October 10, 2023

To the Participants and Plan Administrator of the
Nekoosa Retirement Savings Plan:

We have audited the financial statements of Nekoosa Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2022 and we will issue our report thereon dated October 10, 2023. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Empower Trust Company, LLC, the custodian, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated July 24, 2023. Professional standards also require that we communicate to you the following information related to our audit.

SIGNIFICANT AUDIT MATTERS

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Nekoosa Retirement Savings Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2022. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was management's estimate of the fair value of investments. We evaluated the key factors and assumptions used to develop these estimates in determining that it is reasonable in relation to the financial statements taken as a whole.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements relate to the fair value estimates.

The financial statement disclosures are neutral, consistent, and clear.

SIGNIFICANT AUDIT MATTERS (Continued)

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. We did not identify any corrected or uncorrected misstatements in performing and completing our audit.

Reportable Findings

For purposes of this letter, a reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention. We identified the following reportable findings:

Documentation of the Oversight Process

During our audit, we noted that Plan management did not formally document its plan oversight meetings during the year. Meeting minutes serve as important documentation that a fiduciary process was followed, and the Plan is being prudently managed. We recommend that Plan management implement a policy to document their regular meetings and any important decisions or discussions held during these meetings in the form of minutes, to include such matters as the following:

- Date, time and location of the meeting
- Identification of the people present at the meeting
- Reference to any investment reports used during the meeting
- Participation issues such as education, goals for increasing the number of participants, or deferral rates
- Plan fee issues
- Fund performance issues
- Decisions made, such as the decision to place a specific fund on a formal or informal "watch list" that will need to be addressed at a future meeting
- Decisions made which require immediate action, such as the decision to remove and/or replace a fund in the Plan's line-up

SIGNIFICANT AUDIT MATTERS (Continued)

Reportable Findings (Continued)

Timely Remittance of Employee Contributions

Department of Labor (DOL) regulations require an employer to segregate employee deferrals from its general assets as soon as practicable, but in no event more than 15 business days following the end of the month in which amounts were contributed by employees or withheld from their wages.

This issue has become a hot topic of the DOL in recent years. In a world where direct deposit of employee wages is commonplace, the DOL seems to have taken the position that “as soon as practicable” is often much sooner than by the 15th business day of the month following the withholding. The DOL has indicated that, “the date when participant contributions reasonably can be segregated from the employer’s general assets usually will be earlier than the maximum time period for pension plans in the regulation. Thus, when contributions reasonably can be segregated from the employer’s general assets in a shorter time period, delay in forwarding the contributions, even a delay that does not exceed the maximum time period under the regulation, may cause a breach of fiduciary duty under title I of ERISA that may be corrected under the Voluntary Fiduciary Correction Program (VFCP).” In practice the DOL has typically reviewed past remittance history of an employer and concluded that the earliest remittance date within the year (or past years) establishes a benchmark for when the employer could reasonably segregate the amounts from their general assets.

According to the DOL regulation, failure to remit employee contributions to the Plan in a timely basis constitutes a loan of funds from the Plan to the Plan Sponsor, which is classified as a “prohibited transaction” and results in an excise tax imposed on the Company. The excise tax is normally calculated in a similar manner as interest is calculated on a traditional loan. Additionally, the prohibited transaction is required to be disclosed in a supplemental schedule to the Plan’s financial statements and to Form 5500.

During our audit, we noted that the Plan Administrator remitted employee deferrals within a range of one day after the payroll pay date to as many as eight days after the payroll pay date. Since the Plan has demonstrated the ability to remit deferrals one day after payroll is paid, the DOL may determine that beyond this results in failure to remit in a timely matter. Failure to remit in a timely manner is a prohibited transaction and may result in significant penalties.

We recommend the Company review its policy and procedures related to remitting employee elective deferrals to the Plan to determine a consistent remittance schedule that the Company is able to adhere to each pay period.

Timing and Calculation of Contributions

During our testing, we noted one instance whereby an eligible participant did not begin their contributions on the proper date in accordance with the terms of the Plan document, which states that participants are able to contribute the first of the month following the date of hire.

We recommend management review procedures to ensure compliance with the Plan document and participant elections in the administration of the Plan, and also review for any further participants whose entry dates were not in compliance with the provisions of the Plan. Additionally, we commend the Plan sponsor self-correct any untimely plan entry dates, including providing any missed employer matches and lost earnings, as determined necessary.

SIGNIFICANT AUDIT MATTERS (Continued)

Reportable Findings (Continued)

Maintaining Records – Demographic Support

During our testing of benefit payments, we noted five instances where demographic support such as date of hire and date of termination were not able to be provided. While the date of termination and the date of hire in these instances were noted to date back many years, such demographic information is used to determine when an employee comes eligible to participate in the plan and vesting status upon termination. Accordingly, failure to keep accurate employee data might result in the eligibility status of employees, forfeitures of non-vested accounts and distributions being incorrectly determined. We recommend that current policies and procedures be reviewed to ensure that documentation is adequately obtained and maintained in employee files to support plan operations. Additionally, the accuracy of employee data should also be reviewed before it is provided to the third-party administrator.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 10, 2023.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

October 10, 2023

To the Participants and Plan Administrator of the
Nekoosa Retirement Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Nekoosa Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Nekoosa Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Nekoosa Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Nekoosa Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Nekoosa Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITOR'S REPORT

(Continued)

Other Matter - Supplemental Schedules Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agree to, is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NEKOOSA RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN

The following description of the Nekoosa Retirement Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined-contribution retirement plan under Section 401(k) of the Internal Revenue Code (IRC). The Nekoosa Retirement Savings Plan covers eligible employees of Nekoosa Coated Products, LLC, the Plan Sponsor, as well as eligible employees of Nekoosa LV, LLC, R. Tape Corp., and CET Films Corp., all related entities under common management. On January 1, 2021, Nekoosa LV, LLC, R. Tape Corp. (the Companies), and CET Films Corp. were legally merged into Nekoosa Coated Products, LLC (the Company), whereby all eligible participants of the Plan effectively became employees of Nekoosa Coated Products, LLC. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

Nekoosa Coated Products, LLC is the plan sponsor and plan administrator. MAP Retirement serves as the Plan's third-party administrator. Prior to August 1, 2022, Great-West Trust company was the Plan's custodian, recordkeeper, and trustee. Effective August 1, 2022, Great-West Trust Company rebranded and become Empower Trust Company, LLC (Empower).

Eligibility

Qualified employees of Nekoosa Coated Products, LLC, Nekoosa LV, LLC, R. Tape Corp., and CET Films Corp. (collectively, the Companies) are eligible to participate in the Plan on the first date of the calendar month coinciding with or next following the date eligibility requirements are met. An employee meets eligibility requirements by completing at least one hour of service during the Plan year. Participants in the Plan are immediately eligible for discretionary employer contributions.

Contributions

The Plan allows participants to contribute an amount up to 100% of their annual compensation, subject to certain limitations of the Plan and the IRC. Participants that have reached the age of 50 before the end of the Plan year are eligible to make catch-up contributions. A participant may designate all or a portion of their elective deferral contribution as after-tax Roth elective deferrals. Participants may also rollover contributions from other qualified retirement plans upon meeting eligibility requirements.

The Companies make discretionary employer contributions on behalf of each participant at a rate not to exceed 3% of the participant's annual compensation. Discretionary employer contributions totaled \$482,866 and \$322,964 for the years ended December 31, 2022 and 2021, respectively.

The Plan includes an automatic enrollment provision for non-contributing eligible employees, unless the employee affirmatively elects not to participate. The automatic deferral percentage is 3% of eligible wages. There is no automatic escalation.

1. DESCRIPTION OF PLAN (Continued)

Participant Accounts

Each participant's account is credited with the participant's contribution, employer contributions, and investment earnings or losses, and is reduced by benefit payments and administrative expenses. Net earnings or losses from each investment fund are allocated to each participant's account based on account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective contributions plus actual earnings and losses thereon. Participants vest in employer contributions ratably over a five-year period.

Benefits Paid to Participants

Participants generally are eligible to receive distributions of their vested benefits upon retirement, termination of employment, or due to death or disability. Normal retirement age is the date the participant reaches age 62. Additionally, the Plan allows for in-service withdrawals once a participant has reached the age of 59 ½, even if still employed. Participants may elect disbursements of their vested account balance in either a lump-sum amount, installment payments or direct rollover into an individual account or another qualified plan. The Plan allows for distributions of any portion of a participant's account attributable to rollover contributions.

Hardship withdrawals from the Plan are permitted from a participant's account under certain circumstances. All hardship withdrawals must comply with IRC rules relating to hardships, which are uniformly applicable to all participants.

Notes Receivable from Participants

Participants generally may borrow up to the lesser of 50% of their vested account balance or \$50,000, subject to provisions of the Plan. The loans are secured by the participant's vested account and bear interest based on the prime rate of interest published by or as published by the Wall Street Journal as of the date of the loan, plus 1.5%. Principal and interest are paid ratably through weekly payroll deductions. Principal and interest payments on the notes are redeposited into the participants' accounts based on their current investment allocation elections. Loans must be repaid over a period not to exceed five years, unless used to purchase a principal residence for which the period may not exceed 20 years.

Forfeitures

Forfeitures of employer contributions are generally used to reduce future employer contributions or pay Plan administrative expenses. Forfeitures, totaled \$47,727 and \$31,901 during 2022 and 2021, respectively. The balance of unallocated forfeited non-vested accounts totaled \$64,844 and \$17,450 as of December 31, 2022 and 2021, respectively. Total forfeitures used to reduce employer contributions or pay administrative expenses were \$483 and \$79,974 for the years ended December 31, 2022 and 2021, respectively.

Administrative Expenses

The Plan pays for substantially all expenses associated with the administration of the Plan. Certain administrative expenses are paid by the Companies.

Plan Termination

Although the plan sponsor has not expressed any intent to do so, the plan sponsor has the right to terminate the Plan at any time subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and all employees would become 100% vested.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases, sales, and interest income are recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments consists of both realized and unrealized gains and losses on the Plan's investments.

Fair Value Measurements

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair market value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets and liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include: <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets;• Quoted prices for identical or similar assets or liabilities in inactive markets;• Inputs other than quoted prices that are observable for the asset or liability;• Inputs that are derived principally from or corroborated by observable market data by correlation or other means. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

A description of where the Plan's investments fall within the ASC 820 fair value hierarchy is provided in Note 4.

2. SUMMARY OF ACCOUNTING POLICIES (Continued)

Risks and Uncertainties

Investments are exposed to various risks, such as interest rate, market, economic conditions, world affairs, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and such changes could materially affect the amounts reported in the accompanying statements.

Benefits Paid to Participants

Benefits are recorded when paid.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to use estimates and assumptions that affect the amounts reported in the financial statements. Actual results could differ from those estimates.

3. CERTIFIED INVESTMENT INFORMATION

The following information was certified as complete and accurate by Great-West Trust Company, rebranded as Empower Retirement, for the years ending December 31, 2022 and 2021 and is included in the financial statements and accompanying supplemental schedule:

	<u>2022</u>	<u>2021</u>
Investments, at fair value	\$ <u>11,664,333</u>	\$ <u>13,428,000</u>
Notes receivable from participants	\$ <u>1,589</u>	\$ <u>15,432</u>

Interest on notes receivable from participants	\$ <u>1,201</u>	\$ <u>2,135</u>
Schedule of Assets (Held at End of Year)	Schedule I	

4. FAIR VALUE MEASUREMENTS

The Plan's assets fall within the fair value hierarchy as follows at December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ <u>10,838,781</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>10,838,781</u>
Investments, at net asset value				<u>825,552</u>
Total				\$ <u>11,664,333</u>

4. FAIR VALUE MEASUREMENTS (Continued)

The Plan's assets fall within the fair value hierarchy as follows at December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 12,749,571	\$ -	\$ -	\$ 12,749,571
Investments, at net asset value				<u>678,429</u>
Total				<u>\$ 13,428,000</u>

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: valued at fair value based on quoted market prices in active markets.

Common collective trust (CCT) fund: valued at fair value using the net asset value (NAV) per share practical expedient based on the value of underlying investments using a market approach.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investment in Entities that Calculate Net Asset Value

The Plan is invested in a CCT that calculates NAV on a daily basis. Units are issued and redeemed as of the end of each day at the daily NAV. The NAV of this investment is derived from the market value of the underlying investments. The NAV of the fund is then calculated each day and posted by the custodian.

The CCT's primary investment objectives are to seek income while preserving principal and provide daily liquidity at contract value for participant withdrawals and transfers. Redemptions are generally restricted to processing on a valuation date at the daily net asset value per unit computed on that date. CCT units may be redeemed on a daily basis to meet benefit payments and other participant-initiated withdrawals permitted by retirement plans invested in the CCT.

There are no restrictions on the number of transactions a participant can conduct related to the CCT account. This account does not have any unfunded commitments.

5. PARTY-IN-INTEREST TRANSACTIONS

Empower serves as the custodian and trustee of the Plan. MAP Retirement serves as the Plan's third-party administrator. Consequently, transactions between Empower, MAP Retirement and the Plan qualify as party-in-interest. Additionally, notes receivable from participants qualify as party-in-interest transactions.

6. TAX STATUS

The Plan uses a prototype plan document developed by CCH Incorporated, dba ftwilliam.com (CCH). The Internal Revenue Service has determined and informed CCH, by letter dated June 30, 2020, that the written form of the underlying prototype plan document is acceptable under Section 401 of the Internal Revenue Code (the Code) for use by employers for the benefit of their employees. The Plan has not yet applied for its own determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

7. RECONCILIATION TO FORM 5500

Certain classifications may differ between the financial statements and Form 5500. There were no differences between the net assets available for benefits per the financial statements and Form 5500 at December 31, 2022 and 2021.

The following is a reconciliation of the changes in net assets available for benefits per the financial statements to Form 5500 for the year ended December 31:

	<u>2022</u>	<u>2021</u>
Change in net assets available for benefits per the financial statements	\$ (1,777,511)	\$ 2,502,237
Change in notes receivable from participants	<u>-</u>	<u>3,715</u>
Change in net assets available for benefits per Form 5500	<u>\$ (1,777,511)</u>	<u>\$ 2,505,952</u>

8. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 10, 2023, which is the date the financial statements were available to be issued.
