Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: RUBINBROWN LLP

(2) EIN: 43-0765316

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l.

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)

	Yes	No	Amount
4a		X	

	Yes	No	Amount
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
4b		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
4c		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
4d		X	
e Was this plan covered by a fidelity bond?	X		5000000
4e	X		5000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
4f		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
4g		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
4h		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
4i	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		X	
4j		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		X	
4k		X	
l Has the plan failed to provide any benefit when due under the plan?		X	
4l		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)	X		
4m	X		
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.	X		
4n	X		

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

5b(1) Name of plan(s)	5b(2) EIN(s)	5b(3) PN(s)

5c Was the plan a defined benefit plan covered under the PBGC insurance program at any time during this plan year? (See ERISA section 4021 and instructions.) ☐ Yes ☐ No ☐ Not determined

If "Yes" is checked, enter the My PAA confirmation number from the PBGC premium filing for this plan year _____.

SCHEDULE R (Form 5500) Department of the Treasury Internal Revenue Service Department of Labor Employee Benefits Security Administration Pension Benefit Guaranty Corporation	Retirement Plan Information This schedule is required to be filed under sections 104 and 4065 of the Employee Retirement Income Security Act of 1974 (ERISA) and section 6058(a) of the Internal Revenue Code (the Code). ► File as an attachment to Form 5500.	OMB No. 1210-0110 2022 This Form is Open to Public Inspection.
For calendar plan year 2022 or fiscal plan year beginning 01/01/2022 and ending 12/31/2022

Provide explanation _____

Independent Auditors' Report

Benefits Committee of Zurn Elkay Water
Solutions Corporation
Zurn 401(k) Plan
Milwaukee, Wisconsin

Opinion

We have audited the financial statements of Zurn 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Zurn 401(k) Plan as of December 31, 2022 and 2021, and the changes in its net assets available for benefits for the year ended December 31, 2022, in accordance with accounting principles generally accepted in the United States of America.

Basis For Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The Financial Statements section of our report. We are required to be independent of Zurn 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities Of Management For The Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Zurn 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities For The Audit Of The Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Zurn 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Zurn 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required By ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Independent Auditors' Report

Benefits Committee of Zurn Elkay Water
Solutions Corporation
Zurn 401(k) Plan
Milwaukee, Wisconsin

Opinion

We have audited the financial statements of Zurn 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Zurn 401(k) Plan as of December 31, 2022 and 2021, and the changes in its net assets available for benefits for the year ended December 31, 2022, in accordance with accounting principles generally accepted in the United States of America.

Basis For Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The Financial Statements section of our report. We are required to be independent of Zurn 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities Of Management For The Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Zurn 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities For The Audit Of The Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Zurn 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Zurn 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required By ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Zurn 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

1. Description of the Plan

The following description of the Zurn 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Document for more complete information.

On February 12, 2022, Zurn Water Solutions Corporation ("Zurn") entered into a definitive agreement to combine with Elkay Manufacturing Company ("Elkay"), pursuant to an Agreement and Plan of Merger (the "Merger Agreement") by and among Zurn, Elkay, Zebra Merger Sub, Inc., a wholly-owned subsidiary of Zurn ("Merger Sub"), and Elkay Interior Systems International, Inc., as representative of the stockholders of Elkay. The Merger Agreement provides that among other matters, and subject to the satisfaction or waiver of the conditions set forth in the Merger Agreement, Elkay would merge with Merger Sub, with Elkay surviving as a wholly-owned subsidiary of Zurn (the "Merger"). Zurn and Elkay merged effective July 1, 2022 and created Zurn Elkay Water Solutions Corporation (the "Company").

As a result of the Zurn and Elkay merger, the participants in Elkay's legacy 401(k) plan, the Elkay Manufacturing Company Savings and Retirement Plan will merge into the Zurn 401(k) plan effective January 1, 2023. The Plan will be renamed Zurn Elkay 401(k) Plan effective January 1, 2023. During 2022, there were funds received from Elkay's legacy 401(k) plan of \$1,508,296.

On October 4, 2021, Zurn Water Solutions Corporation (formerly known as Rexnord Corporation) (the "Company" or "Zurn") completed a Reverse Morris Trust ("RMT") tax-free spin-off transaction (the "Spin-off Transaction") in which (i) substantially all the assets and liabilities of Zurn's Process & Motion Control business were transferred to a newly created subsidiary, Land Newco, Inc. ("Land"), (ii) the shares of Land were distributed to Zurn Water Solutions Corporation stockholders pro rata, and (iii) Land was merged with a subsidiary of Regal Rexnord Corporation (formerly known as Regal Beloit Corporation) ("Regal Rexnord"), in which the stock of Land was converted into a certain number of shares of Regal Rexnord in accordance with the exchange ratio. Following completion of the Spin-Off Transaction, Zurn changed its name to "Zurn Water Solutions Corporation". In connection with the Spin-Off Transaction, the Company transferred certain employees and benefit plans to Regal Rexnord. Net assets within the Plan associated with employees transferred to Regal Rexnord.

General

The Plan is a defined contribution deferral savings plan administered by the Zurn Elkay Water Solutions Corporation Benefits Committee and covers substantially all nonunion employees and a portion of union employees of the Company and its affiliates as defined in the Plan Document.

The Plan is primarily intended to assist employees in supplementing their retirement income by providing a tax-deferred savings vehicle. A participant is eligible to participate in the Plan after 30 days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Plan's trustee and record keeper is Principal Financial Services, Inc. (the "Trustee" or "Principal").

Contributions

Participants may elect to defer from 1% to 75% of their annual compensation to the Plan limited to the maximum contribution amount as defined by the Internal Revenue Service ("IRS"). As permitted by Section 401(k) of the Internal Revenue Code ("IRC"), the amounts contributed are not taxable until paid out by the Plan. Participants who have attained age 50 before the close of the Plan year may make catch up contributions to the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans ("rollover").

Participants may elect to defer from 1% to 75% of their annual compensation for the Roth 401(k) contribution to the Plan, limited to the maximum contribution amount as defined by the IRS. Participants making Roth 401(k) contributions who have attained the age of 50 are also eligible to make catch-up Roth 401(k) contributions to the Plan. Participants may also contribute amounts representing distributions from other qualified Roth 401(k) plans. A participant's compensation associated with a Roth 401(k) contribution is subjected to federal income taxes in the year of contribution, but the contribution and, in most cases, the earnings on the contribution are not subject to federal income taxes when distributed in accordance with IRS requirements.

All employees that become eligible for the Plan are subject to automatic enrollment. The salary deferral rate at automatic enrollment is set at a 8% pre-tax contribution rate with an auto-escalation feature that increases contributions 1% annually on the enrollment anniversary date each year until the contribution percentage reaches 10%. An employee can change the deferral rate made through automatic enrollment by electing a different percentage, the employee can affirmatively elect not to participate in the Plan or can elect to contribute on an after-tax Roth 401(k) basis. Participants may, at any time, change their

Notes to Financial Statements (continued)

contribution percentage or suspend any future deductions from their pay. The auto-escalation feature is available to all participants, even if they were not automatically enrolled. The automatic salary deferral will be invested in a fund allocation based on the employee's age, unless otherwise directed by the employee.

The Company matches employee contributions at 50% of the first 8% of eligible wages. Catch-up contributions are not matched by the Company. Participants' contributions and Company matching contributions are deposited into participant accounts. The Company matching contributions shall be allocated on a calendar quarter basis in the form of Company stock.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. The value of Company contributions vests at the earlier to occur of disability, death, attainment of age 65, or three years of service, with some exceptions for certain merged plans. If a participant terminates employment before becoming vested, the value of Company contributions to their account is forfeited.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contributions, allocations of Company matching contributions, and Plan earnings, and charged with withdrawals and an allocation of Plan losses and administrative expenses. Allocations are based on participant compensation or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions in various investment options maintained by the Trustee. As of December 31, 2022, the Plan offers participants the option to invest their contributions in the following types of investments: mutual funds (24 offered), a common/collective trust (1 offered), and the Zurn Elkay Stock Fund (1 offered). Participants may change their investment options with the Trustee at their discretion. Portfolio investment allocation elections by participants can be up to 100% of any investment option except the Zurn Elkay Stock Fund, which is restricted to a maximum portfolio investment allocation of 20%. All participants must comply with insider trading laws and the Company's policies, including its insider trading policy, when making any transactions in the Zurn Elkay Stock Fund.

As a result of the Spin-Off Transaction, the former Rexnord Stock Fund split into the Zurn Stock Fund (now referred to as the Zurn Elkay Stock Fund) and Regal Rexnord Stock Fund. The Regal Rexnord Stock Fund was removed as an investment option on June 30, 2022.

Payment of Benefits

The account balance, to the extent it is vested, will be paid upon request to participants who have retired, become disabled, or otherwise left the Company, or to the beneficiaries of deceased participants.

Upon termination of service, death, disability or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or annual installments up to a 15-year period.

The Plan will distribute a participant's entire account balance to any participant (or to such participant's beneficiary in the case of death) who has an account balance less than \$1,000 following their termination of employment or death. If the participant's account balance is between \$1,000 and \$5,000 following their termination of employment or death, the Plan will automatically rollover a participant's entire account balance to a designated third-party individual retirement plan provider. Distribution or automatic rollovers of small account balances will occur before the end of the second Plan year following the Plan year during which the participant ceases to participate in the Plan.

Participant Hardship Withdrawals

A participant may withdraw all or a portion of their contributions subject to certain hardship withdrawal provisions.

Forfeited Accounts

As of December 31, 2022 and 2021, there were approximately \$7,278 and \$269,194, respectively, of unallocated forfeited accounts. Forfeited accounts are used to reduce future Company contributions. During the year ended December 31, 2022, \$1,024,090 of forfeitures were used to reduce Company contributions. Subsequent to year end, \$148,501 of forfeitures were utilized to fund contributions related to 2022.

Notes to Financial Statements (continued)

Notes Receivable from Participants

Participants may borrow from their accounts up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates at the time funds are borrowed as determined quarterly by the Plan Administrator. At December 31, 2022, outstanding loans bore interest at rates ranging from 4.25% to 8.5%. Principal and interest are paid ratably through payroll deductions, with maturity dates through June 2035.

Administrative Expenses

Plan administrative expenses are paid by the Company or the Plan, at the Company's discretion. Administrative expenses paid from plan assets totaled \$278,914 for the year ended December 31, 2022.

Plan Termination

Although it has not expressed any intention to do so, the Company has the right to terminate the Plan, subject to the provisions set forth in ERISA. If the Plan is terminated, Plan assets will be distributed to the participants based on the individual participant's interest in the Plan. In the event the Plan is terminated, all participants at the time of termination, would become 100% vested in their accounts.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Estimates and Assumptions

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Valuation of Investments and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Investment income is recorded as earned on the accrual basis. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investments represents the difference between the aggregate fair value of investments at the end of the year and the values at the beginning of the year, and includes any realized gains and losses and unrealized appreciation or depreciation on those investments.

Certain management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, these management fees and operating expenses are reflected as a reduction of net change in the fair value of investments on the Statement of Changes in Net Assets Available for Benefits.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution in accordance with the terms of the Plan Document.

Risks and Uncertainties

The Plan invests in various investment securities. Investments, in general, are exposed to various risks, such as interest rate changes, credit risks and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investments will occur in the near term and that such change could materially affect participants' account balances and the amounts reported in the financial statements.

Notes to Financial Statements (continued)

3. Fair Value Measurements

Accounting Standards Codification 820, *Fair Value Measurements and Disclosures* ("ASC 820"), defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants. ASC 820 also specifies a fair value hierarchy based upon the observability of inputs used in valuation techniques. Observable inputs (highest level) reflect market data obtained from independent sources, while unobservable inputs (lowest level) reflect internally developed assumptions about the assumptions a market participant would use.

In accordance with ASC 820, fair value measurements are classified under the following hierarchy:

Level 1	Quoted prices for identical instruments in active markets.
Level 2	Quoted prices for similar instruments; quoted prices for identical or similar instruments in markets that are not active; and model-derived valuations in which all significant inputs or significant value-drivers are observable.
Level 3	Model-derived valuations in which one or more inputs or value-drivers are both significant to the fair value measurement and unobservable.

If applicable, the Plan uses quoted market prices in active markets to determine fair value, and therefore classifies such measurements within Level 1. Where market prices are not available, the Plan makes use of observable market based inputs to calculate fair value, in which case the measurements are classified within Level 2. If quoted or observable market prices are not available, fair value is based upon internally developed models that use, where possible, current market-based parameters. These measurements are classified within Level 3 if they use significant unobservable inputs.

A description of the valuation methodologies used for assets measured at fair value is as follows:

- *Mutual funds* - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- *Common/collective trust* - Valued at the NAV of units of the common/collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the common/collective trust fund, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. A full redemption of the Plan's interest in the Wells Fargo Stable Return Fund N requires a 12-month notice period. The common/collective trust held by the Plan files an annual return on Form 5500 as a direct filing entity.
- *Zurn Elkay Stock Fund* - The Zurn Elkay Stock Fund (the Fund) consists of the Company's common stock and short-term cash, which provides liquidity for daily trading. The Company's common stock is valued at the quoted market price from a national securities exchange and the short-term cash investments are held in a money market mutual fund and are valued at fair value based on the NAV per share. A market-based NAV per share is calculated for the Fund periodically, and is the basis for participant transactions. The Fund is valued using the calculated NAV as a practical expedient to estimate fair value.
- *Regal Rexnord Stock Fund* - The Regal Rexnord Stock Fund consisted of Regal Rexnord common stock and short-term cash, which provided liquidity for daily trading. Regal Rexnord's common stock was valued at the quoted market price from a national securities exchange and the short-term cash investments were held in a money market mutual fund and were valued at fair value based on the NAV per share. A market-based NAV per share was calculated for the Regal Rexnord Stock Fund periodically, and was the basis for participant transactions. The Regal Rexnord Stock Fund was valued using the calculated NAV as a practical expedient to estimate fair value.

Notes to Financial Statements (continued)

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There have been no changes to the methodologies used at December 31, 2022 or 2021.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 169,155,926	\$ —	\$ —	\$ 169,155,926
Common/collective trust (a)				25,911,811
Zurn Elkay Stock Fund (a)				4,411,175
				<u>\$ 199,478,912</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 230,346,707	\$ —	\$ —	\$ 230,346,707
Common/collective trust (a)				28,272,274
Regal Rexnord Stock Fund (a)				3,917,329
Zurn Elkay Stock Fund (a)				4,768,236
				<u>\$ 267,304,546</u>

- (a) Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

4. Related Party Transactions and Party In Interest Transactions

Certain Plan investments are shares of a mutual fund or a common/collective trust managed by the Trustee. In addition, at December 31, 2022 and 2021, Plan investments include 658,553 and 424,368 shares of common stock of the Company, respectively, the Plan's sponsor. The fair value of these shares was \$4,411,175 and \$4,768,236, at December 31, 2022 and 2021, respectively. These transactions qualify as party in interest transactions but are exempt from the prohibited transactions regulations under ERISA.

5. Income Tax Status

The IRS has determined and informed the Company by a letter dated October 14, 2014 that the Plan, as then designed, and the related trust satisfy the applicable provisions of the IRC. The Plan has been amended since the date of the opinion letter; however, the Company and the Plan Administrator believe that the Plan and related trust are currently designed and being operated in compliance with the applicable requirements of the IRC and therefore no provision for income taxes has been included in the Plan financial statements.

The Plan's management has reviewed the Plan's tax exempt status and analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition or disclosure in the financial statements during the years ended December 31, 2022 and 2021, respectively. There are currently no audits specific to the Plan for any tax periods in progress from any taxing authorities.

Notes to Financial Statements (continued)

6. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 for the years ended December 31, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$ 201,627,354	\$ 269,106,514
Adjustment for employer contribution receivable	(121,385)	—
Adjustment for deemed distributed loans	(64,451)	(51,508)
Adjustment for other	—	(25,057)
Net assets available for benefits per Form 5500	<u><u>\$ 201,441,518</u></u>	<u><u>\$ 269,029,949</u></u>

The following is a reconciliation of the decrease in net assets per the financial statements to Form 5500 for the year ended December 31, 2022:

	<u>2022</u>
Decrease in net assets available for benefits before conversion in per the financial statements	\$ (68,987,456)
Adjustment for net change in deemed distributed loans	(12,943)
Adjustment for employer contribution receivable	(121,385)
Adjustment for other	25,057
Net loss per Form 5500	<u><u>\$ (69,096,727)</u></u>
