INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
403(b) Thrift Plan for
The Pennsylvania Society for the Prevention of Cruelty to Animals

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the 403(b) Thrift Plan for The Pennsylvania Society for the Prevention of Cruelty to Animals (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("**ERISA**"), as permitted by ERISA Section 103(a)(3)(C) ("**ERISA Section 103(a)(3)(C) audit**"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the 403(b) Thrift Plan for The Pennsylvania Society for the Prevention of Cruelty to Animals financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the financial statements of 403(b) Thrift Plan for The Pennsylvania Society for the Prevention of Cruelty to Animals referred to in the first paragraph. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

In addition, as more fully described in Note 9, the plan administrator has elected to exclude from investments in the accompanying statement of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009 as permitted by Department of Labor Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such contracts and accounts have also been excluded from the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the 403(b) Thrift Plan of The Pennsylvania Society for the Prevention of Cruelty to Animals' ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the 403(b) Thrift Plan for The Pennsylvania Society for the Prevention of Cruelty to Animals financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the 403(b) Thrift Plan for The Pennsylvania Society for the Prevention of Cruelty to Animals and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Part IV, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

403(b) THRIFT PLAN FOR THE PENNSYLVANIA SOCIETY FOR THE PREVENTION OF CRUELTY TO ANIMALS

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

(1) DESCRIPTION OF PLAN

The following description of the 403(b) Thrift Plan for The Pennsylvania Society for The Prevention of Cruelty to Animals ("**Plan**") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 403(b) plan covering all employees of The Pennsylvania Society for The Prevention of Cruelty to Animals (the "**Organization**"), excluding employees that normally work less than 20 hours a week and non-resident aliens. Employees may defer a portion of their pay as a pre-tax deferral into the Plan. Eligibility for discretionary employer matching contributions begins after attaining age 18 and completion of one year of service in which the employee completes over 1,000 hours of service. The employee must also be employed at the end of the year to receive discretionary employer matching contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("**ERISA**"). The Board of Directors is responsible for the oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performances and reports to the Board of Directors.

Contributions

Participants may contribute up to the lesser of 100% of their pre-tax annual compensation, as defined in the plan or the maximum amount allowable under the Internal Revenue Code. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans.

During 2022 and 2021, the Organization elected to make discretionary matching contributions equal to 25% of the participant's salary reduction contributions up to 6%.

Investment Options

Participants direct the investment of their contributions and the Organization's contributions into various investment options offered by the Plan. Investment options include mutual funds and a group annuity contract.

The Pension Protection Act created a Qualified Default Investment Alternative ("**QDIA**") which provides employers a safe harbor from fiduciary risk when selecting an investment for a participant or beneficiary who fails to elect his or her own investment. The Plan has selected the Vanguard Target Retirement Series as its QDIA.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Organization's contribution and (b) Plan earnings (losses). Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in all contributions plus actual earnings thereon. Vesting in the discretionary employer matching contribution portion of their accounts, plus actual earnings thereon, is based on years of credited service. A participant is fully vested upon reaching normal retirement age, death or permanent disability and after 4 years of credited service:

<u>Years of Service</u>	<u>Percentage Vested</u>
0-1	0%
1-2	25%
2-3	50%
3-4	75%
4 or more	100%

Notes Receivable

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25% to 7.25%, which is commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through monthly payroll deductions.

Forfeitures

Forfeited non-vested accounts may be used to pay administrative expenses or to reduce employer contributions. Forfeited non-vested accounts totaled \$7,793 and \$5,025 as of December 31, 2022 and 2021, respectively.

Payment of Benefits

Participants may elect to receive the full amount of their vested account balances in the event of normal retirement, termination of service, death or disability. Early withdrawals are permitted at the participant's request at the age of 59 ½. Certain hardship withdrawals are also permitted. Distributions will be made in lump-sum payments. If participants have less than \$5,000 in their account balance at their termination date, they will be required to take a distribution.

Administrative Expenses

Administrative expenses related to investment management are allocated among various funds and are included in the net appreciation in fair value of investments. Other administrative expenses, such as recordkeeping, custodian and professional fees, are paid by either the Plan through allocation to the participants or by the plan sponsor.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("**GAAP**") requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for fully benefit-responsive investment contracts which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expense and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan payments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a deemed distribution is recorded.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan has evaluated subsequent events through October 11, 2023, the date the financial statements were available to be issued.

(3) FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

This hierarchy consists of three broad levels:

Level 1 – Inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.

Level 2 – Inputs consist of observable inputs other than quoted prices for identical assets.

Level 3 – Inputs are unobservable and have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

There have been no changes in the valuation methodologies used at December 31, 2022 and 2021.

The following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2022 and 2021:

403(b) THRIFT PLAN FOR THE PENNSYLVANIA SOCIETY FOR THE PREVENTION OF CRUELTY TO ANIMALS

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

Mutual funds – The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-ended mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded and are classified as Level 1.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

(4) GUARANTEED ANNUITY CONTRACT

During 2019, the Plan entered into a fixed annuity contract with Great-West Life and Annuity Insurance Company (Great-West). The contract meets the fully-benefit responsive investment contract criteria and, therefore, is reported at contract value. The contract value was \$21,509 and \$14,651 as of December 31, 2022 and 2021, respectively. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Empower Retirement, the trustee of the Plan, maintains the contributions in a general account. The account is credited with earnings and charged for participant withdrawals and administrative expenses. The guaranteed annuity contract issuers are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The average yield earned for the years ended December 31, 2022 and 2021 was 1.05% and 1.15%, respectively.

Certain events limit the Plan's ability to transact at contract value with the issuer. The Plan administrator does not believe that there are any events probable of occurring which would limit the Plan's ability to transact at contract value with participants.

Great-West or the Organization can terminate the contract with at least 60 days advance written notice to the other party. The contract termination shall be valid after the expiration of the 60-day notification period.

(5) CERTIFIED INFORMATION

The Plan administrator has elected the method of compliance as permitted by Section 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Retirement and Newport Trust Company, the trustees of the Plan, have certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021, the related investment activity included in the statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and the supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022.

(6) PARTY-IN-INTEREST TRANSACTIONS

Transactions between the Plan and Empower Retirement and Newport Trust Company, the trustees, qualify as party-in-interest. Administrative and investment management fees paid by the Plan were \$22,527 in 2022 and \$14,762 in 2021.

403(b) THRIFT PLAN FOR THE PENNSYLVANIA SOCIETY FOR THE PREVENTION OF CRUELTY TO ANIMALS

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

Certain officers and employees of the Organization (who may also participate in the Plan) perform administrative services related to the operation, recordkeeping and financial reporting of the Plan. The Organization pays these individuals' salaries and other administrative expenses. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions under ERISA.

(7) TAX STATUS

The underlying volume submitter plan has received an advisory letter from the Internal Revenue Service (IRS), stating that the form of the Plan is qualified under Section 401(a) of the Internal Revenue Code (the Code) and, therefore, the related trust is tax exempt. In accordance with Revenue Procedures 2015-06 and 2015-36, the Plan administrator has determined that it is eligible to, and has chosen to, rely on the current IRS volume submitter advisory letter. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The Plan administrator has indicated that it will take the necessary steps, if any, to bring the Plan's operations into compliance with the Code.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

(8) RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(9) EXCLUDED CONTRACTS

The Plan's financial statements do not present information regarding certain investments in annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. The Plan administrator has elected to exclude those contracts and related activity from the Plan's financial statements for the purposes of the annual reporting requirements of the Employee Retirement Income Security Act of 1974 (ERISA) in accordance with the transaction relief provided to the Department of Labor Field Assistance Bulletin 2009-02, *Annual Reporting Requirements for the 403(b) Plans*. Presentation of this information is required by accounting principles generally accepted in the United States of America. The effects of this departure from generally accepted accounting principles on these financial statements are not reasonably determinable.
