INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
HealthWell Foundation 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of HealthWell Foundation 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year from this report date.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a significant likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2022 and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HEALTHWELL FOUNDATION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 – DESCRIPTION OF PLAN

The following description of the HealthWell Foundation 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

GENERAL

The Plan is a defined contribution plan established and effective January 1, 2022, covering substantially all employees of the HealthWell Foundation (the “Company” or “Sponsor”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was amended effective April 27, 2023 allowing participants to have two new loans at same time.

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) which included several relief provisions to tax qualified plans and their participants that were put into operation by the Plan at that time. As of December 31, 2022, the Plan has not been formally adopted of such provisions as the CARES Act provisions are required to occur on or before December 31, 2025.

PLAN SPIN OFF

Prior to January 1, 2022, the HealthWell Foundation participated in the Oasis Retirement Saving Plan (the “Transferor Plan”) sponsored by Oasis Outsourcing Holdings, Inc. The HealthWell Foundation established the HealthWell Foundation 401(k) Plan (the “Spin-off Plan”) effective January 1, 2022. On July 1, 2022, the Trustees of the Spin-off Plan transferred qualified assets totaling \$4,814,490 related to participants and beneficiaries from the Transferor Plan to the Spin-off Plan. This transfer is reported as transfer in from plan spin-off in the accompanying statement of changes in net assets available for benefits.

ELIGIBILITY

All employees are eligible to participate in the Plan, except those who are certain non-resident aliens with no U.S. source income and those who are classified or treated as Union employees. Employee is eligible to participate in the Plan when they attain the age of 21 and have completed one month of service.

CONTRIBUTIONS

Each year, participants may contribute portions of their compensation to the Plan up to the limits specified by the Internal Revenue Code (the IRC), including Roth after-tax deferrals. Participants who have attained age 50 before the end of the plan year are eligible to make

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

catch-up contributions. The Company makes safe harbor contributions to the Plan equal to 100% of participants elective deferrals that do not exceed up 5% of the participant's compensation.

ROLLOVERS FROM OTHER PLANS

The Plan will allow rollover contributions and will accept plan-to-plan transfers. A separate account will be maintained by the Plan for a participant's rollover contribution, which will be nonforfeitable at all times. The account will share in the income and gains and losses of the funding vehicles in which it is invested.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution, the Company's contribution, and an allocation of (a) plan earnings (losses) and (b) administrative expenses. Income is allocated daily based on the shares in the participant's account. Allocations are based on participant earnings or account balances or participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided by the participant's account.

VESTING

Participants are immediately vested in their contributions and the Company's contributions plus actual earnings or losses thereon.

INVESTMENT OPTIONS

The Plan's investments consist of mutual funds, a general insurance contract, and pooled separate accounts held by Principal Life Insurance Company and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (Principal), the custodians of the Plan. Amounts held in mutual funds and the pooled separate accounts are allocated among a variety of investment options made available by the Plan's custodians and selected by the Plan's trustee pursuant to a contract with Principal. The general insurance contract is unallocated. It is fully benefit-responsive, and therefore recorded at contract value. Each participant, or his or her surviving beneficiary may direct the allocation of the amounts held in the accounts on his or her behalf among these investment options. Participants may direct the withdrawal or transfer of amounts held in the general account at contract value.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Under certain conditions, participants may borrow a portion of their participant account at a minimum of \$1,000, up to a maximum of the lesser of (a) \$50,000 reduced by the participant's highest outstanding loan balance in the preceding 12 months or (b) 50% of the participant's vested account balance. Loan transactions are treated as transfers between the investment accounts and the loan accounts. Loan terms can be for a period of up to five years. The loans are collateralized by the balances in the participants' accounts and bear interest at fixed rates from 4.25% to 9.50% which are comparable to the rates charged by local financial institutions at inception of the loans. Principal and interest are paid ratably through payroll deductions.

PAYMENT OF BENEFITS

The Plan permits withdrawals when a participant terminates employment, reaches retirement age, or becomes disabled or deceased. In-service withdrawals are also permitted for certain financial hardships or when a participant attains age 59½. Benefits are payable in lump-sum payments with certain exceptions allowed. If the participant's vested interest in his or her account is less than \$5,000 (including rollover contributions made to the account), the balance shall be paid in a single, lump sum payment as soon as practicable. If the participant's vested interest in his or her account is more than \$5,000, the participant must consent to any distribution before it may be made.

Participants also have the option to receive a hardship distribution of salary reduction contributions if the conditions for hardship are satisfied.

PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its operations at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, the Plan provides that the amounts credited to the accounts of each member will be nonforfeitable and the plan trustee will either (a) continue to administer the trust fund and pay account balances in accordance with a stipulated agreement until the trust fund has been liquidated, or (b) distribute the assets remaining in the trust fund to the members, inactive members and beneficiaries in proportion to their respective account balances.

ADMINISTRATIVE EXPENSES

As provided in the plan document, the Plan's administrative expenses may be paid by the Plan's participants or by the Plan sponsor. Substantially all of the Plan's administrative expenses have been paid by the Plan sponsor.

ENACTED LEGISLATION

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements are presented on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of the financial statements, and the accompanying notes. Actual results could differ from these estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Except for a certain contract held by Principal that is described in Note 5, which are reported at contract value, the Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest and dividend income are recognized on the accrual basis of accounting. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

No allowance for credit losses has been recorded as of December 31, 2022.

PAYMENT OF BENEFITS

Benefit payments to participants are recorded upon distribution. As of December 31, 2022, no amounts were allocated to the accounts of participants who had elected to withdraw from the Plan but had not yet been paid.

NOTE 3 – INVESTMENT INFORMATION CERTIFIED BY THE PLAN’S CUSTODIANS

Certain information related to investments from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments from participants held at December 31, 2022, and net depreciation in fair value of investments, interest and dividends for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate Principal Life Insurance Company and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (the custodians of the Plan). This information has not been audited by the Plan’s independent auditors.

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 820, *Fair Value Measurement and Disclosures*, establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest

HEALTHWELL FOUNDATION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following table summarizes the Plan's investments measured at fair value on a recurring basis as of December 31, 2022, aggregated by the fair value hierarchy level within which those measurements were made:

<i>(continued)</i>				
Investments measured at net asset value ^(a)	\$ 4,393,191			
Investments, at Fair Value	\$ 4,709,860			

- ^(a) In accordance with Subtopic 820-10, certain investments that were measured at Net Asset Value (NAV) per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The Plan used the following method and significant assumption to estimate fair value for assets recorded at fair value:

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily Net Asset Value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. Investments in these mutual funds can be redeemed daily upon request.

Pooled separate accounts – Valued at the NAV or equivalent based on units of the pooled separate accounts. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is generally based on the fair value of the underlying investments held by the pooled separate account less its liabilities. This practical expedient is not used when it is determined to be probable that the pooled separate account will sell the investment for an amount different than the reported NAV.

HEALTHWELL FOUNDATION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables summarize investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Purchase Redemption Notice Period</u>
Pooled separate accounts	<u>\$ 4,393,191</u>	None	Daily	1 day
Total	<u><u>\$ 4,393,191</u></u>			

NOTE 5 – INVESTMENT CONTRACT WITH INSURANCE COMPANY

CONTRACT INFORMATION

The Plan has a fully benefit-responsive investment contract with Principal Life Insurance Company, and is reported at contract value. Contract value is the relevant measure for fully benefit responsive contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Principal Life Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Principal Life Insurance Company is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. There are no reserves against the contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer.

Such interest rates are reviewed on a quarterly basis for resetting. The value of the investment contract was \$13,358 as of December 31, 2022.

EVENTS

Certain events limit the Plan's ability to transact at contract value with Principal Life Insurance Company. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan); (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions; (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan; or (d) the failure of the Plan to qualify for exemption from federal income taxes or for any required prohibited transaction exemption under ERISA. The plan administrator does not believe that the occurrence of any such event which would limit the Plan's ability to transact at contract value with the Plan's participants is probable.

HEALTHWELL FOUNDATION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 5 – INVESTMENT CONTRACT WITH INSURANCE COMPANY (CONTINUED)

CONTRACT VALUE

Contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to fully benefit-responsive contracts. Contract value, as reported to the Plan by Principal Life Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value.

NOTE 6 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, including interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is possible that changes in the fair values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 – TAX STATUS

The Plan has adopted a Non-Standardized Defined Contribution Pre-Approved plan sponsored by NOVA 01(k) Associates. On June 30, 2020, the Internal Revenue Service (IRS) stated in an opinion letter to the Pre-Approved plan, that the Pre-Approved plan as then designed, was in compliance with applicable requirements of the IRC Section 401. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan Administrator believes that the Plan is qualified and the related trust is tax-exempt.

GAAP requires the Plan's management to evaluate uncertainty in income taxes and recognize a tax liability if the Plan has taken a position that, more likely than not, would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2022, there were no matters that would require recognition of a liability or disclosure in the financial statements. As of December 31, 2022, the statute of limitations remained open with the U.S. federal jurisdiction in which the Plan files tax returns; however, there are currently no examinations in progress.

It is the Plan's policy to recognize interest and/or penalties related to uncertainty in income taxes, if any, in income tax expense. As of December 31, 2022, the Plan had no accruals for interest and/or penalties.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 8 – RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

The Plan's investment options are composed of funds sponsored by the custodians. Transactions involving these investments are considered party-in-interest transactions for which a statutory exemption exists. Fees paid by the Plan for administrative services to the plan custodians totaled \$14,845 for the year ended December 31, 2022. The Plan also extends loans to participants, who are considered parties-in-interest, therefore, these transactions qualify as party-in-interest transactions.

NOTE 9 – DELINQUENT PARTICIPANT CONTRIBUTIONS

The HealthWell Foundation determined that five remittance of employee deferrals made during 2022 of \$47,450, were not made timely in accordance with Department of Labor guidelines. The Company has categorized the remittances in question as delinquent participant contribution and included on the schedule of delinquent participant contribution in the supplemental schedules to the financial statements. The Plan Administrator is in the process to corrected these delinquent participant contributions in accordance with applicable correction procedures.

NOTE 10 – SUBSEQUENT EVENTS

In preparing the financial statements, the Plan has evaluated events and transactions, for potential recognition or disclosure, through October 13, 2023, the date the financial statements were available to be issued. Except as disclosed in Note 1 regarding plan amendment, there were no subsequent events that require recognition or disclosure in these financial statements.
