INDEPENDENT AUDITOR'S REPORT

To the Plan Committee
403(b) Thrift Plan for the Employees of
Haven for Hope of Bexar County
San Antonio, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Haven for Hope 403(b) Thrift Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Haven for Hope 403(b) Thrift Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Mutual of America Life Insurance Company as of and for the year ended December 31, 2021 and the period of January 1, 2022 through January 10, 2022, and from Ascensus Trust Company as of December 31, 2022 and for the period of January 10, 2022 through December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Audited Financial Statements
December 31, 2022 and 2021

NOTE A – SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation: The financial statements of 403(b) Thrift Plan for the Employees of Haven for Hope of Bexar County (“Plan”) are prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles.

Recognition of Income: The basis of investments held by the Plan is adjusted annually to closing market values and unrealized gains and losses are recorded as part of this adjustment. Realized gains and losses on investments are computed using adjusted basis. Security transaction expenses are considered in computing realized gains and losses on investments. Interest income from the interest accumulation account is recognized as it is earned and credited to the account.

Investments: Investments in mutual funds (registered investments companies) and pooled separate accounts are carried at fair market value (net asset value), as determined by quoted prices. Purchases and sales of securities are recorded on a trade-date basis. Dividends are considered when the fair value is determined. Gains and losses (realized and unrealized) are reported in net (depreciation) appreciation in fair value of investments in the statement of changes in net assets available for benefits.

Investments in the Interest Accumulation Account, a guaranteed interest contract held in the general account of Mutual of America at December 31, 2021, are carried at contract value. The contracts are fully benefit-responsive.

Benefit Payments: Benefits are recorded when paid.

Subsequent Events: Subsequent events have been evaluated by management through the date of the independent auditor's report.

Use of Estimates: The preparation of financial statements in conformity with U. S. generally accepted accounting principles requires estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Concentration of Credit Risks: The Plan invests in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statement of net assets available for plan benefits. The Plan Sponsor minimizes the credit risk through the diversity of the underlying investments.

NOTE B – DESCRIPTION OF THE PLAN

The following description provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan, established September 1, 2008, covering virtually all employees of Haven for Hope of Bexar County ("Sponsor"). There are no minimum age or service requirements to make salary reduction contributions. The Plan is for the exclusive benefit of its participants and their beneficiaries. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Amendments and Restatement: The Plan was restated effective January 1, 2022 to adopt a volume submitter 403(b) Plan under Ascensus, LLC. Additionally, the Plan operationally implemented certain changes permitted by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which changes the Plan to allow certain eligible individuals to receive coronavirus-related distributions, suspend required minimum distributions, and delay the commencement date for required minimum distributions. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

Contributions: Participants may contribute up to 100% of their compensation either on a pretax or after-tax Roth basis, subject to the limitations of IRC section 402(g). Participants may also contribute amounts representing distributions ("rollovers") from other qualified defined benefit or contribution plans. As required by the Plan, the Sponsor contributes a non-elective 6% of a participant's eligible compensation for all participants who have reached the age of 18 and attained one year of service with the Sponsor.

Participant Accounts: Each participant's account is credited with their contribution and allocations of a) the Plan Sponsor contributions, b) Plan earnings, and c) charged with an allocation of administrative expenses. Allocations are based on the participant's earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are always 100% vested in their voluntary contributions and any earnings thereon. Vesting in Sponsor matching contributions is based on years of service as follows:

Less than one year	0%	3 years	60%
1 year	20%	4 years	80%
2 years	40%	5 years or more	100%

Forfeitures: Forfeitures are retained in the Plan and may be used to pay for administrative expenses or allocated as employer matching contributions. For the years ended December 31, 2022 and 2021, forfeitures of \$8,435 and \$5,424 were used to offset the Plan Sponsor matching contributions.

Payment of Benefits: Payment of the vested account balance is immediate when the participant reaches normal retirement age, dies or terminates employment. If the total vested account balance is less than \$1,000, the participant will receive a single lump sum payment. If the vested account balance is equal to or greater than \$1,000, various payment options are available and are described more fully in the Plan agreement. Hardship withdrawals are available to participants upon approval.

Notes to Audited Financial Statements
December 31, 2022 and 2021

NOTE B – DESCRIPTION OF THE PLAN – continued

Administrative Expenses: The Plan's administrative expenses are paid by either the Plan or the Plan Sponsor, as allowed for in the Plan document.

Plan Termination: Although it has not expressed intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE C – INVESTMENTS CERTIFIED BY THIRD PARTY (unaudited)

As permitted by Department of Labor CFR 2520.103-8, plan investments at December 31, 2022 and the related investment earnings for the period from January 10, 2022 through December 31, 2022, were certified and held by Ascensus Trust Company, the Trustee, and were not audited by the independent auditor. The plan investments at December 31, 2021 and the related investment earnings for the year then ended and for the period from January 1, 2022 through January 10, 2022, were certified and held by Mutual of America Life Insurance Company.

NOTE D – TRANSACTIONS WITH PARTIES-IN-INTEREST

The Plan includes certain investments managed by Ascensus Trust, the Plan Custodian at December 31, 2022 and Mutual of America Life Insurance Company, the Plan Custodian at December 31, 2021 and through January 10, 2022. Therefore, these transactions qualify as party-in-interest transactions. Fees paid for legal, accounting and other services rendered by parties-in-interest were based on customary and reasonable rates for such services. The Plan's administrative expenses are paid either by the Plan or the Plan Sponsor as allowed for in the Plan document.

NOTE E – INCOME TAX STATUS

The Plan Sponsor adopted the Volume Submitter 403(b) Plan of the Custodian, Ascensus, which has been accepted under section 403(b) of the Internal Revenue Code. The Plan received a favorable opinion letter from the Internal Revenue Service on January 1, 2018.

The Plan has been amended since receiving the opinion letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Management is not aware of any tax positions that would have a significant impact on its financial position. Its federal annual returns for the last four years remain subject to examination.

NOTE F – FAIR VALUE MEASUREMENTS

In accordance with U.S. generally accepted accounting principles, the Plan utilizes a fair value hierarchy that prioritizes the inputs for the valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

**403(b) THRIFT PLAN FOR THE EMPLOYEES OF
HAVEN FOR HOPE OF BEXAR COUNTY**
Notes to Audited Financial Statements
December 31, 2022 and 2021

NOTE F – FAIR VALUE MEASUREMENTS – continued

The three levels of the fair value hierarchy are as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
- quoted prices for similar assets or liabilities in active markets
 - quoted prices for identical or similar assets or liabilities in inactive markets
 - inputs other than quoted prices that are observable for the asset or liability
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means
 - if the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following table sets forth by level, within the fair value hierarchy, the Plan's investments measured at fair value:

	Fair value Measurements Using			Total
	Level 1	Level 2	Level 3	
<i>December 31, 2022</i>				
Money market	\$ 77,293	\$ -	\$ -	\$ 77,293
Mutual funds	4,092,999	-	-	4,092,999
Total investments at fair value	<u>\$ 4,170,292</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,170,292</u>
<i>December 31, 2021</i>				
Pooled separate accounts	\$ -	\$ 3,420,031	\$ -	\$ 3,420,031
Total investments at fair value	<u>\$ -</u>	<u>\$ 3,420,031</u>	<u>\$ -</u>	<u>\$ 3,420,031</u>

There have been no changes in the methodologies used at December 31, 2022 from 2021, nor transfers between levels. Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds and Pooled Separate Accounts: Valued at the net asset value.

Money Market Funds: Valued at cost plus accrued interest.

**403(b) THRIFT PLAN FOR THE EMPLOYEES OF
HAVEN FOR HOPE OF BEXAR COUNTY**
Notes to Audited Financial Statements
December 31, 2022 and 2021

NOTE F – FAIR VALUE MEASUREMENTS – continued

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE G – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The audited financial statements are prepared on the accrual basis of accounting, whereas, the Form 5500 is prepared on the cash basis. The following is a reconciliation of net assets available for benefits as of December 31:

	2022	2021
Net assets available for benefits per financial statements	\$ 4,168,700	\$ 4,625,173
Add: excess contributions payable	1,592	17,163
Net assets available for benefits per Form 5500	<u>\$ 4,170,292</u>	<u>\$ 4,642,336</u>
	2022	2021
Change in net assets per financial statements	\$ (456,473)	\$ 453,342
Add: current year excess contributions payable	1,592	17,163
Less: prior year excess contributions payable	<u>(17,163)</u>	<u>-</u>
Change in net assets per Form 5500	<u>\$ (472,044)</u>	<u>\$ 470,505</u>

NOTE H – SUBSEQUENT EVENTS

Effective January 1, 2023, the Plan Sponsor amended the Plan to include an automatic enrollment feature for participation of 1% on the first day of each plan year and will increase 1% each year up to a maximum of 6%. The plan amendments also eliminate the one-year service requirement to receive employer matching contributions, and permit participant loans. The Securing a Strong Retirement Act (SECURE 2.0 Act) was signed into law on December 29, 2022, and includes mandatory and optional provisions with varying effective dates in 2023 and later.
