INDEPENDENT AUDITORS' REPORT

To the Participants and Plan Administrator
of the NewFields Companies, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of NewFields Companies, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the NewFields Companies, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of NewFields Companies, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about NewFields Companies, LLC 401(k) Plan's ability to continue as a going concern.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of NewFields Companies, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about NewFields Companies, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, line 4i-Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NEWFIELDS COMPANIES, LLC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2022 and 2021

NOTE 1: PLAN DESCRIPTION

The following description of the NewFields Companies, LLC 401(k) Plan, (the "Plan") provides general information regarding the Plan. Refer to the Plan document for a complete description of Plan provisions.

General

The Plan is a contributory, defined contribution plan covering substantially all employees of NewFields Companies, LLC and its subsidiaries (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

At the end of 2020, the Company divested all interest in a former participating employer, now called NuGlobal Solutions, LLC ("NGS"). NGS established and adopted a mirror plan, the NewGlobal Solutions, LLC 401(k) Plan. All NGS participants were transferred into this new plan in March 2021.

Administration

The Company is the Administrator of the Plan and, as such, carries out the duties imposed under ERISA. The Administrator has delegated certain responsibilities for the operation and administration of the Plan. Effective October 1, 2015, administrative, recordkeeping, distribution management, and investment options were provided by Fidelity Management Trust Services.

Eligibility

The Plan allows any employee who is age twenty-one or older to begin participating in the Plan after one month and 250 hours of service.

Contributions

A participant may contribute up to 100% of compensation, as defined, up to the allowable Internal Revenue Service ("IRS") maximum of \$19,500 per year as an authorized payroll deduction. Participants reaching age 50 and older may elect to defer additional "catch-up contributions" of \$6,500. The Company makes safe harbor matching contributions equal to a percentage, as determined by the Company, of the participant's salary reductions. Prior to January 1, 2020, only non-partner participants (i.e. regular employees) were eligible to receive matching contributions; however, starting January 1, 2020, all participants became eligible for matching contributions. Starting in 2020, participants are auto-enrolled at a 5% default deferral rate. For the years ended December 31, 2022 and 2021, the Company contributed 100% for every dollar contributed by the participant up to 3% of the participant's salary and 50% for the next 2% of the participant's salary contributed to the Plan. In addition, the Company may, at its discretion, make additional employer contributions to the Plan. The Company contributed \$472,708 and \$440,898 in discretionary employer contributions to the Plan for the years ended December 31, 2022 and 2021, respectively.

Participants are immediately 100% vested in safe harbor matching contributions and salary deferrals made to the Plan. Discretionary employer contributions vest at a rate of 33% per year over the first three years of service. Participants with three or more years of service are 100% vested in discretionary employer contributions. The forfeiture balance carried forward at December 31, 2022 and 2021 was \$91,223 and \$27,777, respectively. Forfeiture amounts were used in 2022 and 2021 to offset employee and employer contributions.

Years Ended December 31, 2022 and 2021

NOTE 1: PLAN DESCRIPTION (continued)

Participant Accounts and Investment Options

Each participant's account is credited with the participant's contribution and the Company's matching contribution following each pay period. In addition, participant accounts are credited with earnings on their investments. Participants direct the investment of their contributions into various mutual funds.

Plan participants are composed of active employees of the sponsor and separated, former employees or retirees. Respectively at December 31, 2022 and 2021, approximately 28% and 31% of participant accounts, representing 17% and 15% of plan assets, belonged to former employees.

Loans

Participants may borrow against the vested portion of their account balance. The minimum amount of any loan is \$1,000, and the loan cannot exceed 50% of the vested portion of the participant's account balance or \$50,000, whichever is less. One residence-related loan and one other loan per participant may be outstanding at any time. Repayments are made through payroll withholding or direct payment from participants. The loans are secured by the balance in the participant's account, and new loans issued during 2022 and 2021 bear interest between 4.25% and 7.25%, respectively, which is commensurate with local prevailing rates as determined by the Plan administrator.

Benefit Payments

On termination of service due to death, disability, retirement, or termination of employment, a participant may receive a lump-sum distribution or may elect annuity payments. In-service distributions may be taken for hardships as specified in the Plan document or when the participant reaches age 59 1/2.

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

Investment Presentation, Valuation, and Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date and include both income and capital gains distributions. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2022 and 2021

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES (continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance. Delinquent notes receivable from participants are recorded as a distribution based on the terms of the Plan document. Interest accrual is immaterial, and interest income is recorded when paid. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3: INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

As of December 31, 2022 and 2021, and for the years then ended, the Plan administrator elected, as permitted by Section 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, to have financial information certified by the trustee, Fidelity Management Trust Company. The following information was certified by the trustee as being complete and accurate and not subjected to normal audit procedures:

- a. Statements of Net Assets Available for Benefits – notes receivable from participants (participant loans) at amortized cost, and all other investments at fair value.
- b. Statements of Changes in Net Assets Available for Benefits – Interest and dividend investment income, interest income on participant loans, net appreciation (depreciation) in fair value of investment accounts.
- c. Schedule H, Line 4i – Supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022.

NOTE 4: CONTRIBUTIONS RECEIVABLE

For the years ended December 31, 2022 and 2021, employee and employer contribution receivables resulted from accruals of year end payroll periods with employee deferrals and employer matches due. Additionally, at December 31, 2022 and 2021, discretionary contributions receivable from the sponsor were due in the amounts of \$472,708 and \$440,898, respectively. Amounts were received into the Plan in January of the subsequent years.

NOTE 5: FAIR VALUE MEASUREMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Accounting standards generally accepted in the United States establishes a hierarchy of inputs to valuation of that price using three levels described in the following:

Level 1 -- unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 -- other observable inputs (such as prices for similar assets in active markets, or the same asset in an inactive market)

NEWFIELDS COMPANIES, LLC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2022 and 2021

NOTE 5: FAIR VALUE MEASUREMENTS (continued)

Level 3 -- unobservable inputs based on the best information available in the circumstances, to the extent observable inputs are not available.

The hierarchy gives the highest priority to Level 1 inputs and the lowest to Level 3 inputs. Accordingly, the degree of judgement exercised in determining fair value is greatest for Level 3 assets. The Plan measures assets at fair value on a recurring basis and does not have any liabilities measured at fair value. Additionally, there are no assets or liabilities at fair value on a nonrecurring basis.

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis. There have been no changes in the methodologies used at December 31, 2022 and 2021:

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust: This fund is valued at the NAV of units of the bank collective trust. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	Level 1	Level 2	Level 3	Total
December 31, 2022				
Mutual funds	\$42,176,082	\$ -	\$ -	\$42,176,082

Years Ended December 31, 2022 and 2021

NOTE 6: PARTIES IN INTEREST AND ADMINISTRATIVE FEES

The Plan used the services of Northwestern Mutual (investment advisor), Mersereau, Lazenby and Rockas, LLC (audit services), and Fidelity Management Trust Company (trustee, custodian and recordkeeping services), which are parties in interest with respect to the Plan. Transactions with these service providers are not considered prohibited transactions under the IRC and are not prohibited by ERISA. Substantially all of the expenses of maintaining are paid directly by the Company and are excluded from these financial statements. However, fees related to the administration of notes receivable from participants and certain fees for distributions from the Plan are charged directly to the participant's account and included in fees in the financial statements.

NOTE 7: PLAN TERMINATION

Although it has not expressed intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 8: TAX STATUS

In accordance with Internal Revenue Service Announcement 2014-16, the Plan adopted the Volume Submitter Defined Contribution Fidelity Basic Plan Document Number 17 and relies on the volume submitter sponsor's favorable opinion letter dated March 31, 2014 that the Plan Document is a qualified plan under IRC Section 401(a). The Plan Administrator believes the plan is designed and currently operated in compliance with applicable provisions of the IRC. The Plan files form 5500 Annual Return/Report of Employee Benefit Plan.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there were no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9: RECONCILIATION OF THE FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of changes in net assets available for benefits per the financial statements to Form 5500 as of December 31:

	2022	2021
Total change in net assets available for benefits per the financial statements	\$ (5,715,316)	\$ 8,438,269
Employer corrective contribution - GAAP adjustment - prior year	-	6,511

Years Ended December 31, 2022 and 2021

NOTE 10 – CORRECTIVE CONTRIBUTIONS

In 2021, Plan management discovered certain operational errors that occurred during 2020 (missed deferral opportunities, incorrect match calculations, etc.). Management, working with the Plan advisors, calculated the amounts due from the sponsor to correct the participants' accounts and recorded a contribution receivable at December 31, 2020 to reflect the amounts due to the Plan. The sponsor corrected the majority of the errors in the early part of 2021. The sponsor the made corrective contributions during 2021.

NOTE 11 – RISKS AND UNCERTAINTIES

COVID-19 effects continue to pose an uncertain threat to financial conditions within the overall marketplace; however, this threat has become a routine consideration of management.

NOTE 12: SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 13, 2023, which represents the date the financial statements were available to be issued.
