| Part I | Service Provider Information (see instructions) |
|--------|-------------------------------------------------|

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1 Information on Persons Receiving Only Eligible Indirect Compensation

- a Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions).. . . . . ☐ Yes ☒ No
- b If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

## **INDEPENDENT AUDITORS' REPORT**

Plan Administrator  
DESOTO REGIONAL HOSPITAL 403(B) PLAN  
Mansfield, Louisiana

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits the accompanying financial statements of Desoto Regional Hospital 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Desoto Regional Hospital 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, stating that the certified investment information, as described in Note 10 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be

independent of Desoto Regional Hospital 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Desoto Regional Hospital 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Desoto Regional Hospital 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Desoto Regional Hospital 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental Schedule H, Line 4(l) – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(1) **Description of the Plan**

The following description of the Desoto Regional Hospital (the "Organization") 403(b) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

***General***

The Plan is a tax-qualified defined contribution plan under Section 403 of the Internal Revenue Code of 1986, as amended, which provides retirement, disability or death benefits for eligible employees of the Organization. The Plan is open to all employees of the Organization except for those who are also students, non-resident aliens, or normally scheduled to work less than twenty hours per week. The Plan is subject to various provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

The Plan is an amendment and restatement of a pre-existing plan which was originally effective as of April 1, 1991. The plan as herein discussed is effective as of January 1, 2020.

***Contributions and Allocations***

Each year, participants may contribute up to one-hundred percent (100%) of pretax annual compensation ("eligible compensation" as defined under the Plan), not to exceed maximum annual contribution limits established by the Federal Government. The elective deferral limitations for 2022 and 2021 totaled \$20,500 and \$19,500, respectively. In addition, during the year which a participant attains age fifty (50) and in subsequent years, the participant may elect to make additional pretax "catch up" contributions of up to \$6,500 in 2022 and 2021.

Roth 403(b) elective deferrals are permitted by the plan.

For each plan year, matching contributions by the Organization are discretionary. Matching contributions shall be equal to fifty (50%) of a participant's elective deferrals, including catch-up contributions, not to exceed two percent (2%) of the participant's total compensation. Eligible participants do not need to satisfy any eligibility requirements, beyond those outlined above, to be eligible to receive a matching contribution. Matching contributions totaled \$94,382 for the year ended December 31, 2022.

The Organization may make non-elective contributions to the plan. The Organization's non-elective contribution is discretionary on the part of the employer and is allocated to eligible participants based upon their compensation in proportion to the compensation of all participants eligible to receive an allocation for the allocation period. An allocation of the Organization's non-elective contribution shall be made to each participant who is employed during the plan year. There were no non-elective contributions made to the plan during the year ended December 31, 2022.

Rollover contributions are permitted by the Plan. Rollover contributions remain in segregated rollover accounts and are always one hundred percent (100%) vested.

Voluntary employee contributions to the Plan are not permitted.

(1) **Description of the Plan (cont.)**

***Participant Accounts***

Under the Plan, elective deferrals made by participants and any employer contributions are placed into investment accounts, as directed by the participant, which are then credited with gains and losses at each valuation date. Valuation is performed daily. The benefit to which a participant is entitled is the benefit that can be provided from the participants vested account.

***Vesting***

Under the Plan, participants are immediately vested in their elective deferral contributions plus actual earnings thereon. Participants are also immediately vested in the Organization's matching and non-elective contribution portion of their accounts plus actual earnings thereon.

***Notes Receivable from Participants***

As outlined in the Plan document, loans to plan participants are not permitted.

***Payment of Benefits***

On termination of service due to any reason, the form of distribution depends on the value of a participant's vested account balance. If this value does not exceed \$1,000, the Plan will either distribute the participant's value of the interest in his or her account as a lump-sum distribution or roll it over to another qualified retirement plan or to an individual retirement account established by the participant.

On termination of service due to attainment of normal or early retirement age or due to disability, participant account balances that exceed \$1,000 will be distributed by the Plan within an administratively feasible time after termination. On termination of service for any other reason, participants with account balances that exceed \$1,000 may elect to receive a lump sum distribution, partial payments in amounts requested from time to time, or they may request that their account balance be rolled over to another qualified retirement plan or to an individual retirement account.

In-service distributions are not permitted by the Plan.

Hardship distributions are permitted by the Plan, provided the participant provides documentation demonstrating the existence of a hardship event, as defined by the Plan.

(2) **Summary of Significant Accounting Policies**

***Basis of Accounting***

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

(2) **Summary of Significant Accounting Policies (cont.)**

***Use of Estimates***

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for Plan benefits at the date of the financial statements and the changes in net assets available for Plan benefits during the reporting period and, when applicable, the disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

***Investment Valuation and Income Recognition***

The Plan's investments are stated at fair value. *Fair value* is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Net appreciation (depreciation) in fair value reflected in the Plan's statement of changes in net assets available for benefits includes gains and losses on investments bought and sold, as well as held during the year. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

***Payment of Benefits***

Benefits are recorded when paid.

***Administrative Expenses***

Although not required, the Organization, as Plan Sponsor, may pay the related costs of administering the Plan. Expenses paid by the Organization on behalf of the Plan are not reflected in the financial statements of the Plan.

(3) **Fair Value Measurements**

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2 inputs to the valuation methodology include the following:
  - Quoted prices for similar assets or liabilities in active markets
  - Quoted prices for identical or similar assets or liabilities in inactive markets
  - Inputs other than quoted prices that are observable for the asset or liability

(3) **Fair Value Measurements (cont.)**

- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Mutual funds*

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the plan's fair value measurements at December 31, 2022 and 2021:

|                            | Assets at fair value as of December 31, |              |              |              |
|----------------------------|-----------------------------------------|--------------|--------------|--------------|
|                            | 2022                                    |              | 2021         |              |
|                            | Level 1                                 | Total        | Level 1      | Total        |
| Mutual funds               | \$ 8,146,941                            | \$ 8,146,941 | \$ 9,638,849 | \$ 9,638,849 |
| Total assets at fair value | \$ 8,146,941                            | \$ 8,146,941 | \$ 9,638,849 | \$ 9,638,849 |

**(4) Transactions with Parties in Interest**

For the periods involved, certain Plan investments included shares of separate pooled accounts managed by American Funds. American Funds is the Custodian, as defined by the Plan, and qualifies as a party-in-interest. Fees paid by the Plan for the investment management services totaled \$4,020 for the year ended December 31, 2022.

Additionally, DeSoto Regional Hospital, the Plan sponsor, provides certain accounting and administrative services for which no fees are charged.

**(5) Plan Amendment or Termination**

The Organization has reserved the right to terminate the plan or reduce or cease contributions at its discretion or to amend the plan at any time and in any respect. However, no amendment can reduce benefits already earned by the participants. In the event of termination, participants are entitled to the full amount in their account as of the date of termination, regardless of the percent vested at the time of termination.

**(6) Tax Status**

On September 18, 2001, the IRS stated that the Plan, as then designed, qualified under Internal Revenue Code (IRC) Section 401(a). The Plan has been amended since receiving the original determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the plan's financial statements.

U.S. GAAP require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**(7) Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants account balances and the amounts reported in the statement of net assets available for benefits.

**(8) Subsequent Events**

The Plan Administrator has evaluated all events or transactions that occurred after December 31, 2022 through October 3, 2023 which is the date the financial statements were available to be issued. During this period there were no material subsequent events requiring disclosure.

(9) **CARES Acts**

In response to the financial effects of COVID-19, the U.S. Congress approved the Coronavirus Aid, Relief and Economic Security ("CARES") Act on March 27, 2020. Certain provisions of the CARES act increase the maximum loan amount participants may borrow from the lessor of \$50,000 or 50% of the value of the participant's vested balance to the lessor of \$100,000 or 100% of the vested balance, delay loan repayments for one year, allow hardship withdrawals related to COVID-19 of up to \$100,000 that can be redeposited to a qualified plan within three years without tax penalty, and allow for certain other benefits. The Cares Act does not require formal amendment of the Plan Document until the last day of the Plan year beginning on or after December 31, 2025, as long as the Plan operated with the revised limits.

(10) **Information Certified by the Plan's Custodian (Unaudited)**

The following information regarding investment activity has been certified as complete and accurate pursuant to 29 CFR 2520.103-5(c) of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA by the custodian of the Plan assets, Capital Bank and Trust Company, and has not been audited by the Plan's independent accountants at and for the years ended December 31, 2022 and 2021:
