To the Retirement Plan Committee of

FORTIS FIRE & SAFETY, INC. 401(k) PROFIT SHARING PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed the audit of the financial statements of **Fortis Fire & Safety, Inc. 401(k) Profit Sharing Plan** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2022 and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2022 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of delinquent participant contributions and schedule of assets (held at end of year) for the year ended and as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2021 Financial Statements

Predecessor auditors performed an audit of the 2021 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated October 15, 2022, indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedules, other than the information in the 2021 supplemental schedules that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

FORTIS FIRE & SAFETY, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

(1) Description of Plan

The following description of the **Fortis Fire & Safety, Inc. 401(k) Profit Sharing Plan** (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions:

A. General – The VFS Fire & Security Services 401(k) Profit Sharing Plan ("VFS Plan") was a defined contribution plan originally established on January 1, 2011, as amended and restated effective January 1, 2022. The VFS Plan covers specific eligible employees of Bernel Inc. dba VFS Fire & Security Services ("VFS") and Participating Employers: Mesh WRX, Bernel Inc., dba: Golden State Fire, LifeSafety Management, Inc., and Fortis Fire & Safety, Inc. VFS is part of a controlled group. However, VFS' parent has filed the requisite Internal Revenue Service ("IRS") forms which qualifies VFS as a separate line of business, and as such, VFS operates its own plan.

On October 1, 2022, the VFS Plan was amended and restated (the "Restatement") with Fortis Fire & Safety Inc. becoming the surviving Plan Sponsor (collectively with the Participating Employers, the "Company"). Effective with the Restatement, the Plan was amended to update the Plan name to Fortis Fire & Safety Inc 401(k) Profit Sharing Plan (the "Plan"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective with the Restatement, the Plan changed asset custodians and recordkeepers from John Hancock Life Insurance Company (U.S.A.) to John Hancock Trust Company LLC. Participant accounts totaling \$4,484,334 were liquidated and transferred to John Hancock on October 1, 2022 and allocated to participant accounts on October 5, 2022.

B. Eligibility – The Plan allows all employees of the Company who have attained the age of 21 and completed 500 hours of service over a 6-month period to participate in the Plan, with the exception of union employees, nonresident aliens, and leased employees. As part of the Restatement, interns and temporary employees are excluded from participating in the Plan however such provision is effective January 1, 2023. In addition, as part of the parent company's acquisitions, certain Participating Employers are not eligible to participate in the Plan until the expiration of a transition period.

Employees were able to enter the Plan quarterly coinciding with or next following satisfaction of the minimum age and service requirements. Effective with the Restatement, employees are immediately eligible to participate in the Plan.

C. Participant contributions – Participants may contribute from 1% to 100% of their compensation on a pre-tax or after-tax basis, as defined by the Plan, subject to certain limitations prescribed by the IRS. Participants may also contribute amounts representing distributions from other qualified retirement plans. In addition, the Plan allows participants, attaining the age of 50 before the end of the Plan year, to make additional catch-up contributions to the Plan.

Effective with the Restatement, the Plan added an automatic enrollment provision whereby all newly eligible participants are automatically enrolled in the Plan at a deferral rate equal to 5% of eligible compensation. Their deferral rate increases by 1% annually on the enrollment anniversary date up to 15%. The automatic enrollment provision does not apply to existing employees participating prior to October 2, 2022.

Eligible employees who are employed on the last day of the Plan year, and complete at least 1,000 hours of service during the Plan year, are eligible to receive profit-sharing contributions.

Safe harbor contributions are based on annual eligible Plan compensation and equal to 100% of the first 3% of the participant's compensation plus 50% of the next 2% of the participant's compensation deferred. There were no discretionary matching and profit-sharing contributions authorized during the 2022 Plan year.

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

- F. Vesting** – Participants are immediately vested in their elective contributions, rollover contributions, and the Company's safe harbor contributions, plus actual earnings thereon. In the event of termination of employment for reasons other than death, retirement, or disability, a participant shall have a vested right in the portion of his or her account related to the Company's discretionary matching and profit-sharing contributions based on years of continuous employment with the Company as follows:

Notes receivable must be repaid over a term not to exceed five years from the date the proceeds are received unless the entire proceeds are used to purchase the participant's primary residence, in which case the repayment period may be extended up to 10 years. The notes receivable are secured by the balance in the participant's account and bear interest at the Prime rate plus 1%. The notes receivable bear interest at the Prime rate plus 1%. Principal and interest are paid ratably through payroll deductions.
- J. Administrative expenses** – The Company has elected to pay certain administrative expenses on behalf of the Plan during 2022. Forfeitures** – Forfeited non-vested accounts may be used to pay any employer discretionary contributions or may be allocated as an additional employer discretionary matching or profit-sharing contribution. There were no forfeited non-vested accounts utilized to fund employer discretionary contributions during the year ended December 31, 2022.

(2) Summary of significant accounting policies

The significant accounting policies followed by the Plan are as follows:

Basis of accounting – The accompanying financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP). Accordingly, income and contributions are recognized when earned and expenses are recorded when incurred.

Use of estimates – The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect reported amounts of net assets and the reported amounts of additions and deductions from net assets. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition – Mutual funds and the money market fund are stated at net asset value, which are readily determinable fair values of those shares as they are published daily and are the basis for current transactions. Investments in the common/collective trust are reported at net asset value ("NAV") as a practical expedient. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to methodologies used as of December 31, 2022 and 2021.

FORTIS FIRE & SAFETY, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

(2) Summary of significant accounting policies (continued)

- Mutual funds and money market fund – Stated at net asset values, which are readily determinable fair values of those shares as they are published daily and are the basis for current transactions.
- Common/collective trust – Investments in the stable value common collective trust, which is comprised primarily of fully benefit-responsive investment contracts, are valued at the NAV of units of the bank collective trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. This investment may be redeemed daily with a notice period of one day and had no unfunded commitments as of December 31, 2022.

Notes receivable from participants – Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest.

Payment of benefits – Benefits are recorded when paid.

Risks and uncertainties – Investments held by the Plan are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Subsequent events – Effective January 1, 2023, the LifeSafety Management, Inc. 401(k) Plan was merged into the Plan. Participant accounts totaling approximately \$959,000 were liquidated and transferred to John Hancock on January 3, 2023 and fully allocated to participant accounts by January 12, 2023.

Effective March 1, 2023, the Plan was amended to revise the entry date from the date requirements are met to the first pay period following the date eligibility requirements are met. In addition, CJ Suppression became a Participating Employer effective December 14, 2022 for eligibility purposes as part of the acquisition of CJ Suppression by the parent company effective November 14, 2022.

Plan management has evaluated subsequent events through October 16, 2023, which is the date the financial statements of the Plan were available to be issued.

(3) Information certified by the custodian and trustee

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock Life Insurance Company (U.S.A.), the custodian, and John Hancock Trust Company, the trustee, of the Plan have certified that the following data included in the accompanying financial statements and supplemental schedules are complete and accurate:

- Investments, at fair value
- Notes receivable from participants
- Interest and dividends on investments
- Interest income on notes receivable from participants
- Net depreciation in fair value of investments
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

(4) Fair value measurement

FASB ASC 820, *Fair Value Measurement*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

- Level 2 Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs to the valuation methodology are unobservable and significant to measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 4,635,977	\$ -	\$ -	\$ 4,635,977
Money market fund	952	-	-	952
Common/collective trust*	-	-	-	112,724
Total investments at fair value	<u>\$ 4,636,929</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,749,653</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 5,556,270</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,556,270</u>

*In accordance with Subtopic 820-10, certain investments that were measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

(5) Party-in-interest transactions

Certain Plan investments are managed by John Hancock Life Insurance Company (U.S.A.), the custodian, and John Hancock Trust Company, the trustee, of the Plan; as a result, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to the custodian and trustee totaled approximately \$1,000 during the year ended December 31, 2022. There was also approximately \$17,000 paid for administrative services and approximately \$7,000 paid for investment advisory services to other parties during the year ended December 31, 2022.

(6) Tax status

The prototype plan obtained a favorable opinion letter from the IRS dated June 30, 2020, stating that the Plan was designed in accordance with the applicable regulations of the Internal Revenue Code ("IRC"). The Plan administrator has not obtained an individual determination letter for the Plan and the Plan has been amended since receipt of the opinion letter. The Plan sponsor and the Plan administrator believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and that the Plan and related trust continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

(7) Delinquent participant contributions

Plan management determined that certain participant contributions and loan repayments withheld during the 2021 and 2022 Plan years were not deposited with the Plan in a timely manner based upon guidelines established by the DOL. These late remittances totaled \$10,888. Plan management corrected \$10,624 of these contributions and loan repayments during the 2022 Plan year and the remaining \$264 was corrected during the 2023 Plan year. Lost earnings associated with the late participant contributions and loan repayments are not significant to the financial statements as a whole.
