have been derived from information certified as complete and accurate by John Hancock Life Insurance Company, the custodian of the Plan, in accordance with Section 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

(5) Tax Status

The Plan is using a standardized prototype profit-sharing plan document. In a letter dated June 30, 2020, the Internal Revenue Service (“IRS”) indicated the standardized form of the Plan is acceptable under Section 401 of the Internal Revenue Code (the “Code”). The opinion of the IRS on the acceptability of the form of the Plan is not a ruling or determination as to whether the Plan qualifies under Code section 401(a). The Plan has been amended since receiving this acceptability letter. However, the Plan administrator believes the Plan is currently designed and operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

Anderton Group II, Ltd. 401(k) PlanNotes to Financial Statements
(Continued)**(6) Plan Termination**

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

(7) Party-In-Interest Transactions

The Plan invests in pooled separate accounts and a cash account with John Hancock Life Insurance Company, custodian of the Plan. John Hancock Retirement Plan Services, a marketing unit of John Hancock Life Insurance Company, provides administration services to the Plan. Therefore, these transactions qualify as party-in-interest transactions.

The Plan has not considered Company contributions to the Plan or benefits paid by the Plan to participants as party-in-interest transactions.

(8) Delinquent Participant Contributions

Participant contributions totaling \$417 were withheld from participants' wages during 2021, but through oversight, were not remitted to the Plan within the time frame required by the Department of Labor under the Plan asset rules. This constitutes a loan from the Plan to the Company. The Company remitted the contributions of \$417, plus earnings of \$2, to the Plan in 2021.

(9) Subsequent Events

The Plan has evaluated subsequent events from the date of the statement of net assets available for benefits through October 11, 2023, the date at which the financial statements were available to be issued, and determined there are no items to disclose.
